SCHEDULE 13D

ITEM 1. SECURITY AND ISSUER.

This Schedule 13D relates to shares of Common Stock, \$0.04 par value per share (the **Common Stock**), of OneTravel Holdings, Inc., a Delaware corporation (the **Issuer**). The principal executive office of the Issuer is 6836 Morrison Boulevard, Suite 200, Charlotte, North Carolina 28211.

ITEM 2. IDENTITY AND BACKGROUND.

This Schedule 13D is filed on behalf of Amadeus Americas, Inc., a Delaware corporation (the **Reporting Person**). The principal place of business of the Reporting Person is 9250 NW 36th Street, Miami, Florida 33178. The principal business of the Reporting Person is providing information technology solutions for the global travel and tourism industry. The Reporting Person has not, during the past five years, been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors). The Reporting Person has not, during the past five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, as a result of which it became or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

On April 15, 2005, the Issuer closed a merger transaction (the **Merger**) through which its wholly-owned subsidiary, OT Acquisition Corporation, a Texas corporation (the **Merger Sub**), merged with and into OneTravel, Inc., a Texas corporation (**OneTravel**). As part of the Merger, the OneTravel shareholders received (i) \$13 million, subject to a working capital adjustment; and (ii) six month, interest free, secured, convertible promissory notes in the aggregate principal amount of \$12.5 million (collectively, the **OneTravel Promissory Notes**). As a shareholder of OneTravel, the Reporting Person received a promissory note in the original principal amount of \$4,964,205.64 (the **Note**). The original maturity date of the Note is October 12, 2005. The Note is convertible into shares of Common Stock at the option of the Reporting Person at a conversion price of \$6.875 per share, which is the adjusted conversion price following the one for ten reverse stock split of the Issuer which became effective on July 7, 2005 (the **Reverse Stock Split**). Although convertible, Common Stock may not be issued to the Reporting Person until the maturity date of the Note and then only if the stockholders of the Issuer approve the issuance of such Common Stock. The Issuer has the right to extend the maturity of the Note by up to five months upon payment of an extension fee to the Reporting Person of \$49,642.00 per each one month extension.

The Common Stock is listed for trading on the American Stock Exchange. The Note makes the conversion of the principal amount of the Note contingent upon the approval of the stockholders of the Issuer. The Rules of the American Stock Exchange require stockholder approval prior to the issuance of common stock, or securities convertible into common stock, which could result in an increase in outstanding common shares of 20% or more. The issuance of shares of Common Stock in connection with the Merger upon conversion of all of the OneTravel Promissory Notes would result in an increase in the outstanding shares of Common Stock of 20% or more. Therefore, the Issuer obtained the approval of its stockholders for the issuance of additional shares of Common Stock as needed for the conversion of all of the OneTravel Promissory Notes at its annual meeting held on June 24, 2005.

Since the stockholders of the Issuer have approved the issuance of additional shares of Common Stock as needed for the conversion of all of the OneTravel Promissory Notes, as of August 14, 2005, the Reporting Person may acquire the beneficial ownership of 722,066 shares of Common Stock within sixty (60) days; provided, that the Issuer does not exercise one of its five options to extend the maturity date for an additional term of thirty days prior to September 12, 2005 (i.e., within the thirty day period following August 14, 2005). As of the date of this Schedule 13D, the Reporting Person has not elected to convert the principal amount of the Note into shares of Common Stock.

The Issuer has agreed to file a registration statement with the Securities and Exchange Commission registering for resale all shares of Common Stock issuable upon conversion of the principal amount of the Note.

ITEM 4. PURPOSE OF THE TRANSACTION.

The Reporting Person acquired the Note in the Merger as merger consideration and if the Reporting Person elects to convert the principal amount of the Note into shares of Common Stock it will do so to hold such shares for investment. The Reporting Person does not have any specific plans or proposals relating to the acquisition of shares of Common Stock or the disposition of shares of Common Stock. However, depending upon market conditions and other factors, the Reporting Person may, from time to time, either jointly or individually, acquire additional shares of Common Stock or dispose of the Note or all or any portion of the shares of Common Stock received if the Reporting Person elects to convert the principal amount of the Note into shares of Common Stock.

The Reporting Person does not have any specific plans or proposals which relate to or would result in: (a) any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (b) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (c) any change in the present board of directors or management of the Issuer, including plans or proposals relating to changes in the number or terms of directors or filling any existing vacancies on the Issuer's board; (d) any material change in the present capitalization or dividend policy of the Issuer; (e) any other material change in the Issuer's business or corporate structure; (f) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (g) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (h) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (i) any action similar to any of those enumerated above; but it reserves the right to propose or undertake or participate in any of the foregoing actions in the future.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

- (a) As of August 14, 2005, the Reporting Person beneficially owns of 722,066 shares of Common Stock which are issuable upon conversion of the Note. The Note is convertible at the option of the Reporting Person. The 722,066 shares of Common Stock beneficially owned by the Reporting Person constitutes 6.6% of the outstanding shares of Common Stock of the Issuer.
- (b) The Reporting Person has the sole power to vote and direct the voting of, and to dispose or direct the disposition of, all 722,066 shares of Common Stock that the Reporting Person may acquire if it elects to convert the principal amount of the Note into shares of Common Stock.
- (c) None.

(d) No other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the 722,066 shares of Common Stock covered by this Schedule 13D.
