Item 3. Source and Amount of Funds or Other Consideration.

This statement is being filed to report that on June 16, 2010 Bruce J. Barrett entered into a Tender and Voting Agreement, described more fully in Item 4 below. The source of funds used in making prior purchases was the personal funds of Mr. Barrett. Company options and restricted shares were granted by the Company to Mr. Barrett.

Item 4. Purpose of Transaction.

Merger Agreement

On June 16, 2010, the Company entered into an Agreement and Plan of Merger (the Merger Agreement) with United States Surgical Corporation, a Delaware corporation (Parent), and Covidien DE Corp, a newly formed Delaware corporation and a wholly-owned subsidiary of Parent (Sub). Pursuant to the Merger Agreement and upon the terms and subject to the conditions thereof, Sub will, and Parent will cause Sub to, commence a cash tender offer (the Offer) to purchase all of the outstanding Common Shares of the Company at a purchase price of \$25.00 for each Common Share, net to the selling shareholder in cash (such price or such higher price per Common Share as may be paid in the Offer, the Offer Price) without interest.

CUSIP No. 834445 40 5

The Merger Agreement provides that the Offer will commence within ten business days after the date of the Merger Agreement, and will remain open for at least twenty-one business days, subject to possible extension in accordance with the terms set forth in the Merger Agreement. Pursuant to the Merger Agreement, after consummation of the Offer, and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Sub shall merge with and into the Company (the Merger), with the Company surviving as the wholly-owned subsidiary of Parent. At the effective time of the Merger, each issued and outstanding Common Share (other than Common Shares owned by the Company as treasury stock and Common Shares owned by Parent or Sub) shall be canceled and converted into the right to receive the Offer Price in cash, without interest. If Sub holds 90% or more of the outstanding Common Shares immediately prior to the Merger, it may effect the Merger without a meeting of the Company's shareholders in accordance with Delaware General Corporation Law and the Michigan Business Corporation Act.

The Merger Agreement contains representations, warranties and covenants of the parties customary for transactions of this type. Subject to certain limited exceptions in the Merger Agreement, the Company has also agreed not to solicit or initiate discussions with third parties regarding other proposals to acquire the Company and it has agreed to certain restrictions on its ability to respond to such proposals, subject to fulfillment of certain fiduciary requirements of the Company's board of directors. The Merger Agreement also contains customary termination provisions for the Company and Parent and provides that, in connection with the termination of the Merger Agreement under specified circumstances, the Company may be required to pay Parent a termination fee of \$10.5 million.

Pursuant to the Agreement, the Company granted Sub an irrevocable option (the Top-Up Option), to purchase the aggregate number of newly-issued Common Shares that, when added to the number of Common Shares owned by Parent and Sub at the time of such exercise, constitutes one share more than ninety percent (90%) of the Common Shares outstanding immediately after such exercise. The per share exercise price of the Top Up Option is equal to the Offer Price. The number of Common Shares subject to the Top-Up Option is limited to the aggregate number of Common Shares held as authorized but unissued Common Shares at the time of exercise. The Top Option will terminate concurrently with the termination of the Merger Agreement.

The Offer is subject to the satisfaction or waiver of a number of customary conditions set forth in the Merger Agreement, including that there shall have been validly tendered and not validly withdrawn prior to the expiration of the Offer, when added to the number of Common Shares directly or indirectly owned by Parent or Sub, a majority of the Common Shares then outstanding and the expiration or termination of applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

The Merger Agreement provides that all options to purchase Common Shares that are outstanding immediately prior to the Effective Time, whether vested or unvested, will be canceled at the Effective Time in exchange for a cash payment to be made by Parent promptly following the Effective Time equal to the excess of the Offer Price over the exercise price of the option, multiplied by the number of Common Shares underlying the option. Each Company

CUSIP No. 834445 40 5

restricted share outstanding immediately prior to the Effective Time will become fully vested and free of any restrictions immediately prior to the Effective Time. As a result, all restricted shares will be treated in a manner consistent with the other Common Shares and will be converted into the right to receive \$25 in cash in connection with the Merger.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached as Exhibit 2.1 to the Company's Current Report on Form 8-K, dated and filed on June 16, 2010, and is incorporated in this Schedule 13D by reference. The Merger Agreement has been incorporated to provide information regarding its terms. It is not intended to provide any other factual information about the Company, Parent or Sub. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by the Company to Parent and Sub in connection with the signing of the Merger Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement.

Tender and Voting Agreement

Concurrently with the execution of the Merger Agreement, Bruce J. Barrett, the Company's President and Chief Executive Officer, entered into a Tender and Voting Agreement with Parent and Sub (the Tender and Voting Agreement). Pursuant to the Tender and Voting Agreement, the Bruce J. Barrett has agreed, among other things, subject to the termination of the Tender and Voting Agreement (i) not to transfer any of his Common Shares other than in accordance with the terms and conditions set forth in the Tender and Voting Agreement, (ii) not to take any action in violation of the Merger Agreement provisions against soliciting or initiating discussions with third parties regarding other proposals to acquire the Company, (iii) to appoint Parent as his proxy to vote such Common Shares in connection with the Merger Agreement, (iv) to vote such Common Shares in support of the Merger in the event shareholder approval is required to consummate the Merger, (v) to tender in the Offer (and not withdraw) all Common Shares beneficially owned or subsequently acquired by him and (vi) to grant Parent an irrevocable option to purchase at the Offer Price all Common Shares owned by Bruce J. Barrett. The Tender and Voting Agreement will terminate upon the termination of the Merger Agreement.

The foregoing description of the Tender and Voting Agreements set forth above does not purport to be complete and is qualified in its entirety by reference to the form of Tender and Voting Agreement, which is attached as Annex II to the Merger Agreement and incorporated in this Schedule 13D by reference.
