NABORS INDUSTRIES LTD.

PROXY STATEMENT

2003 ANNUAL GENERAL MEETING OF SHAREHOLDERS

JUNE 3, 2003

GENERAL INFORMATION

Nabors Industries Ltd. ("Nabors"), a Bermuda company, is the successor to Nabors Industries, Inc. ("Nabors Delaware"), a Delaware corporation, following a corporate reorganization which occurred on June 24, 2002. As a result of the reorganization, shareholders of Nabors Delaware, on the date of the reorganization, became shareholders of Nabors. Nabors and its subsidiaries continue to conduct the business previously conducted by Nabors Delaware and its subsidiaries. Nabors Delaware continues to exist as an indirect, wholly-owned subsidiary of Nabors.

In this proxy statement, "Nabors", the "Company", "we", "us" and "our" refer to Nabors Industries Ltd. or, for information pertaining to periods prior to June 24, 2002, to Nabors Delaware. Where the context requires, such references also include our subsidiaries.

INFORMATION CONCERNING VOTING AND SOLICITATION

The Board of Directors of Nabors prepared this proxy statement for the purpose of soliciting proxies for the 2003 Annual General Meeting of Shareholders. Our annual general meeting will be held at the Wyndham Greenspoint Hotel, 12400 Greenspoint Drive, Houston, Texas at 11:00 a.m., Central Daylight Time, on Tuesday, June 3, 2003 unless adjourned or postponed. The Board is making this solicitation by mail, and Nabors will pay all costs associated with this solicitation. This proxy statement and accompanying notice of annual general meeting and proxy are first being mailed to shareholders on or about May 8, 2003.

Our principal executive offices are located at 2nd Floor International Trading Center, Warrens, P.O. Box 905E, St. Michael, Barbados. The telephone number there is 246-421-9471.

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

ENTITLED TO VOTE

Only shareholders of record at the close of business on April 10, 2003 are entitled to vote at the annual general meeting. At the annual general meeting, each Nabors common share will be entitled to one vote. In addition, the holder of record of one Special Voting Preferred Share of Nabors shall be entitled to a number of votes equal to the number of exchangeable shares of Nabors Exchangeco (Canada), Inc., a corporation incorporated under the laws of Canada, outstanding from time to time which are not owned by Nabors or any of its affiliates, in accordance with the instructions received from the holders of such shares. On April 10, 2003, there were 565,497 shares of Nabors Exchangeco (Canada) Inc. outstanding. A quorum is necessary to transact business at the annual general meeting. The presence at the annual general meeting, in person or by proxy, of holders of a majority of the shares outstanding on April 10, 2003, constitutes a quorum. On April 10, 2003, there were 145,991,619 shares outstanding and entitled to vote, each of which is entitled to one vote for each matter to be voted on at the annual general meeting.

VOTING PROCEDURES

Shareholders of record can vote at the meeting by completing, signing and returning the enclosed proxy card. Shareholders who hold their shares through a broker ("in street name") must vote their shares in the manner prescribed by their brokers.

2

Proxies timely received will be voted in accordance with the shareholders' directions given in the proxies. In the absence of directions, shares for which we have received executed proxies will be voted FOR the nominees for election as directors named in this proxy statement, FOR the appointment of PricewaterhouseCoopers LLP as independent auditors and authorization of the Audit Committee of the Board to set the auditors' remuneration and FOR the approval of the 2003 Employee Stock Plan.

REVOCAION OF PROXIES

You may revoke your proxy at any time before it is actually voted by:

- o filing with the Secretary of Nabors, at or before the annual general meeting and prior to the vote, a written notice of revocation bearing a date later than the proxy being revoked;
- o duly signing and delivering, prior to the annual general meeting, a subsequent proxy relating to the annual general meeting; or
- o voting in person at the annual general meeting (although attendance at the annual general meeting will not, by itself, constitute a revocation of a proxy).

You must send any written notice revoking your proxy to the Secretary at our principal executive offices, 2nd Floor, International Trading Center, Warrens, P.O. Box 905E, St. Michael, Barbados. Alternatively, you may hand deliver your revocation notice at the annual general meeting. The financial statements for the Company's 2002 fiscal year will also be presented at the annual general meeting.

QUORUM AND REQUIRED VOTES

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

Nabors' Bye-laws provide that (a) the affirmative vote of a plurality of the votes cast at a meeting at which a quorum is present is required for the election of directors, and (b) the affirmative vote of the holders of a majority of shares present in person or represented by proxy and entitled to vote thereon is required to approve the appointment of the auditors and to approve the 2003 Employee Stock Plan.

Abstentions or votes that are withheld, are votes withheld by shareholders who are present in person or by proxy at a meeting and entitled to vote. Abstentions and withheld votes will be counted for purposes of establishing a quorum. Abstentions and withheld votes are not considered votes cast on a matter and will not be counted in the vote with respect to any proposal from which the shareholder abstains or withholds his vote.

Broker non-votes occur when the person, usually a broker, holding the certificate in street name does not have discretionary authority to vote on a matter, and has not received instructions on how to vote from the beneficial owner of the shares. Broker non-votes will be counted for purposes of establishing a quorum, but will not be counted as votes cast or entitled to vote on any proposals at the meeting. This will have the effect of reducing the absolute number of shares required to approve a matter to be voted on at the meeting.

SOLICITATION

Nabors has retained Georgeson Shareholder Communications Inc., 17 State Street, New York, New York 10004 to solicit proxies on behalf of the Board of Directors at an estimated cost of \$12,000 plus reasonable out-of-pocket expenses. Proxies may be solicited on behalf of the Board of Directors by mail, in person and by telephone. Proxy materials will also be provided for distribution through brokers, custodians, and other nominees and fiduciaries. Nabors will reimburse such parties for their reasonable out-of-pocket expenses for forwarding the proxy materials.

However, if any other matters are properly brought before the meeting, the persons named in the accompanying form of proxy will vote in their discretion on such matters, to the extent permitted under applicable law and the American Stock Exchange rules and regulations.

4

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Bye-law 29 authorizes the Board to fix the number of directors from time to time, but at no less than five nor more than eighteen. The number of directors currently is established at eight. The Bye-laws also provide for three classes of directors, designated Class I, Class II and Class III, each currently having three-year terms of office. Each class of directors is to consist of, as nearly as possible, one-third of the total number of directors constituting the entire Board. Except for directors elected to fill vacancies (whether created by death, resignation, removal or expansion of the Board), the directors of each class will be elected for a term of three years or until their respective successors have been duly elected and qualified. At the 2003 annual general meeting, two Class III directors, Eugene Isenberg and Jack Wexler, are nominated for election to the Board to serve for a three-year term.

If the enclosed proxy is signed and returned, it will be voted as you direct in the proxy. If you do not direct how the proxy should be voted, it will be voted FOR the election of Mr. Isenberg and Mr. Wexler as Class III directors, to serve until the 2006 annual general meeting of shareholders or until their respective successors have been duly elected and qualified. However, should any nominee become unavailable or prove unable to serve for any reason, the proxy will be voted for the election of such other person as the Board may select to replace such nominee, unless the Board instead fixes the number of directors at less than eight. The Board has no reason to believe that the nominees will not be available or will prove unable to serve.

The following tables set forth certain information concerning each Class III director nominee, the continuing Class I and Class II directors and executive officers of Nabors who are neither directors nor nominees for election as directors. THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE CLASS III DIRECTOR NOMINEES IDENTIFIED BELOW.

- (2) As of April 10, 2003, Nabors had 145,991,619 shares outstanding and entitled to vote. For purposes of this table, "beneficial ownership" is determined in accordance with Rule 13d-3 under the U.S. Securities Exchange Act of 1934, pursuant to which a person or group of persons is deemed to have "beneficial ownership" of any common shares that such person has the right to acquire within 60 days. We have included in the table common shares underlying fully vested stock options (without giving effect to accelerated vesting that might occur in certain circumstances). For purposes of computing the percentage of outstanding common shares held by each person or group of persons named above, any shares which such person or persons has the right to acquire within 60 days (as well as common shares underlying fully vested stock options) are deemed to be outstanding, but are not deemed to be outstanding for purposes of computing the percentage ownership of any other person.

The number of common shares underlying fully vested stock options included in the table are as follows: Mr. Isenberg - 10,295,079; Mr. Payne - 83,450; Mr. Petrello - 5,320,248; Mr. Schmidt - 116,500; Mr. Sheinfeld - 146,500; Mr. Stratton - 2,016,568; Mr. Wexler - 121,500; Mr. Whitman - 132,500; Mr. Koch - 71,600; Mr. McLachlin - 1,500, and all directors and Named Executive Officers as a group - 18,305,445.

- (4) The shares listed for Mr. Sheinfeld include 292 shares owned directly by Mr. Sheinfeld's spouse. Mr. Sheinfeld disclaims beneficial ownership of these shares.

12

- (5) The shares listed for Mr. Whitman include 132,819 shares of Nabors common stock owned by M. J. Whitman & Co., Inc. Because Mr. Whitman is a majority stockholder in M.J. - (1) All options are granted at an exercise price equal to the market value of Nabors' common stock on the date of grant. Therefore, if there is no appreciation in the market value, no value will be realizable. In accordance with Securities and Exchange Commission rules, the Black-Scholes option pricing model was chosen to estimate the grant date present value of the options set forth in this table. Nabors' use of this model should not be construed as an endorsement of its accuracy at valuing options. All stock option valuation models, including the Black-Scholes model, require a prediction about the future movement of the stock price. The following assumptions were made for purposes of calculating the grant date present value: (a) the expected term is assumed to be three and a half years, (b) volatility of 48.1931%, (c) dividend of \$0 per share and (d) risk-free rate of return of 3.84%. The figures given are not intended to forecast future price appreciation of the shares. The real value of the options in this table depends solely upon the actual performance of the Nabors' stock during the applicable period.
- (2) These options were granted on January 22, 2002 and vest six months from the date of grant.
- (3) These options were granted on January 22, 2002 and vest in four annual installments beginning on January 22, 2003.

OPTION/EXERCISES DURING 2002 AND YEAR-END OPTION VALUES

The following table provides information with respect to stock options exercised during 2002 and the value as of December 31, 2002 of unexercised in-the-money options held by the Named Executive Officers. The value realized on the exercise of options is calculated using the difference between the per share option exercise price and the market value of a share on the date of the exercise. The value of unexercised in-the-money options at fiscal year end is calculated using the difference between the per share option exercise price and the market value of \$35.27 per share at December 31, 2002.

EMPLOYMENT CONTRACTS

Mr. Isenberg and Mr. Petrello's employment contracts were amended and restated effective October 1, 1996 and both contracts currently are set to expire on September 30, 2007. The expiration date automatically extends for an additional one-year term on each anniversary date, unless Nabors provides notice to the contrary ten days prior to such anniversary. Mr. Isenberg's salary is subject to annual review for increase at the discretion of the Board and its Compensation Committee. The formula for the calculation of his cash bonus remained as it had been under the prior version, a shareholder approved contract, which provided that Mr. Isenberg is entitled to receive an annual cash bonus equal to 6% of Nabors' net cash flow (as defined in the employment contract) in excess of 15% of the average stockholders' equity for such fiscal year. Mr. Petrello's salary is subject to annual review for increase at the discretion of the Board and its Compensation Committee. His annual bonus remained as it had been at the greater of \$700,000 or 2% of the net cash flow (as defined in the employment contract) in excess of 15% of the average stockholders' equity in such year. Mr. Isenberg and Mr. Petrello are eligible for stock options and grants; may participate in annual long-term incentive programs, and pension and welfare plans, on the same basis as other executives; and may receive special bonuses from time to time as determined by the Board. Effective June 24, 2002, Mr. Isenberg's and Mr. Petrello's employment contracts were amended to reflect a reduction in salary equivalent to the amount of director's fees to be paid by Nabors as of that date. Pursuant to an Executive Cost Allocation Agreement, a percentage of Mr. Isenberg's and Mr. Petrello's salary, bonus, stock options or other compensation payable pursuant to their employment agreements will be paid by Nabors Corporate Services, Inc. for services performed for that Company, beginning on June 25, 2002.

In addition to salary and bonus, each of Mr. Isenberg and Mr. Petrello receive group life insurance at an amount at least equal to three times their respective base salaries; various split-dollar life insurance policies, reimbursement of expenses, various perquisites and a personal umbrella policy in the amount of \$5 million. Further, if Mr. Isenberg or Mr. Petrello is subject to the tax imposed by Section 4999 of the Internal Revenue Code, Nabors has agreed to reimburse them for such tax on an after-tax basis. Premiums payable under the split dollar life insurance policies have been suspended pending clarification of certain provisions of the Sarbanes - Oxley Act of 2002.

In the event that either Mr. Isenberg's or Mr. Petrello's employment contract is terminated by Nabors by reason of death, disability, or any reason other than for cause, or is terminated by either individual for Constructive

Termination Without Cause (as defined in the respective agreements) or is terminated as a result of or following a Change in Control (as defined in the respective agreements), the terminated individual will be entitled to receive:

- (a) all base salary which would have been payable through the expiration date of the contract or three times his then current base salary, whichever is greater;
- (b) all annual cash bonus which would have been payable through the expiration

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

date, or three times the highest bonus, (including the imputed value of grants of stock awards and stock options), paid or payable during the last three fiscal years prior to termination, whichever is greater; (c) any restricted stock outstanding, which shall immediately and fully vest; (d) any outstanding stock options, which shall immediately and fully vest; (e) any amounts earned, accrued or owing to the executive but not yet paid (including executive benefits, life insurance, disability benefits and reimbursement of expenses and perquisites) shall be continued through the later of the expiration date or three years after the termination date; (f) continued participation in medical, dental and life insurance coverage until the executive receives equivalent benefits or coverage through a subsequent employer or until the death of the executive or his spouse, whichever is later; and (g) any other or additional benefits in accordance with applicable plans and program of Nabors. In the event that either Mr. Isenberg's or Mr. Petrello's termination is related to a Change in Control, the terminated individual, at his election, would be entitled to receive a cash amount equal to one dollar less than the amount that would constitute an "excess parachute payment" as defined in Section 280G of the Internal Revenue Code, in place of the salary and bonus referred to in (a) and (b) above. In addition, the terminated individual would be entitled, at his election, to terminate his employment because of such Change in Control, and to receive instead of any such number of outstanding options, as selected by the individual, an amount of cash in exchange therefor equal to (x) the excess of the Change in Control Price (as defined in the respective agreements) over the exercise price of the options per share of common stock multiplied by (y) the number of options selected by the individual. In addition, the terminated individual would be entitled a grant of additional vested options exercisable for five years, at a price equal to the average closing price per share during the 20 days prior to the Change in Control in an amount equal to the highest number of options granted during any fiscal year during the period comprising the then current fiscal year and the three fiscal years preceding the Change in Control. In the event that either Mr. Isenberg's or Mr. Petrello's employment contract is terminated for cause or as a result of resignation (other than as described above), the terminated individual will be entitled to receive: (1) base salary through the date of termination; (2) all annual cash bonus which would have been payable through the date of termination; (3) all restricted stock that has vested on or prior to the date of termination; (4) any outstanding stock options vested on or prior to the date of termination; (5) any amounts earned, accrued or owing to the executive but not yet paid (including executive benefits, life insurance, disability benefits and reimbursement of expenses and perquisites if to be performed following termination); and (6) other or additional benefits in accordance with applicable plans and program of Nabors. If Mr. Petrello's employment is terminated for any reason, he also is entitled to certain relocation benefits as set forth in his employment agreement.

On February 20, 2003, Mr. Stratton resigned as an officer, director, employee and all other positions held with Nabors. Pursuant to a letter of agreement regarding his retirement which was reviewed by the Executive Committee, Mr. Stratton will (a) receive bi-weekly payments through September 30, 2007, each in the gross amount of \$12,576.04; (b) along with his spouse and children, be entitled to participate under the medical and dental portions of the group insurance plan at his own cost and expense so long as he is receiving bi-weekly payments; (c) be entitled to exercise all vested options pursuant to the terms of the initial awards; (d) repay in full the principal amount of his loan in the amount of \$104,374; (e) be treated the same as other senior executive with respect to future premium payments of split dollar life insurance policies; (f) agree for a period of five years not to accept any employment with or render any services to any person, firm or corporation that competes with the Company and if he should do so the Company may cease to make bi-weekly payment; and (g) in the event of Mr. Stratton's death his beneficiaries would be entitled to receive the unpaid balance of his bi-weekly payments.

During 2002 Mr. Stratton received compensation and benefits in accordance

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

with his employment contract entered into effective October 1, 1996. Pursuant to that agreement, Mr. Stratton received, in addition to his base pay and incentive compensation, vacation, reimbursement of expenses, comprehensive medical, disability and life insurance protection, a split-dollar life insurance agreement in an amount of not less than \$2 million, other perquisites and a personal umbrella policy in the amount of \$5 million. Premium payments under the split dollar life insurance policy have been suspended pending resolution of certain issues under the Sarbanes - Oxley Act of 2002.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

This section discusses certain direct and indirect relationships and transactions involving Nabors and any director or Named Executive Officer.

During fiscal 2002 Nabors provided drilling and logistical services to Nuevo Energy Company, of which Mr. James L. Payne, serves as Chairman, Chief Executive Officer and President. The drilling and logistical services were provided by Nabors to Nuevo Energy Company at prevailing market rates. Amounts received for such services from Nuevo Energy Company combined represented approximately 0.06% of Nabors consolidated operating revenues. Amounts received for such services represented approximately 0.3% of Nuevo Energy Company's gross revenues.

Mr. Petrello has a loan from Nabors in the maximum amount of \$2,881,915 pursuant to his employment agreement in connection with his relocation to Houston, the balance of which was \$2,881,915 as of December 31, 2002. The repayment of the loan was automatically extended an additional year on each anniversary of his employment agreement. In September 2002 Mr. Petrello signed a waiver discontinuing the automatic extensions of the loan repayment. The loan is scheduled to be paid on or before September 30, 2006 and shall not be further extended.

Mr. Stratton has a loan from Nabors for \$104,374 related to his relocation to Houston, the balance of which was \$104,374 as of December 31, 2002. Pursuant to a letter of agreement regarding his retirement, Mr. Stratton has agreed to repay this loan.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee for fiscal 2002 was comprised of two non-employee directors: Mr. Wexler (Chairman) and Mr. Sheinfeld. Neither Mr. Wexler nor Mr. Sheinfeld has ever served as an officer or employee of Nabors or any of its subsidiaries, nor has either participated in any transaction during the last fiscal year required to be disclosed pursuant to the federal proxy rules. No executive officer of Nabors serves on any board of directors of any entity of which Mr. Wexler or Mr. Sheinfeld is an employee.

The adult son of one of our directors, Jack Wexler, is an employee of Nabors Corporate Services, Inc., a subsidiary of Nabors, and has been employed by Nabors since February 1, 1992. The employee is paid an annual salary of \$108,000 and is eligible to receive cash bonuses and stock options.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

COMPENSATION AND ROLE OF THE COMPENSATION COMMITTEE

The Compensation Committee is responsible for overseeing the administration

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

of our compensation programs and setting the compensation of our key executives. Each member of our Compensation Committee is an independent director. The Compensation Committee recently adopted a new charter, which is set forth in Annex B to this proxy statement. We discuss below our policies for compensating our executives and aligning the interests of management with the long-term interests of investors and other stakeholders.

19

COMPENSATION POLICIES

The Compensation Committee's goal is to incentivize and reward superior executive performance that will create long-term investor value and to attract and retain executives who deliver that level of performance. The Compensation Committee is mindful that the oil field services industry, particularly the contract drilling segment, has been volatile, undergoing severe contractions in activity forcing many companies to withdraw or be eliminated from the market place followed by periods of rapid expansion when market conditions improve. The ability of companies to compete in this market place depends in part on the ability to attract and retain executives with the necessary industry knowledge and management and financial skills to preserve and enhance Nabors' position, notwithstanding the industry's characteristics. For this reason, the Compensation Committee also is of the view that attracting executive talent from both inside and outside the industry is important to the continued enhancement of Nabors. The Compensation Committee reviews and approves all of the policies under which compensation is paid to our senior executive officers. The Compensation Committee will regularly oversee and evaluate the effectiveness of the executive compensation programs in hiring, motivating and retaining key employees.

Nabors' executive compensation program includes base salary and incentive bonuses as follows:

Base Salary: The Compensation Committee reviews the performance of each senior executive officer individually with the Chief Executive Officer and determines an appropriate salary level for each senior executive officer based primarily on individual performance and competitive factors. These competitive factors include as a reference the base salary of other top executives of drilling contractors and the oil service sector generally, and also the compensation levels needed to attract and retain highly talented executives from outside the industry. For fiscal 2002 the Compensation Committee noted that the salaries of the Chief Executive Officer and the other Named Executive Officers were, in most cases, below the mean of the salaries for the same categories of Nabors' competitors, as reported in the latest available proxy statements of the five companies other than Nabors that comprise the Dow Jones Oil Drilling, Equipment and Services Index. The salaries of the Chief Executive Officer and the President have remained the same since 1987 and 1992, respectively.

Incentive Bonus Program: The Compensation Committee administers annual review programs to determine rewards to senior executive officers and key employees based upon Nabors' performance in relation to performance goals. Financial performance goals for the Chief Executive Officer and President are set forth in the contractual bonus formulae described above under "MANAGEMENT COMPENSATION-Employment Contracts". With respect to other senior executive officers, the performance goals include both financial and non-financial objectives, including achieving certain financial targets in relation to internal budgets, developing internal infrastructure and enhancing positions in

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

certain markets. The financial criteria include, among other things, increasing revenues, controlling direct and overhead expenses and increasing cash flow from operations. The nonfinancial criteria include: obtainment of safety goals, maintaining Nabors' share in its principal geographic markets, enhancing Nabors' technical capabilities and developing operations in identified strategic markets. Based on these reviews, the Compensation Committee recommends annual incentive rewards. Annual incentive awards include cash, options or shares, or a combination thereof. Share awards or stock option grants typically have been issued on a four-year vesting schedule, but the Compensation Committee reserves the right to modify the vesting schedule in its discretion. Annual incentive bonus awards are not guaranteed except for those provided under contractual arrangements. The Compensation Committee believes that stock option grants and share awards are critical in motivating and rewarding the creation of long-term shareholder value, and the Compensation Committee has established a policy of awarding stock options from time to time based on continuing progress of Nabors and on individual performance.

For 2002 the bonus and stock options granted to the Chief Executive Officer and the next two most highly compensated executive officers were higher than those for the same categories of Nabors' competitors, as reported in the latest available proxy statements of the five companies other than Nabors that comprise the Dow Jones Oil Drilling, Equipment and Services Index. Mr. Isenberg's and Mr. Petrello's cash bonuses are determined under a contractual formula based upon financial results (see "MANAGEMENT COMPENSATION - Employment Contracts"). However, for 2002, Mr. Isenberg voluntarily recommended and the Compensation Committee concurred to reduce the amount of cash bonus which he was entitled to receive under his contractual arrangements and awarded Mr. Isenberg \$1,400,000. Mr. Petrello received for 2002 the minimum bonus which he was entitled to receive under his contractual arrangement (\$700,000). On February 20, 2003, the Committee granted to Mr. Isenberg and Mr.

20

Petrello 950,000 and 475,000 stock options, respectively, with a per share exercise price of \$38.75, the market value of an underlying share on the date of grant. The options vest in three equal annual installments beginning on the first anniversary of the date of the grant.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits to \$1,000,000 the amount of compensation that may be deducted by Nabors in any year with respect to certain of Nabors' highest paid executives. Certain performance-based compensation that has been approved by shareholders is not subject to the \$1,000,000 limit, nor is compensation paid pursuant to employment contracts in existence prior to the adoption of Section 162(m) in 1993. Section 162(m) applied to Nabors for the first time in fiscal 1995. Although the contractual bonus arrangements remained the same from their previous contracts, certain bonus compensation, as well as the share options granted to Mr. Isenberg and Mr. Petrello pursuant to the new and amended employment contracts entered into in 1996 may not be exempt from Section 162(m). Consequently, Nabors may not be able to deduct that portion of such compensation that exceeds \$1,000,000 (see "MANAGEMENT COMPENSATION-Option/Exercises During 2002 and Year-End Options Values" and "- Employment Contracts"). While Nabors intends to take reasonable steps to obtain deductibility of compensation, it reserves the right not to do so in its judgment, particularly with respect to retaining the service of its principal executive officers.

CHIEF EXECUTIVE OFFICER AND PRESIDENT

Nabors' arrangements with its Chief Executive Officer and President have

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

been designed from the outset to align compensation to enhancing shareholder value. Mr. Isenberg's compensation is made pursuant to a contractual formula that was negotiated with the creditors committee in 1987 in connection with the bankruptcy proceedings of Nabors Delaware's predecessor corporation. These arrangements were subsequently approved by the various constituencies in such bankruptcy proceedings, including equity and debt holders, and confirmed by the United States Bankruptcy Court. Mr. Isenberg's base salary has remained constant since 1987 and Mr. Petrello's base salary has not changed since his employment began in 1991. The major portion of Mr. Isenberg's and Mr. Petrello's cash compensation is the performance-based bonus compensation. Under their agreements, Mr. Isenberg and Mr. Petrello are entitled to receive a cash bonus according to a formula based on a percentage during 2002 (Isenberg-6%, Petrello-2%) of cash flow in excess of a 15% return on shareholders' average book equity. Mr. Petrello is entitled to a minimum annual cash bonus of \$700,000. The Compensation Committee believes that tying the cash bonus to Nabors' cash flow in excess of a return on shareholders' average equity aligns Mr. Isenberg's and Mr. Petrello's bonuses to the objective of achieving superior financial results that should enhance shareholder value. In order to ensure that Mr. Isenberg and Mr. Petrello would continue to be available to Nabors, the Compensation Committee amended and restated their employment contracts effective October 1, 1996 for additional five-year terms that renew annually absent notice to the contrary (see "MANAGEMENT COMPENSATION - Employment Contracts"). Mr. Isenberg's contractual bonus (as well as Mr. Petrello's) provides for the mandatory application of their respective bonus formulae. However, as indicated above, for 2002 the Compensation Committee, upon the recommendation of Mr. Isenberg, reduced the cash bonus award to which Mr. Isenberg was entitled under the formula arrangement.

In reviewing Mr. Isenberg's and Mr. Petrello's compensation, the Compensation Committee noted that Nabors' financial results in 2002 were the fifth best in the Company's history at \$0.81 per diluted share even though there was a severe industry downturn that persisted throughout the year. Despite the intense competitive and volatile conditions prevailing in the industry this year, there were a number of noteworthy achievements in virtually every operating and business category/activity that further enhanced the Company's potential as the market recovers. Financial strength was maintained, and the Company is recognized as a dynamic, excellently managed organization, well positioned to maintain its leadership and growth. The senior executive management team in place for many years has demonstrated its versatility and leadership in forging a stable and effective organization. The Compensation Committee also noted The Wall Street Journal's special supplement published on March 10, 2003 ranking the 1,000 largest US companies in 80 business segments in order of average return to shareholders. The energy industry listing consisted of 47 companies in three sectors: Major Oil Companies, Secondary Oil Companies and Oil Equipment and Service Companies. Nabors again was ranked among the top companies in achieving superior long-term returns to its shareholders with a ten-year compounded return of 18.4%.

The Compensation Committee believes that the consistent high ranking of Nabors in such studies throughout the industry's cyclical ups and downs validate its assertion that the current management team has delivered consistent

superior returns to its shareholders over the long-term. These returns have been well in excess of those for companies in the S&P 500 Index and of a significant majority of its peers in both the energy industry and general US business. The Compensation Committee believes that these objective, third-party studies validate its assertion that the current management team has delivered consistent

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

superior returns to its shareholders over the long-term. The Compensation Committee also believes that retention and financial motivation of the current management team is vital to sustaining this level of performance.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is comprised of three independent directors and operates pursuant to a written Charter that is attached as Annex A. In 2002 the Committee met seven times. The primary purposes of the our Audit Committee are to assist the Board in monitoring (a) the quality and integrity of the financial statements of Nabors; (b) the independent auditors' qualifications and independence; (c) the performance of Nabors' independent auditors; and (d) compliance by Nabors with legal and regulatory requirements. The Board of Directors and the Governance and Nominating Committees have determined that each member of the committee is "independent" and the Board of Directors has also determined that each member is financially literate and at least one member has accounting or related financial management expertise, in each case as such qualifications are defined under the rules of the SEC and the American Stock

Exchange.

Management is responsible for the preparation, presentation and integrity of Nabors' financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for performing an independent audit of the financial statements in accordance with generally accepted auditing standards. The independent auditors have free access to the Audit Committee to discuss any matters they deem appropriate.

In performing its oversight role, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as updated by Statement on Auditing Standards No. 89, Audit Adjustments, and Statement on Auditing Standards No. 90, Audit Committee Communications. The Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of certain non-audit services by the independent auditors is compatible with maintaining the auditors' independence.

During fiscal 2002 the Audit Committee performed all of its duties and responsibilities under the then-applicable Audit Committee Charter. In addition, based on the review and discussions described in this Report of the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited financial statements of Nabors for fiscal 2002 be included in its Annual Report on Form 10-K for such fiscal year.

PROPOSAL NO. 2 APPOINTMENT OF INDEPENDENT AUDITORS

Under Bermuda law, our shareholders have the responsibility to appoint the independent auditors of the Company to hold office until the close of the next annual general meeting and to authorize the Audit Committee of the Board of Directors to set the auditors' remuneration. At the annual general meeting, the shareholders will be asked to approve the appointment of PricewaterhouseCoopers LLP as our independent auditors and to authorize the Audit Committee of the Board of Directors to set the independent auditors' remuneration. PricewaterhouseCoopers LLP, or a predecessor, has been our independent auditors since May 1987.

A representative from PricewaterhouseCoopers LLP is expected to be present at the annual general meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT AUDITORS OF THE COMPANY AND TO AUTHORIZE THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS TO SET THE AUDITORS' REMUNERATION.

PROPOSAL NO. 3 APPROVAL OF THE 2003 EMPLOYEE STOCK PLAN

We are proposing the Nabors Industries Ltd. 2003 Employee Stock Plan (the "Plan") for your approval at the annual general meeting. The Board of Directors believes it to be in the best interest of the Company to adopt the Plan to promote our long-term growth and profitability by providing our key employees with incentives to improve the value of our shares. We are seeking your approval so that we may use the Plan to grant incentive stock options (options that enjoy certain favorable tax treatment under Sections 421 and 422 of the Internal Revenue Code of 1986, as amended (the "Code")), as well as to enhance our ability to grant awards that qualify for the performance-based exception to the federal income tax deduction limits that otherwise apply to us under Section 162(m) of the Code.

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

The Plan is intended to encourage the key employees of the Company and its subsidiaries and affiliates to own our common shares and to provide additional incentive to those employees whose contributions are essential to the growth and success of the Company's business, in order to strengthen the commitment of such persons to the Company, motivate such persons to faithfully and diligently perform their responsibilities and attract and retain competent and dedicated persons whose efforts will result in the long-term growth and profitability of the Company. The Equity Compensation Plan information that begins on Page 30 sets forth information that may be relevant to your consideration of this proposal.

In considering the dilutive potential of the Plan, the Compensation Committee of the Board of Directors considered the fact that the senior management of the Company and others currently hold significant numbers of presently exercisable, in-the-money options to purchase Company shares. The Compensation Committee believes

24

that the holding of these options evidences a greater commitment to ownership of Company shares than would be the case if the options had been exercised and the shares sold. Accordingly, in the Committee's view, the existence of these outstanding options should not serve to reduce the number of shares made available for future grants of equity incentive awards, and the Committee took this consideration into account in determining the number of shares to be made available for grants under the Plan.

VOTE REQUIRED

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy at the annual general meeting and entitled to vote on this proposal is required for approval of the Plan. The Plan will become effective upon such approval.

PLAN DESCRIPTION

The following is a brief description of the principal features of the Plan. It does not purport to be complete and is qualified in its entirety by the full text of the Plan, which is attached hereto as Annex D.

General

We have reserved for issuance under the Plan a maximum of 3,500,000 common shares. If an award granted under the Plan expires or is terminated, the common shares underlying the award will again be available under the Plan. In addition, to the extent common shares are used to exercise any award (as described below) or to satisfy tax withholding obligations under the Plan, an equal number of shares will remain available for issuance under the Plan.

No individual may be granted awards under the Plan in any calendar year covering more than 1,500,000 shares.

In the event of any change in the Company's capitalization or in the event of a corporate transaction such as a merger, amalgamation, consolidation, separation or similar event, the Plan provides for appropriate adjustments in the number and class of common shares available for issuance or grant and in the number and/or price of shares subject to awards.

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

Types of Awards

The following awards may be granted under the Plan:

- o stock options, including incentive stock options and non-qualified stock options,
- o restricted stock,
- o restricted stock units,
- o stock appreciation rights, and
- o stock bonuses.

These awards are all described in more detail below.

Administration

The Plan will be administered by the Board of Directors or, in the discretion of the Board of Directors, a committee of the Board. The Board anticipates that the Compensation Committee will administer the Plan. For convenience, the administrator of the Plan will be referred to below as the Committee.

The Committee may, subject to the provisions of the Plan, determine the persons to whom awards will be granted, the type of awards to be granted, the number of shares to be made subject to awards and the exercise price. The Committee may also condition the award on the attainment of certain goals, determine other terms and conditions that shall apply to awards, interpret the Plan and prescribe, amend and rescind rules and regulations relating to the

25

Plan. The Committee may delegate to any of our employees (or a committee of employees) the authority to make grants of awards to our employees who are not our executive officers or directors. The terms and conditions of each award granted under the Plan will be set forth in a written award agreement relating to the award.

In the event that the Committee grants an award that is intended to constitute qualified performance-based compensation within the meaning Section 162(m) of the Code, the Committee in its discretion may condition payment under the award in whole or in part on the attainment of (or a specified increase or decrease in) one or more of the following business criteria as applied to an award recipient under the Plan and/or a business unit of the Company or its subsidiaries or affiliates: (i) income before federal taxes and net interest expense; (ii) achievement of specific and measurable operational objectives in the areas of rig operating costs, accident records, and employee turnover; (iii) working capital, generally defined to include receivables, inventories and controllable current liabilities, measured either in absolute dollars or relative to sales; (iv) earnings growth, revenues, expenses, share price, market share, return on assets, return on capital, equity or investment, regulatory compliance, satisfactory internal or external audits, improvement of financial ratings, or achievement of balance sheet, income statement or cash flow objectives; (v) adjusted cash flow or adjusted income derived from operating activities; and/or (vi) a percentage of cash flow in excess of a percentage of shareholders' average book equity. Payments under such awards will be made, in the case of employees covered under Section 162(m) of the Code, solely on account of the attainment of such performance goals established in writing by

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

the Committee not later than the date on which 25% of the period of service to which the award relates has elapsed (or if earlier, 90 days after the beginning of the period).

Eligibility

Awards may be granted under the Plan to employees of the Company or its subsidiaries or affiliates, as selected by the Committee in its sole discretion.

Specific grants under the Plan will be made in the discretion of the Committee and, accordingly, are not yet determinable. In addition, benefits under the Plan will depend on a number of factors, including the fair market value of our common shares on future dates and the exercise decisions made by the participants. Consequently, as of the date of this proxy statement, it is not possible to determine the benefits that might be received by participants under the Plan. As of May 7, 2003, the closing price per common share of the Company on the American Stock Exchange was \$39.77.

Awards may be granted under the Plan from time to time in substitution for awards held by employees, directors or service providers of other corporations who are about to become employees of the Company or a subsidiary or affiliate as the result of a merger or consolidation or other corporate event involving the employing corporation, as the result of which it merges with or becomes a subsidiary or affiliate of the Company. The terms and conditions of the awards so granted may vary from the terms and conditions otherwise set forth in the Plan as the Committee may deem appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are made.

Terms and Conditions of Options

Stock options granted under the Plan may be either "incentive stock options," as that term is defined in Section 422 of the Code, or non-qualified stock options (i.e., any option that is not such an incentive stock option). The exercise price of a stock option granted under the Plan will be determined by the Committee at the time the option is granted, but the exercise price may not be less than the fair market value of the common shares (determined generally as the closing price per common share of the Company on the date of grant). Stock options are exercisable at the times and upon the conditions that the Committee may determine, as reflected in the applicable option agreement. The Committee will also determine the maximum duration of the period in which the option may be exercised, which may not exceed ten years from the date of grant.

The option exercise price must be paid in full at the time of exercise, and is payable (in the discretion of the Committee) by any one of the following methods or a combination thereof:

26

- o in cash or cash equivalents,
- o the surrender of previously acquired common shares that have been held by the participant for at least six months prior to the date of surrender, or
- o to the extent permitted by applicable law, through a "broker cashless exercise" procedure acceptable to the Committee.

Restricted Stock

The Plan provides for awards of common shares that are subject to

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

restrictions on transferability and other restrictions that may be determined by the Committee in its discretion. Such restrictions will lapse on terms established by the Committee. Except as may be otherwise provided under the award agreement relating to the restricted stock, a participant granted restricted stock will have all the rights of a shareholder (for instance, the right to receive dividends on the shares of restricted stock, if any, and the right to vote the shares). The restricted period shall not be less than three years, but the restricted period can be shortened to one or more years if vesting of the restricted stock is conditioned upon the attainment of the performance goals identified above or other corporate or individual performance goals established by the Committee at the time of grant.

Restricted Stock Units

The Plan provides for awards of restricted stock units which, upon vesting, entitle the participant to receive an amount in cash or common shares (as determined by the Committee and set forth in the applicable award agreement) equal to the fair market value of the number of shares made subject to the award. Vesting of all or a portion of a restricted stock unit award may be subject to terms and conditions established by the Committee. As with awards of restricted stock, the restricted period shall not be less than three years, but the restricted period can be shortened to one or more years if vesting of the restricted stock unit is conditioned upon the attainment of the performance goals identified above or other corporate or individual performance goals established by the Committee at the time of grant.

Stock Appreciation Rights ("SARs")

The Plan provides that the Committee, in its discretion, may award stock appreciation rights, either in tandem with stock options or freestanding and unrelated to options. The grant price of a freestanding SAR will be the fair market value of a common share (as described above). The grant price of tandem SARs will equal the exercise price of the related option. Tandem SARs may be exercised for all or part of the shares subject to the related option upon surrender of the right to exercise the equivalent portion of the related option. Freestanding SARs may be exercised upon whatever terms and conditions the Committee imposes. SARs will be payable in cash, common shares or a combination of both, as determined in the Committee's discretion and set forth in the applicable award agreement.

Stock Bonuses

The Plan provides that the Committee, in its discretion, may award common shares to employees that are not subject to restrictions on transferability or otherwise, but only in lieu of salary or a cash bonus otherwise payable to the employee.

Change in Control

The Committee in its discretion may provide that, in the event of a change in control (as defined in an applicable award agreement), whether alone or in combination with other events, the vesting and exercisability restrictions on any outstanding award that is not yet fully vested and exercisable will lapse in part or in full.

Termination of Employment

Unless otherwise determined by the Committee in an award agreement, the termination of a participant's employment or service will immediately cancel any awards granted to the participants under the Plan, whether or not it is then exercisable. However, in

no case may an option be exercised after it expires.

Amendment and Termination

The Board of Directors may modify or terminate the Plan or any portion of the Plan at any time, except that an amendment that requires shareholder approval in order for the Plan to continue to comply with any law, regulation or stock exchange requirement will not be effective unless approved by the requisite vote of our shareholders. In addition, any amendment shall be subject to approval of our shareholders if it materially increases the benefits accruing to participants under the Plan, materially increases the number of shares that may be issued under the Plan, or materially modifies the requirements for participation in the Plan. Any amendment to the Plan or an award agreement that accelerates the date on which an award is exercisable or payable or that reduces the exercise price of any outstanding option will also be subject to the approval of our shareholders. No awards may be granted under the Plan after the day prior to the tenth anniversary of the date of its approval by the Company's shareholders, but awards granted prior to that time can continue after such time in accordance with their terms.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF OPTIONS

The following is a discussion of certain federal income tax effects currently applicable to stock options granted under the Plan. The discussion is a summary only, and the applicable law is subject to change. Reference is made to the Code for a complete statement of all relevant federal tax provisions.

Nonqualified Stock Options ("NSOs")

An optionee generally will not recognize taxable income upon the grant of an NSO. Rather, at the time of exercise of such NSO, the optionee will recognize ordinary income for income tax purposes in an amount equal to the excess of the fair market value of the shares purchased over the exercise price. The Company will generally be entitled to a tax deduction at such time and in the same amount that the optionee recognizes ordinary income.

If shares acquired upon exercise of an NSO are later sold or exchanged, then the difference between the amount received upon such sale, exchange or disposition and the fair market value of such shares on the date of such exercise will generally be taxable as long-term or short-term capital gain or loss (if the shares are a capital asset of the optionee) depending upon the length of time such shares were held by the optionee.

Incentive Stock Options ("ISOs")

An optionee will not recognize any ordinary income (and the Company will not be permitted any deduction) upon the grant or timely exercise of an ISO. However, the amount by which the fair market value of the common shares on the exercise date of an ISO exceeds the purchase price generally will constitute an item which increases the optionee's "alternative minimum taxable income."

Exercise of an ISO will be timely if made during its term and if the optionee remains an employee of the Company or a subsidiary at all times during the period beginning on the date of grant of the ISO and ending on the date three months before the date of exercise (or one year before the date of exercise in the case of a disabled optionee, and without limit in the case of death). The tax consequences of an untimely exercise of an ISO will be

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

determined in accordance with the rules applicable to NSOs, discussed above.

If shares acquired pursuant to the timely exercise of an ISO are later disposed of, and if the shares are a capital asset of the optionee, the optionee generally will recognize short-term or long-term capital gain or loss (depending upon the length of time such shares were held by the optionee) equal to the difference between the amount realized upon such sale and the exercise price. The Company, under these circumstances, will not be entitled to any income tax deduction in connection with either the exercise of the ISO or the sale of such shares by the optionee.

If, however, shares acquired pursuant to the exercise of an ISO is disposed of by the optionee prior to the

28

expiration of two years from the date of grant of the ISO or within one year from the date such shares are transferred to him or her upon exercise (a "disqualifying disposition"), any gain realized by the optionee generally will be taxable at the time of such disqualifying disposition as follows: (i) at ordinary income rates to the extent of the difference between the exercise price and the lesser of the fair market value of the shares on the date the ISO is exercised or the amount realized on such disqualifying disposition and (ii) if the shares are a capital asset of the optionee, as short-term or long-term capital gain (depending upon the length of time such shares were held by the optionee) to the extent of any excess of the amount realized on such disqualifying disposition over the sum of the exercise price and any ordinary income recognized by the optionee. In such case, the Company may claim an income tax deduction at the time of such disqualifying disposition for the amount taxable to the optionee as ordinary income.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE NABORS INDUSTRIES LTD. 2003 EMPLOYEE STOCK PLAN.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Nabors' directors and executive officers, and persons who own more than 10% of a registered class of Nabors' equity securities, to file with the Securities and Exchange Commission and the American Stock Exchange initial reports of ownership and reports of changes in ownership of common stock and other equity securities of Nabors. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish Nabors with all Section 16(a) forms which they file.

To our knowledge, based solely on review of the copies of Forms 3 and 4 and amendments thereto furnished to us during 2002 and Form 5 and amendments thereto furnished to us with respect to the year 2002, and written representations that no other reports were required, all Section 16 (a) filings required to be made by Nabors' officers, directors and greater than 10% beneficial owners with respect to the fiscal year 2002 were timely filed, except that Mr. Jack Wexler filed one Form 4 late with respect to a single purchase transaction that occurred in December 2002 and Mr. Martin Whitman filed one Form 5 late with respect to a single option grant that occurred in January 2002.

30

Following is a brief summary of the material terms of the plans that have not been approved by our shareholders.

1994 SOS EMPLOYEE OPTION EXCHANGE PLAN

In August 1994 the Board approved the 1994 SOS Employee Option Exchange Plan, which has not been approved by shareholders.

The 1994 SOS Employee Option Exchange Plan reserves for issuance up to 982,800 shares of the Company's common stock pursuant to the exercise of options granted under the plan. The plan is administered by a committee appointed by the Company's Board of Directors. Options were granted to certain employees of Sundowner Offshore Services, Inc., upon its acquisition by the Company. No further options will be issued under this plan.

Options granted under the plan are non-qualified stock options for U.S. federal income tax purposes, are non-transferable, and the exercise price of each option was determined by the committee at the time of the grant. Payment of the exercise price may be made in cash, or at the discretion of the committee, in a cashless tender of stock of the Company. Options awarded under the plan expire no later than ten years from the date of award. If an option holder ceases to be an employee of the company for any reason, the option holder must exercise any options granted under the plan within three months of such event, which period may be extended by the Company in its discretion.

1996 EXECUTIVE OFFICERS INCENTIVE STOCK PLAN

In October 1996, the Board adopted the 1996 Executive Officers Incentive Stock Plan which has not been approved by shareholders.

The 1996 Executive Officers Incentive Stock Plan reserves for issuance up to 3,600,000 shares of the Company's common stock pursuant to the exercise of options granted under the plan. The plan is administered by an independent committee appointed by the Company's Board of Directors. Options may be granted under the plan to executive officers of the Company. No optionee may receive grants in excess of 50% of the total shares of common stock authorized to be issued under the plan. Options granted under the plan are nonstatutory options not intended to qualify under Section 422 of the Internal Revenue Code of 1986, as amended (NSOs).

The exercise price of options granted under the plan are set by the committee,

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

but shall be no less than the fair market value per share of common stock on the date of the grant of the option. The term of the NSO may not exceed ten years. Unless otherwise determined by the committee in its discretion, an option may not be exercised after the optionee has ceased to be in the employ of the Company.

1996 CHAIRMAN'S EXECUTIVE STOCK PLAN

In December 1996, the Board adopted the 1996 Chairman's Executive Stock Plan which has not been approved by shareholders.

(b) All decisions made by the Administrator pursuant to the provisions of the Plan shall be final, conclusive and binding on all persons, including the Company and the Participants. No member of the Board or the Committee, nor any officer or employee of the Company acting on behalf of the Board or the Committee, shall be personally liable for any action, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Board or the Committee and each and any officer or employee of the Company acting on their behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company in respect of any such action, determination or interpretation.

(c) The Administrator in its discretion may condition entitlement to an Award in whole or in part on the attainment of one or more Performance Goals. The Administrator shall establish any such Performance Goal not later than 90 days after the commencement of the period of service to which the Award relates if the period equals or exceeds one year (or if the period is shorter, 25% of such period of service), and once granted, the Administrator shall not have discretion to increase the amount payable under such Award, provided, however, that whether or not an Award is intended to constitute qualified performance based compensation within the meaning of section 162(m) of the Code, the Administrator shall have the authority to make appropriate adjustments in Performance Goals under an Award to reflect the impact of extraordinary items not reflected in such Performance Goals. For purposes of the Plan, extraordinary items shall be defined as (1) any profit or loss attributable to acquisitions or dispositions of stock or assets, (2) any changes in accounting standards that may be required or permitted by the Financial Accounting Standards Board or adopted by the Company after the goal is established, (3) all items of gain, loss or expense for the year related to restructuring charges for the Company, (4) all items of gain, loss or expense for the year determined to be extraordinary or unusual in nature or infrequent in occurrence or related to the disposal of a segment of a business, (5) all items of gain, loss or expense for the year related to discontinued operations as defined in APB Opinion No. 30 or FAS No. 144, and (6) such other items as may be prescribed by section 162(m) of the Code and the Treasury Regulations thereunder as may be in effect from time to time, and any amendments, revisions

(d) Subject to section 162(m) of the Code and except as required by Rule 16b-3 under the Exchange Act with respect to grants of Awards to individuals who are subject to section 16 of the Exchange Act, or as otherwise required for compliance with Rule 16b-3 under the Exchange Act or other applicable law, the Administrator may delegate all or any part of its authority under the Plan to an employee, employees or committee of employees of the Company or any Subsidiary.

(e) If at any time (whether before or after termination of employment) a majority of either the Board or the Committee determines that a Participant has engaged in fraud, embezzlement, theft, commission of a felony, dishonesty, or any other conduct inimical to the Company, either the Board or the Committee (as the case may be) may provide for the immediate forfeiture of any Award held by the Participant, whether or not then vested. Any determination by the Board or Committee (as the case may be) under this subsection (e) shall be final, conclusive and binding on all persons.

SECTION 4. SHARES RESERVED FOR ISSUANCE UNDER THE PLAN.

(a) There shall be reserved and available for issuance under the Plan 3,500,000 Common Shares. The grant of any Restricted Stock Units or SARs that may be settled only in cash shall not reduce the number of Common Shares with respect to which Awards may be granted pursuant to the Plan.

(b) To the extent that (i) an Option expires or is otherwise cancelled or terminated without being exercised as to the underlying Shares, (ii) any Shares subject to any award of Stock Appreciation Rights, Restricted Stock, Restricted Stock Unit, or Stock Bonus are forfeited, (iii) payment for an Option upon exercise is made with

D-4

Shares owned by the Optionee for at least six months on the date of surrender or (iv) Shares are withheld from payment of an Award in satisfaction of any federal, state or local tax withholding requirements, such Shares shall again be available for issuance in connection with future Awards granted under the Plan.

(c) The aggregate number of Shares with respect to which Awards (including Awards payable in cash but denominated in Common Shares, i.e., cash-settled Restricted Stock Units or SARs) may be granted to any individual Participant during any calendar year shall not exceed 1,500,000.

SECTION 5. EQUITABLE ADJUSTMENTS.

In the event of any Change in Capitalization, an equitable substitution or proportionate adjustment shall be made in (i) the aggregate number and/or kind of common shares or other property reserved for issuance under the Plan, (ii) the kind, number and/or option price of shares or other property subject to outstanding Options and Stock Appreciation Rights granted under the Plan, and (iii) the kind, number and/or purchase price of shares or other property subject to outstanding awards of Restricted Stock, and Restricted Stock Units granted under the Plan, in each case as may be determined by the Administrator, in its sole discretion. Such other equitable substitutions or adjustments shall be made as may be determined by the Administrator, in its sole discretion. Without limiting the generality of the foregoing, in connection with a Change in Capitalization, the Administrator may provide, in its sole discretion, for the cancellation of any outstanding Awards in exchange for

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

payment in cash or other property of the Fair Market Value of the Shares covered by such Awards reduced, in the case of Options, by the Exercise Price thereof, and in the case of Stock Appreciation Rights, by the grant price thereof, or by any other applicable purchase price.

SECTION 6. ELIGIBILITY.

The Participants under the Plan shall be selected from time to time by the Administrator, in its sole discretion, from among Eligible Recipients. The Administrator shall have the authority to grant to any Eligible Recipient Incentive Stock Options, Nonqualified Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, or a Stock Bonus.

SECTION 7. OPTIONS.

(a) General. Options may be granted alone or in addition to other Awards granted under the Plan. Any Option granted under the Plan shall be evidenced by an Award Agreement in such form as the Administrator may from time to time approve. The provisions of each Option need not be the same with respect to each Participant. Participants who are granted Options shall enter into an Award Agreement with the Company, in such form as the Administrator shall determine, which Award Agreement shall set forth, among other things, the Exercise Price of the Option, the term of the Option and provisions regarding exercisability of the Option granted thereunder. The Options granted under the Plan may be of two types: (i) Incentive Stock Options and (ii) Nonqualified Stock Options. To the extent that any Option does not qualify as an Incentive Stock Option, it shall constitute a separate Nonqualified Stock Option. More than one Option may be granted to the same Participant and be outstanding concurrently hereunder. Options granted under the Plan shall be subject to the terms and conditions set forth in paragraphs (b)-(i) of this Section 7 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable.

(b) Exercise Price. The per share Exercise Price of Shares purchasable under an Option shall be determined by the Administrator in its sole discretion at the time of grant but shall not be less than 100% of the Fair Market Value per Share on such date (or, in the case of Incentive Stock Options, 110% of the Fair Market Value per Share on such date if, on such date, the Eligible Recipient owns (or is deemed to own under the Code) stock possessing more than 10% (a "Ten Percent Owner") of the total combined voting power of all classes of shares of the Company or its Subsidiaries).

D-5

(c) Option Term. The term of each Option shall be fixed by the Administrator, but no Option shall be exercisable more than ten years after the date such Option is granted. If the Eligible Participant is a Ten Percent Owner, an Incentive Stock Option may not be exercisable after the expiration of five years from the date such Incentive Stock Option is granted.

(d) Exercisability. Options shall be exercisable at such time or times and subject to such terms and conditions, including the attainment of preestablished Performance Goals or other corporate or individual performance goals, as shall be determined by the Administrator in its sole discretion. The Administrator may also provide that any Option shall be exercisable only in installments.

(e) Method of Exercise. Options may be exercised in whole or in part by giving written notice of exercise to the Company specifying the

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

number of Shares to be purchased, accompanied by payment in full of the aggregate Exercise Price of the Shares so purchased in cash or its equivalent, as determined by the Administrator. As determined by the Administrator, in its sole discretion, payment in whole or in part may also be made (i) by means of any properly executed broker-assisted exercise procedure, subject to approval by the Administrator, (ii) in the form of unrestricted Shares already owned by the Optionee for at least six months on the date of surrender to the extent the Shares have a Fair Market Value on the date of surrender equal to the aggregate option price of the Shares as to which such Option shall be exercised, provided that, in the case of an Incentive Stock Option, the right to make payment in the form of already owned Shares may be authorized only at the time of grant, or (iii) any combination of the foregoing.

(f) Rights as Shareholder. An Optionee shall have no rights to dividends or any other rights of a shareholder with respect to the Shares subject to the Option until the Optionee has given written notice of exercise, has paid in full for such Shares, and has satisfied the requirements of Section 15 hereof.

(g) Nontransferability of Options. The Optionee shall not be permitted to sell, transfer, pledge or assign any Option other than by will and the laws of descent and distribution and all Options shall be exercisable during the Participant's lifetime only by the Participant, in each case, except as set forth in the following two sentences. During an Optionee's lifetime, the Administrator may, in its discretion, permit the transfer, assignment or other encumbrance of an outstanding Option if such Option is a Nonqualified Stock Option or an Incentive Stock Option that the Administrator and the Participant intend to change to a Nonqualified Stock Option. Subject to the approval of the Administrator and to any conditions that the Administrator may prescribe, an Optionee may, upon providing written notice to the Company, elect to transfer any or all Options described in the preceding sentence (i) to members of his or her Immediate Family, provided that no such transfer by any Participant may be made in exchange for consideration, or (ii) by instrument to an inter vivos or testamentary trust in which the Options are to be passed to beneficiaries upon the death of the Participant.

(h) Termination of Employment or Service. Except as otherwise provided in an Award Agreement, if a Participant's employment with the Company or any Subsidiary or Affiliate terminates for any reason, all outstanding Options granted to such Participant shall expire on the date of such termination (whether or not then vested or exercisable). Notwithstanding the foregoing, no Option shall be exercisable after the expiration of its term.

(i) Limitation on Incentive Stock Options. To the extent that the aggregate Fair Market Value of Shares with respect to which Incentive Stock Options are exercisable for the first time by an Optionee during any calendar year under the Plan and any other stock option plan of the Company or any Subsidiary or Affiliate shall exceed \$100,000, such Options shall be treated as Nonqualified Stock Options. Such Fair Market Value shall be determined as of the date on which each such Incentive Stock Option is granted.

SECTION 8. RESTRICTED STOCK.

(a) General. Awards of Restricted Stock may be issued either alone or in addition to other Awards granted under the Plan and shall be evidenced by an Award Agreement. The Administrator shall determine the

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

Eligible Recipients to whom, and the time or times at which, Awards of Restricted Stock shall be made; the number of Shares to be awarded; the price, if any, to be paid by the Participant for the acquisition of Restricted Stock; and the Restricted Period (as defined in Section 8(d)) applicable to awards of Restricted Stock. The provisions of the awards of Restricted Stock need not be the same with respect to each Participant.

(b) Purchase Price. The price per Share, if any, that a Recipient must pay for Shares purchasable under an award of Restricted Stock shall be determined by the Administrator in its sole discretion at the time of grant.

(c) Awards and Certificates. The prospective recipient of an Award of Restricted Stock shall not have any rights with respect to any such Award, unless and until such recipient has executed an Award Agreement evidencing the Award and delivered a fully executed copy thereof to the Company, within such period as the Administrator may specify after the award date. Each Participant who is granted an award of Restricted Stock shall be issued a share certificate in respect of such shares of Restricted Stock, which certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to any such Award, provided that the Company may require that the share certificates evidencing Restricted Stock granted hereunder be held in the custody of the Company until the restrictions thereon shall have lapsed, and that, as a condition of any award of Restricted Stock, the Participant shall have delivered a stock power, endorsed in blank, relating to the Shares covered by such Award.

(d) Nontransferability. Any Award of Restricted Stock granted pursuant to this Section 8 shall be subject to the restrictions on transferability set forth in this paragraph (d). During such period as may be set by the Administrator in the Award Agreement (the "Restricted Period"), the Participant shall not be permitted to sell, transfer, pledge, hypothecate or assign Shares of Restricted Stock awarded under the Plan except by will or the laws of descent and distribution. The Administrator may also impose such other restrictions and conditions, including the attainment of preestablished Performance Goals or other corporate or individual performance goals, on Restricted Stock as it determines in its sole discretion. The Restricted Period shall be not less than three years, provided that the Restricted Period may be shorter (but not less than one year) if vesting of the Restricted Stock is conditioned upon the attainment of preestablished Performance Goals or other corporate or individual performance goals. However, in no event shall the Restricted Period end with respect to a Restricted Stock Award prior to the satisfaction by the Participant of any liability arising under Section 15 hereof. Any attempt to dispose of any Restricted Stock in contravention of any such restrictions shall be null and void and without effect.

(e) Rights as a Shareholder. Except as provided in Section 8(c) and (d), the Participant shall possess all incidents of ownership with respect to Shares of Restricted Stock during the Restricted Period, including the right to receive or reinvest dividends with respect to such Shares (except that the Administrator may provide in its discretion that any dividends paid in property other than cash shall be subject to the same restrictions as those that apply to the underlying Restricted Stock) and to vote such Shares. Certificates for unrestricted Shares shall be delivered to the Participant promptly after, and only after, the Restricted Period shall expire without forfeiture in respect of such awards of Restricted Stock except as the Administrator, in its sole discretion, shall otherwise determine.

(f) Termination of Employment. The rights of Participants granted an Award of Restricted Stock upon termination of employment with the Company or any Subsidiary or Affiliate for any reason during the Restricted Period shall be set forth in the Award Agreement governing such Award.

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

SECTION 9. RESTRICTED STOCK UNITS

(a) Vesting. At the time of the grant of Restricted Stock Units, the Administrator may impose such restrictions or conditions to the vesting of such Restricted Stock Units as it, in its sole discretion, deems appropriate, to be contained in the Award Agreement, including the attainment of preestablished Performance Goals or other corporate or individual performance goals. The Administrator may divide such Restricted Stock Units into classes and assign different vesting conditions for each class. Provided that all conditions to the vesting of a Restricted Stock Unit are satisfied, and except as provided in Section 9(c), upon the satisfaction of all vesting conditions with respect

D-7

to a Restricted Stock Unit, such Restricted Stock Unit shall vest. The provisions of the awards of Restricted Stock Units need not be the same with respect to each Participant.

(b) Benefit Upon Vesting. Upon the vesting of a Restricted Stock Unit, the Participant shall be entitled to receive, within 30 days of the date on which such Restricted Stock Unit vests, an amount in cash or, in the Company's sole discretion, in Common Shares with a Fair Market Value equal to the sum of (1) the Fair Market Value of a Common Share on the date on which such Restricted Stock Unit vests and (2) the aggregate amount of cash dividends paid with respect to a Common Share during the period commencing on the date on which the Restricted Stock Unit was granted and terminating on the date on which such Share vests. Notwithstanding the foregoing provisions of this Section 9, if a Restricted Stock Unit is to be settled in Common Shares, the Restricted Stock Unit shall vest not earlier than three years from the date of grant, provided that the Restricted Stock Unit may vest earlier (but not less than one year from the date of grant) if vesting of the Restricted Stock Unit is conditioned upon the attainment of preestablished Performance Goals or other corporate or individual performance goals.

(c) Termination of Employment. The rights of Participants granted a Restricted Stock Unit upon termination of employment with the Company or any Subsidiary or Affiliate for any reason before the Restricted Stock Unit vests shall be set forth in the Award Agreement governing such Award.

SECTION 10. STOCK BONUS AWARDS

In the event that the Administrator grants a Stock Bonus, a certificate for the Common Shares constituting such Stock Bonus shall be issued in the name of the Participant to whom such grant was made and delivered to such Participant as soon as practicable after the date on which such Stock Bonus is payable. The Fair Market Value of the Shares subject to a Stock Bonus shall not exceed the salary or cash bonus otherwise payable to the Participant on the date of grant, and the Stock Bonus shall be in lieu of an amount of the Participant's salary or cash bonus equal to such Fair Market Value.

SECTION 11. STOCK APPRECIATION RIGHTS.

(a) Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Administrator in its sole discretion. The Administrator may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SAR. The Administrator in its sole discretion shall determine the number of SARs granted to each Participant (subject to Section 4 hereof) and,

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

consistent with the provisions of the Plan, the terms and conditions pertaining to such SARs, including any conditions relating to the attainment of preestablished Performance Goals or other corporate or individual performance goals as may be determined by the Administrator in its sole discretion. The provisions of the awards of SARs need not be the same with respect to each Participant.

(b) Grant Price. The grant price of a Freestanding SAR shall be not less than the Fair Market Value of a Share on the date of grant of the SAR. The grant price of Tandem SARs shall equal the Exercise Price of the related Option.

(c) Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an Incentive Stock Option: (i) the Tandem SAR shall expire no later than the expiration of the underlying Incentive Stock Option; (ii) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the difference between the Exercise Price of the underlying Incentive Stock Option and the Fair Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (iii) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the Exercise Price of the Incentive Stock Option.

(d) Exercise of Freestanding SARs. Freestanding SARs may be exercised upon whatever terms and conditions the Administrator, in its sole discretion, imposes upon them.

(e) SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the grant price, the term of the SAR, and such other provisions as the Administrator shall determine.

(f) Term of SARs. The term of an SAR granted under the Plan shall be determined by the Administrator, in its sole discretion; provided, however, that such term shall not exceed ten (10) years.

(g) Payment of SAR Amount. Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

(i) the difference between the Fair Market Value of a Share on the date of exercise over the grant price; by

(ii) the number of Shares with respect to which the SAR is exercised.

At the discretion of the Administrator, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof. The Administrator's determination regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to the grant of the SAR.

SECTION 12. EFFECT OF CHANGE IN CONTROL.

The Administrator in its discretion may provide that, upon the

occurrence of a change in control (as such term may be defined in an Award Agreement) or upon termination of employment under specified circumstances during a specified period following such a change in control, all as specified in the applicable Award Agreement, all outstanding Shares of Restricted Stock, and Restricted Stock Units granted to a Participant which have not theretofore vested shall immediately lapse, and each Option and Stock Appreciation Right granted to a Participant and outstanding at such time shall become fully and immediately exercisable.

SECTION 13. AMENDMENT AND TERMINATION.

(a) The Board may amend, alter or discontinue the Plan, but (i) no amendment, alteration, or discontinuation shall be made that would impair the rights of a Participant under any Award theretofore granted without such Participant's consent, and (ii) any amendment shall be subject to approval of shareholders if it (A) materially increases the benefits accruing to Participants under the Plan, (B) materially increases the number of Shares that may be issued under the Plan, or (C) materially modifies the requirements for participation in the Plan. Unless the Board determines otherwise, the Board shall obtain approval of shareholders of the Company for any amendment that would require such approval in order to satisfy the requirements of section 162(m) of the Code, section 422 of the Code, stock exchange rules or other applicable law.

(b) The Administrator may amend the terms of any Award theretofore granted, prospectively or retroactively, but (i) unless approved by the shareholders of the Company, no such amendment shall (A) accelerate the date on which any Option or SAR granted under the Plan becomes exercisable or (B) accelerate the lapse of restrictions, or waive any condition imposed hereunder, with respect to any Restricted Stock, Restricted Stock Units, or Stock Bonus, and (ii) subject to Section 4 of Plan, no such amendment shall impair the rights of any Participant without his or her consent.

(c) Notwithstanding the foregoing provisions of this Section 13, any decrease in the Exercise Price of any outstanding Option (whether effected by amendment to the Plan or an Award Agreement) shall be subject to the approval of the shareholders of the Company.

SECTION 14. UNFUNDED STATUS OF PLAN.

The Plan is intended to constitute an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

SECTION 15. WITHHOLDING TAXES.

(a) Whenever cash is to be paid pursuant to an Award, the Company (or Subsidiary or Affiliate, as the case may be) shall have the right to deduct therefrom an amount sufficient to satisfy any federal, state and local tax withholding requirements related thereto. Whenever Shares are to be delivered pursuant to an Award, the Company (or Subsidiary or Affiliate, as the case may be) shall have the right to require the Participant to remit to the Company (or Subsidiary or Affiliate, as the case may be) in cash an amount

sufficient to satisfy any federal, state and local tax withholding requirements related thereto. With the approval of the Administrator, a Participant may satisfy the foregoing requirement by electing to have the Company withhold from delivery Shares or by delivering Shares already owned by the Participant for at least six months, in each case, having a value equal to the minimum amount of tax required to be withheld. Such shares shall be valued at their Fair Market Value on the date of which the amount of tax to be withheld is determined. Fractional share amounts shall be settled in cash. Such an election may be made with respect to all or any portion of the shares to be delivered pursuant to an Award.

(b) If the Participant makes a disposition, within the meaning of section 424(c) of the Code and regulations promulgated thereunder, of any Share or Shares issued to such Participant pursuant to such Participant's exercise of an Incentive Stock Option, and such disposition occurs within the two-year period commencing on the day after the date of grant or within the one-year period commencing on the day after the date of exercise, such Participant shall, within ten (10) days of such disposition, notify the Company (or Subsidiary or Affiliate, as the case may be) thereof and thereafter immediately deliver to the Company (or Subsidiary or Affiliate, as the case may be) any amount of federal, state or local income taxes and other amounts which the Company (or Subsidiary or Affiliate, as the case may be) informs the Participant the Company (or Subsidiary or Affiliate, as the case may be) is required to withhold.

SECTION 16. GENERAL PROVISIONS.

(a) Shares shall not be issued pursuant to the exercise of any Award granted hereunder unless the exercise of such Award and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act and the requirements of any stock exchange upon which the Common Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance. The Company shall be under no obligation to effect the registration pursuant to the Securities Act of 1933, as amended, of any interests in the Plan or any Common Shares to be issued hereunder or to effect similar compliance under any state laws.

(b) All certificates for Shares delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Administrator may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Shares may then be listed, and any applicable federal or state securities law, and the Administrator may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions. The Administrator may require, as a condition of the issuance and delivery of certificates evidencing Shares pursuant to the terms hereof, that the recipient of such Shares make such agreements and representations as the Administrator, in its sole discretion, deems necessary or desirable.

(c) Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval, if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases. The adoption of the Plan shall not confer

Edgar Filing: NABORS INDUSTRIES LTD - Form DEF 14A

upon any Eligible Recipient any right to continued employment or service with the Company or any Subsidiary or Affiliate, as the case may be, nor shall it interfere in any way with the right of the Company or any Subsidiary or Affiliate to terminate the employment or service of an Eligible Recipient at any time.

(d) No fractional Common Shares shall be issued or delivered pursuant to the Plan. The Administrator shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(e) If any provision of the Plan is held to be invalid or unenforceable, the other provisions of the Plan shall not be affected but shall be applied as if the invalid or unenforceable provision had not been included in the Plan.

(f) The Plan and all Awards shall be governed by the laws of the State of Delaware without regard to its principles of conflict of laws.

(g) Awards may be granted under the Plan from time to time in substitution for awards held by employees, directors or service providers of other corporations who are about to become employees of the Company or a Subsidiary or Affiliate as the result of a merger or consolidation of the employing corporation with the Company or Subsidiary or Affiliate, or the acquisition by the Company or a Subsidiary or Affiliate of the assets of the employing corporation, or the acquisition by the Company or a Subsidiary or Affiliate of the shares of the employing corporation, as the result of which it becomes a Subsidiary or Affiliate under the Plan. The terms and conditions of the Awards so granted may vary from the terms and conditions set forth in this Plan at the time of such grant as the Administrator may deem appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are made.

SECTION 17. SHAREHOLDER APPROVAL; EFFECTIVE DATE OF PLAN.

The Plan shall be effective as of the date of its approval by the Company's shareholders.

SECTION 18. TERM OF PLAN.

No Award shall be granted pursuant to the Plan on or after the tenth anniversary of the date the Plan is approved by the Company's shareholders, but Awards theretofore granted may extend beyond that date.
