Item 1.01 Entry Into A Material Definitive Agreement

Effective February 23, 2010, Delek Refining, Ltd. (the Borrower), a wholly-owned subsidiary of the registrant, Delek US Holdings, Inc. (the Company), entered into a \$300 million asset-backed revolving credit agreement (the Wells ABL) with a consortium of lenders including Wells Fargo Capital Finance, LLC (Wells) as administrative agent. The Wells ABL is scheduled to mature in February 2014 and it replaces the Borrower's former credit facility described in Item 1.02 below which would have expired in April 2010.

The primary purpose of the Wells ABL is to support the working capital requirements of the Borrower's petroleum refinery in Tyler, Texas. The Wells ABL includes (i) a \$300 million revolving credit limit, (ii) a \$30 million swing line loan sublimit, (iii) a \$300 million letter of credit sublimit, and (iv) an accordion feature which permits an increase in borrowings of up to \$600 million subject to additional lender commitments. Under the facility, revolving loans and letters of credit are to be provided subject to availability requirements which are determined under a borrowing base as such terms are defined under the Wells ABL. The initial pricing for loans under the facility, includes a margin of 4.0% above LIBOR for loans designated as LIBOR Rate Loans and 2.50% above the prime rate for loans designated as Base Rate Loans.

Under its terms, the lenders under the Wells ABL were granted a perfected, first priority security interest in all accounts receivable, general intangibles, letter of credit rights, deposit accounts, investment property, inventory, equipment and all products and proceeds thereof. The security interest in the equipment is limited to \$50 million and will be subordinated or released under certain limited circumstances. The Company is guarantor of Borrower's obligations under the Wells ABL, with the Company's guaranty being limited to \$15 million.

Wells and Bank of America, N.A., serve as co-collateral agents. Wells, Banc of America Securities LLC and SunTrust Robinson Humphrey, Inc served as joint lead arrangers and joint bookrunners. SunTrust Bank, an affiliate of SunTrust Robinson Humphrey, Inc., served as administrative agent, issuing bank, swing line lender and collateral agent of the Borrower's former senior secured credit facility revolver described in Item 1.02 below. SunTrust Bank also serves as syndication agent under the senior secured credit facility for MAPCO Express, Inc., a wholly-owned subsidiary of the registrant and affiliate of the Borrowers.

Item 1.02 Termination of Material Definitive Agreement

Effective upon the execution of the Wells ABL described in Item 1.01 above, the Second Amended and Restated Credit Agreement dated October 13, 2006 (the SunTrust ABL) by and between Delek Refining, Ltd. and Delek Pipeline Texas, Inc., as borrowers, and various lenders including SunTrust Bank as administrative agent, issuing bank, swingline lender and collateral agent, was terminated. SunTrust Robinson Humphrey, Inc., an affiliate of SunTrust Bank, served as joint lead arranger and joint bookrunner for the Wells ABL. SunTrust Bank serves as syndication agent under the senior secured credit facility for MAPCO Express, Inc., a wholly-owned subsidiary of the registrant and affiliate of the Borrowers.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

See Item 1.01 above for a description of the Wells ABL.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.
