**CVRD signs a contract to sell 4.1 million tons of pellets to China Steel Corporation**

Rio de Janeiro, April 23, 2004 Companhia Vale do Rio Doce (CVRD) informs that it signed today in Rio de Janeiro, Brazil, during the International Iron and Steel Institute Board meeting, a contract with China Steel Corporation (CSC), one of largest Asian steelmakers, to supply 600,000 tons of pellets per year during the next seven years, from 2005 to 2011.

CSC is a CVRD client since 1979. Currently, in addition to pellets, CSC buys approximately 2.4 million tons of iron ore fines and lumps - per year from CVRD.

This contract shows CVRD focus on long term relationship with its customers, generating significant mutual benefits.

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian economy and securities markets, which exhibit volatility and can be adversely affected by developments in other countries; relating to the iron ore business and its dependence on the global steel industry, which is cyclical in nature; and relating to the highly competitive industries in which CVRD operates. For additional information on factors that could cause CVRD's actual results to differ from expectations reflected in forward-looking statements, please see CVRD's reports filed with the Brazilian Comissão de Valores Mobiliários and the U.S. Securities and Exchange Commission.
