The Company granted the consent under the terms and conditions of a Standstill Agreement dated October 24, 2002 with Warburg Pincus Private Equity VIII, L.P. A copy of the Standstill Agreement appears as Exhibit 10 to this Report and is incorporated herein by reference.

This contains forward-looking statements that involve risks and uncertainties that include, among others, continuing economic and political uncertainty, the timing and degree of business recovery, anticipated losses, unpredictability of future revenues, potential fluctuations in quarterly operating results, unexpected competition, risks related to quarterly performance, risks of new business areas, international expansion, business combinations and strategic alliances, lengthening of sales cycles for software products and services, and the effectiveness of the cost reduction efforts undertaken by Manugistics and their impact on the company's ability to operate its business. A decreased demand for enterprise application software due to weakened economic conditions could result in decreased revenues or lower revenue growth rates. More information about factors that potentially could affect Manugistics' financial results is included in Manugistics filings with the Securities and Exchange Commission, including its Annual Report on Form 10-K for the year ended February 28, 2002 and Quarterly Report on Form 10-Q for the quarter ended August 31, 2002.
