On August 5, 2009, PHH Corporation (PHH , the Company , we , our or us) entered into a Transition Services and Separation Agreement (the Agreement) with Terence W. Edwards, who stepped down as our President and Chief Executive Officer on June 17, 2009. The Agreement, attached as Exhibit 10.1 to this Current Report on Form 8-K (Form 8-K), provides that Mr. Edwards will continue in the employ of the Company providing such services as may be requested by our Board of Directors or our Acting Chief Executive Officer until the earlier of the date that a permanent Chief Executive Officer is appointed, or December 31, 2009. While he remains employed by the Company, Mr. Edwards will continue to receive his annual base salary of \$564,635 and continue to participate in the Company s benefit plans and arrangements.

During a 24-month period following the termination of his employment with the Company, Mr. Edwards will be eligible to receive severance payments equal to his annual base salary payable over the 24-month period. During the 24-month period, Mr. Edwards will also be entitled to continued vesting of his outstanding Company stock options and restricted stock units, after which period all of his stock options will become fully vested and exercisable until the earlier of one year after the end of the 24-month period or the expiration date of the option and all of his restricted stock units (other than the 2009 performance-based awards) will become fully vested. Mr. Edwards 2009 performance-based awards will be vested to the extent that the performance goals have been satisfied or are expected to be satisfied in the reasonable discretion of the Compensation Committee (the Committee) of the Board of Directors of PHH. In addition, Mr. Edwards will be eligible for (i) annual cash bonuses based on actual Company performance for the years 2009, 2010 and a pro rata portion of 2011 for the amounts he would have received, which bonuses will be payable at the time such bonuses are payable to active employees, (ii) a transition payment of \$50,000 payable within 35 days of his termination of employment, and (iii) reimbursement for COBRA health care continuation premiums for up to 18 months following his termination of employment. These severance benefits will be paid or provided only if Mr. Edwards executes a release of claims against the Company upon termination of his employment and also complies with certain restrictive covenants, including a covenant not to compete with the Company during the period commencing on the date we entered into the Agreement and ending on the last day of the 24-month period and a covenant protecting the Company s confidential information. If Mr. Edwards fails to comply with these restrictive covenants, he will receive no further severance payments or benefits and will be obligated to repay to the Company the severance amounts paid to him in cash and upon payment or exercise of equity awards that would have terminated or not become vested without regard to the continued vesting during the 24-month period.

The foregoing description does not purport to be a complete description of the parties rights and obligations under the Agreement. The above description is qualified in its entirety by reference to the Agreement attached as Exhibit 10.1 to this Current Report on Form 8-K.

Variable Compensation Programs

Certain executive officers of PHH and its subsidiaries are eligible to receive cash bonuses through participation in our annual management incentive plans that are designed to motivate eligible recipients to achieve our short-term objectives. On July 30, 2009, the Committee approved the performance metrics and targets for each of the PHH Mortgage 2009 Management Incentive Plan (the Mortgage MIP), PHH Arval 2009 Management Incentive Plan (the Fleet MIP) and PHH Corporation 2009 Management Incentive Plan (the Corporate MIP). In the event that the applicable performance target or targets are achieved or exceeded, participating executive officers are eligible to receive a cash bonus equal to their target bonus expressed as a percentage of base salary multiplied by the percentage by which the performance target or targets for the Mortgage MIP, Fleet MIP or Corporate MIP in which the executive officer participates was met or exceeded, subject to the caps established for the applicable plan in which the executive officer participates. Any bonus under each of the Mortgage MIP, Fleet MIP or Corporate MIP will be paid following (i) the filing of the Consolidated Financial Statements and notes thereto in the Company s

Table of Contents

Annual Report on Form 10-K for the year ending December 31, 2009 and (ii) the approval of the cash bonuses by the Committee.

Performance achievement for the Mortgage MIP is based 50% on the attainment of a target level of pre-tax income after non-controlling interest for the year ending December 31, 2009 (Mortgage PTIANI Metric) for our Mortgage Production and Mortgage Servicing segments combined and 50% on the attainment of target levels of specified operating expense metrics for the year ending December 31, 2009 for the Mortgage Production and Mortgage Servicing segments (Mortgage Expense Metrics). Participating executive officers in the Mortgage MIP may receive a bonus based upon the achievement of one or more of the Mortgage PTIANI Metric and the Mortgage Expense Metrics. The minimum level of achievement of the Mortgage PTIANI Metric requires 100% achievement of the target level of the Mortgage PTIANI Metric. If the target level of the Mortgage PTIANI Metric is exceeded, the maximum level of achievement in respect of the Mortgage PTIANI Metric is capped at 200%. Thus, the maximum Mortgage MIP bonus that may be paid solely for performance achievement that exceeds the target Mortgage PTIANI Metric is 100% of the participating executive officer's target payout percentage of base salary. The required level of achievement in respect of each of the Mortgage Expense Metrics is 100% achievement of the target level of each such Mortgage Expense Metric. No amounts above 100% of the participating executive officer's target payout percentage of base salary will be paid for performance achievement that exceeds the Mortgage Expense Metrics. Thus, the maximum Mortgage MIP bonus that may be paid solely in respect of achieving the Mortgage Expense Metrics is 50% of the participating executive officer's target payout percentage of base salary. If the maximum performance level of the Mortgage PTIANI Metric and the Mortgage Expense Metrics are achieved, the maximum Mortgage MIP bonus that may be paid is 150% of a participating executive officer's target payout percentage of base salary.

Consistent with prior years, performance achievement under the Fleet MIP is based on the attainment of a target level of pre-tax income after non-controlling interest for the year ending December 31, 2009 (Fleet PTIANI Metric) for our Fleet Management Services segment. The performance level required under the Fleet MIP for a participating executive officer to earn a cash bonus is a minimum of 100% of the Fleet PTIANI Metric. The maximum Fleet MIP bonus that may be paid for performance achievement that exceeds the target Fleet PTIANI Metric is 125% of the participating executive officer's target payout percentage of base salary.

Consistent with prior years, performance achievement under the Corporate MIP is based 50% on the performance achievement under the Fleet MIP and 50% on the performance achievement under the Mortgage MIP. Participating executive officers in the Corporate MIP may receive a bonus based upon the performance achievement under one or both of the Fleet MIP and Mortgage MIP. If the targeted level of performance is achieved under both the Fleet MIP and Mortgage MIP, participating executive officers in the Corporate MIP will be entitled to receive a bonus equal to 100% of the participating executive officer's target payout percentage of base salary. If maximum performance is achieved under both the Fleet MIP and the Mortgage MIP, the maximum bonus that may be paid under the Corporate MIP is 137.5% of the participating executive officer's target payout percentage of base salary.

Mr. George J. Kilroy, Acting Chief Executive Officer and President of PHH and President and Chief Executive Officer of PHH Vehicle Management Services, LLC, doing business as PHH Arval, is a participant in the Fleet MIP and Corporate MIP. Mr. Kilroy's bonus for the year ending December 31, 2009 will be based 50% upon the performance achievement under the Fleet MIP and 50% upon the performance achievement under the Corporate MIP. Mr. Kilroy's target payout percentage for performance achievement under the Fleet MIP is 100% of base salary and Mr. Kilroy's target payout percentage under the Corporate MIP is 150% of base salary. Thus, Mr. Kilroy's target payout percentage for 2009 is 125% of base salary assuming a target level of performance achievement under the Fleet MIP and Corporate MIP. Mr. Kilroy's maximum payout percentage for 2009 is 165.625% of base salary assuming maximum performance achievement under both the Fleet MIP and Corporate MIP.

Ms. Sandra Bell, Executive Vice President and Chief Financial Officer of PHH, and Mr. William F. Brown, Senior Vice President, General Counsel and Secretary of PHH, are participants in the Corporate MIP with target payout percentages of 100% and 50% of base salary, respectively, and maximum payout percentages of 137.5% and 68.75% of base salary, respectively. Mr. Mark R. Danahy, President & Chief Executive Officer, PHH Mortgage Corporation, is a participating executive officer in the Mortgage MIP with a target payout percentage of 75% of base salary and a maximum payout percentage of 112.5% of base salary.
