VOTING SECURITIES

Under to the Company's Certificate of Incorporation, one member of the Company's Board of Directors is elected by the holders of the Company's Class A common stock and Class B common stock voting together as a single class (the "Class A/Class B director"). At the Company's most recent annual meeting of stockholders held on July 27, 2004, Nancy B. Peretsman was elected as the Company's Class A/Class B director. On September 14, 2004, Nancy B. Peretsman resigned from the Board of Directors of the Company, leaving a vacancy for the Class A/Class B director position.

As permitted under Section 228 of the Delaware General Corporation Law, by written consent dated October 21, 2004 stockholders of the Company representing approximately 92.5% of the voting interests entitled to vote on the foregoing Action consented to the election of Robert P. May as the Class A/Class B director of the Company's Board of Directors, subject to Company compliance with applicable notice requirements to the holders of the Class A common stock. Neither a meeting of our stockholders nor additional written consents are necessary on this matter and you are not requested to send a proxy.

As of the close of business on October 1, 2004, the record date for shares

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

entitled to notice of the Action, there were 304,802,855 shares of Class A common stock, representing approximately 8.25% of the total voting

power of securities entitled to vote for the Class/Class B director, and 50,000 shares of Class B common stock, representing approximately 91.75% of the total voting power, outstanding. Each share of Class A common stock is entitled to one vote. Each holder of Class B common stock is entitled to ten votes per share plus ten votes per share of Class B common stock for which membership units in our subsidiary, Charter Communications Holding Company, LLC ("Charter Holdco"), held by such holder and its affiliates are exchangeable. Accordingly, each outstanding share of Class B common stock was entitled to 67,836.4 votes at October 1, 2004.

CONSENTING STOCKHOLDER

As of October 1, 2004, our principal stockholder, Paul G. Allen, controlled approximately 92.5% of the combined voting power of the Company's Class A common stock and Class B common stock. On October 21, 2004, Mr. Allen consented in writing to elect Robert P. May as the Class A/Class B member of the Company's Board of Directors. Mr. Allen voted both his 50,000 shares of Class B common stock, representing approximately 91.75% of the total combined voting power outstanding, and his 29,126,463 shares of Class A common stock, representing approximately 0.79% of the total combined voting power outstanding. Mr. Allen's Class B common stock is entitled to ten votes per share plus ten votes per share of Class B common stock for which membership units in Charter Holdco held by Mr. Allen and his affiliates are exchangeable. Accordingly, each outstanding share of Class B common stock was entitled to 67,836.4 votes at October 1, 2004. Each of Mr. Allen's Class A shares were entitled to one vote.

Under Delaware law, we are required to give all of the Company's stockholders written notice of any actions that are taken by written consent without a stockholders meeting. Under Section 14(c) of the Securities Exchange Act of 1934 (the "Exchange Act"), such actions cannot become effective until 20 calendar days after the mailing date of this Information Statement to our stockholders. This Information Statement is first being sent to stockholders on or about November 19, 2004.

We are not seeking written consents from any of our stockholders, other than Mr. Allen, and our other stockholders will not be given an opportunity to vote with respect to this Action. All necessary corporate and stockholder approvals have been obtained, and this information statement is furnished solely for the purpose of:

- giving stockholders advance notice of the taking of the Action, as required by the Exchange Act; and
- advising stockholders of the Action taken by written consent, as required by Delaware law.

An Annual Report was mailed on June 18, 2004 to each stockholder of record as of June 1, 2004. The Annual Report contained further information about the Company and is available at the Company's web site at <http://www.charter.com>.

FREQUENTLY ASKED QUESTIONS

The following questions and answers are intended to respond to frequently asked questions concerning the action of Mr. Allen as the controlling stockholder of the Company.

WHY AREN'T WE HOLDING A MEETING OF STOCKHOLDERS?

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

The Board of Directors has already received the written consent of Paul G. Allen to the election of Robert P. May as the Class A/Class B director of the Company's Board of Directors. Mr. Allen holds approximately 92.5% of the voting interests entitled to vote on the Action. Under Delaware Law and our Certificate of Incorporation, this Action may be approved by the written consent of the voting interests entitled to vote. Since we have already received a written consent representing the necessary number of votes, a meeting is not necessary and represents a substantial and avoidable expense.

2

WHY IS THERE ONE DIRECTOR BEING ELECTED?

There currently are a total of eleven members of the Board of Directors, and one vacancy. In accordance with our Bylaws, the number of directors has been fixed at twelve. Our Certificate of Incorporation provides that all but one of the directors will be elected by vote of the holder of the Class B shares voting alone (the "Class B directors"), and that the remaining director will be elected by the holders of the Class A and Class B shares voting together. Nancy B. Peretsman was elected as our Class A/Class B director at the 2004 Annual Meeting of Stockholders in July 2004, but resigned from the Board of Directors on September 14, 2004, leaving a vacancy for the Class A/Class B director position.

WHO HAS BEEN NOMINATED FOR ELECTION AS THE CLASS A/CLASS B DIRECTOR?

The Board of Directors has nominated, and Paul G. Allen has voted to elect, Robert P. May as the Class A/Class B director to serve until the Company's annual meeting of stockholders in 2005 or until his successor is duly elected and qualified.

WHAT IS THE VOTE REQUIRED FOR THE ELECTION OF THE CLASS A/CLASS B DIRECTOR?

The vote of the holders of Class A Common Stock and Class B Common Stock, voting together as a single class, is required for the election of the Class A/Class B director. Paul G. Allen, the sole holder of Class B shares has taken action by written consent to elect the Class A/Class B director nominee. Mr. Allen's Class B common stock is entitled to ten votes per share plus ten votes per share of Class B common stock for which membership units in Charter Holdco held by Mr. Allen and his affiliates are exchangeable. Accordingly, each outstanding share of Class B common stock was entitled to 67,836.4 votes on our record date, October 1, 2004. Each of Mr. Allen's Class A shares were entitled to one vote. As of our record date, there are 3,696,622,855 votes entitled to vote on the Action. Mr. Allen's voting interests give him the right to vote 3,420,946,463 shares, well in excess of the vote required for the Action. Upon compliance with applicable notice requirements to the holders of the Class A common stock and the expiration of the time specified for such notice requirements, Mr. Allen's consent will result in the election of the Class A/Class B nominee.

DISSENTERS' RIGHTS

Stockholders who were not afforded an opportunity to consent or otherwise vote with respect to the Action have no right under Delaware law to dissent or require a vote of all stockholders of the Company.

ELECTION OF CLASS A/CLASS B DIRECTOR

We currently have eleven directors, each of whom is elected on an annual basis, and one vacancy. In accordance with our Bylaws, the number of directors has been fixed at twelve. Our Certificate of Incorporation provides that the holders of the Class B common stock elect all but one of the directors. The

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

holders of the Class A common stock and Class B common stock, voting together, elect one director (the Class A/Class B director). This election of one Class A/Class B director by the holders of Class A and Class B common stock voting together takes place each year at the annual meeting of stockholders. The Class A/Class B director elected at the annual meeting holds office until his or her successor is elected, which would generally occur at following year's annual meeting of stockholders. This Action to elect Mr. May as the Class A/Class B director is being taken now because Nancy Peretsman, the Class A/Class B director elected at the 2004 annual meeting of stockholders, resigned from the Board of Directors on September 14, 2004, leaving a vacancy on the Board for the Class A/Class B director seat.

Nominations. Robert P. May has been nominated for election as the Class A/Class B director to replace Nancy Peretsman. Mr. May currently serves as a Class B director and has agreed to serve as the Class A/Class B director. Although we don't know of any reason why Mr. May might not be able to serve, the Board of Directors will propose a substitute nominee to serve if Mr. May is not available for election for any reason. Following the election of Mr. May as a Class A/Class B director, there will be one vacancy on the Board of Directors for a Class B director.

3

By virtue of Mr. Allen's control of approximately 92.5% of the voting power of the Company as of the record date for the Action, we are a "controlled company" under Nasdaq rule 4350(c)(5). As such, the Company is not subject to requirements that a majority of our directors be "independent" (as defined in Nasdaq's rules) or that there be a nominating committee of the Board, responsible for nominating director candidates. The Company does not have a nominating committee. Candidates for director are nominated by the full Board of Directors, based on the recommendation of one or more of our directors. Given the significance of Mr. Allen's investment in the Company and the high caliber of the individuals who have been recruited to serve on our Board of Directors, we believe that the Company's nomination process is appropriate. Criteria and qualifications for new board members considered by the Company's directors include a high level of integrity and ability, industry experience or knowledge, and operating company experience as a member of senior management (operational or financial). In addition, director candidates must be individuals with the time and commitment necessary to perform the duties of a board member and other special skills that complement or supplement the skill sets of current directors.

Generally, stockholders can nominate persons to be directors. If a stockholder wants to nominate someone, he or she must follow the procedures set forth in our Bylaws. In short, these procedures require the stockholder to timely deliver a notice to the Secretary at our principal executive offices. That notice must contain the information required by the Bylaws about the stockholder proposing the nominee and about the nominee. No stockholder nominees have ever been proposed.

Stockholders also are free to suggest persons for the Company's Board of Directors to consider as nominees. The Board of Directors will consider those individuals if adequate information is submitted in a timely manner (but at least 120 days before the date of the proxy statement for the prior year's annual meeting of stockholders) in writing to the Board of Directors at the Company's principal executive officers, in care of the General Counsel. The Board of Directors may, however, give less serious consideration to individuals with whom none of the current Board members have personal knowledge.

Robert P. May, 55, was elected to our Board of Directors in October 2004. Mr. May has served on the Board of Directors of HealthSouth Corporation, a national provider of healthcare services since October 2002, and has been the Chairman of HealthSouth's Board of Directors since July 2004. Mr. May also served as HealthSouth Corporation's Interim Chief Executive Officer from March 2003 until May of 2004, and as Interim President of its Outpatient and Diagnostic Division from August 2003 to January 2004. From March 2001 until March 2003, Mr. May was principal of RPM Systems, a strategic and private investing consulting firm. From March 1999 to March 2001, Mr. May served on the Board of Directors and was Chief Executive Officer of PNV Inc., a national telecommunications company. PNV Inc. filed for bankruptcy in December 2000. Prior to his employment at PNV Inc., Mr. May was Chief Operating Officer and a member of the Board of Directors of Cablevision Systems Corporation from 1996 to 1998, and from 1973 to 1993 he held several senior executive positions with Federal Express Corporation, including President, Business Logistics Services. Mr. May was educated at Curry College and Boston College and attended Harvard Business School's Program for Management Development.

BOARD OF DIRECTORS

Our Board of Directors meets regularly throughout the year on a set schedule. The Board also holds special meetings and acts by written consent from time to time if necessary. Meetings of the independent members of the Board occur on or about the same day as regularly scheduled meetings of the full Board (four times a year) and may meet more frequently. Management is not present at these meetings. Each of the directors then serving attended last year's annual meeting of stockholders, and members of the Board of Directors are encouraged to attend the annual meeting each year. In 2003, the full Board of Directors held 16

4

meetings and acted five times by written consent. No director attended fewer than 75% of the total number of meetings of the Board and of Committees on which he or she served.

The Board of Directors delegates authority to act with respect to certain matters to Board Committees whose members are appointed by the Board. The following are the Committees of the Company's Board of Directors: Audit Committee, Financing Committee, Option Plan Committee, Compensation Committee, Executive Committee, Strategic Planning Committee and a Special Committee for matters related to the CC VIII put dispute referenced herein. In addition, during 2003, there was a Special Committee related to a financing commitment letter issued by a company controlled by Paul Allen. That committee ceased to exist when the commitment letter was terminated in November 2003.

The Company's Board of Directors has determined that all of the members of the Audit Committee are independent directors, as required by the Nasdaq listing standards. The remaining director independence Nasdaq requirements do not apply to the Company, as it is a "Controlled Company" under the Nasdaq listing standards by virtue of Mr. Allen's control of more than 50% of the voting power.

The Option Plan Committee also has the power to accelerate the vesting of any grant or extend the term thereof. The Option Plan Committee, which consisted of Ms. Peretsman and Mr. Nelson until July of 2003, when Mr. Nelson was replaced by David Merritt, met four times in 2003. Mr. Lillis replaced Ms. Peretsman on the Option Plan Committee in July 2004.

The Financing Committee reviews the Company's financing activities and approves the terms and conditions of any financing transactions in consultation with the Company's legal and financial advisors. A Special Committee related to a financing commitment letter issued by a company controlled by Paul Allen was formed in 2003. That committee, consisting of Messrs. Lillis, Tory and Merritt, met eight times in 2003 and ceased to exist when the commitment letter was terminated in November 2003.

DIRECTOR COMPENSATION

Commencing in July 2003, each member of our Board receives an annual retainer of \$40,000 in cash plus restricted stock, vesting one year after the date of grant, with a value on the date of grant of \$50,000. In addition, the Audit Committee chair receives \$25,000 per year, and the chair of each other committee receives \$10,000 per year. All committee members also receive \$1,000 for attendance at each committee meeting. Each of our directors is entitled to reimbursement for costs incurred in connection with attendance at Board and Committee meetings.

Except for Mr. Nathanson, directors who were not employees did not receive additional compensation in 2002 or the first half of 2003. Mr. Vogel, who was our President and Chief Executive Officer in 2003, was the only director who was also an employee during 2003. He did not receive any additional compensation for serving as a director or attending any meeting of the Board of Directors during 2003.

Our Bylaws provide that all directors are entitled to indemnification to the maximum extent permitted by law from and against any claims, damages, liabilities, losses, costs or expenses incurred in connection with or arising out of the performance by them of their duties for us or our subsidiaries.

LIMITATION OF DIRECTORS' LIABILITY AND INDEMNIFICATION MATTERS

Our Certificate of Incorporation limits the liability of directors to the maximum extent permitted by Delaware law. The Delaware General Corporation Law provides that a corporation may eliminate or limit the personal liability of a director for monetary damages for breach of fiduciary duty as a director, except for liability for:

- (1) any breach of the director's duty of loyalty to the corporation and its stockholders;
- (2) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- (3) unlawful payments of dividends or unlawful stock purchases or redemptions; or
- (4) any transaction from which the director derived an improper personal benefit.

Our Bylaws provide that we will indemnify all persons whom we may indemnify pursuant thereto to the fullest extent permitted by law.

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

We have reimbursed certain of our current and former directors, officers and employees in connection with their defense of certain legal actions.

- (1) Includes shares for which the named person has sole voting and investment power; or shared voting and investment power with a spouse. Does not include shares that may be acquired through exercise of options.
- (2) Includes unvested shares of restricted stock issued under the Charter Communications, Inc. 2001 Stock Incentive Plan (including those issued in the February 2004 option exchange to eligible employees who elected to participate), as to which the applicable director or employee has sole voting power but not investment power.
- (3) Includes shares of Class A common stock issuable upon exercise of options that have vested or will vest on or before November 29, 2004 under the 1999 Charter Communications Option Plan and the 2001 Stock Incentive Plan.
- (4) Beneficial ownership is determined in accordance with Rule 13d-3 under the Exchange Act. The beneficial owners at September 30, 2004 of Charter Class B common stock, Charter Holdco membership units and convertible senior notes of Charter are deemed to be beneficial owners of an equal number of shares of Charter Class A common stock because such holdings are either

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

convertible into Class A shares (in the case of Class B shares and convertible senior notes) or exchangeable (directly or indirectly) for Class A shares (in the case of the membership units) on a one-for-one basis. Unless otherwise noted, the named holders have sole investment and voting power with respect to the shares listed as beneficially owned. An issue has arisen as to whether the documentation for the Bresnan transaction was correct and complete with regard to the ultimate ownership of the CC VIII, LLC membership interests following the consummation of the Bresnan put transaction on June 6, 2003. See "Certain Relationships and Related Party Transactions."

- (5) The calculation of this percentage assumes for each person that:
- 304,803,455 shares of Class A common stock are issued and outstanding as of September 30, 2004;
 - 50,000 shares of Class B common stock held by Mr. Allen have been converted into shares of Class A common stock;
 - the acquisition by such person of all shares of Class A common stock that such person or affiliates of such person has the right to acquire upon exchange of membership units in subsidiaries or conversion of Series A Convertible Redeemable Preferred Stock or 5.75% or 4.75% convertible senior notes;
 - the acquisition by such person of all shares that may be acquired upon exercise of options to purchase shares or exchangeable membership units that have vested or will vest by November 29, 2004; and
 - that none of the other listed persons or entities has received any shares of Class A common stock that are issuable to any of such persons pursuant to the exercise of options or otherwise.

A person is deemed to have the right to acquire shares of Class A common stock with respect to options vested under the 1999 Charter Communications Option Plan. When vested, these options are exercisable for membership units of Charter Holdco, which are immediately exchanged on a one-for-one basis for shares of Charter Class A common stock. A person is also deemed to have the right to acquire shares of Class A common stock issuable upon the exercise of vested options under the 2001 Stock Incentive Plan.

- (6) The calculation of this percentage assumes that Mr. Allen's equity interests are retained in the form that maximizes voting power (i.e., the 50,000 shares of Class B common stock held by Mr. Allen have not been converted into shares of Class A common stock; that the membership units of Charter Holdco owned by each of Vulcan Cable III, Inc. and Charter Investment, Inc. have not been exchanged for shares of Class A common stock).
- (7) The total listed includes:
- 222,818,858 membership units in Charter Holdco held by Charter Investment, Inc.; and
 - 116,313,173 membership units in Charter Holdco held by Vulcan Cable III, Inc.

The listed total excludes 24,273,943 shares of Class A common stock issuable upon exchange of units of Charter Holdco, which may be issuable to

Charter Investment, Inc. (1) Includes senior management bonuses for 2003 under the 2003 senior management incentive plan. Mr. Vogel's and Ms. Bellville's bonuses are determined in accordance with the terms of their respective employment agreements. The bonus amounts for Messrs. Vogel and Silva for 2001 include the value of the vested portion of grants of restricted stock during 2001 under our 2001 Stock Incentive Plan, calculated based on the fair market values of the vested shares on the grant date, which pursuant to the terms of the plan is the average of the high and low trading price on the grant date. Also, where indicated in the footnotes below, the bonuses for 2002 and 2001 include "stay" bonuses in the form of principal and

OPTION/STOCK INCENTIVE PLANS

The Plans. We have granted stock options, restricted stock and other incentive compensation pursuant to two plans -- the 1999 Charter Communications Option Plan and the 2001 Stock Incentive Plan. The 1999 Charter Communications Option Plan provided for the grant of options to purchase membership units in Charter Holdco to current and prospective employees and consultants of Charter Holdco and its affiliates and to our current and prospective non-employee directors. Membership units received upon exercise of any options are immediately exchanged for shares of our Class A common stock on a one-for-one basis.

The 2001 Stock Incentive Plan provides for the grant of non-qualified stock options, stock appreciation rights, dividend equivalent rights, performance units and performance shares, share awards, phantom stock and/or shares of restricted stock (not to exceed 3,000,000 shares) as each term is defined in the 2001 Stock Incentive Plan. Employees, officers, consultants and directors of the Company and its subsidiaries and affiliates are eligible to receive grants under the 2001 Stock Incentive Plan. Generally, options expire 10 years from the grant date. Unless sooner terminated by our board of directors, the 2001 Stock Incentive Plan will terminate on February 12, 2011, and no option or award can be granted thereafter.

Together, the plans allow for the issuance of up to a total of 90,000,000 shares of our Class A common stock (or units exchangeable for our Class A common stock). Any shares covered by options that are terminated under the 1999 Charter Communications Option Plan will be transferred to the 2001 Stock Incentive Plan, and no new options will be granted under the 1999 Charter Communications Option Plan. At December 31, 2003, 460,572 shares had been issued under the plans upon exercise of options, 91,978 had been issued upon vesting of restricted stock granted under the plans, and 154,562 shares were subject to future vesting under restricted stock agreements. Of the remaining 89,292,888 shares covered by the plans, as of December 31, 2003, 47,882,365 were subject to outstanding options (22,860,936 of which were vested) and 41,410,523 remain eligible for future grant.

In July 2003, we amended the plans to authorize the repricing of options, which could include reducing the exercise price per share of any outstanding option, permitting the cancellation, forfeiture or tender of outstanding options in exchange for other awards or for new options with a lower exercise price per share, or repricing or replacing any outstanding options by any other method.

In January 2004, the Compensation Committee of our board of directors approved our Long-Term Incentive Program, or LTIP, which is a program administered under the 2001 Stock Incentive Plan. Employees of the Company and its subsidiaries whose pay classifications exceeded a certain level were eligible to receive stock options, and more senior level employees were eligible to receive stock options and performance shares. Under the LTIP, the stock options vest 25% on each of the first four anniversaries of the date of grant. The performance units vest on the third anniversary of the grant date and shares of Class A common stock are issued, conditional upon our performance against financial performance measures targets established by our management and approved by the board of directors as of the time of the award. No awards were made under the LTIP in 2003.

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

The Option Plan Committee of our board of directors administers and authorizes grants and awards under the 2001 Stock Incentive Plan to any eligible individuals. The Option Plan Committee determines the terms of each stock option grant, restricted stock grant or other award at the time of grant, including the exercise price to be paid for the shares, the vesting schedule for each option, the price, if any, to be paid by the grantee for the restricted stock, the restrictions placed on the shares, and the time or times when the restrictions will lapse. The Option Plan Committee also has the power to accelerate the vesting of any grant or extend the term thereof.

Upon a change of control of the Company, the Option Plan Committee can shorten the exercise period of any option, have the survivor or successor entity assume the options with appropriate adjustments, or cancel options and pay out in cash. If an optionee's or grantee's employment is terminated without "cause" or for "good reason" following a "change in control" (as those terms are defined in the plans), unless otherwise provided in an agreement, with respect to such optionee's or grantee's awards under the plans, all outstanding options will become immediately and fully exercisable, all outstanding stock appreciation rights will become

19

immediately and fully exercisable, the restrictions on the outstanding restricted stock will lapse, and all of the outstanding performance shares will vest and the restrictions on all of the outstanding performance shares will lapse as if all performance objectives had been satisfied at the maximum level.

February 2004 Option Exchange. In January 2004, we began an option exchange program in which we offered employees of the Company and its subsidiaries the right to exchange all stock options (vested and unvested) under the 1999 Charter Communications Option Plan and 2001 Stock Incentive Plan that had an exercise price over \$10 per share for shares of restricted Charter Class A common stock or, in some instances, cash. Based on a sliding exchange ratio, which varied depending on the exercise price of an employee's outstanding options, if an employee would have received more than 400 shares of restricted stock in exchange for tendered options, we issued to that employee shares of restricted stock in the exchange. If, based on the exchange ratios, an employee would have received 400 or fewer shares of restricted stock in exchange for tendered options, we instead paid to the employee cash in an amount equal to the number of shares the employee would have received multiplied by \$5.00. The offer applied to options to purchase a total of 22,929,573 shares of Class A common stock, or approximately 48% of our 47,882,365 total options (vested and unvested) issued and outstanding as of December 31, 2003. Participation by employees was voluntary. Those members of our board of directors who were not also employees of the Company or any of its subsidiaries were not eligible to participate in the exchange offer.

In the closing of the exchange offer on February 20, 2004, we accepted for cancellation eligible options to purchase approximately 18,137,664 shares of its Class A common stock. In exchange, we granted approximately 1,966,686 shares of restricted stock, including 460,777 performance shares to eligible employees of the rank of senior vice president and above, and paid a total cash amount of approximately \$4 million (which amount includes applicable withholding taxes) to those employees who received cash rather than shares of restricted stock. The restricted stock was granted on February 25, 2004. Employees tendered approximately 79% of the options eligible to be exchanged under the program.

The cost of the Stock Option Exchange Program was approximately \$12 million, with a 2004 cash compensation expense of approximately \$4 million and a non-cash compensation expense of approximately \$8 million to be expensed ratably over the three-year vesting period of the restricted stock issued in the

exchange.

EMPLOYMENT ARRANGEMENTS

Mr. Vogel is currently employed under an employment agreement that was signed in 2001 and terminates on December 31, 2005. Of the other individuals named in the Summary Compensation Table, Ms. Bellville is no longer an employee, but served until September 30, 2004 under the terms of an employment agreement signed in April 2003 and Mr. Silva is no longer an employee, but served until July of 2003 under the terms of an employment agreement signed in 2001.

Mr. Vogel is employed as President and Chief Executive Officer, earning a base annual salary of \$1,000,000 and is eligible to receive an annual bonus of up to \$500,000, a portion based on personal performance goals and a portion based on company performance measured against criteria established by the board with Mr. Vogel. Pursuant to his employment agreement, Mr. Vogel was granted 3,400,000 options to purchase Class A common stock and 50,000 shares of restricted stock under our 2001 Stock Incentive Plan. Both the options and restricted shares vested 25% on the grant date, with the remainder vesting in 36 equal monthly installments beginning December 2002. Mr. Vogel's agreement provides that if Mr. Vogel is terminated without cause or by Mr. Vogel for good reason (including, in the event Mr. Vogel is required to report, directly or indirectly, to persons other than the board), he is entitled to his aggregate base salary due during the remainder of the term and full prorated benefits for the year in which termination occurs. Mr. Vogel's agreement includes a covenant not to compete for the balance of the initial term or any renewal term, but no more than one year in the event of termination without cause or by Mr. Vogel with good reason. Mr. Vogel's agreement entitles him to participate in any disability insurance, pensions or other benefit plans afforded to employees generally or to our executives, including our LTIP. We agreed to reimburse Mr. Vogel annually for the cost of term life insurance in the amount of \$5 million, although he declined this

20

reimbursement in 2001, 2002 and 2003. Mr. Vogel is entitled to reimbursement of fees and dues for his membership in a country club of his choice, which he declined in 2001, 2002 and 2003 and reimbursement for up to \$10,000 per year for tax, legal and financial planning services. His agreement also provides for a car and associated expenses for Mr. Vogel's use. Mr. Vogel's agreement provides for automatic one-year renewals and also provides that we will cause him to be elected to our board of directors without any additional compensation.

Ms. Bellville was employed as Executive Vice President, Chief Operating Officer. Until her resignation in September 2004, she was employed under an employment agreement entered into as of April 27, 2003, that would have terminated on September 1, 2007. Her annual base salary was \$625,000 and she was eligible to receive an annual bonus in an amount to be determined by our board of directors, with a contractual minimum for 2003 of \$203,125. Commencing in 2004, Ms. Bellville would have been eligible to receive a target annual bonus equal to 100% of her base salary for the applicable year at the discretion of the board of directors, 50% to be based on personal performance goals and 50% to be based on overall company performance. Under a prior offer letter dated December 3, 2002, Ms. Bellville was granted 500,000 options to purchase share of our Class A common stock, which vested 25% on the date of the grant (December 9, 2002), with the balance to vest in 36 equal installments commencing January 2003. Ms. Bellville's employment agreement provided that if she was terminated without cause or if she terminated the agreement for good reason (including due to a change in control or if Ms. Bellville is required to report, directly or indirectly, to persons other than the Chief Executive Officer), we would pay Ms. Bellville an amount equal to the aggregate base salary due to Ms. Bellville

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

during the remainder of the term, or renewal term and a full prorated bonus for the year in which the termination occurs, within thirty days of termination. Ms. Bellville's employment agreement included a covenant not to compete for the balance of the initial term or any renewal term, but no more than one year, in the event of termination without cause or by her with good reason. Her agreement further provided that she was entitled to participate in any disability insurance, pension or other benefit plan afforded to employees generally or to our executives, including our LTIP. Ms. Bellville was entitled to a monthly car allowance and reimbursement for all business expenses associated with the use of such car. Ms. Bellville's agreement provided that she was entitled to the reimbursement of dues for her membership in a country club of her choice, and reimbursement for up to \$5,000 per year for tax, legal and financial planning services. Her base salary may have been increased at the discretion of our board of directors. Ms. Bellville's agreement provided for automatic one-year renewals.

On September 16, 2004, Charter entered into an agreement with Ms. Bellville governing the terms and conditions of her resignation as an officer and employee of the Company. Under the terms of the Agreement, Ms. Bellville will have the right to receive 65 weeks of base pay based on an annual base of \$625,000, plus usual compensation for all accrued vacation and other leave time. Any stock options granted to Ms. Bellville will continue to vest during the salary continuation period. Ms. Bellville will have 60 days after the expiration of the salary continuation period to exercise any outstanding vested options at the applicable exercise prices established at each grant date. Ms. Bellville is entitled to receive relocation benefits under the Company's current relocation policy with respect to a move to a specified geographic area and will be provided outplacement assistance for 6 months following the date of her separation from the Company. Her resignation was effective September 30, 2004. The Agreement provided that the previously existing Employment Agreement would terminate, except for certain ongoing obligations on Ms. Bellville's part concerning confidentiality, non-solicitation and non-disparagement. The contractual restriction on her ability to solicit current Charter employees does not apply to persons who, at the time of solicitation, have not worked for Charter in the prior 6 months and are not receiving severance from Charter. In addition, the non-competition provisions of her Employment Agreement were waived. Under the Agreement, Ms. Bellville waived a right to any bonus or incentive plan and released the Company from any claims arising out of or based upon any facts occurring prior to the date of the Agreement, but the Company will continue to provide Ms. Bellville certain indemnification rights for that period.

Mr. Silva was employed as Executive Vice President -- Corporate Development and Chief Technology Officer. Until his resignation in July 2003, he received a base salary of \$300,000 and was eligible to receive an annual bonus of up to 50% of base, according to our Executive Bonus Policy in accordance with past practices,

21

and additional bonuses at the discretion of the board. Pursuant to his employment agreement, Mr. Silva received 36,000 shares of restricted stock under our 2001 Stock Incentive Plan. Under his agreement, Mr. Silva's restricted shares vested 25% on the grant date, with the remainder to vest in 36 equal monthly installments beginning December 2002. Mr. Silva's agreement provided that he was eligible for any disability insurance, pension or other benefit plan offered to employees generally or to our executives. Mr. Silva's agreement also provided that, to the extent we did not provide life insurance in an amount at least equal to the unpaid amount of his base salary through the end of the term of his agreement, we would continue to pay his estate an amount equal to his base salary in installments through the end of the term.

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

In addition to the indemnification provisions which apply to all employees under our Bylaws, each of these agreements provides that we will indemnify and hold harmless each employee to the maximum extent permitted by law from and against any claims, damages, liabilities, losses, costs or expenses in connection with or arising out of the performance by the applicable employee of his or her duties. Each of the above agreements also contains confidentiality and non-solicitation provisions.

Mr. Chang is employed under the terms contained in an offer letter effective December 2, 2003 providing for an annual base salary of \$400,000 and eligibility for an annual incentive target of 100% of the base salary (based on a combination of personal performance goals and overall company performance). Mr. Chang is also eligible to participate in our 2001 Stock Incentive Plan. Under this plan, Mr. Chang was granted 350,000 options to purchase Class A common stock and 50,000 restricted shares on December 9, 2003. Mr. Chang is also entitled to participate in our LTIP. Mr. Chang's agreement provides that one half of each of his unvested restricted shares would immediately vest, and one half of each of his unvested options of the initial option grant would vest if (1) there is a change in our current Chief Executive Officer, (2) there is a change in reporting relationship to anyone other than the Chief Executive Officer, (3) there is a requirement that the employee relocate, (4) there is a change of control of the Company or (5) if terminated without cause. In addition, Mr. Chang would be entitled to eighteen months of full severance benefits at his current compensation rate, plus the prorata portion of his bonus amount within thirty days after termination because of any of these events.

From January 5, 2004 until his resignation in August 2004, Michael P. Huseby was employed as Charter's Chief Financial Officer under the terms of a letter agreement dated January 5, 2004. The terms contained in such letter agreement were essentially the same as those contained in Mr. Chang's letter agreement.

The Company has separation guidelines which generally apply to all employees in situations where management determines that an employee is entitled to severance benefits. Severance benefits are granted solely in management's discretion and are not an employee entitlement or guaranteed benefit. The guidelines provide that persons employed at the level of Senior Vice President may be eligible to receive between six and fifteen months of severance benefits and persons employed at the level of Executive Vice President may be eligible to receive between nine and eighteen months of severance benefits in the event of separation under certain circumstances generally including the elimination of a position, work unit or general staff reduction. Separation benefits are contingent upon employees signing a separation agreement containing certain provisions including a release of all claims against the Company. Severance amounts paid under these guidelines are distinct and separate from any one-time, special or enhanced severance programs that may be approved by the Company from time to time.

LIMITATION OF DIRECTORS' LIABILITY AND INDEMNIFICATION MATTERS

Our Certificate of Incorporation limits the liability of directors to the maximum extent permitted by Delaware law. The Delaware General Corporation Law provides that a corporation may eliminate or limit the

personal liability of a director for monetary damages for breach of fiduciary duty as a director, except for liability for:

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

(1) any breach of the director's duty of loyalty to the corporation and its stockholders;

(2) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

(3) unlawful payments of dividends or unlawful stock purchases or redemptions; or

(4) any transaction from which the director derived an improper personal benefit.

Our Bylaws provide that we will indemnify all persons whom we may indemnify pursuant thereto to the fullest extent permitted by law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

We have reimbursed certain of our current and former directors, officers and employees in connection with their defense of certain legal actions. See "Certain Relationships and Related Transactions -- Other Miscellaneous Relationships -- Indemnification Advances."

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following sets forth certain transactions in which we are involved in which our directors executive officers and affiliates have or may have a material interest. The transactions fall generally into three broad categories:

- Transactions in which Mr. Allen has an interest that arise directly out of Mr. Allen's investment in Charter Communications, Inc. and Charter Communications Holding Company, LLC ("Charter Holdco"). A large number of the transactions described below arise out of Mr. Allen's direct and indirect (through Charter Investment Inc., or the Vulcan entities, each of which Mr. Allen controls)

23

investment in the Company and its subsidiaries, as well as commitments made as consideration for the investments themselves.

- Transactions with third party providers of products, services and content in which Mr. Allen has a material interest. Mr. Allen has numerous investments in the areas of technology and media. We have a number of commercial relationships with third parties in which Mr. Allen has an interest.
- Other Miscellaneous Transactions. We have a limited number of transactions in which certain of the officers, directors and principal stockholders of the Company and its subsidiaries, other than Mr. Allen, have an interest.

A number of the debt instruments of our subsidiaries require delivery of fairness opinions for transactions with Mr. Allen or his affiliates involving more than \$50 million. Such fairness opinions have been obtained whenever required. All of our transactions with Mr. Allen or his affiliates have been considered for approval either by the board of directors of the Company or a committee of the board of directors and, in compliance with corporate governance requirements, all related party transactions are considered by the Audit Committee comprised entirely of independent directors. All of our transactions with Mr. Allen or his affiliates have been deemed by the board of directors or a committee of the board of directors to be in our best interest. Except where noted below, we do not believe that these transactions present any unusual risks for us that would not be present in any similar commercial transaction.

The following sets forth more details regarding the transactions summarized above.

TRANSACTIONS ARISING OUT OF OUR ORGANIZATIONAL STRUCTURE AND MR. ALLEN'S INVESTMENT IN CHARTER COMMUNICATIONS, INC. AND ITS SUBSIDIARIES

As noted above, a number of our related party transactions arise out of Mr. Allen's investment in the Company and its subsidiaries. Some of these transactions are with Charter Investment, Inc. and Vulcan Ventures (both owned

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

100% by Mr. Allen), the Company (controlled by Mr. Allen) and Charter Holdco (approximately 46.5% owned by us and 53.5% owned by other affiliates of Mr. Allen).

INTERCOMPANY MANAGEMENT ARRANGEMENTS.

The Company is a party to management arrangements with Charter Holdco and certain of its subsidiaries. Under these agreements, the Company provides management services for the cable systems owned or operated by its subsidiaries. These management agreements provide for reimbursement to the Company for all costs and expenses incurred by it attributable to the ownership and operation of the managed cable systems. In general, the total amount paid by Charter Holdco and all of its subsidiaries is limited to the amount necessary to reimburse the Company for all of its expenses, costs, losses, liabilities and damages paid or incurred by it in connection with the performance of its services under the various management agreements and in connection with its corporate overhead, administration, salary expense and similar items. The expenses subject to reimbursement include fees the Company is obligated to pay under the mutual services agreement with Charter Investment, Inc. Payment of management fees by the Company's operating subsidiaries is subject to certain restrictions under the credit facilities and indentures of such subsidiaries. If any portion of the management fee due and payable is not paid, it is deferred by the Company and accrued as a liability of such subsidiaries. Any deferred amount of the management fee will bear interest at the rate of 10% per year, compounded annually, from the date it was due and payable until the date it is paid. For the year ended December 31, 2003, our subsidiaries paid a total of \$84 million in management fees to the Company.

MUTUAL SERVICES AGREEMENT

The Company, Charter Holdco and Charter Investment, Inc. are parties to a mutual services agreement whereby each party shall provide rights and services to the other parties as may be reasonably requested for the management of the entities involved and their subsidiaries, including the cable systems owned by their subsidiaries all on a cost-reimbursement basis. The officers and employees of each party are available to the other parties to provide these rights and services, and all expenses and costs incurred in providing these rights and services are paid by the Company. Each of the parties will indemnify and hold harmless the other parties and their directors, officers and employees from and against any and all claims that may be made against any of them in connection with the mutual services agreement except due to its or their gross negligence or willful misconduct. The mutual services agreement expires on November 12, 2009, and may be terminated at any

27

time by any party upon thirty days' written notice to the other. For the year ended December 31, 2003, the Company paid approximately \$73 million to Charter Holdco for services rendered pursuant to the mutual services agreement. All such amounts are reimbursable to the Company pursuant to a management arrangement with our subsidiaries. The accounts and balances related to these services eliminate in consolidation. Charter Investment, Inc. no longer provides services pursuant to this agreement.

PREVIOUS MANAGEMENT AGREEMENT WITH CHARTER INVESTMENT, INC.

Prior to November 12, 1999, Charter Investment, Inc. provided management and consulting services to our operating subsidiaries for a fee equal to 3.5% of the gross revenues of the systems then owned, plus reimbursement of expenses. The balance of management fees payable under the previous management agreement was accrued with payment at the discretion of Charter Investment, Inc., with

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

interest payable on unpaid amounts. For the year ended December 31, 2003, the Company's subsidiaries did not pay any fees to Charter Investment, Inc. to reduce management fees payable. As of December 31, 2003, total management fees payable to Charter Investment, Inc. were approximately \$14 million, exclusive of any interest that may be charged.

CHARTER COMMUNICATIONS HOLDING COMPANY, LLC LIMITED LIABILITY AGREEMENT -- TAXES

The limited liability company agreement of Charter Holdco contains special provisions regarding the allocation of tax losses and profits among its members -- Vulcan Cable III, Inc., Charter Investment, Inc. and us. In some situations, these provisions may cause us to pay more tax than would otherwise be due if Charter Holdco had allocated profits and losses among its members based generally on the number of common membership units.

VULCAN VENTURES CHANNEL ACCESS AGREEMENT

Vulcan Ventures, an entity controlled by Mr. Allen, the Company, Charter Investment, Inc. and Charter Holdco are parties to an agreement dated September 21, 1999 granting to Vulcan Ventures the right to use up to eight of our digital cable channels as partial consideration for a prior capital contribution of \$1.325 billion. Specifically, at Vulcan Ventures' request, we will provide Vulcan Ventures with exclusive rights for carriage of up to eight digital cable television programming services or channels on each of the digital cable systems with local and to the extent available, national control of the digital product owned, operated, controlled or managed by the Company or its subsidiaries now or in the future of 550 megahertz or more. If the system offers digital services but has less than 550 megahertz of capacity, then the programming services will be equitably reduced. Upon request of Vulcan Ventures, we will attempt to reach a comprehensive programming agreement pursuant to which it will pay the programmer, if possible, a fee per digital video customer. If such fee arrangement is not achieved, then we and the programmer shall enter into a standard programming agreement. The initial term of the channel access agreement was 10 years, and the term extends by one additional year (such that the remaining term continues to be 10 years) on each anniversary date of the agreement unless either party provides the other with notice to the contrary at least 60 days prior to such anniversary date. To date, Vulcan Ventures has not requested to use any of these channels. However, in the future it is possible that Vulcan Ventures could require us to carry programming that is less profitable to us than the programming that we would otherwise carry and our results would suffer accordingly.

EQUITY PUT RIGHTS

CC VIII. As part of the acquisition of the cable systems owned by Bresnan Communications Company Limited Partnership in February 2000, CC VIII, Charter's indirect limited liability company subsidiary, issued, after adjustments, 24,273,943 Class A preferred membership units (collectively, the "CC VIII interest") with a value and an initial capital account of approximately \$630 million to certain sellers affiliated with AT&T Broadband, subsequently owned by Comcast Corporation (the "Comcast sellers"). While held by the Comcast sellers, the CC VIII interest was entitled to a 2% priority return on its initial capital account and such priority return was entitled to preferential distributions from available cash and upon liquidation of CC VIII. While held by the Comcast sellers, the CC VIII interest generally did not share in the profits and losses

28

of CC VIII. Mr. Allen granted the Comcast sellers the right to sell to him the CC VIII interest for approximately \$630 million plus 4.5% interest annually from February 2000 (the "Comcast put right"). In April 2002, the Comcast sellers

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

exercised the Comcast put right in full, and this transaction was consummated on June 6, 2003. Accordingly, Mr. Allen has become the holder of the CC VIII interest, indirectly through an affiliate. Consequently, subject to the matters referenced in the next paragraph, Mr. Allen generally thereafter will be allocated his pro rata share (based on number of membership interests outstanding) of profits or losses of CC VIII. In the event of a liquidation of CC VIII, Mr. Allen would be entitled to a priority distribution with respect to the 2% priority return (which will continue to accrete). Any remaining distributions in liquidation would be distributed to CC V Holdings, LLC and Mr. Allen in proportion to CC V Holdings, LLC's capital account and Mr. Allen's capital account (which will equal the initial capital account of the Comcast sellers of approximately \$630 million, increased or decreased by Mr. Allen's pro rata share of CC VIII's profits or losses (as computed for capital account purposes) after June 6, 2003). The limited liability company agreement of CC VIII does not provide for a mandatory redemption of the CC VIII interest.

An issue has arisen as to whether the documentation for the Bresnan transaction was correct and complete with regard to the ultimate ownership of the CC VIII interest following consummation of the Comcast put right. Specifically, under the terms of the Bresnan transaction documents that were entered into in June 1999, the Comcast sellers originally would have received, after adjustments, 24,273,943 Charter Holdco membership units, but due to an FCC regulatory issue raised by the Comcast sellers shortly before closing, the Bresnan transaction was modified to provide that the Comcast sellers instead would receive the preferred equity interests in CC VIII represented by the CC VIII interest. As part of the last-minute changes to the Bresnan transaction documents, a draft amended version of the Charter Holdco limited liability company agreement was prepared, and contract provisions were drafted for that agreement that would have required an automatic exchange of the CC VIII interest for 24,273,943 Charter Holdco membership units if the Comcast sellers exercised the Comcast put right and sold the CC VIII interest to Mr. Allen or his affiliates. However, the provisions that would have required this automatic exchange did not appear in the final version of the Charter Holdco limited liability company agreement that was delivered and executed at the closing of the Bresnan transaction. The law firm that prepared the documents for the Bresnan transaction brought this matter to the attention of Charter and representatives of Mr. Allen in 2002.

Thereafter, the board of directors of Charter formed a Special Committee (currently comprised of Messrs. Merritt, Tory and Wangberg) to investigate the matter and take any other appropriate action on behalf of Charter with respect to this matter. After conducting an investigation of the relevant facts and circumstances, the Special Committee determined that a "scrivener's error" had occurred in February 2000 in connection with the preparation of the last-minute revisions to the Bresnan transaction documents and that, as a result, Charter should seek the reformation of the Charter Holdco limited liability company agreement, or alternative relief, in order to restore and ensure the obligation that the CC VIII interest be automatically exchanged for Charter Holdco units. The Special Committee further determined that, as part of such contract reformation or alternative relief, Mr. Allen should be required to contribute the CC VIII interest to Charter Holdco in exchange for 24,273,943 Charter Holdco membership units. The Special Committee also recommended to the board of directors of Charter that, to the extent the contract reformation is achieved, the board of directors should consider whether the CC VIII interest should ultimately be held by Charter Holdco or Charter Holdings or another entity owned directly or indirectly by them.

Mr. Allen disagrees with the Special Committee's determinations described above and has so notified the Special Committee. Mr. Allen contends that the transaction is accurately reflected in the transaction documentation and contemporaneous and subsequent company public disclosures.

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

The parties engaged in a process of non-binding mediation to seek to resolve this matter, without success. The Special Committee is evaluating what further actions or processes it may undertake to resolve this dispute. To accommodate further deliberation, each party has agreed to refrain from initiating legal proceedings over this matter until it has given at least ten days' prior notice to the other. In addition, the Special Committee and Mr. Allen have determined to utilize the Delaware Court of Chancery's program for mediation of complex business disputes in an effort to resolve the CC VIII interest dispute. If the Special Committee and Mr. Allen are unable to reach a resolution through that mediation process or to agree on an

29

alternative dispute resolution process, the Special Committee intends to seek resolution of this dispute through judicial proceedings in an action that would be commenced, after appropriate notice, in the Delaware Court of Chancery against Mr. Allen and his affiliates seeking contract reformation, declaratory relief as to the respective rights of the parties regarding this dispute and alternative forms of legal and equitable relief. The ultimate resolution and financial impact of the dispute are not determinable at this time.

Rifkin. On September 14, 1999, Mr. Allen and Charter Holdco entered into a put agreement with certain sellers of the Rifkin cable systems that received a portion of their purchase price in the form of 3,006,202 Class A preferred membership units of Charter Holdco. This put agreement allowed these holders to compel Charter Holdco to redeem their Class A preferred membership units at any time before September 14, 2004 at \$1.00 per unit, plus accretion thereon at 8% per year from September 14, 1999. Mr. Allen had guaranteed the redemption obligation of Charter Holdco. These units were put to Charter Holdco for redemption, and were redeemed on April 18, 2003 for a total price of approximately \$3.9 million.

Mr. Allen also was a party to a put agreement with certain sellers of the Rifkin cable systems that received a portion of their purchase price in the form of shares of Class A common stock of the Company. Under this put agreement, such holders have the right to sell to Mr. Allen any or all of such shares of Class A common stock at \$19 per share (subject to adjustments for stock splits, reorganizations and similar events), plus interest at a rate of 4.5% per year, compounded annually from November 12, 1999. Approximately 4.6 million shares were put to Mr. Allen under these agreements prior to their expiration on November 12, 2003.

Falcon. Mr. Allen also was a party to a put agreement with certain sellers of the Falcon cable systems (including Mr. Nathanson, one of our directors) that received a portion of their purchase price in the form of shares of Class A common stock of the Company. Under the Falcon put agreement, such holders had the right to sell to Mr. Allen any or all shares of Class A common stock received in the Falcon acquisition at \$25.8548 per share (subject to adjustments for stock splits, reorganizations and similar events), plus interest at a rate of 4.5% per year, compounded annually from November 12, 1999. Approximately 19.4 million shares were put to Mr. Allen under these agreements prior to their expiration on November 12, 2003.

PREVIOUS FUNDING COMMITMENT OF VULCAN INC.

Effective April 14, 2003, our subsidiary, Charter Communications VII, LLC, entered into a commitment letter with Vulcan Inc., which is an affiliate of Paul Allen, under which Vulcan Inc. agreed to lend, under certain circumstances, or cause an affiliate to lend initially to Charter Communications VII, LLC, or another subsidiary of Charter Holdings, up to \$300 million, which amount included a subfacility of up to \$100 million for the issuance of letters of credit. No amounts were ever drawn under the commitment letter. In November

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

2003, we terminated the commitment. We incurred expenses to Vulcan Inc. totaling \$5 million in connection with the commitment (including an extension fee) prior to termination.

ALLOCATION OF BUSINESS OPPORTUNITIES WITH MR. ALLEN

As described under "-- Third Party Business Relationships in which Mr. Allen has an Interest" in this section, Mr. Allen and a number of his affiliates have interests in various entities that provide services or programming to our subsidiaries. Given the diverse nature of Mr. Allen's investment activities and interests, and to avoid the possibility of future disputes as to potential business, the Company and Charter Holdco, under the terms of their respective organizational documents, may not, and may not allow their subsidiaries, to engage in any business transaction outside the cable transmission business except for the Digeo, Inc. joint venture; a joint venture to develop a digital video recorder set-top terminal; an existing investment in Cable Sports Southeast, LLC, a provider of regional sports programming; as an owner of the business of Interactive Broadcaster Services Corporation or, Chat TV, an investment in @Security Broadband Corp., a company developing broadband security applications; and incidental businesses engaged in as of the closing of the Company's initial public offering in November 1999. This restriction will remain in effect until all of the shares of the Company's high-vote Class B common stock have been converted into shares of Class A common stock due to Mr. Allen's equity ownership falling below specified thresholds.

30

Should the Company or Charter Holdco or any of their subsidiaries wish to pursue, or allow their subsidiaries to pursue, a business transaction outside of this scope, it must first offer Mr. Allen the opportunity to pursue the particular business transaction. If he decides not to pursue the business transaction and consents to the Company or its subsidiaries engaging in the business transaction, they will be able to do so. In any such case, the restated certificate of incorporation of the Company and the limited liability company agreement of Charter Holdco would need to be amended accordingly to modify the current restrictions on the ability of such entities to engage in any business other than the cable transmission business. The cable transmission business means the business of transmitting video, audio, including telephony, and data over cable systems owned, operated or managed by the Company, Charter Holdco or any of their subsidiaries from time to time.

Under Delaware corporate law, each director of the Company, including Mr. Allen, is generally required to present to the Company, any opportunity he or she may have to acquire any cable transmission business or any company whose principal business is the ownership, operation or management of cable transmission businesses, so that we may determine whether we wish to pursue such opportunities. However, Mr. Allen and the other directors generally will not have an obligation to present other types of business opportunities to the Company and they may exploit such opportunities for their own account.

Also, conflicts could arise with respect to the allocation of corporate opportunities between us and Mr. Allen and his affiliates in connection with his investments in businesses in which we are permitted to engage under the Company's restated certificate of incorporation and our subsidiaries' limited liability company agreement. Certain of the indentures of our subsidiaries require the applicable issuer of notes to obtain, under certain circumstances, approval of the board of directors of the Company and, where a transaction is valued at or in excess of \$50 million, a fairness opinion with respect to transactions in which Mr. Allen has an interest. We have not instituted any other formal plan or arrangement to address potential conflicts of interest.

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

The restrictive provisions of the organizational documents described above may limit our ability to take advantage of attractive business opportunities. Consequently, our ability to offer new products and services outside of the cable transmission business and enter into new businesses could be adversely affected, resulting in an adverse effect on our growth, financial condition and results of operations.

MIRROR NOTES

The Company is a holding company and its principal assets are its equity interest in Charter Holdco and certain mirror notes payable by Charter Holdco to the Company, which have the same principal amount and terms as those of the Company's convertible senior notes. In 2003, Charter Holdco paid to the Company \$68 million related to interest on the mirror notes. In connection with our repurchase of approximately \$477 million of our outstanding 4.75% senior convertible notes due 2006 and approximately \$132 million of our outstanding 5.75% senior convertible notes due 2005, \$520 million of CCH II 10.25% senior notes were transferred (through a series of distributions) by CCH II to Charter Holdco, which in turn assigned those CCH II senior notes to us in exchange for the cancellation of mirror notes of each series having a principal amount equal to the amount of convertible notes of that series repurchased by us. As part of the closing of that transaction, Charter Holdco also paid to the Company cash in the amount of \$10 million, which represented the sum of (a) all accrued and unpaid interest on the portions of the mirror notes transferred by the Company to Charter Holdco, to, but not including, the date of the closing, on the basis set forth in the mirror notes, (b) an amount equal to the total amount of cash payable by the Company in lieu of fractional interests in the 10.25% CCH II senior notes which would have otherwise been due to the holders as a consequence of the exchange and (c) the costs and expenses relating to such transactions.

THIRD PARTY BUSINESS RELATIONSHIPS IN WHICH MR. ALLEN HAS AN INTEREST

As previously noted, Mr. Allen has extensive investments in the areas of media and technology. We have a number of commercial relationships with third parties in which Mr. Allen has an interest. Mr. Allen or his affiliates own equity interests or warrants to purchase equity interests in various entities with which we do business or which provide us with products, services or programming. Mr. Allen owns 100% of the equity of

31

Vulcan Ventures Incorporated and Vulcan Inc. and is the president of Vulcan Ventures. The various cable, media, Internet and telephony companies in which Mr. Allen has invested may mutually benefit one another. We can give no assurance, nor should you expect, that any of these business relationships will be successful, that we will realize any benefits from these relationships or that we will enter into any business relationships in the future with Mr. Allen's affiliated companies.

Mr. Allen and his affiliates have made, and in the future likely will make, numerous investments outside of us and our business. We cannot assure you that, in the event that we or any of our subsidiaries enter into transactions in the future with any affiliate of Mr. Allen, such transactions will be on terms as favorable to us as terms we might have obtained from an unrelated third party.

TECHTV, L.L.C.

TechTV, Inc. ("TechTV") operated a cable television network that offered programming mostly related to technology. Pursuant to an affiliation agreement that originated in 1998 and that terminates in 2008, TechTV has provided the Company with programming for distribution via its cable systems. The affiliation

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

agreement provides, among other things, that TechTV must offer Charter certain terms and conditions that are no less favorable in the affiliation agreement than are given to any other distributor that serves the same number of or fewer TechTV viewing customers. Additionally, pursuant to the affiliation agreement, the Company was entitled to incentive payments for channel launches through December 31, 2003. For the year ended December 31, 2003, we recorded approximately \$1 million from TechTV related to launch incentives as a reduction of programming expense and paid approximately \$80,600 to TechTV in license fees under the affiliation agreement.

In March 2004, Charter Holdco entered into agreements with Vulcan Programming and TechTV, which provide for (i) Charter Holdco and TechTV to amend the affiliation agreement which, among other things, revises the description of the TechTV network content, provides for Charter Holdco to waive certain claims against TechTV relating to alleged breaches of the affiliation agreement and provides for TechTV to make payment of outstanding launch receivables due to Charter Holdco under the affiliation agreement, (ii) Vulcan Programming to pay approximately \$10 million and purchase over a 24-month period, at fair market rates, \$2 million of advertising time across various cable networks on Charter cable systems in consideration of the agreements, obligations, releases and waivers under the agreements and in settlement of the aforementioned claims and (iii) TechTV to be a provider of content relating to technology and video gaming for Charter's interactive television platforms through December 31, 2006 (exclusive for the first year). The Company recognized approximately \$5 million of the Vulcan Programming payment as an offset to programming expense during the nine months ended September 30, 2004 with the remaining \$5 million to be recognized over the term of the agreement.

The Company believes that Vulcan Programming, which is 100% owned by Mr. Allen, owned an approximate 98% equity interest in TechTV at the time of the transaction. Until September 2003, Mr. Savoy, a former Charter director, was the president and director of Vulcan Programming and was a director of TechTV. Mr. Wangberg, one of Charter's directors, was the chairman, chief executive officer and a director of TechTV. Mr. Wangberg resigned as the chief executive officer of TechTV in July 2002. He remained a director of TechTV along with Mr. Allen until Vulcan Programming sold TechTV to an unrelated third party in May 2004.

OXYGEN MEDIA CORPORATION

Oxygen Media LLC ("Oxygen") provides programming content aimed at the female audience for distribution over cable systems and satellite. On July 22, 2002, Charter Holdco entered into a carriage agreement with Oxygen, whereby the Company agreed to carry programming content from Oxygen. Under the carriage agreement, the Company currently makes Oxygen programming available to approximately 5 million of its video customers. The term of the carriage agreement was retroactive to February 1, 2000, the date of launch of Oxygen programming by the Company, and runs for a period of five years from that date. For

32

the year ended December 31, 2003, the Company paid Oxygen approximately \$9 million for programming content.

In addition, Oxygen pays the Company marketing support fees for customers launched after the first year of the term of the carriage agreement up to a total of \$4 million. The Company recorded approximately \$1 million related to these launch incentives as a reduction of programming expense for the year ended December 31, 2003.

Concurrently with the execution of the carriage agreement, Charter Holdco

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

entered into an equity issuance agreement pursuant to which Oxygen's parent company, Oxygen Media Corporation ("Oxygen Media"), granted a subsidiary of Charter Holdco a warrant to purchase 2.4 million shares of Oxygen Media common stock for an exercise price of \$22.00 per share. Charter Holdco was also to receive unregistered shares of Oxygen Media common stock with a guaranteed fair market value on the date of issuance of \$34 million, on or prior to February 2, 2005, with the exact date to be determined by Oxygen Media.

The Company recognizes the guaranteed value of the investment over the life of the carriage agreement as a reduction of programming expense. For the year ended December 31, 2003, the Company recorded approximately \$9 million, as a reduction of programming expense. The carrying value of the Company's investment in Oxygen was approximately \$19 million as of December 31, 2003.

In August 2004, Charter Holdco and Oxygen entered into agreements that amended and renewed the carriage agreement. The amendment to the carriage agreement (a) revises the number of the Company's customers to which Oxygen programming must be carried and for which the Company must pay, (b) releases Charter Holdco from any claims related to the failure to achieve distribution benchmarks under the carriage agreement, (c) requires Oxygen to make payment on outstanding receivables for marketing support fees due to the Company under the affiliation agreement; and (d) requires that Oxygen provide its programming content to the Company on economic terms no less favorable than Oxygen provides to any other cable or satellite operator having fewer subscribers than the Company. The renewal of the carriage agreement (a) extends the period that the Company will carry Oxygen programming to its customers through January 31, 2008, and (b) requires license fees to be paid based on customers receiving Oxygen programming, rather than for specific customer benchmarks.

In August 2004, Charter Holdco and Oxygen also amended the equity issuance agreement to provide for the issuance of 1 million shares of Oxygen Preferred Stock with a liquidation preference of \$33.10 per share plus accrued dividends to Charter Holdco on February 1, 2005 in place of the \$34 million of unregistered shares of Oxygen Media common stock. The preferred stock is convertible into common stock after December 31, 2007 at a conversion ratio, the numerator of which is the liquidation preference and the denominator which is the fair market value per share of common stock on the conversion date.

Mr. William Savoy, a director of Charter, Charter Holdco, and Charter Holdings until his resignation in April 2004, served on the board of directors of Oxygen until September 2003. As of December 31, 2003, through Vulcan Programming, Mr. Allen owned an approximate 31% interest in Oxygen assuming no exercises of outstanding warrants or conversion or exchange of convertible or exchangeable securities.

Marc Nathanson has an indirect beneficial interest of less than 1% in Oxygen.

PORTLAND TRAIL BLAZERS

On October 7, 1996, the former owner of our Falcon cable systems entered into a letter agreement and a cable television agreement with Trail Blazers Inc. for the cable broadcast in the metropolitan area surrounding Portland, Oregon of pre-season, regular season and playoff basketball games of the Portland Trail Blazers, a National Basketball Association basketball team. Mr. Allen is the 100% owner of the Portland Trail Blazers and Trail Blazers Inc. After the acquisition of the Falcon cable systems in November 1999, we continued to operate under the terms of these agreements until their termination on September 30, 2001. Under the letter agreement, Trail Blazers Inc. was paid a fixed fee for each customer in areas directly served by the Falcon cable systems. Under the cable television agreement, we shared subscription revenues with Trail Blazers Inc. We paid approximately \$135,200 for the year ended December 31, 2003

in connection with the cable

broadcast of Portland Trail Blazers basketball games under the October 1996 cable television agreement and subsequent local cable distribution agreements.

CLICK2LEARN, INC.

Charter Holdco executed a Software License Agreement with Click2learn, Inc. ("Click2learn") effective June 30, 2002. Since October 1999 Charter Holdco has purchased professional services, software and maintenance from Click2learn, a company which provides enterprise software for organizations seeking to capture, manage and disseminate knowledge throughout their extended enterprise. Mr. Allen is the founder of Click2learn. As of December 31, 2003, Mr. Allen owned an approximate 21% interest in Click2learn through 616,120 shares held of record by Vulcan Ventures and 387,096 shares issuable upon exercise of a warrant issued to Vulcan Ventures. Mr. Allen owns 100% of Vulcan Ventures. For the year ended December 31, 2003, we paid approximately \$57,100 to Click2learn.

DIGEO, INC.

On June 30, 2003, Charter Holdco entered into an agreement with Motorola, Inc. for the purchase of 100,000 digital video recorder ("DVR") units. The software for these DVR units is being supplied by Digeo Interactive, LLC ("Digeo Interactive"), a wholly owned subsidiary of Digeo, Inc. ("Digeo"), under a license agreement entered into in April 2004. Under the license agreement Digeo Interactive granted to Charter Holdco the right to use Digeo's proprietary software for the number of DVR units that Charter deploys from a maximum of 10 headends through year-end 2004. This maximum number of headends was increased from 10 to 15 pursuant to a letter agreement executed on June 11, 2004 and was increased again from 15 to 20 pursuant to a second letter agreement dated August 4, 2004. The license granted for each unit deployed under the agreement is valid for five years. In addition, Charter will pay certain other fees including a per-headend license fee and maintenance fees. Total license and maintenance fees during the term of the agreement are expected to be approximately \$3 million. The agreement provides that Charter is entitled to receive contract terms, considered on the whole, and license fees, considered apart from other contract terms, no less favorable than those accorded to any other Digeo customer. In April 2004, the Company launched DVR service utilizing the Digeo proprietary software in its Rochester, Minnesota market.

In May 2004, Charter Holdco entered into a binding term sheet with Digeo Interactive for the purchase of 70,000 Digeo PowerKey DVR units. The term sheet provides that the parties will proceed in good faith to negotiate, prior to year-end 2004, definitive agreements for the purchase of the DVR units and that the parties will enter into a license agreement for Digeo's proprietary software on terms substantially similar to the terms of the license agreement described above. Total purchase price and license and maintenance fees during the term of the definitive agreements are expected to be approximately \$40 million. The term sheet and any definitive agreements will be terminable at no penalty to Charter in certain circumstances.

On September 23, 2004, Charter and Digeo entered into a letter agreement amending the April 2004 license agreement to reduce certain fees payable to Digeo by Charter and to increase the maximum number of headends in which Charter has the right to deploy the DVR units from a maximum of 20 by year end 2004, to a maximum of 30 by June 30, 2005.

The Company believes that Vulcan Ventures, an entity controlled by Mr. Allen, owns an approximate 60% equity interest in Digeo, Inc. Messrs. Allen and Vogel are directors of Digeo. Mr. Savoy, who resigned from Charter's board of

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

directors in April 2004, was a director and served on the compensation committee of Digeo until September 2003. Mr. Vogel owns options to purchase 10,000 shares of Digeo common stock.

ACCOUNTING MATTERS

Edgar Filing: CHARTER COMMUNICATIONS INC /MO/ - Form DEF 14C

PRINCIPAL ACCOUNTING FIRM

KPMG LLP acted as the Company's principal accountant in 2002 and 2003 and, subject to ratification by stockholders at the Annual Meeting, KPMG LLP is expected to serve as the Company's principal accounting firm for 2004. Representatives of KPMG LLP will be in attendance at the Annual Meeting and will have an opportunity to make a statement if they so desire. The representatives will also be available to respond to appropriate questions.

In April 2002, the board of directors dismissed Arthur Andersen LLP and appointed KPMG LLP as the Company's independent public accountants for the year ended 2002 in accordance with the recommendation of the Audit Committee. Arthur Andersen LLP served as our independent public accountants for the year ended December 31, 2001.

Arthur Andersen's report on our financial statements for the two fiscal years ended December 31, 2001 and 2000 did not contain an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles. During the two fiscal years ended December 31, 2001 and 2000 and the subsequent interim period through April 22, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen LLP's satisfaction would have caused them to make reference to the subject matter of the disagreement in connection with the audit reports on our consolidated financial statements for such years, and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

We provided Arthur Andersen LLP with a copy of the foregoing disclosures and Arthur Andersen LLP agreed with such statements in a letter dated April 26, 2002 that was filed with the SEC. In 2003, KPMG LLP re-audited our 2000 and 2001 financial statements, which, among other things, resulted in a restatement of these financial statements.

36

In the years ended December 31, 2001 and 2000 and through April 22, 2002, we did not consult KPMG LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the out consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The Audit Committee has adopted policies and procedures requiring the pre-approval of non-audit services that may be provided by our independent auditor. We will also comply with the provisions of the Sarbanes-Oxley Act of 2002 and the related SEC rules pertaining to auditor independence and audit committee pre-approval of audit and non-audit services. The Audit Committee has determined that the provision of the services described under "All Other Fees" is compatible with maintaining the independence of KPMG LLP.

AUDIT FEES

During the years ended December 31, 2003 and 2002, we incurred fees and related expenses to KPMG LLP ("KPMG") for the audits of our and our subsidiaries financial statements, for the review of our and our subsidiaries interim financial statements and registration statement filings for the applicable year totaling approximately \$3.2 million and \$6.1 million, respectively.

AUDIT-RELATED FEES

We incurred fees to KPMG of approximately \$0.4 million and \$0.3 million during the years ended December 31, 2003 and 2002, respectively. In 2003, these services primarily related to the audit of cable systems sold to Atlantic Broadband Finance, LLC and advisory services associated with our Sarbanes-Oxley Section 404 implementation. In 2002, these services primarily related to due diligence related to acquisitions.

ALL OTHER FEES

We incurred fees for other professional services rendered by KPMG of approximately \$0 and \$0.3 million during the years ended December 31, 2003 and 2002, respectively. In 2002, these services primarily related to a review of the accounts payable process and litigation support.

The Audit Committee appoints, retains, compensates and oversees the registered public accountants (subject, if applicable, to board of director and/or stockholder ratification), and approves in advance all fees and terms for the audit engagement and non-audit engagements where non-audit services are not prohibited by Section 10A of the Securities Exchange Act of 1934, as amended with registered public accountants. Pre-approvals of non-audit services are sometimes delegated to a single member of the Audit Committee. However, any pre-approvals made by the Audit Committee's designee are presented at the Audit Committee's next regularly scheduled meeting. The Audit Committee has an obligation to consult with management on these matters. The Audit Committee approved 100% of the KPMG fees for the years ended December 31, 2003 and 2002. Each year, including 2003, with respect to the proposed audit engagement, the Audit

37

Committee reviews the proposed risk assessment process in establishing the scope of examination and the reports to be rendered.

In its capacity as a committee of the board, the Audit Committee oversees the work of the registered public accounting firm (including resolution of disagreements between management and the public accounting firm regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services. The registered public accounting firm reports directly to the Audit Committee. In performing its functions, the Audit Committee undertakes those tasks and responsibilities that, in its judgment, most effectively contribute to and implement the purposes of the Audit Committee charter. For more detail of the Audit Committee's authority

and responsibilities, see the Company's Audit Committee filed with the 2004 Proxy Statement of the Company.

REPORT OF THE AUDIT COMMITTEE

The following report does not constitute soliciting materials and is not considered filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, unless we state otherwise.

The Audit Committee was established to oversee the Company's accounting and financial reporting processes and the audits of the Company's annual financial statements. The Audit Committee in 2003 consisted of David C. Merritt, John H. Tory, and Nancy B. Peretsman. In December 2003, Ms. Peretsman was replaced on the Audit Committee by Charles M. Lillis. Our board has determined each of the Audit Committee's present members to be "independent" in accordance with Nasdaq and SEC rules.

The Audit Committee's functions are detailed in a written Audit Committee charter adopted by the board of directors in January 2003 and amended in June 2004, a copy of which was filed with the Company's 2004 Proxy Statement and is available on the Company's website at www.charter.com. As more fully described in its charter, the Audit Committee reviews the Company's financial reporting process on behalf of the board. Company management has the primary responsibility for the Company's financial statements and the reporting process. The Company's independent auditors are responsible for performing an audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and expressing an opinion on the conformity of the financial statements to generally accepted accounting principles. The internal auditors are responsible to the Audit Committee and the board for testing the integrity of the financial accounting and reporting control systems and such other matters as the Audit Committee and board determine.

The Audit Committee held seven meetings in 2003.

The Audit Committee has reviewed and discussed with management the Company's audited financial statements for the year ended December 31, 2003. The Audit Committee has discussed the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees) with KPMG LLP, the independent public accountants for the Company's audited financial statements for the year ended December 31, 2003.

The Audit Committee has also received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees), and the Audit Committee has discussed the independence of KPMG LLP with that firm and has considered the compatibility of non-audit services with KPMG LLP's independence.

Based on the Audit Committee's review and discussions noted above, the Audit Committee recommended to the board of directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the SEC.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING REQUIREMENT

Section 16 of the Exchange Act requires our directors and certain of our officers, and persons who own more than 10% of our common stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Such persons are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms furnished to us and written representations from these officers and directors, we believe that all Section 16(a) filing requirements applicable to our officers and directors were complied with during the 2003 fiscal year, except that one Form 4 (Statement of Changes in Beneficial Ownership) to report the exercise of stock put options to Mr. Allen was inadvertently filed late.

STOCKHOLDER PROPOSALS FOR 2005 ANNUAL MEETING

If you want to include a stockholder proposal in the proxy statement for the 2005 annual meeting, it must be delivered to the Secretary at the Company's executive offices no later than February 28, 2005. The federal proxy rules specify what constitutes timely submission and whether a stockholder proposal is eligible to be included in the proxy statement. Stockholder nominations of directors are not stockholder proposals within the meaning of Rule 14a-8 and are not eligible for inclusion in the Company's proxy statement.

If a stockholder desires to bring business before the meeting that is not the subject of a proposal timely and properly submitted for inclusion in the proxy statement, the stockholder must follow procedures outlined in the Company's Bylaws. One of the procedural requirements in the Bylaws is timely notice in writing of the business the stockholder proposes to bring before the meeting. To be timely with respect to the 2005 annual meeting, such a notice must be delivered to the Company's Secretary at the Company's executive offices no earlier than April 14, 2005 and no later than May 14, 2005. However, in the event that the Company elects to hold its next annual meeting more than 30 days before or after the anniversary of this Annual Meeting, such stockholder proposals would have to be received by the Company not earlier than 120 days prior to the next annual meeting date and not later than 90 days prior to the next annual meeting date.

Such notice must include (1) for a nomination for director, all information relating to such person that is required to be disclosed in a proxy for election of directors; (2) as to any other business, a description of the proposed business, the text of the proposal, the reasons therefor, and any material interest the stockholder may have in that business; and (3) certain information regarding the stockholder making the proposal. These requirements are separate from the requirements a stockholder must meet to have a proposal included in the Company's proxy statement. The foregoing time limits also apply in determining whether notice is timely for purposes of rules adopted by the Securities and Exchange Commission relating to the exercise of discretionary voting authority.

Any stockholder desiring a copy of the Company's Bylaws will be furnished one without charge upon written request to the Secretary. A copy of the Bylaws is filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2001 (filed with the SEC on November 14, 2001) and amendments to the Bylaws are filed as exhibits to the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2003 (filed with the SEC on November 3, 2003) and are available at the Securities and Exchange Commission Internet site (<http://www.sec.gov>).
