Item 1.01 Entry into a Material Definitive Agreement

On August 19, 2005, HearUSA, Inc. (the Company) entered into a Purchase Agreement with fourteen accredited investors relating to the sale and issuance of up to \$5.5 million of 7% Subordinated Notes and warrants to purchase up to 1,499,960 shares of the Company's common stock, \$0.10 par value per share. The Company closed on the private placement on August 22, 2005. The private placement was conducted pursuant to Section 4(2) of the Securities Act of 1933, as amended. The Company intends to use the net proceeds of this placement to redeem all of the Company's 1998-E Series Convertible Preferred Stock. A copy of the press release announcing the closing of the transaction is furnished as Exhibit 99.1 to this Form 8-K.

The 7% Subordinated Notes have a three-year term and will be amortized quarterly over the three-year period. The Company prepaid the first four months of interest effective on the closing date. Quarterly interest and principal payments will commence in January of 2006. In addition, beginning on the fourth month after issuance of the notes, and continuing each quarter thereafter, the Company will redeem in cash 8% of the original principal amount at 102% of the redeemed amount.

Purchasers of the notes received five-year warrants to purchase common stock of the Company at an exercise price of \$2.00 per share. The closing price of the Company's common stock on August 19, 2005 was \$1.63. The purchasers have agreed that if the notes are paid in full on or before December 31, 2005, they will forfeit 25% of the warrants issued at the closing. There is no prepayment penalty in the notes.

In connection with the placement, on August 22, 2005, the Company also entered into a Registration Rights Agreement with the purchasers. The Company has agreed to file a resale registration statement on Form S-3 covering the shares of common stock underlying the warrants. The Company is obligated to cause the registration statement to become effective within 90 days of the closing, or 180 days in the event the registration statement is reviewed by the Securities and Exchange Commission. In the event the Company defaults on its obligations under the Registration Rights Agreement, it will be required to pay liquidated damages of 1% of the face value of the notes per month until the default is cured.

C.E. Unterberg, Towbin, LLC, served as the Company's exclusive placement agent with respect to this placement. The Company paid to C.E. Unterberg, Towbin a cash fee equal to 6% of the proceeds raised at the time of the placement and a warrant to purchase 55,000 shares of the Company's common stock on the same terms and conditions as the warrants issued to the purchasers of the notes.
