PROXY STATEMENT
FOR THE 2006 ANNUAL MEETING OF STOCKHOLDERS
Tuesday, May 23, 2006

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

Blue Nile, Inc. (sometimes referred to as the Company or Blue Nile) sent you this proxy statement and the enclosed proxy card because the Board of Directors of Blue Nile is soliciting your proxy to vote at the 2006 Annual Meeting of Stockholders (the Annual Meeting). You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card or follow the instructions below to submit your proxy over the telephone or on the Internet.

Blue Nile intends to mail this proxy statement and accompanying proxy card on or about April 21, 2006 to all stockholders of record entitled to vote at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 31, 2006 will be entitled to vote at the Annual Meeting. On this record date, there were 17,431,551 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 31, 2006 your shares were registered directly in your name with Blue Nile's transfer agent, Mellon Investment Services, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, please fill out and return the enclosed proxy card or vote by proxy over the telephone or on the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 31, 2006 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting, unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

- 1) Election of two directors; and
- 2) Ratification of Deloitte & Touche LLP as independent auditors of the Company for its fiscal year ending December 31, 2006.

How do I vote?

You may either vote For both nominees to the Board of Directors or you may Withhold your vote for any nominee you specify. For the other matter to be voted on, you may vote For or Against or abstain from voting. The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy using the enclosed proxy card, vote by proxy over the telephone, or vote by proxy on the Internet. Whether or not you plan to attend the Annual Meeting, the Company urges you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the Annual Meeting and the Company will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to the Company before the Annual Meeting, the Company will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-866-540-5760 using a touch-tone phone and follow the recorded instructions. Please have your proxy card in hand when you call. You will be asked to provide the Company number and control number from the enclosed proxy card. Your vote must be received by 8:59 PM Pacific Time (11:59 PM Eastern Time) on Monday, May 22, 2006 to be counted.

To vote on the Internet, go to <http://www.proxyvoting.com/nile> to complete an electronic proxy card. You will be asked to provide the Company number and control number from the enclosed proxy card. Your vote must be received by 8:59 PM Pacific Time (11:59 PM Eastern Time) on Monday, May 22, 2006 to be counted.

We provide Internet proxy voting to allow you to vote your shares on-line, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from Blue Nile. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or on the Internet as instructed by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker, bank, or other agent included with these proxy materials, or contact your broker, bank, or other agent to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 31, 2006.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For the election of both nominees for director, and For the ratification of Deloitte & Touche LLP as Blue Nile s auditors through December 31, 2006. If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

Blue Nile will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, Blue Nile s directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. Blue Nile may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

You may submit another properly completed proxy card with a later date.

You may send a written notice that you are revoking your proxy to Blue Nile s Corporate Secretary at 705 Fifth Avenue South, Suite 900, Seattle, Washington 98104.

You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or other agent, you should follow the instructions provided by your broker, bank or other agent.

When are stockholder proposals due for next year s Annual Meeting?

As a stockholder, you may be entitled to present proposals in next year s proxy materials if you comply with the requirements of the proxy rules established by the Securities and Exchange Commission. Proposals by our stockholders intended to be presented for consideration at Blue Nile s 2007 Annual Meeting must be received by the Corporate Secretary of Blue Nile at 705 Fifth Avenue South, Suite 900, Seattle, Washington 98104, by December 22, 2006 (120 calendar days prior to the anniversary of the mailing date of this proxy statement), in order that they may be included in the proxy materials relating to that meeting.

A stockholder proposal or nomination for director that will not be included in next year s proxy materials, but that a stockholder intends to present in person at next year s Annual Meeting, must comply with the notice, information and consent provisions contained in the Company s Bylaws. In part, the Bylaws provide that to timely submit a proposal or nominate a director you must do so by submitting the proposal or nomination, in writing, to the Company s Corporate Secretary at the Company s principal

executive offices no later than the close of business on February 22, 2007 (90 days prior to the first anniversary of the 2006 Annual Meeting Date) nor earlier than the close of business on January 23, 2007 (120 days prior to the first anniversary of the 2006 Annual Meeting date). In the event that the Company sets an Annual Meeting date for 2007 that is not within 30 days before or after the anniversary of the 2006 Annual Meeting date, notice by the stockholder must be received no earlier than the close of business on the 120th day prior to the 2007 Annual Meeting and no later than the close of business on the later of the 90th day prior to the 2007 Annual Meeting or the 10th day following the day on which public announcement of the date of the 2007 Annual Meeting is first made. The Company's Bylaws contain additional requirements to properly submit a proposal or nominate a director. If you plan to submit a proposal or nominate a director, please review the Company's Bylaws carefully. You may obtain a copy of the Company's Bylaws by mailing a request in writing to the Corporate Secretary of Blue Nile at 705 Fifth Avenue South, Suite 900, Seattle, Washington 98104.

How are votes counted?

Votes will be counted by the inspector of elections appointed for the Annual Meeting, who will separately count For and Withheld and, with respect to the proposal other than the election of directors, Against votes, abstentions and broker non-votes. Abstentions will be counted towards the tabulation of votes cast on the proposal other than the election of directors, and will have the same effect as Against votes.

If your shares are held by your broker as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to both proposals, because both proposals are considered routine matters. A broker non-vote occurs when a broker expressly instructs on a proxy card that it is not voting on a matter. Broker non-votes are counted for the purpose of determining the presence or absence of a quorum, but are not counted for determining the number of votes cast for or against a proposal.

How many votes are needed to approve each proposal?

Proposal 1 Election of Directors. For the election of directors, the two nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected. Only votes For or Withheld will affect the outcome.

Proposal 2 Ratification of Deloitte & Touche LLP as Independent Auditors. To be approved, Proposal No. 2, the ratification of Deloitte & Touche LLP as Blue Nile's independent auditors for the fiscal year ending December 31, 2006, must receive a For vote from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will be counted towards a quorum, but will have no effect in determining whether this matter has been approved.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid Annual Meeting. A quorum will be present if at least a majority of the outstanding shares are represented by stockholders present at the Annual Meeting or by proxy. On the record date, there were 17,431,551 shares of common stock outstanding and entitled to vote. Thus, 8,715,776 shares of common stock must be represented by stockholders present at the Annual Meeting or by proxy to have a quorum.

Votes for and against, abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. If there is no quorum, the chairman of the Annual Meeting or a majority of the votes present at the Annual Meeting may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in the Company's quarterly report on Form 10-Q for the second quarter of the fiscal year ending December 31, 2006.

Proposal 1

Election Of Directors

Blue Nile's Board of Directors is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board of Directors may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board of Directors to fill a vacancy in a class shall serve for the remainder of the full term of that class, and until the director's successor is elected and qualified. This includes vacancies created by an increase in the number of directors.

The Board of Directors presently has eight members. There are two directors in the class whose terms of office expire in 2006, Ms. Taylor and Mr. Tai. Ms. Taylor has been nominated by the Board of Directors and has agreed to stand for reelection. Mr. Tai has decided not to stand for reelection. On the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated Anne Saunders to stand for election at the 2006 Annual Meeting. If elected, Ms. Saunders would be an independent non-employee director. Ms. Saunders was recommended to the Nominating and Corporate Governance Committee by the Chief Executive Officer as a potential board nominee. Ms. Taylor was previously elected by the stockholders. If elected at the 2006 Annual Meeting, each of Ms. Taylor and Ms. Saunders would serve until the 2009 Annual Meeting and until her successor is elected and qualified, or until her death, resignation or removal. It is the Company's policy to strongly encourage directors and nominees for director to attend the Annual Meeting. Mr. Vadon, Ms. Irvine, Mr. McAndrews and Mr. Tai attended the Annual Meeting held in 2005.

For the election of directors, the two nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected. Only votes For or Withheld will affect the outcome. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. In the event that the nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. Each person nominated for election has agreed to serve if elected, and the Company has no reason to believe that any nominee will be unable to serve.

The following is a brief biography of each nominee and each director whose term will continue after the Annual Meeting.

Independence of The Board of Directors

As required under the Nasdaq Stock Market (Nasdaq) listing standards, a majority of the members of a listed company s Board of Directors must qualify as independent, as affirmatively determined by the Board of Directors. The Board of Directors consults with the Company s counsel to ensure that the Board of Directors determinations are consistent with all relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of the Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions and relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, the Board of Directors has affirmatively determined that all of the Company s directors are independent directors within the meaning of the applicable Nasdaq listing standards, except for Mr. Vadon, the Chief Executive Officer of the Company and Ms. Irvine, the Chief Financial Officer of the Company.

Information Regarding the Board of Directors and its Committees

On April 27, 2004, the Board of Directors documented the governance practices followed by the Company and its Board of Directors in the Corporate Governance Policies of the Board of Directors (the Governance Policies). The Governance Policies provide the Board of Directors with the necessary authority to review and evaluate the Company s business operations, as needed, and they are designed to facilitate the Board of Directors independent decision making authority. The Governance Policies are intended to align the interests of directors and management with those of the Company s stockholders. The

Governance Policies, among other things, set forth the practices the Board of Directors will follow with respect to the selection of directors, the independence of the directors, meetings of the Board of Directors, committees of the Board of Directors and the responsibilities of the Board of Directors. The Governance Policies were adopted to, among other things, reflect changes to the Nasdaq listing standards and Securities and Exchange Commission rules adopted to implement provisions of the Sarbanes-Oxley Act of 2002. The Corporate Governance Policies of the Board of Directors, as well as the charters for each committee of the Board, may be viewed at www.bluenile.com in the corporate governance section of its investor relations page.

As required under applicable Nasdaq listing standards, in fiscal year 2005, the Company's independent directors met four times in regularly scheduled executive sessions at which only independent directors were present. The lead independent director, Mary Alice Taylor, presided over the executive sessions. Persons interested in communicating with the independent directors with their concerns or issues may address correspondence to a particular director or to the independent directors generally, in care of the Blue Nile Corporate Secretary at 705 Fifth Avenue South, Suite 900, Seattle, Washington 98104. If no particular director is named, letters will be forwarded, depending on the subject matter, to the Chair of the Audit, Compensation or Nominating and Corporate Governance Committee, as applicable.

The Board of Directors has three committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The following table provides membership and meeting information for fiscal year 2005 for each of the committees of the Board of Directors:

*** In connection with Mr. Tai's decision not to stand for re-election to the Board at the 2006 Annual Meeting, Mr. Jimenez has been appointed to serve as chair of the Compensation Committee immediately following the Annual Meeting. If Ms. Saunders is elected to the Board at the Annual Meeting, she will serve as a member of the Compensation Committee.

**** Lead Outside Director. Immediately following the Annual Meeting, Ms. Taylor will serve as chair of the Nominating and Corporate Governance Committee. Ms. Strober served as chair prior to Ms. Taylor.

Below is a description of each committee of the Board of Directors. Each committee has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities. The Board of Directors

has determined that each member of each committee meets the applicable rules and regulations regarding independence and that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment with regard to the Company.

Audit Committee

The Audit Committee of the Board of Directors oversees the Company's corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee, among other things:

evaluates the performance of and assesses the qualifications of the independent auditors;

determines and approves the engagement of the independent auditors;

evaluates the systems of internal control over financial reports;

reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services;

monitors the rotation of partners of the independent auditors on the Company's audit engagement team as required by law;

confers with management and the independent auditors regarding the effectiveness of internal controls over financial reporting;

establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and

meets to review the Company's annual audited financial statements and quarterly financial statements with management and the independent auditor, including reviewing the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations.

Four directors comprise the Audit Committee: Mr. Carlborg, Mr. Jimenez, Ms. Strober and Ms. Taylor. The Audit Committee met five times during fiscal year 2005. The Audit Committee has adopted a written Audit Committee charter that is attached as **Appendix A** to these proxy materials and is available on Blue Nile's website, www.bluenile.com in the corporate governance section of its investor relations page.

The Board of Directors annually reviews the Nasdaq listing standards definition of independence for Audit Committee members and has determined that all members of the Company's Audit Committee are independent (as independence is currently defined in Rule 4350(d)(2)(A)(i) and (ii) of the Nasdaq listing standards). The Board of Directors has determined that Mr. Carlborg and Ms. Taylor each qualify as an audit committee financial expert, as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Carlborg and Ms. Taylor's level of knowledge and experience based on a number of factors, including their formal education, prior experience, business acumen and independence. On February 1, 2006, Ms. Taylor resigned as the chair of the Audit Committee, and Mr. Carlborg was appointed chair of the Audit Committee.

Compensation Committee

The Compensation Committee of the Board of Directors reviews and approves the overall compensation strategy and policies for the Company. The Compensation Committee, among other things:

reviews and approves corporate performance goals and objectives relevant to the compensation of the Company's executive officers and other senior management;

reviews and approves the compensation and other terms of employment of the Company's Chief Executive Officer;

reviews and approves the compensation and other terms of employment of the other executive officers; and

administers the Company's stock option and purchase plans, pension and profit sharing plans, stock bonus plans, deferred compensation plans and other similar programs.

The Company also has a Stock Award Committee, currently consisting of Mr. Vadon and Ms. Irvine, that may award stock options to employees who are not officers within ranges determined by the Compensation Committee. Three directors comprise the Compensation Committee: Mr. Tai, Mr. Jimenez and Mr. McAndrews. In connection with Mr. Tai's decision not to stand for re-election to the Board at the 2006 Annual Meeting, Mr. Jimenez has been appointed to serve as chair of the Compensation Committee immediately following the Annual Meeting. If Ms. Saunders is elected to the Board at the Annual Meeting, she will serve as a member of the Compensation Committee. All members of the Company's Compensation Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards). The Compensation Committee met eight times during fiscal year 2005. The Compensation Committee has adopted a written Compensation Committee charter that is attached as **Appendix B** to these proxy materials and is available on Blue Nile's website, www.bluenile.com in the corporate governance section of its investor relations page.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for, among other things:

identifying, reviewing and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board);

reviewing and evaluating incumbent directors;

recommending candidates to the Board for election to the Board of Directors;

making recommendations to the Board regarding the membership of the committees of the Board;

assessing the performance of management and the Board; and

developing a set of corporate governance principles for the Company.

Three directors comprise the Nominating and Corporate Governance Committee: Ms. Strober, Ms. Taylor and Mr. McAndrews. Immediately following the Annual Meeting, Ms. Taylor will serve as chair of the Nominating and Corporate Governance Committee. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards). The Nominating and Corporate Governance Committee met three times during fiscal year 2005. The Nominating and Corporate Governance Committee has adopted a written Nominating and Corporate Governance Committee charter that is attached as **Appendix C** to these proxy materials and is available on Blue Nile's website, www.bluenile.com in the corporate governance section of its investor relations page.

The Nominating and Corporate Governance Committee reviews the experience and characteristics appropriate for members of the Board of Directors and director candidates in light of the Board of Directors' composition at the time and skills and expertise needed at the Board and committee levels. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews such directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee must be independent under Nasdaq listing

standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors. The Nominating and Corporate Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board of Directors by majority vote. To date, the Nominating and Corporate Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates. To date, the Nominating and Corporate Governance Committee has not rejected a timely director nominee from a stockholder or stockholders holding more than 5% of Blue Nile's voting stock.

The Nominating and Corporate Governance Committee will consider properly submitted director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates based on whether the candidate was recommended by a stockholder or not. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board of Directors may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: 705 Fifth Avenue South, Suite 900, Seattle, Washington 98104, Attention: Corporate Secretary, at least 120 days prior to the anniversary date of the mailing of the Company's proxy statement for the last Annual Meeting of Stockholders. Recommendations must include the full name of the proposed candidate, a description of the proposed candidate's business experience for at least the previous five years, complete biographical information, a description of the proposed candidate's qualifications as a director and a representation that the recommending stockholder is a beneficial or record owner of the Company's stock. Any such submission must be accompanied by the written consent of the proposed candidate to be named as a nominee and to serve as a director if elected. No such recommendation of a candidate to the Nominating and Corporate Governance Committee shall be deemed to satisfy the nomination requirements set forth in our Bylaws.

Meetings of the Board of Directors

The Board of Directors met nine times during the last fiscal year. Each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he or she served, held during the period for which he or she was a director or committee member.

Stockholder Communications With The Board Of Directors

The Company's Board of Directors has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders who wish to communicate with the Board may do so by sending written communications addressed to the Corporate Secretary of Blue Nile at 705 Fifth Avenue South, Suite 900, Seattle, Washington 98104. All communications will be compiled by the Corporate Secretary of the Company and submitted to the Board of Directors or the individual directors on a periodic basis.

Code Of Ethics

The Company has adopted the Blue Nile, Inc. Code of Ethics that applies to all officers, directors and employees. The Code of Ethics is available on the Blue Nile website at www.bluenile.com in the corporate governance section of its investor relations page. If the Company makes any substantive amendments to the Code of Ethics or grants any waiver from a provision of the Code of Ethics to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

Report of the Audit Committee of the Board of Directors(1)

As described more fully in its charter, the purpose of Blue Nile, Inc.'s (Blue Nile) Audit Committee (the Audit Committee) is to act on behalf of Blue Nile's Board of Directors (the Board) in fulfilling the Board's oversight responsibilities with respect to:

Blue Nile's corporate accounting, financial reporting practices and audits of financial statements;

the quality and integrity of Blue Nile's financial statements and reporting;

the systems of internal control over financial reports;

the qualifications, independence and performance of any firm or firms of certified public accountants engaged as Blue Nile's independent outside auditors; and

the performance of Blue Nile's internal audit function.

The Audit Committee is made up solely of independent directors, as defined in the rules of The Nasdaq Stock Market, Inc. The composition of the Audit Committee, the attributes of its members and its responsibilities, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. A copy of the Audit Committee's charter is attached as **Appendix A** to these proxy materials and is available on Blue Nile's website, www.bluenile.com in the corporate governance section of its investor relations page. The Audit Committee reassesses the adequacy of the Audit Committee charter on an annual basis.

It is the responsibility of Blue Nile's management to prepare Blue Nile's financial statements and periodic reports and the responsibility of Blue Nile's outside independent auditors to audit those financial statements. Blue Nile's independent outside auditing firm for fiscal year 2005 was PricewaterhouseCoopers LLP (PwC). The Audit Committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace the independent outside auditing firm. In accordance with existing Audit Committee policy and applicable law, all services to be provided by Blue Nile's outside independent auditors are subject to pre-approval by the Audit Committee. This includes audit services, audit-related services, tax services and other services. In some cases, pre-approval is provided by the full Audit Committee, and relates to a particular category or group of services and is subject to a specific budget. In other cases, the Chair of the Audit Committee has the delegated authority from the Committee to pre-approve additional services, and such pre-approvals are then communicated and ratified by the full Audit Committee. Applicable law prohibits an issuer from obtaining certain non-audit services from its auditing firm so as to avoid certain potential conflicts of interest. Blue Nile has not obtained any of these services from PwC. See *Ratification of Selection of Independent Auditors* for more information regarding fees paid to PwC for services in fiscal years 2004 and 2005.

As part of fulfilling its responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements for fiscal year 2005 with management. The Audit Committee also discussed with PwC those matters relating to PwC's judgments about the quality, as well as the acceptability, of Blue Nile's accounting principles as required to be discussed with PwC by Statement on Auditing Standards No. 61, as amended, *Communication with Audit Committees*. In addition, the Audit Committee received the written disclosures and the letter required by Independent Standards Board Statement No. 1, *Independence Discussions with Audit Committee*, and has discussed PwC's independence with representatives of the firm.

(1) Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this proxy statement, in whole or in part, the following report shall not be incorporated by reference into any such filings.

Based on the Audit Committee's review of the audited consolidated financial statements and its discussions with management and PwC, the Audit Committee has recommended that the Board include the audited consolidated financial statements for the fiscal year ended January 1, 2006 in Blue Nile's Annual Report on Form 10-K.

On April 4, 2006, the Audit Committee of the Board of Directors approved the appointment of Deloitte & Touche LLP as the Company's independent auditors to audit the Company's financial statements for the fiscal year ending December 31, 2006 in place of PricewaterhouseCoopers LLP.

In connection with the Company's audits for the fiscal years ended January 2, 2005 and January 1, 2006, and in the subsequent period before PricewaterhouseCoopers LLP's dismissal on April 4, 2006, there were no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, that would have caused PricewaterhouseCoopers LLP to report the disagreement if it had not been resolved to the satisfaction of PricewaterhouseCoopers LLP. PricewaterhouseCoopers LLP's reports on the financial statements for the past two fiscal years did not contain an adverse opinion or disclaimer of an opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. PricewaterhouseCoopers LLP's letter to the Securities and Exchange Commission stating its agreement with the statements in this paragraph is filed as an exhibit to the Company's Current Report on Form 8-K dated April 4, 2006.

Respectfully submitted,

W. Eric Carlborg, Chairman
Joseph Jimenez
Joanna Strober
Mary Alice Taylor

Proposal 2
Ratification Of Selection Of Independent Auditors

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ending December 31, 2006 and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions. PricewaterhouseCoopers LLP audited the Company's fiscal 2001, 2002, 2003, 2004 and 2005 financial statements. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law requires stockholder ratification of the selection of Deloitte & Touche LLP as the Company's independent auditors. If the stockholders fail to ratify the selection, however, the Audit Committee of the Board of Directors will reconsider whether or not to retain that firm. Regardless of the outcome of the stockholder vote, the Audit Committee of the Board of Directors in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Deloitte & Touche LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as a vote against this proposal. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

Principal Accountant Fees and Services

The following table represents aggregate fees billed or expected to be billed to the Company for the fiscal years ended January 1, 2006 and January 2, 2005, by PricewaterhouseCoopers LLP, the Company's principal accountant for each of these fiscal years. All fees described below were approved by the Audit Committee.

	Fiscal Year Ended	
	January 1, 2006	January 2, 2005
Audit Fees(1)	\$ 517,336	\$ 566,572
Audit-related Fees(2)	14,500	
Tax Fees(3)	51,416	44,914
All Other Fees(4)	2,320	327,648
 Total Fees	 \$ 585,572	 \$ 939,134

- (1) Audit fees include services for verifying the consolidated financial statements of the Company, along with reviews of the interim financial information of the Company and its Forms 10-K and 10-Q. Audit fees also include fees related to the audit of the Company's internal controls over financial reporting with the objective of obtaining reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects and the attestation of management's report on the effectiveness of the Company's internal control over financial reporting. The fiscal year 2004 audit fees include the audits of the fiscal 2001, 2002, 2003 and 2004 financial statements, and the review of interim information for fiscal 2002, 2003 and 2004.
- (2) Audit related fees include services that are reasonably related to the performance of the audit or review of financial statements not included in Audit Fees above.
- (3) Tax fees in both fiscal 2005 and 2004 relate to federal and state tax return preparation and federal, state and foreign tax planning and consulting.
- (4) Other fees in fiscal year 2005 consist primarily of fees related to a subscription service. Other fees in fiscal year 2004 consist primarily of fees related to the filing of the Company's registration statement on Form S-1 in May 2004 and fees related to a subscription service.

Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures for the pre-approval of audit and non-audit services rendered by Blue Nile's independent auditor. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services, and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual explicit case-by-case basis before the independent auditor is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to and ratified by the full Audit Committee at its next scheduled meeting. As such, the engagement of

PricewaterhouseCoopers LLP to render all of the services described in the categories above was approved by the Audit Committee in advance of rendering those services or approved by a delegate and subsequently ratified by the Audit Committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of services other than audit services by PricewaterhouseCoopers LLP is compatible with maintaining the principal accountant's independence.

Change In Independent Public Accountant

On April 4, 2006, the Audit Committee of the Board of Directors approved the appointment of Deloitte & Touche LLP as the Company's independent auditors to audit the Company's financial statements for the fiscal year ending December 31, 2006 in place of PricewaterhouseCoopers LLP.

In connection with the Company's audits for the fiscal years ended January 2, 2005 and January 1, 2006, and in the subsequent period before PricewaterhouseCoopers LLP's dismissal on April 4, 2006, there were no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, that would have caused PricewaterhouseCoopers LLP to report the disagreement if it had not been resolved to the satisfaction of PricewaterhouseCoopers LLP. PricewaterhouseCoopers LLP's reports on the financial statements for the past two fiscal years did not contain an adverse opinion or disclaimer of an opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. PricewaterhouseCoopers LLP's letter to the Securities and Exchange Commission stating its agreement with the statements in this paragraph is filed as an exhibit to the Company's Current Report on Form 8-K dated April 4, 2006.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the 1934 Act) requires the Company s directors and executive officers, and persons who own more than ten percent of a registered class of the Company s equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended January 1, 2006, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were complied with, except as set forth below.

During fiscal 2005, all transactions for Ms. Irvine were timely reported, but her direct holdings as reported inadvertently included her indirect shareholdings of: (i) 1,160 shares held by Douglas Royan Irvine as Custodian for the benefit of Laura Anne Irvine under the Washington Uniform Gift to Minors Act; (ii) 1,160 shares held by Douglas Royan Irvine as Custodian for the benefit of David Douglas Irvine under the Washington Uniform Gift to Minors Act; and (iii) 1,160 shares held by Douglas Royan Irvine as Custodian for the benefit of Jessica Leigh Irvine under the Washington Uniform Gift to Minors Act. This error was corrected on a Form 4 filed on August 12, 2005.

Compensation of Directors

Each non-employee director of the Company receives an annual retainer of \$10,000 for serving on the Company's Board of Directors, an additional \$1,000 per member for serving on any committee of the Board of Directors and an additional \$1,000 for serving as chairperson of the Audit Committee. The annual retainer of \$10,000 is paid in quarterly installments. At the discretion of the Company's Board of Directors, directors may be permitted to forego all or a portion of their annual \$10,000 cash payment for service on the Board in exchange for a grant or grants of restricted stock under the 2004 Equity Incentive Plan having a fair market value equal to the amount of foregone cash compensation. In the fiscal year ended January 1, 2006, the total compensation paid to non-employee directors was \$71,000; of this amount \$41,170 was paid to the directors in cash and \$29,830 was paid to the directors through a grant of an aggregate of 912 shares of stock in lieu of cash. The members of the Board of Directors are also eligible for reimbursement for their expenses incurred in attending Board and committee meetings in accordance with Company policy.

In March 2004, the Company adopted the 2004 Non-Employee Directors' Stock Option Plan. Under this plan, upon joining the Company's Board of Directors, each non-employee director receives an option grant to purchase 20,000 shares of the Company's common stock. The initial grant will vest monthly with respect to 1/30th of the shares subject to the grant for the first 12 months following the date of grant and 1/60th of the shares subject to the grant for the subsequent 36 months. Upon joining the Board of Directors in February 2005, Mr. Carlborg was issued an initial grant of 20,000 shares of common stock under the Company's Non-Employee Directors' Stock Option Plan.

Each non-employee director will receive an additional option grant to purchase 16,000 shares of the Company's common stock upon full vesting of either the option grant they received in April 2004 under the 1999 Equity Incentive Plan or, with respect to directors who joined the Board after the April 2004 grant, their initial grant under the 2004 Non-Employee Directors' Stock Option Plan as well as any such subsequent additional grants.

Each non-employee director will receive an annual option grant to purchase 4,000 shares of the Company's common stock on the date following each Annual Meeting of stockholders, which will be reduced pro rata for each full quarter prior to the grant date during which the director did not serve as a non-employee director. In 2005, each director received their pro rata share of the Company's common stock following the 2005 Annual Meeting of stockholders.

In the event of a merger of the Company with or into another corporation or a consolidation, acquisition of assets or other change-in-control transaction involving the Company, the vesting of options granted to non-employee directors under the 1999 Equity Incentive Plan in April 2004 and all options granted under the 2004 Non-Employee Directors' Stock Option Plan will accelerate in full for the directors who are then providing services to the Company or the Company's affiliates.

During fiscal year 2005, no options were exercised by directors under the 1999 Equity Incentive Plan or the 2004 Non-Employee Directors' Stock Option Plan.

Each of these four plans has been approved by the Company's stockholders. The following table sets forth information regarding outstanding options and shares reserved for future issuance under the foregoing plans as of January 1, 2006:

**Report of the Compensation Committee of the Board of Directors
on Executive Compensation(1)**

As more specifically set forth in the Compensation Committee's charter, the purpose of Blue Nile, Inc.'s (Blue Nile or the Company) Compensation Committee (the Committee) is to act on behalf of the Board of Directors (the Board) in fulfilling the Board's responsibilities to oversee Blue Nile's compensation policies, plans and programs and to review and determine the compensation to be paid to its executive officers. In fiscal year 2005, the Committee was comprised of three independent, non-employee directors: Augustus Tai, Joseph Jimenez and Brian McAndrews. Mr. Tai served as Chair of the Committee. In connection with Mr. Tai's decision not to run for re-election to the Board at the 2006 Annual Meeting, Mr. Jimenez will serve as Chair of the Committee immediately following the 2006 Annual Meeting. If Ms. Saunders is elected to the Board, she will serve as a member of the Committee. Ms. Saunders would be an independent non-employee director.

The Chair of the Committee reports the Committee's actions and recommendations at the Board meetings. The Committee has access to internal personnel as the Committee deems necessary or appropriate, and the Committee has the authority to obtain, at the expense of Blue Nile, advice and assistance from internal or external legal, accounting or other advisors or consultants as it deems necessary or appropriate in the performance of its duties. The Committee regularly meets in executive sessions without members of management present.

Compensation Philosophy

Blue Nile's compensation program is designed to:

attract, retain and motivate outstanding employees by providing appropriate levels of risk and reward, assessed on a relative basis at all levels within Blue Nile and in proportion to individual contribution and performance; and

establish incentives for management and employees that further the long-term business objectives and the long-term value of Blue Nile.

The Committee believes that compensation paid to executive officers should be closely aligned with the performance of the Company on both a short-term and long-term basis, and that such compensation should be designed to attract and retain highly qualified executives. The Committee believes that the executive compensation program should be competitive in the market and should align executives' financial interests with long-term shareholder value.

Components of Compensation

The three main components of Blue Nile's executive compensation for fiscal year 2005 were base salary, cash incentive bonuses and stock option awards. To assist in its review of the key elements of executive compensation for 2005, the Committee engaged an independent compensation consultant who provided comparative compensation information for equivalent positions at peer companies. The consultant's analysis used several broad comparison groups of peer companies that were deemed to be relevant comparisons based on industry, size of company and other factors.

Base Salary. In establishing base salaries for executive officers, the Committee considers the executive's level of responsibility, experience, individual performance and contribution to Company performance, along with the market analysis performed by the independent consultant. Base salaries for Blue Nile executives are reviewed on an annual basis, and adjustments in base salaries may also be

(1) Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this proxy statement, in whole or in part, the following report shall not be incorporated by reference into any such filings.

considered at the time of a change in responsibilities. The base salaries for executives are designed to be competitive (which we define as approximately the 50th percentile) compared with prevailing market rates at peer companies for equivalent positions. In addition to reviewing executive officers' compensation against the comparison group of peer companies, the Committee also seeks input from the chief executive officer regarding total compensation for the other executive officers reporting directly to him.

Annual Incentive Bonuses. The Company has a cash incentive program for executive officers that provides variable cash incentives upon the achievement of financial and other performance objectives. The cash incentive bonuses are designed to be competitive (which we define as approximately 50th percentile) compared with prevailing market rates at peer companies for equivalent positions. For 2005, 60% of the aggregate target bonus pool was established based on the achievement of the Company's free cash flow objectives for the fiscal year with the remainder of the pool established based on the achievement of other quantitative and qualitative objectives set forth by the Committee, including individual and Company performance objectives and other financial objectives. The maximum that could be awarded to an executive officer was 200% of the target bonus. After the end of the fiscal year 2005, the Committee reviewed Blue Nile's achievement of the established performance targets and awarded a total of \$113,752 to Blue Nile's executive officers, including its chief executive officer, and the Committee approved bonus payments ranging from 30% to 100% of the individual bonus targets.

Long-Term Incentive Compensation - Equity Awards. The Committee believes that equity awards tie compensation to the long-term performance of the Company and to the creation of stockholder value, and serve to closely align the long-term interests and financial incentives of its executive officers with those of the Company's stockholders.

In past years and in 2005, long-term incentive compensation of executive officers took the form of stock option awards. The Committee believes in the importance of equity ownership for all executive officers and employees, for purposes of incentive, retention and alignment with stockholders. In determining the size of stock option grants to executive officers, the Committee considers the value of total compensation for comparable positions at peer companies and factors such as the recipient's level of responsibility, individual and Company performance, and the individual's anticipated level of future contributions to the Company's success. In fiscal year 2005, the executive officers (excluding the chief executive officer) were granted options to purchase between 12,000 and 62,000 shares of Blue Nile's common stock, which ranged from 2.2 percent to 11.35 percent of the total options granted to Company employees. The exercise price of options granted to executives and other employees generally is the closing sales price of Blue Nile's common stock on the last market trading day preceding the option grant award date. Executives receive value from these grants only if Blue Nile's common stock appreciates over the long term. In general, the equity awards granted to executive officers vest over a 4-year period as follows: 1/4th of the shares vest one year after the vesting commencement date and 1/48th of the shares vest monthly thereafter.

Other Benefits

Blue Nile does not maintain any non-qualified deferred compensation plans, defined benefit pension plans or supplemental retirement plans for its executive officers. The Company has a tax-qualified 401(k) defined contribution retirement plan (401(k) Plan) that is available to all eligible employees. The 401(k) Plan is a defined contribution plan designed to allow employees to accumulate retirement funds through employee and Company contributions. All Company contributions are made in cash and are invested in funds as directed by the participant, with the participant being able to select from a variety of mutual funds. Blue Nile does not offer participants the opportunity to invest in shares of Blue Nile stock through the 401(k) Plan. For 2005, Blue Nile's contributions to the 401(k) Plan for all eligible employees, including executive officers, equaled 50% of the amount contributed by the employee up to 4% of such employee's compensation. The Company contribution has a four year vesting period whereby 25% of such contribution vests annually.

Chief Executive Officer Compensation

Base Salary. During fiscal year 2005, Mark Vadon received a base salary of \$327,725. His base salary was \$300,000 until the Committee increased his salary 28% to \$385,000 in September 2005. This increase moved Mr. Vadon's base salary closer to the median percentile of base salaries of chief executive officers at peer companies. When establishing Mr. Vadon's salary, the Committee reviewed the factors listed above in the *Base Salary* section of this report, with particular focus on Blue Nile's financial performance and Mr. Vadon's personal performance.

Annual Incentive Bonuses. For fiscal year 2005, Mr. Vadon was awarded an incentive bonus equal to \$30,000, which represented 41% of his target bonus amount. Because the Company's free cash flow objective for the fiscal year was not met, the bonus payout was below the target amount. The individual performance component of Mr. Vadon's bonus was above target, based on the achievement of the performance objectives set forth by the Committee (listed above in the *Annual Incentive Bonuses* section of this report).

Long-Term Incentive Compensation - Equity Awards. In August 2005, Mr. Vadon was granted an option to purchase 117,000 shares of Blue Nile's common stock at an exercise price of \$32.97 (the closing sales price of Blue Nile's common stock on the last market trading day prior to the day the option grant was awarded) under Blue Nile's 2004 Equity Incentive Plan. When determining the stock option grant, the Committee considered the factors listed above in the *Long-Term Incentive Compensation* section of this report, with a particular focus on Blue Nile's financial performance and Mr. Vadon's personal performance. The grant of an option to purchase 117,000 shares of Blue Nile's common stock represented 21.41% of the total options granted to employees in fiscal year 2005. The August 2005 option grant vests as follows: 1/4th of the shares vest one year after the vesting commencement date of August 31, 2005, and 1/48th of the shares vest monthly thereafter.

Tax Treatment of Stock Options and Restricted Stock Purchase Rights

Section 162(m) of the Internal Revenue Code (the Code) limits Blue Nile to a deduction for federal income tax purposes of no more than \$1 million of compensation paid to each of the Named Executive Officers in a taxable year. Compensation above \$1 million may be deducted if it is performance-based compensation within the meaning of the Code. However, Section 162(m) contains an exception to this deduction limit for compensation paid pursuant to a compensation plan or agreement that existed during the period in which a company was not publicly held. This exception applies until the earliest of (i) the expiration of the plan or agreement, (ii) the material modification of the plan or agreement, (iii) issuance of all shares or other compensation reserved under the plan, or (iv) the first meeting of stockholders at which directors are to be elected occurring after the close of the third calendar year following the calendar year in which Blue Nile's initial public offering occurs. The Company's compensation plans and agreements were in existence prior to Blue Nile's initial public offering, and none of the events specified above has yet occurred. Accordingly, the Committee believes that compensation paid pursuant to its compensation plans and agreements is not subject to the deduction limitation under Section 162(m). Therefore, the Committee has not yet established a policy for determining which forms of incentive compensation awarded to its Named Executive Officers shall be designed to qualify as performance-based compensation. The Committee intends to comply with Code Section 162(m) in the future to the extent consistent with the best interests of Blue Nile.

Respectfully submitted,

Augustus Tai (Chairman)

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Blue Nile stockholders will be "householding" Blue Nile's proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Blue Nile, Inc., Corporate Secretary at 705 Fifth Avenue South, Suite 900, Seattle, Washington 98104 or contact Terri K. Maupin, the Corporate Secretary, at (206) 336-6700. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker.

Other Matters

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors,
