PROXY STATEMENT

for
ANNUAL MEETING OF STOCKHOLDERS
To be held on June 11, 2004

This Proxy Statement with the accompanying proxy card, is being mailed or given to stockholders commencing on or about April 29, 2004, in connection with the solicitation of proxies by the Board of Directors of HearUSA, Inc. (the "Company") to be used at the 2004 Annual Meeting of Stockholders of the Company to be held at The Crowne Plaza, 1601 Belvedere Road, West Palm Beach, Florida 33406, on Friday, June 11, 2004 at 2:00 p.m., local time and any adjournments thereof.

The Company's principal executive offices are located at 1250 Northpoint Parkway, West Palm Beach, Florida 33407.

Voting at the Meeting

The record date for the Annual Meeting is April 23, 2004. Holders of shares of the Company's common stock, par value \$.10 per share ("Common Stock"), and holders of exchangeable shares ("Exchangeable Shares") of HEARx Canada, Inc., a subsidiary of the Company, as of the close of business on the record date, are entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. Each holder of Common Stock is entitled to one vote for each share held on the record date, and Computershare Trust Company of Canada (the "Trustee"), the holder of the Company's Special Voting Preferred Stock, is entitled to one vote for each Exchangeable Share outstanding as of the record date (other than Exchangeable Shares owned by the Company and its subsidiaries). Votes cast with respect to the Exchangeable Shares will be voted through the Special Voting Preferred Stock by the Trustee as directed by the holders of Exchangeable Shares, except votes cast with respect to Exchangeable Shares whose holders request to vote directly in person as proxy for the Trustee at the Annual Meeting.

As of the record date, there were issued and outstanding 29,943,594 shares of Common Stock, one share of the Company's Special Voting Preferred Stock and 480,042 Exchangeable Shares (excluding Exchangeable Shares owned by the Company and its subsidiaries). Each Exchangeable Share is exchangeable at any time, at the option of the holder, for one share of the Company's Common Stock.

The holders of a majority of the shares of Common Stock and Exchangeable Shares entitled to vote as of the record date present in person or by proxy will constitute a quorum at the meeting. Under the Delaware General Corporation Law, any stockholder who submits a proxy and abstains from voting on a particular matter described herein will still be counted for purposes of determining a quorum. Broker non-votes will be treated as not represented at the meeting as to any matter for which a non-vote is indicated on the broker's proxy.

Proxy Procedure

Stockholders of record (stockholders who hold their shares in their own name) can vote any one of three ways:

- (1) By Mail: If the enclosed proxy card is properly executed and returned prior to the meeting, the shares represented thereby will be voted in accordance with the stockholder's directions or, if no directions are indicated, the shares will be voted in accordance with the
-

recommendations of the Board of Directors as specified in this proxy statement. The Board of Directors does not know of any other business to be brought before the meeting, but it is intended that, as to any such other business, a vote may be cast pursuant to the proxy in accordance with the judgment of the person or persons acting thereunder.

- (2) By Telephone: Call the toll-free number on your proxy card to vote by phone. You will need to follow the instructions on your proxy card and the voice prompts.
- (3) By Internet: Go to the web site listed on your proxy card to vote through the Internet. You will need to follow the instructions on your proxy card and the web site. If you vote through the Internet, you may incur telephone and Internet access charges.

If you vote by telephone or the Internet, your electronic vote authorizes the named proxies in the same manner as if you signed, dated and returned your proxy card. **IF YOU VOTE BY TELEPHONE OR THE INTERNET, YOU SHOULD NOT RETURN YOUR PROXY CARD.**

If your shares are held in street name in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order for your shares to be voted in accordance with your instructions. Telephone and Internet voting also will be offered to stockholders owning shares through most banks and brokers.

Any stockholder voting by written proxy by mail may revoke that proxy at any time prior to the voting thereof either by delivering written notice to the Secretary of the Company or by voting in person at the meeting. If you voted by telephone or the Internet, you may also change your vote with a timely and valid later telephone or Internet vote, as the case may be. Attendance at the meeting will not have the effect of revoking a proxy unless you give proper written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the meeting.

If you hold Exchangeable Shares and you wish to direct the Trustee to cast the votes represented by your Exchangeable Shares attached to the Special Voting Preferred Stock on your behalf, you should follow carefully the instructions provided by the Trustee, which accompany this Proxy Statement. The procedure for instructing the Trustee differs in certain respects from the procedure for delivering a proxy, including the place for depositing the instructions and the manner of revoking the proxy.

Proxy Solicitation

All costs of the solicitation of proxies will be borne by the Company. In addition to the solicitation of proxies by use of the mails, the Company has retained The Altman Group, Inc. to assist with the solicitation of proxies by telephone for a fee of approximately \$4,500. The Company may utilize the services of some of the officers and regular employees of the Company (who will receive no compensation therefore in addition to their regular salaries) to solicit proxies personally and by telephone. The Company will request banks, brokers, custodians, nominees and fiduciaries to forward copies of the proxy solicitation materials to beneficial owners and to request authority for the execution of proxies. The Company will reimburse such persons or entities for their expenses in doing so.

ITEM NO. 1 ELECTION OF DIRECTORS

Six directors of the Company are to be elected at the meeting, each to hold office until the next Annual Meeting of Stockholders and until his successor is elected and qualified, or as otherwise provided by the Company's Amended and Restated Bylaws or by Delaware law.

The Board of Directors has nominated the six persons named below for election as directors, all of whom are presently serving as such. Pierre Bourgie also currently services as a director, but is retiring from the Board upon expiration of his current term, which will result in one vacancy on the Board. The Nominating and Governance Committee of the Board is currently in the process of identifying a potential candidate to fill this vacancy. Proxies cannot be voted for more than six persons. It is intended that the shares represented by the enclosed proxy will be voted for the election of the six nominees named below (unless such authority is withheld by a stockholder). In the event that any of the nominees should become unable or unwilling to serve as a director (which is not anticipated), it is intended that the proxy will be voted for the election of such person or persons, if any, who shall be designated by the Board of Directors.

All shares of Common Stock and the share of Special Voting Preferred Stock represented by valid proxies will be voted in accordance with the instructions contained therein. Shares of Common Stock represented by proxies that are marked "without authority" with respect to the election of one or more nominees for director and broker non-votes will have no effect on the outcome of the election. Votes with respect to Exchangeable Shares represented by valid voting instructions received by the Trustee, will be cast by the Trustee through the Special Voting Preferred Stock in accordance with those instructions. If no instructions are received by the Trustee from a holder of Exchangeable Shares, the votes to which such holder is entitled will not be exercised.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF ALL THE ABOVE-NAMED NOMINEES AS DIRECTORS OF THE COMPANY

Board of Directors and Committees of the Board

Board of Directors

The Board of Directors has determined that the following directors, constituting a majority of the Board, are independent as defined by the American Stock Exchange listing standards: Messrs. Archibald, McLachlan, Gitterman, Labadie and Bourgie.

The standing committees of the Board of Directors are the Audit Committee, the Compensation Committee and the Nominating and Governance Committee. The membership and function of each of these committees is described below.

There were fifteen meetings of the Board of Directors during the fiscal year ended December 27, 2003. All of the directors who are standing for reelection except Michel Labadie attended more than 75% of the aggregate of the meetings held by the Board of Directors and its respective committees on which they served, during the fiscal year. Directors are encouraged, but not required, to attend annual meetings of stockholders. Two of the Company's directors attended the 2003 Annual Meeting of Stockholders.

During 2003, the Company paid each non-employee director a meeting fee of \$500 for each in-person meeting of the Board that they attended and a fee of \$250 for each telephonic Board or special committee meeting in which they participated. Also in 2003, the Company granted to each non-employee director a stock option to acquire up to 25,000 shares of common stock. As of January 1, 2004, the Company changed its policy to pay directors a meeting fee of \$1,000 for each in-person meeting of the Board that they attend and of \$500 for each telephonic meeting of the Board that they attend and special committee meeting in which they participate. In addition, the Company will pay each non-employee director an annual retainer fee of \$15,000 upon such director's election (or re-election) to the Board, the first such retainer payments to be made after the 2004 election of directors. The Company continues to reimburse directors for their out-of-pocket expenses for attendance at meetings of the Board.

Security holders may send communications directly to the Board of Directors by mail to the attention of the presiding director of the Board's non-management director sessions at Presiding Director, HearUSA, Inc., 1250 Northpoint Parkway, West Palm Beach, Florida 33406, or by e-mail to PresidingDirector@hearusa.com.

Audit Committee

Messrs. Archibald, Gitterman and McLachlan are the current members of the Audit Committee. During 2003, Messrs. Labadie and Bourgie were also members of the Audit Committee. Each current member of the Audit Committee is independent as defined by the American Stock Exchange listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended. In addition, the Board of Directors has determined that each member of the Audit Committee is financially literate and Mr. McLachlan is an audit committee financial expert within the meaning of the rules and regulations adopted by the Securities and Exchange Commission. The Audit Committee operates under a written charter, which is attached as an appendix to this proxy statement and is available on the Company's website at www.hearusa.com.

The principal functions of the Audit Committee are to oversee the audit of the Company's financial statements provided to the Securities and Exchange Commission, the Company's shareholders and the general public; the Company's internal financial accounting processes and controls; the Company's disclosure controls and procedures; and the independent audit process. The Audit Committee met seven times during the fiscal year ended December 27, 2003.

Compensation Committee

The Compensation Committee was formed on March 26, 2003. Messrs. Archibald, Gitterman, Labadie and McLachlan are current members of the Compensation Committee. During 2003, Mr. Bourgie also served on the Compensation Committee. Each member of the Compensation Committee is independent as defined by American Stock Exchange listing standards. The Compensation Committee operates under a written charter, which is available on the Company's website at www.hearusa.com. The Compensation Committee is responsible for the overall design, approval and implementation of the executive compensation plans, policies and programs for

officers and other key executives of the Company. The Compensation Committee met once during the fiscal year ended December 27, 2003.

Nominating and Governance Committee

Messrs. Archibald, Gitterman, Labadie and McLachlan are current members of the Nominating and Corporate Governance Committee. Each member of the Nominating and Governance Committee is independent as defined by American Stock Exchange listing standards. The principal functions of the Nominating and Governance Committee are to recommend to the Board of Directors the director nominees for the next annual meeting of stockholders, candidates to fill vacancies on the Board and directors to be appointed to Board committees. In addition, the Nominating and Corporate Governance Committee develops and recommends to the Board a set of corporate governance guidelines applicable to the Board and the Company, and oversees the effectiveness of the Company's corporate governance in accordance with these guidelines. The charter of the Nominating and Governance Committee is available on the Company's website at www.hearusa.com. The predecessor to the Nominating and Governance Committee, known as the Nominating Committee, met once during the fiscal year ended December 27, 2003.

Director Nomination Process

The Nominating and Governance Committee is responsible for identifying individuals qualified to become Board members and recommending to the Board director nominees for the next annual meeting of shareholders and candidates to fill vacancies on the Board.

The Nominating and Governance Committee considers candidates for Board membership suggested by its members and other Board members. The Committee may also use outside consultants to identify potential directors. Additionally, in selecting nominees for directors, the Committee will review candidates recommended by stockholders using the same general criteria as other candidates. Any stockholder wishing to recommend a candidate for consideration by the committee as a nominee for director should follow the procedures set forth below.

Once the Nominating and Governance Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on the information provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries of the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. The Committee then evaluates the prospective nominee against the standards and qualifications set out in the Company's Corporate Governance Guidelines, which include among others:

whether the prospective nominee meets the independence requirements defined under applicable American Stock Exchange listing standards and SEC rules and regulations and audit committee financial expert requirements defined under applicable SEC rules and regulations;

the extent to which the prospective nominee's skills, experience and perspective adds to the range of talent appropriate for the Board and whether such attributes are relevant to the Company's industry; and

the prospective nominee's ability to dedicate the time and resources sufficient for the diligent performance of Board duties.

Upon completion of this evaluation and interview process, the Committee makes a recommendation to the full Board as to whether the candidate should be nominated by the Board and the

Board determines the whether to approve the nominee after considering the recommendation and report of the Committee.

Stockholders may recommend director nominee candidates by sending the following information to Nominating Committee Chairman, HearUSA, Inc., 1250 Northpoint Parkway, West Palm Beach, Florida 33407: stockholder's name, number of shares owned, length of period held, and proof of ownership; name, age and address of candidate; candidate's detailed resume; description of any arrangements or understandings between the stockholder and the candidate; and signed statement from the candidate confirming his or her willingness to serve on the Board of Directors.

If a stockholder seeks to nominate a candidate for election at the 2005 annual meeting of stockholders, the stockholder must follow the procedures described under "Stockholder Proposals" below.

Code of Ethics

The Board of Directors has adopted a Code of Ethics applicable to all of the Company's directors, officers and employees, a copy of which is available on the Company's website at www.hearusa.com.

Audit Committee Report

We have met and held discussions with the Company's management and with the Company's independent accountants, BDO Seidman, LLP. We have reviewed and discussed the audited consolidated financial statements of HearUSA, Inc. for the 2003 fiscal year with the Company's management. BDO Seidman, LLP also provided to us the written disclosures regarding their independence required by Independence Standards Board Standard No. 1, and we discussed with BDO Seidman, LLP their independence.

Based on these reviews and discussions, we recommended to the Board of Directors that the audited consolidated financial statements for 2003 be included in HearUSA, Inc.'s Annual Report on Form 10-K for the year ended December 27, 2003 filed with the Securities and Exchange Commission.

(1) Mr. Chouinard became an employee and executive officer of the Company in 2002.

Employment Agreements

The Company has entered into an employment agreement with Dr. Paul A. Brown to serve as Chairman of the Board for a term ending in 2008. The Company has entered into a substantially similar employment agreement with Stephen J. Hansbrough to serve as Chief Executive Officer for a term ending in 2008. Each of the employment agreements provides that the executive will be entitled to receive base compensation and performance bonuses and to participate in and receive benefits under the Company's welfare benefit and similar employee benefit plans generally made available by the Company to other key employees. Dr. Brown's base compensation for the first year of the agreement was \$300,000 per year, and Mr. Hansbrough's base compensation for the first year of the agreement was \$275,000 per year. Such annual compensation is subject to review annually by the Board. In 2002 and for all of 2003, Dr. Brown and Mr. Hansbrough voluntarily reduced their salaries to \$240,000 and \$250,000 per year, respectively. In respect of annual bonuses, if in any calendar year the Company achieves the net income targets approved by the Board, the Company has agreed to pay the executive a bonus equal to at least 50% of the executive's base salary. In addition, if in any calendar year the Company achieves the target net income approved by the Board for such year, the executive is entitled to receive a cash bonus equal to 1% of such net income for such year. Each executive is entitled to reimbursement of his reasonable and necessary business expenses in connection with the performance of his duties consistent with guidelines established by the Company's Board of Directors. Concurrent with the execution of the employment agreements in 1999, and pursuant to the terms of the agreements, each executive was granted an option to purchase shares of the Company's Common Stock. Dr. Brown was granted an option to acquire 100,000 shares and Mr. Hansbrough was granted an option to acquire 113,246 shares. Each option

was granted with an exercise price equal to the market value of the common stock on the date of grant and is now vested.

Each of the employment agreements contains termination and change in control provisions. If the executive is terminated with cause or if the executive terminates without good reason before or after a change in control, the Company will be required to pay only amounts earned through the date of termination. If the executive terminates because the Company has breached the employment agreement or if the Company terminates the executive without cause (before a change in control), the Company must pay the executive an amount equal to the base salary in effect for the duration of the term as in effect immediately before the date of termination or, if more than three years of the term have elapsed on the date of such termination, an amount equal to one year's salary. In addition, the executive is entitled to payment of a bonus equal to one times the average of all bonus and other incentive payments made by the Company to the executive over the then prior two years plus the pro rata portion of the bonus payable for the year of the termination. In such circumstances, the Company will be obligated to continue the executive's medical, dental, life and other insurance and benefit program coverage for 18 months, and the executive shall be fully vested in all options and similar rights previously granted to him and shall have a period of two years within which to exercise such rights.

Each of the employment agreements provides that in the event the executive is terminated by the Company without cause on or after a change in control or if the executive terminates with good reason after a change in control, the Company must pay the executive a minimum of three times the executive's base salary plus an amount equal to three times the average of all bonus and other incentive payments made by the Company to the executive over the then preceding two years. All options and other rights will then be fully vested and the executive will have three years within which to exercise such rights. The Company also will be responsible for maintaining the executive's medical, dental, life and other insurance and benefit program coverage for a three year period.

In the event of the executive's death or termination because of disability, all then outstanding options and similar rights shall become fully vested and the executive or his legal representatives may exercise such rights for a one year period following the executive's death or termination for disability.

The agreements provide for gross up payments to the executive to cover the executive's incremental tax liabilities in the event payments made under the agreements are subject to the excise tax imposed by Section 4999 of the Internal Revenue Code.

Report of the Compensation Committee

The Company's executive compensation program is administered by the Compensation Committee, which was formed on March 26, 2003. Prior to that time, the Board of Directors administered the Company's executive compensation program. In addition to base salary, compensation for the Company's executive officers may include annual performance bonuses and stock options and stock grants pursuant to the Company's stock incentive plan. It is the intention of the Compensation Committee to use salary and bonuses as compensation for current and past performance, while using stock options and restricted stock grants to provide incentives for superior long-term performance.

To establish compensation for the Company's executive officers for 2003, the Board of Directors and then the Compensation Committee used subjective performance evaluations, compensation statistics of other similar size health care organizations and, with respect to executive officers other than Mr. Hansbrough, the salary recommendations of Mr. Hansbrough. Each of Dr. Brown and Mr. Hansbrough's salary was set at a level below that of their respective employment agreements as a result of their agreement to a voluntary reduction in annual salary. In respect of the bonus opportunity for the Company's executive officers, the Board set certain performance criteria, the attainment of which could entitle the executive officer to earn a cash bonus equal to one half of his base salary. The performance criteria were not met in 2003.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers and persons who own beneficially more than ten percent of any class of equity security of the Company to file with the Securities and Exchange Commission initial reports of such ownership and reports of changes in such ownership. Officers, directors and such beneficial owners are required by Securities and Exchange Commission regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company, during the fiscal year ended December 27, 2003, all Section 16(a) filing requirements applicable to its executive officers and directors were made except as follows: The Company granted options to each director and officer on April 1, 2003. Each of Dr. Brown, Messrs. Archibald, Bourgie, Chouinard, Gitterman, Labadie, McLachlan and Hansbrough and Ms. Taylor filed a Form 4 late to report the receipt of that option grant.

The Common Stock has been traded on the American Stock Exchange since March 15, 1996. The graph below reflects all comparison indexes and depicts a comparison of five-year cumulative total returns for each of the Company, the AMEX Market Value (U.S.) and a Peer Group. Certain Relationships and Related Transactions

Helix, the Company's subsidiary, has entered into a Financial Services Consulting Agreement with Les Partenaires de Montréal Conseils, Inc. dated December 15, 2000. Pursuant to this agreement, the sum of CDN\$20,000 is payable on a quarterly basis to Les Partenaires de Montréal Conseils, Inc. by Helix, such payments ending on December 15, 2005. Also under this agreement, on June 1, 2001, Helix granted to Les Partenaires de Montréal, s.e.c., options to purchase 300,000 common shares of Helix (equivalent to 106,110 shares of Common Stock of HearUSA) at an exercise price of CDN\$1.45 per share (US\$2.69) for an exercise period ending December 15, 2005. The options are all outstanding on the date of the present filing. Les Partenaires de Montréal, s.e.c., having offices located at 1980 René-Lévesque West, in Montreal, Quebec, Canada is a major shareholder of Les Partenaires de Montréal Conseils, Inc. and a principal shareholder of the Company. Messrs. Labadie and Bourgie are directors of and otherwise control Les Partenaires de Montréal Conseils Inc., general partner for Les Partenaires de Montréal, s.e.c.

On October 3, 2003, the Company completed an interim financing in the form of a private placement of \$2,000,000 in unsecured notes and common stock purchase warrants. Dr. Brown purchased notes in the aggregate principal amount of \$600,000 and warrants to purchase 240,000 shares of Common Stock. Each of Gestion Fremican Inc., of which Mr. Labadie is a shareholder and director, and 175778 Canada Inc., of which Mr. Bourgie is a shareholder and director, purchased notes in the aggregate principal amount of \$400,000 and warrants to purchase 160,000 shares of Common Stock. The notes have been fully repaid and are no longer outstanding.

The Company's Board of Directors approved all of the transactions described above.

ITEM NO. 2 INCREASE IN AUTHORIZED CAPITAL STOCK

Background

Effective March 24, 2004, the Board of Directors unanimously approved, and recommended that the Company's stockholders approve, an amendment to the Company's Amended and Restated Certificate of Incorporation to increase the number of authorized shares of the Company's capital stock from 50,000,000 shares of common stock, par value \$0.10 per share to 75,000,000 shares of common stock, par value \$0.10 per share, and from 5,000,000 shares of preferred stock, par value \$1.00 per share to 7,500,000 shares of preferred stock, par value \$1.00 per share.

The Board of Directors has declared advisable the proposed amendment to the Amended and Restated Certificate of Incorporation because the Board considers it in the best interests of the Company to have available a sufficient number of shares of Common Stock to provide the Board with flexibility to engage in transactions involving the issuance of additional shares of Common Stock and to provide for employee and director stock-based compensation (subject to shareholder approval as required by American Stock Exchange listing requirements).

Consequences of Approval of Increase in Authorized Capital Stock

If approved, the additional authorized shares of capital stock will be available for issuance at such times and for such purposes as the Board of Directors may deem advisable without further action by the Company's stockholders, except as may be required by applicable laws or regulations, including the rules of the American Stock Exchange. For example, the additional authorized shares of capital stock will be available for issuance by the Board in connection with financings, acquisitions of other companies, stock dividends, employee benefit programs or other corporate purposes. Except for the shares of Common Stock issuable in connection with the outstanding warrants and options of the Company, at this time the Company does not have any plans or commitments to issue capital stock. The Board does not intend to issue any stock except on terms or for reasons which the Board deems to be in the best interests of the Company and its stockholders. Because the holders of the Common Stock do not have preemptive rights, the issuance of additional shares of Common Stock (other than on a pro-rata basis to all current stockholders such as pursuant to a stock dividend) would have the effect of reducing the current stockholders' proportionate interests.

The Board of Directors has the authority, without action by the stockholders, to designate and issue preferred stock in one or more series and to designate the dividend rate, voting rights, conversion rights, conversion rates, rights and terms of redemption and other rights, preferences and restrictions of each series, any or all of which may be greater than the rights of the Common Stock. It is not possible to state the actual effect of the issuance of any preferred stock upon the rights of holders of the Common Stock until the Board of Directors determines the specific rights of the holders of such preferred stock. The effects might include, among other things, restricting dividends on the Common Stock, diluting the voting power of the Common Stock, impairing the liquidation rights of the Common Stock and delaying or preventing a change in control of the Company without further action by the stockholders. Any future issuance of Common Stock will be subject to the rights of holders of outstanding shares of preferred stock that the Company may issue in the future. The Company at this time has no plans or commitments to issue any shares of preferred stock. Subject to the requirements of the American Stock Exchange, preferred stock may be designated and issued from time to time without action by the Company's stockholders to such persons and for such consideration and on such terms as the Board of Directors determines.

Anti-Takeover Effects

Although the proposal to increase the authorized capital stock may be construed as having an anti-takeover effect, because authorized and unissued Common Stock could be issued for the purpose of discouraging an attempt by another person to take control of the company, neither the

management of the Company nor the Board of Directors views this proposal as an anti-takeover mechanism. In addition, this proposal is not part of any plan by the Company to recommend a series of anti-takeover amendments to the Amended and Restated Certificate of Incorporation, and the Company does not currently contemplate recommending the adoption of other amendments to its Amended and Restated Certificate of Incorporation that could be construed to affect the ability of third parties to take over or change control of the Company.

Certificate of Amendment

If the stockholders approve the proposal, the Company will cause a certificate of amendment to the Company's Amended and Restated Certificate of Incorporation to be filed with the Delaware Secretary of State. Upon the effectiveness of the proposed amendment, the first paragraph of Article 4 of the Restated Certificate of Incorporation would be deleted in its entirety and replaced with the following:

The total number of shares of stock which the Corporation shall have authority to issue is eighty-two million five hundred thousand (82,500,000), consisting of seven million five hundred thousand (7,500,000) shares of preferred stock, \$1.00 par value per share, and seventy-five million (75,000,000) shares of common stock, \$.10 par value per share.

Vote Required

The affirmative vote of a majority of the outstanding Common Stock and the Special Voting Preferred Stock entitled to vote at the meeting is required for approval of the increase in the authorized shares of Common Stock. All shares of Common Stock and the share of Special Voting Preferred Stock represented by valid proxies will be voted in accordance with the instructions contained therein. Abstentions and broker non-votes will have the effect of votes against the increase in the authorized shares of Common Stock. Votes with respect to Exchangeable Shares represented by valid voting instructions received by the Trustee, will be cast by the Trustee through the Special Voting Preferred Stock in accordance with those instructions. If no instructions are received by the Trustee from a holder of Exchangeable Shares, the votes to which such holder is entitled will not be exercised.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR AN INCREASE IN THE AUTHORIZED SHARES OF CAPITAL STOCK

INDEPENDENT AUDITOR S SERVICES AND FEES

The Board of Directors has reappointed BDO Seidman, LLP as the independent auditors for the Company and its subsidiaries for the 2004 fiscal year. Representatives of BDO Seidman, LLP are expected to be present at the Annual Meeting of Stockholders and will be allowed to make a statement if they wish. Additionally, they will be available to respond to appropriate questions from stockholders during the meeting.

The following table presents fees paid to BDO Seidman, LLP for services rendered during the last two fiscal years:

	2003	2002
Audit fees	\$252,600	\$448,300
Audit-related fees	49,900	20,100
Tax fees	86,700	90,700
All other fees	0	0
Total	\$389,200	\$559,100

Audit fees consisted principally of professional services rendered by BDO Seidman, LLP for the audit of our annual financial statements for the fiscal year ended December 27, 2003 and for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for that fiscal year.

Audit-related fees consisted principally of professional service rendered for audits of the Company s employee benefit plans and various accounting consultations.

Tax fees consisted of services rendered in connection with the preparation and review of federal, state, local, franchise and other tax returns and consultations as to the tax treatment of transactions or events and the actual and/or potential impact of final or proposed tax laws, rules, regulations or interpretations by tax authorities.

The Company s Audit Committee considered and determined that the non-audit services provided by the Company s auditors in connection with the year ended December 27, 2003 were compatible with maintaining the auditor s independence.

The Company has adopted a pre-approval policy requiring that the Audit Committee pre-approve all audit and non-audit services performed by the Company s independent auditors. Under the policy, some services may be pre-approved without consideration of specific case-by-case services, while others require the specific pre-approval of the Audit Committee. Annual audit services are subject to the specific pre-approval of the Audit Committee.

The notice must contain specific information as prescribed by the Company's Amended and Restated Bylaws. These requirements are separate from and in addition to those requirements imposed by the federal securities laws concerning inclusion of a stockholder proposal in the proxy statement and form of proxy for the meeting.

In each case, the notice must be given to the Company's Secretary at the Company's principal offices, 1250 North Point Parkway, West Palm Beach, Florida 33407. Any stockholder desiring a copy of the Company's Amended and Restated Certificate of Incorporation or Amended and Restated Bylaws will be furnished a copy without charge upon written request to the Company's Secretary.
