Item 1.01 Entry into a Material Definitive Agreement

On October 9, 2009, Comstock Resources, Inc. (the **Company**) completed the public offering of \$300 million aggregate principal amount of 8³/₈% Senior Notes due 2017 (the **Notes**), which are fully and unconditionally guaranteed by the Company's principal subsidiaries (**Subsidiary Guarantors**) Comstock Oil & Gas, LP, Comstock Oil & Gas-Louisiana, LLC, Comstock Oil & Gas GP, LLC, Comstock Oil & Gas Investments, LLC and Comstock Oil & Gas Holdings, Inc.

The terms of the Notes are governed by the Indenture dated as of October 9, 2009 (the **Base Indenture**), among the Company, the Subsidiary Guarantors and The Bank of New York Mellon Trust Company, N.A., as trustee (the **Trustee**), as amended and supplemented by the First Supplemental Indenture, dated as of October 9, 2009 (the **Supplemental Indenture**); the Base Indenture, as amended and supplemented by the Supplemental Indenture, the **Indenture**).

The Notes will mature on October 15, 2017, and interest is payable on the Notes on each April 15 and October 15, commencing on April 15, 2010. The record date is April 1 and October 1. The Company may redeem some or all of the Notes at any time on or after October 15, 2013 at the redemption prices specified in the Indenture. The Company may also redeem up to 35% of the Notes using the net proceeds of certain equity offerings completed before October 15, 2012 at a redemption price as specified in the Indenture. If the Company sells certain assets or experiences a change of control, as described in the Indenture, each holder of the Notes will have the right to require the Company to repurchase the Notes at a purchase price described in the Indenture plus accrued and unpaid interest, if any, to the date of such repurchase.

The Notes are the Company's senior unsecured obligations. The Notes will rank equally in right of payment with all of the Company's existing and future senior indebtedness and senior in right of payment to all of the Company's future subordinated indebtedness. The Notes will be effectively subordinated to all of the Company's existing and future secured indebtedness to the extent of the collateral securing such indebtedness, including under the Company's bank credit facility.

The Indenture restricts the Company's ability and the ability of certain of its subsidiaries to, among other things: (i) incur additional indebtedness; (ii) pay distributions or dividends on equity or purchase, redeem or otherwise acquire equity; (iii) make certain investments; (iv) use assets as collateral in other transactions; (v) sell certain assets or merge with or into other companies; and (vi) enter into transactions with affiliates. These covenants are subject to a number of important exceptions and qualifications.

The Indenture contains customary events of default, including:

default in any payment of interest on any Note when due, continued for 30 days;

default in the payment of principal of or premium, if any, on any Note when due;

failure by the Company to comply with its obligations under the Indenture, in certain cases subject to notice and grace periods;

payment defaults and accelerations with respect to other indebtedness of the Company and its Restricted Subsidiaries (as defined in the Indenture) in the aggregate amount of \$50.0 million or more;

certain events of bankruptcy, insolvency or reorganization of a Subsidiary Guarantor or any other Restricted Subsidiary; and

failure by the Company or any Subsidiary Guarantor or any other Restricted Subsidiary to pay certain final judgments aggregating in excess of \$50.0 million within 60 days.

If an event of default under the Indenture occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of the outstanding Notes may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on the Notes to be due and payable, or, in the case of certain events of default relating to bankruptcy, insolvency or reorganization, those amounts will automatically become immediately due and payable.

Other material terms of the Notes, the Base Indenture and the Supplemental Indenture are described in the prospectus supplement, dated October 6, 2009, as filed by the Company and the Subsidiary Guarantors with the Securities and Exchange Commission (the **Commission**) on October 7, 2009. The foregoing descriptions of the Base Indenture, the Supplemental Indenture and the Notes are qualified in their entirety by reference to such Base Indenture and Supplemental Indenture (including the form of Notes attached thereto), copies of which are filed herewith as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.

The Company and the Subsidiary Guarantors registered the sale of the Notes and the underlying guarantees with the Commission pursuant to an automatic shelf Registration Statement on Form S-3 (Registration No. 333-162328) filed on October 5, 2009 (the **Registration Statement**). The Company will use the net proceeds from the offering of approximately \$289.2 million to repay outstanding borrowings under its bank credit facility and for general corporate purposes.

As previously reported, on October 6, 2009, the Company entered into an underwriting agreement with Bank of America Securities LLC, as representative of the underwriters named therein, in connection with an underwritten public offering of the Notes.
