Item 5. Other Events

SCS Transportation, Inc. (NASDAQ: SCST) entered into an amendment to its Agented Revolving Credit Agreement (the Credit Agreement) with Bank of Oklahoma, N.A., as agent.

Major provisions of the amendment:

- Increases the size of the unsecured Credit Agreement from \$50 million to \$75 million which will enable SCST to increase its capacity for letters of credit in support of self-insured retentions for casualty and workers' compensation claims without diminishing its borrowing availability. The Company plans to replace approximately \$15 million of insurance-related collateral that has previously been provided by the Company's former parent corporation. The Company anticipates the future cost of letters of credit will be less under the amended Credit Agreement than it would have been under the cost reimbursement arrangement with its former parent corporation. The interest rate under the Credit Agreement is based on LIBOR or prime at the Company's option, plus an applicable spread, in certain circumstances;
- The amended Credit Agreement remains unsecured with the availability limited to SCST's Qualified Receivables (as defined in the Credit

Agreement) and at November 14, 2003 the entire \$75 million was available based on SCST's Qualified Receivables at October 31, 2003;

- Adjusts the performance-based interest rate schedule such that the Company expects to achieve more favorable borrowing costs sooner than under the original agreement and it provides the opportunity for lower borrowing costs than were available under the original Credit Agreement;
- Extends the maturity of the Credit Agreement by one year from September 2005 to September 2006; and
- Required financial covenants remain unchanged from the original Credit Agreement.
