If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reason described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, Form 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q or subject distribution report on Form 10-D, or portion thereof, will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

**PART III NARRATIVE**

State below in reasonable detail the reasons why Form 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

**Pall Corporation (the Company) is delayed in preparing and filing its quarterly report on Form 10-Q for the period ended October 31, 2007 because it requires additional time to complete the required financial statements and restatement described below. The Company cannot predict when it will complete the restatement, however, it is anticipated to be beyond the permitted extension of the prescribed due date of December 17, 2007.**

**On August 2, 2007, the Company disclosed in a Current Report on Form 8-K that the Audit Committee of its Board of Directors, on the recommendation of management, concluded that the Company's annual and quarterly financial statements for the fiscal years 1999 through 2006 and for each of the fiscal quarters ended October 31, 2006, January 31, 2007 and April 30, 2007 should no longer be relied upon and that a restatement of some or all of those financial statements will be required. This conclusion resulted from the Company's previously announced understatement of U.S. income tax payments and of its provision for income taxes, as disclosed in a Current Report on Form 8-K on July 19, 2007.**

**The understatement relates to the taxation of certain intercompany payable balances that mainly resulted from sales of products by a foreign subsidiary of the Company to a U.S. subsidiary of the Company. Under the Internal Revenue Code, these unpaid balances may have given rise to deemed dividend income to the Company that was not properly taken into account in the Company's U.S. income tax return and provision for income taxes. The Company has not finally determined the impact on the Company's provision for income taxes in any period, but it will vary from period to period depending on the size of the intercompany payable balances at the end of the affected fiscal quarters, among other factors. Pending final determination of the impact of such understatement, the Company is unable to complete the restatement referred to above.**
