ANNUAL GENERAL MEETING OF SHAREHOLDERS
APRIL 26, 2005

GENERAL INFORMATION

This proxy statement and the accompanying form of proxy are being furnished to holders of the common shares (the "Common Shares") of Platinum Underwriters Holdings, Ltd. (the "Company") to solicit proxies on behalf of the Board of Directors of the Company for the 2005 Annual General Meeting of Shareholders (the "Annual Meeting") to be held at the Fairmont Hamilton Princess Hotel, 76 Pitts Bay Road, Pembroke HM 08 Bermuda, on Tuesday, April 26, 2005 at 3:00 p.m., local time. These proxy materials are first being mailed to shareholders on or about March 22, 2005.

The Board of Directors has fixed the close of business on March 10, 2005 as the record date for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. As of such date, there were 43,229,257 Common Shares outstanding and entitled to vote. Each shareholder is entitled to one vote for each Common Share held of record on the record date with respect to each matter to be acted upon at the Annual Meeting, provided that if the number of "Controlled Shares" (as defined below) of any shareholder constitutes 10% or more of the combined voting power of the issued Common Shares (such holder, a "10% Shareholder"), the vote of any such shareholder is limited to 9.9% of the voting power of the outstanding Common Shares pursuant to the Company's Bye-laws. "Controlled Shares" of any person refers to all Common Shares owned (i) directly, (ii) with respect to persons who are United States persons, by application of the attribution and constructive ownership rules of Sections 958(a) and 958(b) of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), or (iii) beneficially, directly or indirectly, within the meaning of Rule 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations thereunder.

Because the applicability of the voting power reduction provisions to any particular shareholder depends on facts and circumstances that may be known only to the shareholder or related persons, the Company requests that any holder of Common Shares with reason to believe that it is a 10% Shareholder (as defined in the Company's Bye-laws and described above) contact the Company promptly so that

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

the Company may determine whether the voting power of such holder's Common Shares should be reduced. By submitting a proxy, a holder of Common Shares will be deemed to have confirmed that, to its knowledge, it is not, and is not acting on behalf of, a 10% Shareholder. The directors of the Company are empowered to require any shareholder to provide information as to that shareholder's beneficial ownership of Common Shares, the names of persons having beneficial ownership of the shareholder's Common Shares, relationships with other shareholders or any other facts the directors may consider relevant to the determination of the number of Controlled Shares attributable to any person. The directors may disregard the votes attached to Common Shares of any holder who fails to respond to such a request or who, in their judgment, submits incomplete or inaccurate information. The directors retain certain discretion to make such final adjustments that they consider fair and reasonable in all the circumstances as to the aggregate number of votes attaching to the Common Shares of any shareholder to ensure that no person shall be entitled to cast more than 9.9% of the voting power of the outstanding Common Shares at any time.

The presence, in person or by proxy, of holders of more than 50% of the Common Shares outstanding and entitled to vote on the matters to be considered at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. Each of the proposals to be considered at the Annual Meeting will be decided by the affirmative vote of a majority of the voting power of the

Common Shares present, in person or by proxy, at the Annual Meeting, and entitled to vote thereon. A hand vote will be taken unless a poll is requested pursuant to the Company's Bye-laws.

SOLICITATION AND REVOCATION

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY. Common Shares may be voted at the Annual Meeting by returning the enclosed proxy card or by attending the Annual Meeting and voting in person. The enclosed proxy card authorizes each of Steven H. Newman, Gregory E.A. Morrison and Michael E. Lombardozi to vote the Common Shares represented thereby in accordance with the instructions given or, if no instructions are given, in their discretion. They may also vote such Common Shares to adjourn or postpone the meeting and will be authorized to vote such Common Shares at any adjournment or postponement of the Annual Meeting. Common Shares held in "street name" by a broker, bank or other nominee must be voted by the broker, bank or nominee according to the instructions of the beneficial owner of the Common Shares.

Proxies may be revoked at any time prior to the Annual Meeting by giving written notice to the Secretary of the Company, by a duly executed proxy bearing a later date or by voting in person at the Annual Meeting. For Common Shares held in "street name" by a broker, bank or other nominee, new voting instructions must be delivered to the broker, bank or nominee prior to the Annual Meeting.

If a shareholder abstains from voting on a particular proposal, or if a shareholder's Common Shares are treated as a broker non-vote, those Common Shares will not be considered as votes cast in favor of or against the proposal but will be included in the number of Common Shares represented for the purpose of determining whether a quorum is present. Generally, broker non-votes occur when Common Shares held for a beneficial owner are not voted on a particular proposal because the broker has not received voting instructions from the beneficial owner, and the broker does not have discretionary authority to vote the Common Shares on a particular proposal. If a quorum is not present, the shareholders who are represented may adjourn the Annual Meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

time the adjournment is taken, and no other notice need be given. An adjournment will have no effect on the business that may be conducted at the adjourned meeting.

The Company will bear all costs of this proxy solicitation. Proxies may be solicited by mail, in person, by telephone or by facsimile by officers, directors, and employees of the Company. The Company may also reimburse brokerage firms, banks, custodians, nominees and fiduciaries for their expenses incurred in forwarding proxy materials to beneficial owners. The Company has retained Mellon Investor Services, LLC to assist in the solicitation of proxies and will pay a fee of \$5,000 plus reimbursement of out-of-pocket expenses for those services.

THE COMPANY

The Company was formed in April 2002 to assume substantially all of the 2002 property and casualty reinsurance business and related assets of the reinsurance underwriting segment ("St. Paul Re") of The St. Paul Travelers Companies, Inc., formerly The St. Paul Companies, Inc. ("St. Paul"). The St. Paul Re business and assets were transferred to the Company concurrently with the completion by the Company of an initial public offering of the Common Shares and equity security units on November 1, 2002 (the "Initial Public Offering"). The Company provides property and casualty reinsurance, operating through Platinum Underwriters Bermuda, Ltd. ("Platinum Bermuda"), Platinum Underwriters Reinsurance, Inc. ("Platinum US") and Platinum Re (UK) Limited ("Platinum UK") to a diverse clientele of insurers and select reinsurers on a worldwide basis.

PROPOSAL 1 -- ELECTION OF DIRECTORS

The Board of Directors of the Company currently consists of the following eight members, each of whom was elected as a director in May 2004 at the Company's 2004 Annual General Meeting of

2

Shareholders: Steven H. Newman, Gregory E.A. Morrison, H. Furlong Baldwin, Jonathan F. Bank, Dan R. Carmichael, Neill A. Currie, Jay S. Fishman and Peter T. Pruitt. Mr. Currie was designated by RenaissanceRe Holdings Ltd. ("RenaissanceRe") as its nominee for election to the Board of Directors pursuant to the Investment Agreement among the Company, St. Paul and RenaissanceRe dated as of September 20, 2002 (the "Investment Agreement"). The terms of office of each of the current directors will expire at the Annual Meeting. Mr. Fishman, who has served on the Board since the Initial Public Offering, has informed the Board of Directors that he will not be standing for re-election at the Annual Meeting. Other than Mr. Fishman, each of the current directors has been nominated by the Board of Directors for election as a director at the Annual Meeting to serve until the Company's 2006 Annual General Meeting of Shareholders. To fill the vacancy created by Mr. Fishman's decision not to stand for re-election at the Annual Meeting, Robert V. Deutsch has been nominated by the Board of Directors for election as a director of the Company. If elected, Mr. Deutsch will be appointed to the Audit and Compensation Committees.

The Board of Directors has no reason to believe that any of its nominees would be unable or unwilling to serve if elected. If a nominee becomes unable or unwilling to accept nomination or election, the Board will select a substitute nominee and the Common Shares represented by proxies may be voted for such substitute nominee unless shareholders indicate otherwise.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" ALL NOMINEES TO THE COMPANY'S BOARD OF DIRECTORS.

- recommend that the Board of Directors establish such special committees as may be necessary or appropriate to address ethical, legal or other matters that may arise; and
- annually review and evaluate Governance Committee performance and assess the adequacy of the Governance Committee charter.

The Governance Committee believes that members of the Board should have the highest professional and personal ethics and values, consistent with the Company's ethics and values. Directors should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders. The Governance Committee will consider recommendations from shareholders as to candidates to be nominated for election to the Board of Directors. Any such recommendations should include the candidate's name and qualifications for Board membership and should be submitted in writing to the Governance Committee in care of the Secretary of the Company at the Company's principal executive offices.

The Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Governance Committee will consider various candidates for director. Candidates may come to the attention of the Governance Committee through current Board members, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Governance Committee, and may be considered at any point during the year. In evaluating

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

candidates, the Governance Committee will seek to assure that specific talents, skills and other characteristics that are needed to promote the Board's effectiveness are possessed by an appropriate combination of directors. The nomination of Mr. Deutsch was recommended by Mr. Newman, the Chairman of the Board.

The Company has adopted Corporate Governance Guidelines and a Code of Business Conduct and Ethics and Compliance Procedures. Copies of these documents are available at the Company's website at www.platinumre.com and may be found under the "Investor Relations" section by clicking on "Corporate Governance." The Chairman of each other committee of the Board of Directors receives \$15,000 per year, and each member of those committees who is not an employee of the Company receives \$7,500 per year. Each director who is not an employee of the Company (other than Mr. Newman) also receives \$2,500 for attendance at each meeting of the Board and of any committee of which he is a member.

In addition, under the Share Incentive Plan, each nonemployee director (other than Mr. Newman) receives annually, on the date of the Annual General Meeting of Shareholders of the Company, an option to purchase 5,000 Common Shares with an exercise price equal to the closing price of the Common Shares on the business day immediately preceding the date of such meeting. This option has a five-year term and becomes exercisable on the first anniversary of the date of grant. Any Common Shares that become issuable under an option award shall be issued from the shares previously authorized under the Share Incentive Plan, and shall be subject to the terms and conditions of such plan.

Mr. Newman entered into a letter agreement with St. Paul, dated March 1, 2002 and amended June 14, 2002, pursuant to which he agreed to serve as Chairman of the Board of Directors of the Company. This agreement was assigned to and assumed by the Company upon completion of the Initial Public Offering. As Chairman, Mr. Newman is entitled to receive an annual fee of \$60,000, and a fee

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

of \$5,000 for each meeting of the Board of Directors that he attends (not to exceed \$20,000 per year). Pursuant to the agreement, Mr. Newman received an option to purchase 975,000 Common Shares at \$22.50 per Common Share (the offering price of the Common Shares in the Initial Public Offering) effective upon completion of the Initial Public Offering. This option has a term of ten years and is exercisable in three equal annual installments beginning November 1, 2003.

Pursuant to the Share Unit Plan for Nonemployee Directors (the "Share Unit Plan"), 50% of all fees earned by a director who is not an employee of the Company or any of its affiliates (including retainer fees, meeting fees and committee fees) during each calendar quarter are automatically converted into that number of share units equal to the number of Common Shares which could have been purchased with such fees, based upon the closing price of the Common Shares on the last day of the calendar quarter. In addition to the 50% mandatory conversion, each nonemployee director may elect to have up to a total of 100% of his fees converted into share units, provided the election is made before the start of the calendar year in which the fees are earned. No Common Shares are actually purchased, but the value of the share units is dependent upon the market value of the Common Shares. A nonemployee director will receive distributions under the Share Unit Plan in respect of his share units, each such share unit valued at the then closing price of one Common Share, following the expiration of five calendar years following the year in which his fees were originally converted into share units, or following termination of his service on the Board of Directors, if earlier. Each distribution under the Share Unit Plan will be made, at the discretion

9

of the Board, either in cash or in Common Shares or some combination thereof. The Share Unit Plan provides that a total of 150,000 shares may be issued thereunder.

Under the Share Incentive Plan, a non-qualified option to purchase 25,000 Common Shares at \$22.50 per Common Share (the offering price of the Common Shares in the Initial Public Offering) was granted to each of the nonemployee directors (other than Mr. Newman) effective upon completion of the Initial Public Offering. Each option has a ten-year term and is exercisable in three equal annual installments beginning November 1, 2003, except in the case of Mr. Currie, whose option is exercisable beginning May 13, 2004, the first anniversary of his election as a director. If elected as a director at the Annual Meeting, Mr. Deutsch will receive an option to purchase 25,000 Common Shares with an exercise price equal to the closing price of the Common Shares on the business day immediately preceding the date of the Annual Meeting. This option will have a ten-year term and will be exercisable in three equal installments beginning on April 26, 2006.

Under the Company's Corporate Governance Guidelines, each director is expected to retain all Common Shares received as compensation during such director's term of service on the Board of Directors and until at least six months thereafter.

ARRANGEMENTS WITH DIRECTOR AND NOMINEE

Mr. Newman entered into a letter agreement with St. Paul dated March 1, 2002, which was assigned to and assumed by Platinum US upon completion of the Initial Public Offering, and amended on March 12, 2004, pursuant to which Mr. Newman agreed to provide consulting services on a part-time basis to Platinum US through February 28, 2005 (which date is automatically extended from year to year unless either party elects not to extend it). The agreement was automatically extended by one year on February 28, 2005. The agreement provides that Mr. Newman performs services as reasonably requested, including assisting

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

with the establishment and development of Platinum US's reinsurance business, for which he receives an annual consulting fee of \$270,000. Pursuant to this agreement, Mr. Newman is eligible to receive for each year of the term of this consulting arrangement an annual incentive payment with a target of \$440,000 and a maximum of 200% of the target incentive payment. The objectives for this incentive are determined by the Compensation Committee in consultation with the members of the Board of Directors and Mr. Newman and are based on the value of Mr. Newman's contributions as a consultant to Platinum US. Mr. Newman assigned all of his right, title and interest in the consulting agreement to SHN Enterprises, Inc., which Mr. Newman established for estate planning purposes and of which he is the sole shareholder. For 2004, SHN Enterprises, Inc. received from the Company \$270,000 in consulting fees and no incentive payments. If the consulting agreement with SHN Enterprises, Inc. is terminated by Platinum US for cause (as defined in the agreement), SHN Enterprises, Inc. will receive no further payments or benefits under the consulting agreement other than amounts accrued prior to termination. Pursuant to the consulting agreement, during the time Mr. Newman serves as a consultant and for fifteen months thereafter, Mr. Newman is not permitted to be employed by, or to own, manage, operate or control, any entity which is primarily engaged in the reinsurance business, except that Mr. Newman is not prohibited from owning less than 5% of any publicly traded corporation. In addition, the consulting agreement provides that during the time Mr. Newman serves as a consultant and for two years thereafter, he may not solicit any senior executive of the Company or Platinum US who served as such at the time of the termination of the consulting agreement. Mr. Newman would not be bound by either of these provisions if he is terminated without cause unless he receives a payment of \$350,000 from Platinum US. Mr. Newman is also subject to certain confidentiality provisions under the consulting agreement.

Mr. Deutsch entered into a letter agreement with the Company dated September 1, 2004 pursuant to which Mr. Deutsch agreed to provide consulting services to the Board of Directors and the Audit and Compensation Committees until the date of the Annual Meeting. Pursuant to the agreement, Mr. Deutsch provides consulting services to the Board and the Audit and Compensation Committees with respect to matters related to the Company's business, financial condition and compensation practices, as well as such other reasonable and appropriate duties as may be mutually agreed to by Mr. Deutsch and the Company. Mr. Deutsch is entitled to a fee of \$90,000 for these services.

SHARE OWNERSHIP GUIDELINES

The Company has adopted share ownership guidelines requiring senior executives to accumulate and hold a meaningful level of share ownership in the Company in order to align the interests of the Company's senior executives and the shareholders of the Company and to meet shareholder expectations that senior executives have a long-term commitment to share price performance. These guidelines apply to the Chief Executive Officer, Chief Underwriting Officer, selected Executive Vice Presidents and selected Senior Vice Presidents, as determined by the Board of Directors. The level of share ownership for each executive under the guidelines is based on the executive's position with the Company, and ranges from a minimum of 10,000 Common Shares for Senior Vice Presidents to a minimum of 100,000 Common Shares for the Chief Executive Officer. The Board of Directors may adjust the levels from time to time. Until senior executives meet their ownership requirements, they must retain Common Shares representing a certain percentage of the after-tax gain from the exercise of options or the after-tax value of other share compensation awards. This percentage ranges from 50% for Senior and Executive Vice Presidents to 75% for the Chief Executive Officer. Common Shares owned outright by or for the benefit of the executive, as well as vested share compensation awards, are counted toward fulfilling the share ownership requirement. Common Shares that are

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

subject to unexercised share options or to unvested share compensation awards are not counted toward satisfaction of the guideline levels, but are subject to the retention percentage requirement upon exercise or payment.

Mr. Price is eligible to receive for each year of his term an annual bonus with a target of 100% of base salary and a maximum of 200% of base salary. The employment agreement also provides that if certain performance criteria are achieved by the Company, Mr. Price will be eligible for a target annual award opportunity of 100% of his annual base salary, payable in the form of Common Shares, or their equivalent, on the fifth anniversary of the award date. Any such award will be made through the Executive Incentive Plan, which the Company has

16

established as a long-term incentive plan. Pursuant to the employment agreement, Mr. Price received a grant of 98,531 Restricted Shares that vest in equal annual installments on each of the first five anniversaries of the date of the agreement, subject to Mr. Price's continued employment with the Company. If Mr. Price's employment is terminated by Platinum US without "cause" or by Mr. Price for "good reason" (each as defined in the employment agreement), he will receive a payment equal to one year's base salary and target bonus and any base salary or other amounts accrued and owing through the date of termination, provided that Mr. Price executes a release of claims. Any restricted share units, long-term incentive plan awards, and the Restricted Shares will vest in accordance with their respective terms. The employment agreement provides that Mr. Price may terminate his employment for "good reason" if, among other things, the Board of Directors of Platinum Holdings has not appointed him Chief Executive Officer of Platinum Holdings on or before August 1, 2007. If Mr. Price's employment is terminated by Platinum US for cause or by Mr. Price other than for good reason, he will receive no further payments, compensation or benefits under the employment agreement (other than amounts accrued prior to termination). Pursuant to the employment agreement, during Mr. Price's employment and for fifteen months thereafter, Mr. Price is not permitted to be employed by, or to own,

In addition, Mr. Lombardozzi is entitled to an allowance of \$700 per month for expenses relating to the use of an automobile. If Mr. Lombardozzi's employment is terminated by the Company without "cause" or by Mr. Lombardozzi for "good reason" (each as defined in the employment agreement), he will receive a payment equal to the sum of one year's base salary and target bonus and any base salary or other amounts accrued or owing through the date of termination, provided that Mr. Lombardozzi executes a release of claims. If Mr. Lombardozzi's employment is terminated by the Company for cause or by Mr. Lombardozzi other than for good reason, he will receive no further payments, compensation or benefits under the agreement (other than amounts accrued prior to termination). Mr. Lombardozzi is subject to certain confidentiality and non-solicitation provisions under the employment agreement.

Ms. Mitchell entered into a letter agreement with St. Paul Re, which was assigned to and assumed by Platinum US upon completion of the Public Offering. The letter agreement provided that Ms. Mitchell's base salary effective July 1, 2002 was \$350,000 per year and she was eligible to receive an annual performance bonus in the target amount of 75% of base salary. Ms. Mitchell received a retention bonus of \$175,000 on July 1, 2004 pursuant to the terms of this letter agreement. In addition, Ms. Mitchell entered into a letter agreement with Platinum US on June 24, 2004 regarding additional benefits in the event of her separation from employment. This letter agreement provides that if Ms. Mitchell's employment is terminated by the Company without "cause" or by Ms. Mitchell for "good reason" (each as defined in the letter agreement), she will receive a payment equal to the sum of one year's base salary and target bonus and any base salary or other amounts accrued or owing through the date of termination, provided that Ms. Mitchell executes a release of claims. In the event Ms. Mitchell's employment is terminated due to her death or "disability" (as defined in the letter

17

agreement), she will receive her base salary through the date of termination and an annual bonus (at target level) prorated through the date of termination.

Mr. Schmidt entered into a letter agreement with St. Paul Re, which was assigned to and assumed by Platinum US upon completion of the Initial Public Offering. performance bonus in the target amount of 75% of base salary. In addition, Mr. Schmidt received a retention bonus of \$175,000 on July 1, 2004 pursuant to the terms of the letter agreement.

Mr. Fisher was appointed Executive Vice President and Chief Financial Officer of the Company effective July 6, 2004 pursuant to an employment agreement that he entered into with the Company on June 24, 2004. The employment agreement provides that Mr. Fisher will serve in those positions for a three-year term that began July 6, 2004, subject to automatic one-year renewal terms thereafter. Mr. Fisher is entitled to receive a base annual salary of at least \$400,000, and he is eligible to receive for each year of his term an annual bonus with a target of 75% of base salary and a maximum of 150% of base salary, provided that Mr. Fisher is entitled to receive a minimum annual bonus for the 2004 calendar year in an amount equal to a pro rata portion of his target annual bonus, adjusted for the period beginning July 6, 2004, and ending December 31, 2004. The employment agreement also provides that if certain performance criteria are achieved by the Company, Mr. Fisher will receive an annual award opportunity of not less than 37.5% of his annual base salary, payable in the form of Common Shares, on the fifth anniversary of the award date. Any such award will be made through the Executive Incentive Plan. Pursuant to the employment agreement, Mr. Fisher received a one-time cash sign-on bonus of \$50,000 and is entitled to reimbursement for \$50,000 of expenses relating to his relocation to Bermuda. Mr. Fisher is also entitled to the reimbursement of reasonable housing and living expenses (not exceeding \$15,000 per month) relating to his residence in Bermuda. In addition, Mr. Fisher is entitled to an allowance of \$700 per month for expenses relating to the use of an automobile. Pursuant to the employment agreement, Mr. Fisher received an option to purchase 100,000 Common Shares at \$30.45 per Common Share (the closing price of the Common Shares on the NYSE on July 5, 2004) under the Share Incentive Plan. If Mr. Fisher's employment is terminated by the Company without "cause" or by Mr. Fisher for "good reason" (each as defined in the employment agreement), he will receive a payment equal to one year's base salary and target bonus and any base salary or other amounts accrued or owing through the date of termination, provided that Mr. Fisher executes a release of claims. If Mr. Fisher's employment is terminated by the Company for cause or by Mr. Fisher other than for good reason, he will receive no further payments, compensation or benefits under the agreement (other than amounts accrued prior to termination). Mr. Fisher is subject to certain confidentiality and non-solicitation provisions under the employment agreement.

William A. Robbie, who served as Executive Vice President and Chief Financial Officer of the Company since the Initial Public Offering, resigned from these positions effective July 6, 2004. In connection with such resignation, the Company entered into a Separation Agreement with Mr. Robbie on June 24, 2004, under which Mr. Robbie served as an employee of Platinum Administrative Services, Inc. and assisted with such matters as reasonably requested through November 30, 2004. In consideration of the termination of and in accordance with his employment agreement, he received a payment of \$612,500 and all base salary and other amounts accrued or owing through the date of termination. Under the Separation Agreement, the Company also agreed to pay termination fees and lease payments in connection with Mr. Robbie's residence in Bermuda and relocation expenses, and paid Mr. Robbie a total of \$20,000 in respect thereof. The Separation Agreement superseded all terms of Mr. Robbie's employment agreement, except that he continues to be bound by the terms of the confidentiality, non-competition and non-solicitation provisions under the employment agreement. Mr. Robbie exercised the portion of his option that was vested prior to November 30, 2004, which represented to right to purchase 75,000 Common Shares. Pursuant to the terms of Mr. Robbie's Nonqualified Share Option Agreement, that portion of the option held by Mr. Robbie that was unvested at November 30, 2004, which represented the right to purchase 75,000 Common Shares, terminated in accordance with its terms and all rights with respect thereto were forfeited.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors reviews the compensation policies and practices of the Company and the recommendations of the Chief Executive Officer concerning the compensation of those officers of the Company with a title more senior than Vice President, and makes recommendations to the Board with respect thereto. The Compensation Committee also reviews and approves the corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluates the Chief Executive Officer's performance in light of those goals and objectives and sets the Chief Executive Officer's compensation level based on such evaluation. The Compensation Committee grants awards under and oversees the administration of various plans, including the Share Incentive Plan, the Section 162(m) Performance Incentive Plan, the Annual Incentive Plan, the Executive Incentive Plan, and the Executive Bonus Deferral Plan. These plans serve to attract, retain and motivate officers and select managers of the Company by providing them with the opportunity to earn short- and long-term incentives. The Compensation Committee believes that the Company's compensation program promotes and aligns the interests of the Company and its shareholders by motivating superior performance by key personnel to achieve the Company's objectives.

The Compensation Committee is composed exclusively of nonemployee directors, as defined in applicable rules and regulations of the SEC, and none of the members of the Committee is an employee or former employee of the Company. Each of the members of the Compensation Committee also satisfies the criteria necessary to be considered an "outside director" for purposes of Section 162(m) of the Code, and an "independent" director under the NYSE listing standards. The names of the members of the Compensation Committee appear at the end of this report.

The Compensation Committee has retained the services of a nationally recognized compensation consulting firm to support the Compensation Committee in fulfilling its mission. In addition, the Compensation Committee retained Mr. Deutsch, a nominee to the Board, as a consultant effective September 1, 2004 pursuant to a consulting agreement between the Company and Mr. Deutsch, as described in more detail under "Arrangements with Director and Nominee" above.

OVERVIEW

The Company's compensation philosophy is designed to reward and support superior performance and to attract, retain and motivate highly qualified personnel. These objectives are achieved through various compensation programs, described below, which are designed to support the current and long-term performance of the Company.

The Compensation Committee believes that the Company's compensation philosophy, with its emphasis on performance and long-term compensation, serves to focus Company executives on attaining a sustained, high level of Company performance and on enhancing shareholder value.

KEY COMPENSATION ELEMENTS

The principal elements of executive compensation are base salary, annual incentive awards and long-term incentive awards. These components are administered with the goal of providing total compensation that is competitive, rewards sustained performance, inspires the highest individual performance, and provides above-average rewards when merited by Company and individual results. With the assistance of its compensation consulting firm and Mr. Deutsch, the

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

Compensation Committee considers several factors, including competitive compensation practices and trends and market demand for talent, to assess the effectiveness and competitiveness of the Company's executive compensation structure.

The Compensation Committee benchmarks base salary and incentive compensation awards for executives using market data compiled annually by its compensation consulting firm. This market data is derived from other publicly traded companies in the reinsurance industry with which the Company competes for like talent. This group of companies can vary depending on changes in market dynamics and

19

the extent to which the particular companies have positions similar in breadth and scope of responsibilities to the Company.

BASE SALARY

The Compensation Committee annually reviews and determines the base salaries of officers with titles more senior than Vice President, with specific focus on the Chief Executive Officer and those officers who report directly to the Chief Executive Officer. With respect to officers with titles more senior than Vice President who do not report directly to the Chief Executive Officer, the Compensation Committee evaluates management's salary recommendations based on the results achieved by each officer, his or her future potential, scope of responsibilities and experience, as well as competitive salary practices. The Company generally targets officer salaries to approximately the median levels expected to be paid to persons holding equivalent positions by like companies within the reinsurance industry. With the exception of Mr. Price, the President and Chief Underwriting Officer of Platinum US, the Compensation Committee did not increase the base salaries of the Company's executive officers in 2004 based on advice from its compensation consulting firm and the Compensation Committee's belief that the current base salaries were consistent with market practices. Mr. Price's base salary was increased in connection with his entering into a new employment agreement with Platinum US in August 2004, as described in more detail under "Employment and Other Arrangements" above.

ANNUAL INCENTIVE AWARDS

The Company's Annual Incentive Plan is structured to reward employees based on short-term corporate and individual performance. The Compensation Committee approves targets for incentives for each participating officer more senior than Vice President. These targets are established as a percentage of each officer's base salary and are calculated to deliver competitive compensation to the officer and to motivate the officer to achieve superior performance. Awards under the Annual Incentive plan may be delivered in cash and restricted share units.

The Compensation Committee adopted performance measures for fiscal 2004 to determine the amount of incentives to be paid at different levels of the Company's performance. The annual incentive pool is funded at different levels depending on the Company's achievement of net income targets, which were established for 2004 at the beginning of the year.

At the threshold level of performance, the pool is funded at 40% of the aggregate of target incentives for all participating officers. Below the threshold, the pool is funded at 0%, except for a minimum pool established to compensate employees with titles below Senior Vice President. At the target level of performance, the pool is funded 100% and for every \$10 million of net income above target, the pool is funded an additional 10%, up to a maximum of

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

200% of target. The Compensation Committee exercises discretion in determining individual awards granted under the Annual Incentive Plan.

The Company reported approximately \$85 million of net income for the year ended December 31, 2004, but did not meet the minimum threshold established by the Compensation Committee under the Annual Incentive Plan. Failure to meet the net income target was largely due to unusually high catastrophe losses resulting from four hurricanes in the Caribbean and the southeast United States in the third quarter of 2004. Therefore, for 2004, no annual incentive compensation was paid to officers with titles more senior than Vice President, except for Mr. Fisher and Mr. Lombardozzi, who were paid \$150,000 and \$175,000, respectively. These annual incentive awards, of which 75% were paid in cash and 25% were paid in the form of restricted share units, were made pursuant to minimum incentive compensation provisions under their respective employment agreements, as described in more detail under "Employment and Other Arrangements" above.

LONG-TERM INCENTIVE AWARDS

The Share Incentive Plan provides that the Compensation Committee has the authority to grant equity-based compensation awards in the form of options to purchase Common Shares, restricted Common

20

Shares, share appreciation rights and share units. The Compensation Committee awarded 98,531 Restricted Shares to Mr. Price, subject to a five-year vesting requirement, in connection with his entering into a new employment agreement with Platinum US in August 2004, and 100,000 options to purchase Common Shares to Joseph F. Fisher, the Company's Chief Financial Officer, upon joining the Company in July 2004. These awards are described in more detail under "Employment and Other Arrangements" above. Mr. Price and the remaining executive officers received a grant of options effective upon completion of the Initial Public Offering (in the case of the Chief Executive Officer, effective upon his employment with the Company in June 2003) that, in the view of the Compensation Committee, provides incentive to executive officers to focus on increasing shareholder value over the long term.

The Compensation Committee also has authority to grant cash-performance-based awards under the Executive Incentive Plan. The Executive Incentive Plan is designed to promote the interests of the Company and its shareholders by motivating superior performance by key personnel to achieve the Company's objectives. Participation in the Executive Incentive Plan is limited to executive officers and other senior officers of the Company who are designated by the Compensation Committee. The amount payable is a percentage of base salary and ranges from 0% to 200% depending on actual average return on equity ("ROE") relative to the threshold average ROE over the stated performance period.

During 2004, the Compensation Committee made an award to Mr. Morrison, the Company's Chief Executive Officer, under the Executive Incentive Plan. The performance cycle is five years. For 2004, the target average ROE is 13.75% over the five-year period, which would result in a payout equal to 100% of base salary. The minimum target average ROE is 10% over the five-year period, which would result in a payout equal to 50% of base salary. There is no payout if average ROE at the end of the five-year performance cycle is less than 10%. An average ROE of 17.5% or greater over the five-year period would result in a maximum payout equal to 200% of base salary. A payout between the minimum and maximum is determined through straight-line interpolation. Other than this award granted to Mr. Morrison, no awards were granted under this plan in 2004.

DEFERRED COMPENSATION

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

The Company maintains an Executive Bonus Deferral Plan that allows United States tax paying employees with titles more senior than Vice President and who have a base salary equal to or greater than \$200,000 to defer 10% to 100% of the cash portion of their annual bonus. Participation in the Executive Bonus Deferral Plan is elective. Employees who elect to participate in the Executive Bonus Deferral Plan must elect a specific distribution date upon which the deferred compensation becomes payable. Two employees elected to participate in the Executive Bonus Deferral Plan in 2005. No such deferral occurred, however, because they did not receive a cash bonus.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Mr. Morrison was compensated pursuant to an employment agreement entered into with the Company in June 2003 and amended in January 2004, as described in more detail under "Employment and Other Arrangements" above. Mr. Morrison's employment agreement provides for an annual base salary of \$650,000 and an annual incentive award for each year of his term, with a target opportunity of 100% of base salary and a maximum opportunity of 200% of the target. Pursuant to the Annual Incentive Plan, any such incentive award is payable to Mr. Morrison in a combination of cash and restricted share units. However, as discussed above, the Compensation Committee did not grant Mr. Morrison an annual incentive award for 2004 because the Company did not achieve its minimum net income target. In 2004, Mr. Morrison received an award under the Executive Incentive Plan, as described in more detail above.

INTERNAL REVENUE CODE SECTION 162(M)

Section 162(m) of the Code imposes a limitation of \$1 million per year on the corporate income tax deduction for compensation paid to the Company's named executive officers that would otherwise be

21

deductible by Platinum US. Among other exceptions, the deduction limit does not apply to compensation that meets the specified requirements for "performance-based compensation."

The Company's Share Incentive Plan, which was re-approved by the Company's shareholders at the Company's 2004 Annual General Meeting of Shareholders, was designed to meet the requirements for performance-based compensation in the case of share options and share appreciation rights granted under the plan. In addition, the Company's Section 162(m) Performance Incentive Plan, which was approved by the Company's shareholders in 2003, allows the Company to grant restricted shares, share units and other incentive compensation in a manner that meets the requirements for performance-based compensation under Section 162(m). The Compensation Committee believes that the deductibility of compensation is only one factor in assessing whether a particular compensation arrangement is appropriate given the goal of motivating executives to achieve corporate objectives and increase shareholder value. Therefore, the Compensation Committee retains the flexibility under circumstances it considers appropriate to pay compensation to its executive officers that may not be deductible by Platinum US under Section 162(m).

EXECUTIVE AND SHAREHOLDER ALIGNMENT

To assure that the interests of the Company's employees and shareholders are aligned, equity ownership is a significant component of the Company's compensation program. In particular, as employees progress to higher levels in the organization, an increasing portion of their compensation is linked to Company performance. For example, Executive Vice Presidents receive 25% of their annual incentive awards in the form of restricted share units and the Chief

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

Executive Officer and President and Chief Underwriting Officer of Platinum US receive 50% of their annual incentive awards in the form of restricted share units. Each restricted share unit entitles the holder thereof to one Common Share on the date that is six months from the date of grant. Any such Common Shares must be retained by the officer in accordance with the Company's share ownership guidelines, as described in more detail under "Share Ownership Guidelines" above. The Compensation Committee believes that the Company's compensation program fosters the long-term focus required for success in the industry.

(1) Concurrently with the completion of the Initial Public Offering, the Company sold 3,960,000 Common Shares to RenaissanceRe. In addition, RenaissanceRe received an option to purchase up to 2,500,000 additional Common Shares at any time during the ten years following the Initial Public Offering at a purchase price of \$27.00 per share (the "RenaissanceRe Option"). The RenaissanceRe Option was amended on November 18, 2004 to provide that, in lieu of paying \$27.00 per share, any exercise by RenaissanceRe of the RenaissanceRe Option will be settled on a net share basis, which would result in the Company issuing to RenaissanceRe a number of Common Shares equal to the excess of the market price per share, determined in accordance with the amendment, over \$27.00 less the par value per share multiplied by the number of Common Shares issuable upon exercise of the options, divided by that market price per share. Based on the closing price per share on March 1, 2005, RenaissanceRe had the right to acquire pursuant to the RenaissanceRe Option 342,652 Common Shares as of such date, resulting in the beneficial ownership by RenaissanceRe of 4,302,652 Common Shares (or 9.9% of the then outstanding Common Shares) as of such date. Pursuant to a limitation on voting rights in the Company's Bye-laws, RenaissanceRe's voting power with respect to the Common Shares owned by it is limited to 9.9% of the voting power of the outstanding Common Shares.

Mr. Perry disclaimed any beneficial ownership interest of the Common Shares owned beneficially by Perry Corp., except for that portion of such Common Shares that related to his economic interest in Perry Corp.

Specific filing dates for these reports have been established by the SEC, and the Company is required to disclose in this proxy statement any failure by such persons to file these reports in a timely manner during the 2004 fiscal year. The Company has determined that no person who at any time during 2004 was a director, executive officer or holder of more than 10% of the Common Shares failed to file on a timely basis reports required by the Exchange Act during 2004. This determination was based solely upon the review by the Company of Forms 3, 4 and 5, and written representations that no Forms 5 were required, which were submitted to the Company during or with respect to 2004.

TRANSACTIONS WITH ST. PAUL AND ITS SUBSIDIARIES

Mr. Fishman, a current member of the Board of Directors, is the President and Chief Executive Officer of St. Paul. Mr. Fishman has informed the Board of Directors that he will not be standing for re-election at the Annual Meeting, as more fully described above under "Proposal 1 -- Election of Directors." Concurrently with the completion of the Initial Public Offering on November 1, 2002, the Company issued 6,000,000 Common Shares (or 14% of the then outstanding Common Shares) to St. Paul in a private placement pursuant to a Formation and Separation Agreement dated as of October 28, 2002 between the Company and St. Paul (the "Formation Agreement"). On June 25, 2004, the Company announced St. Paul's intent to sell these 6,000,000 Common Shares in an underwritten public offering, which was effected pursuant to a prospectus supplement to the shelf registration statement dated June 28, 2004 and completed on June 30, 2004. St. Paul and one of its subsidiaries also received options to purchase up to 6,000,000 additional Common Shares at any time during the ten years following the Initial Public Offering at a price of \$27.00 per share (the "St. Paul Option"). The St. Paul Option was amended on January 10, 2005 to provide that, in lieu of paying \$27.00 per share, any exercise by St. Paul of the St. Paul Option will be settled on a net share basis, which would result in the Company issuing to St. Paul a number of Common Shares equal to the excess of the market price per share, determined in accordance with the amendment, over \$27.00 less the par value per share multiplied by the number of Common Shares issuable upon exercise of the options, divided by that market price per share. Based on the closing price per share on March 1, 2005, St. Paul had the right to acquire pursuant to the St. Paul Option, and thus beneficially owned, 822,364 Common Shares as of such date (or 1.9% of the then outstanding Common Shares). In return for the Common Shares and the St. Paul Option, St. Paul contributed to the Company cash in the amount of \$122 million and substantially all of the 2002 reinsurance business and related assets of St. Paul

26

Re, including all of the outstanding capital stock of Platinum US. Among the fixed assets transferred were furniture, equipment, systems and software, and the intangible assets included broker lists, contract renewal rights and licenses. The Formation Agreement contains provisions regarding indemnification of each of St. Paul and the Company by the other, restrictions on St. Paul regarding competition with the Company and the transfer or acquisition of Common Shares in certain circumstances, and participation in Common Share buy-back programs. The Formation Agreement provided that the Company and its subsidiaries enter into several agreements with St. Paul and its subsidiaries, as described below.

The Company entered into a registration rights agreement with St. Paul as of November 1, 2002 and related letter agreement dated March 22, 2004, pursuant to which St. Paul has the right to require the Company, subject to certain specified exceptions, on three occasions to register under the Securities Act, any Common Shares owned by St. Paul or its affiliates for sale in a public offering. Pursuant to this agreement, the Company has also agreed to use its reasonable best efforts to enable St. Paul from and after the third anniversary of the completion of the Initial Public Offering to distribute the Common Shares it beneficially owns in an offering on a continuous or delayed basis pursuant to a registration statement under the 1933 Act. After November 1, 2007, St. Paul will have the right to two additional demand registrations if St. Paul beneficially owns more than 9.9% of the Common Shares then outstanding. Each demand must include a number of Common Shares with a market value equal to at

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

least \$50 million, except that this limitation will not apply to St. Paul's last demand registration. Pursuant to the related letter agreement, each of St. Paul and the Company have agreed that their respective rights, duties and obligations with regard to the registration, offering and sale of St. Paul's shares under the universal shelf registration statement of Form S-3 filed by the Company shall be as if such registration statement had been filed pursuant to a demand request under the registration rights agreement.

Certain subsidiaries of the Company entered into several quota share retrocession agreements with subsidiaries of St. Paul, pursuant to which St. Paul's subsidiaries transferred the liabilities, related assets and rights and risks under substantially all of the reinsurance contracts entered into by St. Paul's subsidiaries on or after January 1, 2002, excluding certain liabilities relating to the flooding in Europe in August 2002 and business underwritten in London for certain financial services companies (the "Quota Share Retrocession Agreements"). These agreements provided for the transfer to subsidiaries of the Company of cash and other assets aggregating approximately \$485,687,000, which represents substantially all of the existing 2002 underwriting year loss reserves, excluding certain liabilities retained by St. Paul, allocated loss adjustment expense reserves, other reserves related to non-traditional reinsurance treaties, unearned premium reserves (subject to agreed upon adjustments) and other related reserves, which relate to contracts entered into on and after January 1, 2002, as of the date of the transfer and 100% of future premiums (less any ceding commission under the Quota Share Retrocession Agreements) associated with the transferred reinsurance contracts relating to periods after the date of the transfer. Trusts have been established and funded to secure Platinum US's retrocession obligations to St. Paul's subsidiaries.

Platinum US and St. Paul Fire and Marine Insurance Company, a wholly owned subsidiary of St. Paul ("St. Paul Fire and Marine"), entered into a US Underwriting Management Agreement dated as of November 1, 2002. Pursuant to this agreement, Platinum US has authority to write renewals of certain non-traditional reinsurance contracts for a period of three years on behalf of St. Paul Fire and Marine or Mountain Ridge Insurance Company, a wholly owned subsidiary of St. Paul. Platinum US bears all the expenses incurred in underwriting and administering the non-traditional business that it reinsures. St. Paul Fire and Marine is required to pay the direct and reasonable indirect costs of non-traditional business not reinsured by Platinum US. Platinum UK and St. Paul Reinsurance Company Limited ("St. Paul Re UK") entered into a similar agreement dated as of November 1, 2002 providing Platinum UK with substantially the same rights to underwrite business on behalf of St. Paul Re UK.

In addition, St. Paul Re UK, St. Paul Management Limited and Platinum UK entered into a UK Business Transfer Agreement under which Platinum UK acquired the reinsurance business of St. Paul Re UK, together with the associated customer lists and goodwill (other than the assumption of liability for, or the management of, existing reinsurance contracts entered into by St. Paul Re UK on or prior to November 1, 2002). Platinum UK is entitled to write reinsurance business for its own account and benefit

27

in succession to St. Paul Re UK. In consideration for the transfer, a portion of the St. Paul Option was allocated to St. Paul Re UK. Pursuant to this agreement, St. Paul paid Platinum UK \$63,548 representing its pro rata share of retention bonuses that were paid to certain employees of Platinum UK in 2004.

The Company and Platinum UK entered into Master Services Agreements with St. Paul and St. Paul Re UK pursuant to which St. Paul and its subsidiaries provide certain services, including accounting, payroll administration, human resources management and systems support, at cost until the Company and Platinum UK deem it no longer necessary. Both of these Master Services Agreements, which

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

originally were scheduled to terminate on June 30, 2003, were amended by the parties to terminate on June 30, 2005 with respect to certain services. The Company and Platinum UK paid St. Paul and St. Paul Re UK a total of \$326,000 for services provided in 2004 under the Master Services Agreements. The Company and Platinum UK also entered into Run-off Services Agreements with St. Paul and St. Paul Re UK, pursuant to which the Company and Platinum UK, for a period of up to two years following completion of the Initial Public Offering, provide St. Paul and St. Paul Re UK with specified services at cost in administering the run-off of certain reinsurance contracts. These agreements expired by their terms on November 1, 2004.

Pursuant to the Employee Benefits and Compensation Matters Agreement, St. Paul transferred certain of its employees to Platinum US. The agreement provides for the allocation of assets and liabilities and certain other agreements with respect to employee compensation and benefit plans. Pursuant to this agreement, St. Paul paid Platinum US \$487,788 representing its pro rata share of retention bonuses that were paid to certain employees of Platinum US in 2004. In addition, St. Paul paid Platinum US \$443,983 in 2004 as reimbursement for expenses relating to payments to Platinum US employees for their unvested St. Paul options at the time of the Initial Public Offering.

Pursuant to the reimbursement agreement between the Company and St. Paul dated March 25, 2004, St. Paul paid the Company \$2 million for expenses relating to severance payments for certain employees of Platinum UK and information technology equipment that was transferred from Platinum US to St. Paul Re.

Platinum US entered into an Aggregate Excess of Loss Retrocession Agreement with Mountain Ridge Insurance Company, a St. Paul subsidiary, on June 11, 2003. This Agreement related to an underlying agreement with Liberty Mutual which, in turn, was reinsured by Platinum US under a 100% Quota Share Retrocession Agreement with Mountain Ridge Insurance Company.

Platinum US has entered into several novation and other agreements with St. Paul and various ceding insurance companies, whereby Platinum has replaced St. Paul as the reinsurer on the respective contracts. In certain cases, these contracts were originally issued by St. Paul Fire and Marine because Platinum US was not authorized as a reinsurer in Wisconsin. Several novation agreements were entered into after Platinum US became authorized in Wisconsin.

Platinum UK entered into an Excess of Loss Reinsurance contract with XL Re on July 1, 2003 that replaced an existing contract between XL Re and St Paul. This contract includes a provision whereby St. Paul received a commission as compensation for forfeiting a \$5.65 million deficit premium that would have been paid to St. Paul if the existing contract had simply been terminated.

Platinum Bermuda was one of several reinsurers participating on five excess-of-loss reinsurance contracts and a variable quota share reinsurance contract with certain subsidiaries of St. Paul relating to contract surety business. Platinum Bermuda received approximately \$9.4 million in premium under these contracts in 2004. Platinum Bermuda is one of several reinsurers participating on a three-year structured surety excess of loss reinsurance contract with certain subsidiaries of St. Paul. Platinum Bermuda has a 30% participation under this contract and expects to receive approximately \$26 million in total premium under this contract in 2005. Platinum Bermuda is one of several reinsurers participating on three layers of a twelve-month surety excess of loss reinsurance contract with certain subsidiaries of St. Paul. Platinum Bermuda has a 7% participation under this contract and expects to receive approximately \$5.3 million in total premium under this contract in 2005. Platinum US is one of several reinsurers participating on two

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

layers of a property catastrophe program with certain St. Paul subsidiaries. Platinum US has a .5% and 1.25% participation on these two layers and receives approximately \$784,000 in total premium under this contract.

Platinum US is one of several reinsurers participating on two property excess of loss reinsurance contracts with Discover Re, a subsidiary of St. Paul. Platinum US has a 10% participation and receives approximately \$3.7 million in total premium under these contracts. Platinum US is one of several reinsurers participating on an excess workers compensation quota share contract with Discover Re. Platinum US has a 2.5% participation under this contract and receives approximately \$1.9 million in total premium under this contract. Platinum US is one of several reinsurers participating on two layers of a workers compensation excess of loss reinsurance contract with Discover Re. Platinum US has a 10% participation under this contract and expects to receive approximately \$975,000 in total premium under this contract in 2005.

TRANSACTIONS WITH RENAISSANCERE AND ITS SUBSIDIARIES

Concurrently with the completion of the Initial Public Offering, the Company sold 3,960,000 Common Shares to RenaissanceRe at a price of \$22.50 per share less the underwriting discount (the "RenaissanceRe Investment") in a private placement pursuant to the Investment Agreement. In addition, RenaissanceRe received an option to purchase up to 2,500,000 additional Common Shares at any time during the ten years following the Initial Public Offering at a purchase price of \$27.00 per share (the "RenaissanceRe Option"). The RenaissanceRe Option was amended on November 18, 2004 to provide that, in lieu of paying \$27.00 per share, any exercise by RenaissanceRe of the RenaissanceRe Option will be settled on a net share basis, which would result in the Company issuing to RenaissanceRe a number of Common Shares equal to the excess of the market price per share, determined in accordance with the amendment, over \$27.00 less the par value per share multiplied by the number of Common Shares issuable upon exercise of the options, divided by that market price per share. Based on the closing price per share on March 1, 2005, RenaissanceRe had the right to acquire pursuant to the RenaissanceRe Option 342,652 Common Shares as of such date, resulting in the beneficial ownership by RenaissanceRe of 4,302,652 Common Shares (or 9.9% of the then outstanding Common Shares) as of such date. The Investment Agreement provides that, for so long as RenaissanceRe beneficially owns Common Shares representing at least 62.5% of the Common Shares purchased pursuant to the Investment Agreement, one qualified person designated by RenaissanceRe, who is reasonably acceptable to the Company, but not an officer, director or employee of RenaissanceRe or any of its subsidiaries, will be nominated by the Company for election as a director of the Company at each shareholder meeting at which directors are elected and the Company shall use commercially reasonable efforts to cause this director's appointment to the Executive Committee and, subject to applicable law, rules or regulations, the Governance Committee of the Board of Directors of the Company. The Investment Agreement also provides that, for so long as RenaissanceRe beneficially owns Common Shares representing at least 62.5% of the Common Shares purchased pursuant to the Investment Agreement, RenaissanceRe will have the right to designate a representative to attend (but not to vote at) meetings of the Board of Directors and to receive notices, agendas, minutes and all other materials distributed to participants at such meetings.

The Company and RenaissanceRe entered into a Transfer Restrictions, Registration Rights and Standstill Agreement as of November 1, 2002, pursuant to which, prior to November 1, 2003, RenaissanceRe could not transfer any interest in the Common Shares it purchased pursuant to the Investment Agreement except under certain conditions. Under this agreement, RenaissanceRe has the right to require the Company, subject to certain specified exceptions, on four occasions to register under the 1933 Act any Common Shares owned by RenaissanceRe or its affiliates for sale in a public offering beginning as of November 1, 2003. The

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

Company has also agreed to use its reasonable best efforts to enable RenaissanceRe, from and after the third anniversary of the completion of the Initial Public Offering, to distribute the Common Shares it beneficially owns in an offering on a continuous or delayed basis pursuant to a registration statement under the 1933 Act. After November 1, 2007, RenaissanceRe will have the right to an additional two demand registrations if RenaissanceRe beneficially owns more than

29

9.9% of the Common Shares then outstanding. Each demand must include a number of Common Shares with a market value equal to at least \$50 million, except that this limitation will not apply to RenaissanceRe's last demand registration. This agreement also contains provisions regarding indemnification of each of RenaissanceRe and the Company by the other, restrictions on RenaissanceRe regarding the acquisition of Common Shares in certain circumstances, and requirements relating to pre-emptive rights and participation in Common Share buy-back programs.

The Company entered into a five-year Services and Capacity Reservation Agreement with RenaissanceRe, effective October 1, 2002, pursuant to which RenaissanceRe provides services to the subsidiaries of the Company in connection with its property catastrophe book of business. At the Company's request, RenaissanceRe will analyze the Company's property catastrophe treaties and contracts and will assist the Company in measuring risk and managing the Company's aggregate catastrophe exposures. Based upon such analysis, RenaissanceRe will furnish quotations at the Company's request for rates for non-marine property catastrophe retrocessional coverage with aggregate limits up to \$100 million annually, either on an excess-of-loss or proportional basis. The Company and RenaissanceRe may then enter into retrocessional agreements on the basis of the quotations. The fee for the coverage commitment and the services provided by RenaissanceRe under this agreement is \$4 million at inception and at each anniversary, adjusted to 3.5% of the Company's gross written non-marine non-finite property catastrophe premium for the previous annual period, if and to the extent such amount is greater than the fee paid in such previous annual period. Either party may terminate this agreement if the other is deemed impaired or insolvent by applicable regulatory or judicial authorities or is the subject of conservation, rehabilitation, liquidation, bankruptcy or similar insolvency proceedings. The Company paid a total of \$6.1 million to RenaissanceRe pursuant to this agreement for 2004.

Platinum Bermuda and Platinum US have each entered into substantially similar Referral Agreements with Renaissance Underwriting Managers Ltd. ("RUM"), a subsidiary of RenaissanceRe, effective November 1, 2002 (collectively, the "Referral Agreements"), pursuant to which RUM provides referrals of treaty and facultative reinsurance contracts to Platinum Bermuda and Platinum US (the "Referred Contracts"). Under the Referral Agreements, Platinum Bermuda and Platinum US each have the opportunity to quote on Referred Contracts that would not otherwise be presented to Platinum Bermuda or Platinum US in the normal course. Under each of the Referral Agreements, Platinum Bermuda and Platinum US pay RUM an annual finder's fee and, in certain circumstances, a profit commission for Referred Contracts actually bound by Platinum Bermuda or Platinum US in accordance with formulas set forth in the Referral Agreements. Under the Referral Agreements, RUM may elect, at the time it refers a Referred Contract, to cause Platinum Bermuda or Platinum US to retrocede up to 30% of such Referred Contract actually bound by Platinum Bermuda or Platinum US (the "RenRe Retro Share"). The finder's fee and any profit commission due to RUM under each Referral Agreement is reduced by the amount of the RenRe Retro Share. The RenRe Retro Share may be subject to an aggregate loss ratio cap that will limit the maximum liability of RenaissanceRe to 225% of Gross Premium Written (as defined in the Referral Agreement) for each annual period. The Referral Agreements

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

expire on October 31, 2007. In 2004, Platinum US paid RUM \$387,725 under its Referral Agreement and Platinum Bermuda paid RUM \$458,533 under its Referral Agreement.

Platinum US entered into an excess of loss contract with RenaissanceRe effective as of June 11, 2003, where the loss index is based on a property catastrophe program purchased by Platinum US. Under this contract, RenaissanceRe is liable for 50% of all premiums (plus a 2% override) and is entitled to 50% of any loss recoveries under the indexed property catastrophe program.

Platinum US is party to two property catastrophe excess of loss programs with the Glencoe Group of Companies, which are affiliates of RenaissanceRe. Platinum has a 5% participation across four layers of reinsurance on one program and a 15% participation on the other program.

Platinum US is a party to a quota share retrocession agreement with Glencoe Insurance Ltd., an affiliate of RenaissanceRe, pursuant to which Platinum US cedes 85% of all liabilities under property facultative certificates underwritten by Savannah Reinsurance Underwriting Management, LLC, an

30

underwriting manager. Platinum US receives an issuing carrier commission equal to 4% of gross net written premium due under these certificates.

OTHER TRANSACTIONS

The Company is a party to an investment management agreement with Alliance Capital Management L.P. ("Alliance"), pursuant to which Alliance provides investment advisory services to the Company. The Company pays a fee to Alliance for these services based on the amount of the Company's assets managed by Alliance. A total of \$2,247,865 is payable to Alliance for investment advisory services provided in 2004. Holly Price, a Senior Vice President at AllianceBernstein Institutional Investment Management, a unit of Alliance, is the wife of Michael Price, the President and Chief Underwriting Officer of Platinum US.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is currently composed of the directors whose names appear at the end of this report. The members are independent as defined in the NYSE listing standards, which provide, among other things, that directors shall have no relationship with the Company that may interfere with the exercise of their independence from management and the Company. The Board of Directors has determined that the members of the Audit Committee also meet the qualifications set forth in the NYSE listing standards regarding financial literacy and accounting or related financial management expertise. The Board of Directors has also determined that Mr. Baldwin is an "audit committee financial expert" as defined by the SEC and that Mr. Deutsch would be an "audit committee financial expert" if elected at the Annual Meeting and appointed to the Audit Committee as planned.

The Audit Committee is responsible for, among other things, reviewing with management and the independent registered public accounting firm the audited financial statements to be included in the Company's Annual Report on Form 10-K, reviewing with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications With Audit Committees," as amended by Statement on Audit Standards No. 90, "Audit Committee Communications" ("SAS No. 61") and recommending whether the audited financial statements should be included in the Company's Annual Report on Form 10-K. The Company's management has the primary

Edgar Filing: PLATINUM UNDERWRITERS HOLDINGS LTD - Form DEF 14A

responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, the Audit Committee has reviewed and discussed the Company's audited financial statements as of December 31, 2004 and for the year then ended, including management's discussion and analysis of financial condition and results of operations, with management and KPMG LLP ("KPMG"), the Company's independent registered public accounting firm. The Audit Committee has also discussed with KPMG the matters required to be discussed by SAS No. 61, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the disclosures in the financial statements.

The Audit Committee also discussed with KPMG the critical accounting policies and practices used in the preparation of the audited financial statements as of December 31, 2004 and for the year then ended; any alternative treatments within accounting principles generally accepted in the United States of America for policies and practices related to material items that have been discussed with management, including the ramifications of the use of such alternative treatments and the treatment preferred by KPMG; and any material written communications between KPMG and management.

KPMG provided a report to the Audit Committee describing KPMG's internal quality-control procedures and related matters. KPMG also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as adopted by the Independence Standards Board, and the Audit Committee discussed with KPMG its independence. When considering KPMG's independence, the Audit Committee

31

considered, among other matters, whether KPMG's provision of non-audit services to the Company is compatible with maintaining the independence of KPMG.

In addition, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's system of internal controls. As part of this process, the Audit Committee monitored the scope and adequacy of the Company's internal auditing function, reviewing steps taken to implement recommended improvements in internal procedures and controls.

Based on the reviews and discussions with management and KPMG referred to above, the Audit Committee has recommended to the Board of Directors that the audited financial statements as of December 31, 2004 and for the fiscal year then ended be included in the Company's Annual Report on Form 10-K for such fiscal year. The Audit Committee also recommended to the Board of Directors that KPMG be selected as the Company's independent registered public accounting firm for the 2005 fiscal year, subject to shareholder ratification as required by Bermuda law.

The foregoing Report of the Audit Committee shall not be deemed to be "soliciting material" or "filed" with the SEC or incorporated by reference in any previous or future document filed by the Company with the SEC under the Securities Act or the Exchange Act, except to the extent that the Company specifically incorporates such Report by reference in any such document.

The Audit Committee is primarily responsible for managing the Company's relationship with its independent registered public accounting firm. Subject to ratification by the shareholders of the Company as required by Bermuda law, the Audit Committee has the sole authority to approve the engagement, determine the compensation and oversee the performance of the Company's independent registered public accounting firm. The Audit Committee has considered whether KPMG's provision of non-audit services to the Company is compatible with maintaining the independence of KPMG. It is the Company's policy that all audit services and all permitted non-audit services to be provided to the Company by the independent registered public accounting firm are approved in advance by the Audit Committee (or by one or more of its members if duly authorized by the Audit Committee). The Audit Committee pre-approved all audit, audit-related and tax services provided by KPMG in 2004.
