On August 25, 2003, the Health Fitness Corporation (the "Company") signed an agreement to acquire the business assets of the Health & Fitness Services Division (the "HFS Division") of Johnson & Johnson Health Care Systems Inc. ("JJHCS"). The Company placed the purchase price in escrow pending the closing of the acquisition (the "Acquisition Closing").

As part of the acquisition of the JJHCS business assets, on August 25, 2003, the Company entered into a Securities Purchase Agreement, as amended by Amendment No. 1 dated December 8, 2003 (the "Securities Purchase Agreement"), with Bayview Capital Partners LP ("Bayview") to provide the Company with \$3,000,000 of acquisition financing and general working capital (the "Bayview Investment"). The Bayview Investment is secured by a subordinated security interest in substantially all of the Company's assets. The Bayview Investment was structured as a bridge note (the "Bridge Note"), the proceeds of which the Company placed into escrow to fund a portion of the purchase price that was payable to JJHCS at the Acquisition Closing. The Bridge Note bears interest at 12% per year, payable monthly, with the principal due and payable on the earliest to occur of (i) the Acquisition Closing, and (ii) December 10, 2003. In the event the Acquisition Closing did not occur prior to December 9, 2003, the Company's repayment of principal on December 10, 2003 must be accompanied by a 5% premium. The Company was required to comply with certain monthly financial covenants, including a senior cash flow leverage ratio and senior leverage ratio.

On December 8, 2003, the Acquisition Closing occurred and the Bridge Note converted into a \$2,000,000 term note (the "Term Note"), \$1,000,000 in Series A Convertible Preferred Stock of the Company (the "Preferred Stock") and a warrant to purchase common stock of the Company (the "Warrant"). The Term Note bears interest at 12%

per year, payable monthly, and will mature on the fifth anniversary of

the Acquisition Closing. The Term Note may be prepaid, in whole or in part, at any time, provided that the prepayment is accompanied by a premium ranging from 5% in year 1 to 1% in year 5. The Company is required to continue to comply under the Term Note with the same monthly financial covenants, including a senior cash flow leverage ratio and senior leverage ratio, required under the Bridge Note.

The Preferred Stock was issued to Bayview at a price of \$1.00 per share, resulting in 1,000,000 shares issued at the Acquisition Closing. The Preferred Stock has a stated dividend rate of 6% per year, computed on a simple interest basis, paid in kind in the form of additional shares of Preferred Stock using a price of \$1.00 per share ("PIK Dividends"). At the option of the holder, the Preferred Stock, including any PIK Dividends, may be converted into common stock of the Company at a price of \$0.50 per share. Upon the occurrence of a change in control or an event of default under the Securities Purchase Agreement, the holders of the Preferred Stock may require the Company to redeem the Preferred Stock at a price equal to the greater of the liquidation preference and fair market value.

The Warrant issued to Bayview represents the right to purchase 8% of the Company's common stock outstanding on a fully diluted basis, excluding the common stock issuable to Bayview upon conversion of the Preferred Stock. The number of shares contingently issuable under this Warrant is 1,210,320. The Warrant will be exercisable at any time for a period of ten years at an exercise price equal to \$0.50 per share. Upon the occurrence of a change in control or an event of default under the Securities Purchase Agreement, the holders of the Warrant may require the Company to redeem the Warrant and any shares of common stock issued upon the exercise of the Warrant at a price equal to fair market value. The holders of the Warrant and any shares of common stock issued upon the exercise of the Warrant have a preemptive right to participate in future issuances of common stock and common stock equivalents by the Company.

The Company has agreed to register, upon the request of Bayview, the sale of all shares of common stock issuable upon conversion of the Preferred Stock and upon exercise of the Warrant under the Securities Act of 1933, as amended, within 360 days following the date of the Acquisition Closing.
