**Response to November 5 Media Reports Regarding the TSMC vs. SMIC Case**

Regarding media reports today that TSMC has won its case against SMIC in North America, TSMC has the following statement:

On November 3, 2009, the jury in Alameda County Superior Court reached a verdict in TSMC's litigation against SMIC. The unanimous verdict confirms that SMIC breached its commitment in a 2005 settlement agreement, and misappropriated TSMC's trade secrets. From November 5, 2009, the jury will conduct a second phase of the trial to review the evidence of the harm TSMC has suffered as a result of SMIC's misappropriation and breach of the settlement agreement. Therefore, estimates of possible compensation to be paid to TSMC in today's media reports are speculation. TSMC will make appropriate disclosures regarding the case once the trial is complete.
