The following communication was sent via email by a Company representative to certain employees of the Company who were originally invited to participate in the directed share program of the Company's initial public offering.

**Subject: Reserve Share Clarification**

Team,

There have been a few questions concerning the stated 100 share minimum purchase for participation in the Directed Share Program and the verbal minimum of 50 shares that was provided to us by the Merrill Lynch representatives that were in Austin on Wednesday. We re-confirmed with our Merrill Lynch representatives that they will indeed honor a 50 share minimum purchase. They assured that they will communicate this with their call center (the 1-800 number) as well.

Thank you,
