On August 11, 2011, Teleflex Incorporated (the Company) made certain historical financial information available through the Company's website. The information includes condensed consolidated statements of income and income from continuing operations, net of tax, and diluted earnings per share attributable to common shareholders, which, in each case, reflect the Company's marine, cargo container and cargo systems businesses as discontinued operations for the historical periods presented. A copy of such financial information is furnished as Exhibits 99.1 and 99.2 to this Current Report.
