**Item 1.01 Entry into a Material Definitive Agreement**

In connection with the proposed common stock offering described in Item 8.01 herein, on August 8, 2011, Central Federal Corporation (the Company) entered into a series of Standby Purchase Agreements with selected investors. Pursuant to the Standby Purchase Agreements, the selected investors have agreed to acquire from the Company, at the price of \$1.00 per share, 5.0 million shares of common stock. The selected investors have conditioned their purchase of shares of common stock upon the receipt by the Company of at least \$16.5 million in net proceeds from the rights offering, as well as other conditions that are set forth in the Standby Purchase Agreements. Subject to receipt of applicable regulatory approvals, the Company agreed to provide the selected investors the right to designate five candidates for appointment to the board of directors of the Company. The Company currently expects these director designees to be Timothy O Dell, Thad R. Perry, Robert E. Hoeweler, James H. Frauenberg, II and Donal Malenick. The foregoing description of the terms of the Standby Purchase Agreements does not purport to be complete and is qualified in its entirety by reference to such document, the form of which is filed herewith as Exhibit 10.1.

**Item 8.01 Other Events**

On August 9, 2011, the Company announced the terms of an up to \$30.0 million stock offering, consisting of a \$25.0 million rights offering and public offering, and a \$5.0 million offering to standby purchasers. Under the terms of the rights offering, all record holders of the Company's common stock as of a date to be determined will receive, at no charge, one subscription right for each share of common stock held as of the record date. Each subscription right will entitle the holder of the right to purchase a to-be-determined number of shares of Company common stock at a subscription price of \$1.00 per share. The rights offering will commence as soon as practicable after the filing with and review by the SEC of the registration statement related to the offering. Any shares not subscribed for in the rights offering may be offered in a public offering. In addition, for each four shares of common stock purchased, purchasers will receive, at no charge, one warrant to purchase one additional share of common stock at a purchase price of \$1.00 per share. The warrant will be exercisable for three years from the completion of the offering. Under the Standby Purchase Agreements, those investors will receive warrants with the same terms and conditions as all other investors in the offerings. A copy of the Company's press release announcing the terms of the proposed common stock offering is attached to this Report as Exhibit 99.1 and is incorporated herein by reference.
