### SCHEDULE 13D

This Amendment No. 1 amends and supplements the statement on Schedule 13D filed with the Securities and Exchange Commission on August 21, 2007 (the Original Schedule 13D ) relating to the common stock, par value \$0.001 per share (the Common Shares ), of Luminent Mortgage Capital, Inc., a Maryland corporation (the Issuer ) only to reflect the purchase by Interinvestco on August 10, 2007, of call options to purchase up to 9,000 Common Shares on or before January 19, 2008, at a strike price of \$2.50 per Common Share. Capitalized terms used but not defined in this Amendment No. 1 have the respective meanings assigned to them in the Original Schedule 13D.

#### **Item 5. Interest in Securities of the Issuer.**

Sections a and b of Item 5 of the Original Schedule 13D are hereby deleted and replaced in their entirety by the following:

(a), (b) Based on information provided by the Issuer, there were 43,303,004 Common Shares issued and outstanding as of August 17, 2007. As to each Reporting Person, Items (7)-(11) and (13) of the applicable cover page are incorporated herein by reference. Pursuant to the Warrant Agreement, ARCO has the right to purchase, at a price of \$0.18 per share, at any time until the fifth anniversary of the date of the Warrant Agreement, a combination of Common Shares and shares of a newly-created class of non-voting preferred stock of the Issuer that in the aggregate represent 51% of the equity of the Issuer. So long as the Issuer's 8.125% Convertible Senior Notes due 2027 (the Convertible Notes ) are outstanding and the holders of the Convertible Notes have the right to cause their Convertible Notes to be redeemed following a change in control of the Issuer, the maximum number of Common Shares that may be issued to ARCO upon the exercise of the Warrants granted under the Warrant Agreement is the number that, together with all other Common Shares beneficially owned by ARCO, would result in ARCO owning 49% of the issued and outstanding Common Shares. Based upon 43,303,004 Common Shares outstanding, if ARCO were deemed to be the beneficial owner of the 2,625,795 Common Shares reported in this statement as beneficially owned by other Reporting Persons, the maximum number of Common Shares that ARCO could acquire upon exercise of the Warrants would be 38,979,052. ACM does not directly own any Common Shares or the right to acquire any Common Shares, however ACM acts as ARCO's investment adviser and accordingly may be deemed to share beneficial ownership of the Common Shares issuable on exercise of the Warrants.

WGC directly owns 150,000 Common Shares (representing approximately 0.35% of the Common Shares outstanding). WGC is wholly owned by Ailsa Craig, which therefore may be deemed to share beneficial ownership of those Common Shares. Jay Johnston, as the general partner of Ailsa Craig, also may be deemed to share beneficial ownership of those Common Shares. Interinvestco owns 2,216,795 Common Shares (representing approximately 5.1% of the Common Shares outstanding). Interinvestco is owned by two trusts whose settlors are Jay Johnston and Robert Koenigsberger. Interinvestco also owns options to purchase up to 9,000 additional Common Shares at a price of \$2.50 per share. The options expire on January 19, 2008. If Interinvestco exercises all of the options, it would own 2,225,795 Common Shares (representing approximately 5.1% of the Common Shares outstanding).

Istan owns 250,000 Common Shares (representing approximately 0.58% of the Common Shares outstanding). Istan is wholly owned by Dilek Koenigsberger, who therefore may be deemed to share beneficial ownership of those Common Shares.

**SIGNATURE**

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
