Amendment to Employment Agreement

On June 1, 2010, ION Geophysical Corporation (the Company) and Robert P. Peebler, the Company's Chief Executive Officer, entered into a Fifth Amendment to Employment Agreement (the Fifth Amendment). The Fifth Amendment was recommended for approval by the Compensation Committee and was approved by the Board of Directors of the Company. The amendment, which is effective on June 1, 2010, extended the term of Mr. Peebler's employment agreement so that his employment agreement will now expire by its terms on December 31, 2012 instead of December 31, 2011.

The Fifth Amendment also replaced the existing annual grant award provisions in Mr. Peebler's employment agreement. Prior to this amendment, the employment agreement provided that Mr. Peebler was entitled to receive an annual award of shares of restricted common stock of the Company equal in value to the amount of the annual incentive plan bonus earned by Mr. Peebler for the preceding year, and additional stock options as may be determined annually by the Compensation Committee of the Board of Directors. The Fifth Amendment provides that, in lieu of the foregoing annual grants, on June 1, 2010, Mr. Peebler will receive a grant of 300,000 shares of restricted stock of the Company, subject to a cliff vesting schedule described below.

The Fifth Amendment further provides that, upon termination of Mr. Peebler's employment due to (i) his Retirement (as that term is defined in the amendment) or (ii) his voluntary termination of employment from the Company at any time after his successor is appointed, Mr. Peebler shall serve as a non-employee consultant to the Board of Directors of the Company for a term of five years for a consulting fee of \$150,000 per year.

The foregoing description of the Fifth Amendment is qualified in its entirety by reference to the copy of the definitive Fifth Amendment filed herewith as Exhibit 10.1.

Equity Compensation Grant

Pursuant to the Fifth Amendment, on June 1, 2010, the Company granted Mr. Peebler an award of 300,000 shares of the Company's restricted stock under the Company's 2004 Long-Term Incentive Plan. The grant of shares of restricted stock will cliff vest on the date that is the earlier of:

- i. June 1, 2013;
- ii. A Change in Control occurs (as defined in the employment agreement);
- iii. Mr. Peebler's termination of employment due to his Disability (as defined in the employment agreement) or death;

- iv. Mr. Peebler's Retirement (as defined by the Company's 2004 Long-Term Incentive Plan);
- v. Mr. Peebler's voluntary termination of employment from the Company at any time after his successor is appointed; or
- vi. Mr. Peebler's employment is terminated (a) by the Company for no reason or for any reason other than Cause (as defined in the employment agreement), Mr. Peebler's death or Disability, or the expiration of the term of the employment agreement, or (b) by Mr. Peebler for Good Reason (as defined in the employment agreement).

During the period that the restricted stock has not yet vested, the shares of restricted stock are entitled to the same voting rights as all other holders of common stock.
