PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed Proxy is solicited on behalf of *infoUSA Inc.*, a Delaware corporation (the *Company*), for use at its 2004 Annual Meeting of Stockholders to be held on Tuesday, May 4, 2004, at 5:00 p.m., local time, or at any adjournments or postponements thereof, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at The Jaipur, 10999 Elm Street, Omaha, Nebraska 68114. The *Company*'s principal executive offices are located at 5711 South 86th Circle, Omaha, Nebraska 68127. The *Company*'s telephone number is (402) 593-4500.

These proxy solicitation materials are being mailed on or about April 2, 2004 to all stockholders entitled to vote at the meeting. The *Company*'s Annual Report for the fiscal year ended December 31, 2003, including audited financial statements, is being mailed to stockholders concurrently with this Proxy Statement.

Record Date; Outstanding Shares

Stockholders of record at the close of business on March 10, 2004 (the *Record Date*) are entitled to receive notice of and vote at the meeting. On the *Record Date*, 52,385,792 shares of the *Company*'s Common Stock, \$.0025 par value per share, were issued and outstanding. For information regarding holders of more than five percent of the outstanding Common Stock, see *Security Ownership*.

Revocability of Proxies

Proxies given pursuant to this solicitation may be revoked at any time before they have been voted. Proxies may be revoked by delivering a written notice of revocation to the *Company* or by duly executing and delivering to the attention of the Secretary of the *Company* a proxy bearing a later date. Proxies may also be revoked if the stockholder attends the meeting and votes in person.

Voting and Solicitation

The presence in person or by proxy of holders of a majority of the shares of stock entitled to vote at the Annual Meeting constitutes a quorum for the transaction of business. Every holder of record of Common Stock on the *Record Date* is entitled, for each share held, to one vote on each proposal or item that comes before the meeting. In the election of directors, each stockholder will be entitled to vote for two nominees and the two nominees with the greatest number of votes will be elected. Ratification of the appointment of the *Company*'s independent public accountants requires a vote of the majority of the shares represented at the Annual Meeting in person or by proxy and entitled to vote.

The election inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining whether a quorum is present. With respect to the election of directors (elected by a plurality of the votes), abstentions will not be taken into account in determining the outcome of the election. With respect to the other matters being considered, abstentions will have the same effect as negative votes. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote

with respect to that matter and will not be taken into account in determining the outcome of the votes on that matter.

The cost of this solicitation will be borne by the Company. The Company may reimburse expenses incurred by brokerage firms and other persons representing beneficial owners of shares in forwarding solicitation material to beneficial owners. Proxies may be solicited by certain of the Company's directors, officers, and regular employees personally, by telephone, or by telegram and no additional compensation will be paid to such individuals.

Deadlines for Receipt of Stockholder Proposals

The proxy rules of the Securities and Exchange Commission (SEC) permit stockholders, after timely notice to a company, to present proposals for stockholder action in a company's proxy statement where such proposals are consistent with applicable law, pertain to matters appropriate for stockholder action and are not properly omitted by corporate action in accordance with the proxy rules. Stockholder proposals that are intended to be presented at the Company's 2005 Annual Meeting must be received by the Company no later than December 5, 2004 to be included in the proxy statement and form of proxy for that meeting. The Company's proxy for the 2005 Annual Meeting may confer on the proxy holder discretionary authority to vote on any Stockholder proposals that are intended to be presented at the Company's 2005 Annual Meeting that are received after February 16, 2005.

The Company's Bylaws provide that certain requirements be met for business to properly come before the stockholders at the Annual Meeting. Among other things, stockholders intending to bring business before the Annual Meeting must provide written notice of such intent to the Secretary of the Company. Such notice must be received by the Company no later than the close of business on the 10th day following the date of this Proxy Statement. Stockholders desiring to bring matters for action at an Annual Meeting should contact the Company's Secretary for a copy of the relevant requirements. Additionally, any stockholder wishing to recommend candidates for Board membership generally should submit the recommendation in writing to the Secretary of the Company at least 30 but no more than 60 days prior to a date corresponding to the previous year's Annual Meeting, with the submitting stockholder's name, address and stockholdings and pertinent information about the proposed nominee similar to that set forth for nominees named herein. Any stockholder wishing to bring matters for action at this year's Annual Meeting should note that, as permitted by the proxy rules, the persons named as proxies may exercise discretionary voting authority with respect to any such proposal because the proposals will have been received after February 5, 2004 (as disclosed in the Proxy Statement for the 2003 Annual Meeting).

Board Meetings and Committees

The Board of Directors of the Company met 6 times during 2003, including 2 telephonic meetings. The Board of Directors has an Audit Committee, a Compensation Committee, a Finance Committee, and a Governance and Nominating Committee, the duties and activities of which are described in greater detail below. The Board has determined that each member of the Board other than Vinod Gupta and Elliot S. Kaplan is independent, as defined by the rules of the National Association of Securities Dealers (NASD) for companies listed on the Nasdaq National Market.

The Audit Committee, which consists of Dr. Vasant H. Raval (Chair), Richard J. Borda, and Harold W. Andersen, met 5 times during 2003, including 1 telephonic meeting. Among other duties, the Committee selects the Company's independent auditors, reviews and evaluates significant matters relating to the audit and internal controls of the Company, reviews the scope and results of audits by, and the recommendations of, the Company's independent auditors, and pre-approves all audit and permissible non-audit services provided by the auditors. Before the Company's independent accountant is engaged by the Company to render audit or non-audit services, the engagement is approved by the Committee. The revised Audit Committee Charter, which was adopted by the Board in October 2003, is attached to this Proxy Statement as Appendix A. A report of the Committee is also contained in this Proxy Statement. Each member of the Committee is independent, as independence for audit committee members is defined by the rules of the NASD, and otherwise satisfies the NASD's requirements for audit committee membership. The Board has determined that Dr. Raval is an audit committee financial expert under the Sarbanes-Oxley Act of 2002.

The Compensation Committee, which consists of directors Harold W. Andersen (Chair), Dr. George F. Haddix, and Dr. Vasant H. Raval, met 5 times during 2003, including 1 telephonic meeting. The Committee has been delegated the duties of administering existing and future stock and option plans of the Company, including the Company's 1992 Stock Option Plan and the Company's 1997 Stock Option Plan, and establishing the compensation of the Company's executive officers. The Compensation Committee Charter, which was adopted by the Board in October 2003, is posted on the Company's website at www.infousa.com under the caption Investor Relations. Each member of the Committee is independent, as defined by the rules of the NASD.

The Finance Committee, which consists of Richard J. Borda (Chair), Elliot S. Kaplan, and Dr. Vasant H. Raval, met 4 times in 2003. The Committee assists the Board in fulfilling its oversight responsibilities with respect to the Company's financial resources, capital structure, and financial strategies by reviewing and making recommendations regarding the Company's financial resources, organizational capital strategies, investment practices, and other financial matters, as well as related regulatory developments. The Finance Committee Charter, which was adopted by the Board in October 2003, is posted on the Company's website at www.infousa.com under the caption Investor Relations.

Table of Contents

The Governance and Nominating Committee, which consists of Dr. George F. Haddix (Chair), Harold W. Andersen, and Dennis P. Walker, met 3 times during 2003. The Committee identifies and recommends to the Board of Directors qualified director candidates, makes recommendations to the Board regarding Board committee membership, establishes, implements, and monitors practices and processes regarding corporate governance matters, and makes recommendations regarding management succession planning. The Governance and Nominating Committee Charter, which was adopted by the Board in October 2003, is posted on the Company's website at www.infousa.com under the caption Investor Relations. Each member of the Committee is independent, as defined by the rules of the NASD.

The Committee will consider director candidates recommended by stockholders. The criteria applied by the Committee in the selection of director candidates is the same whether the candidate was recommended by a Board member, an executive officer, a stockholder, or a third party, and accordingly, the Board has not deemed it necessary to adopt a formal policy regarding consideration of candidates recommended by stockholders. Stockholders wishing to recommend candidates for Board membership should submit the recommendations in writing to the Secretary of the Company at least 30 but no more than 60 days prior to a date corresponding to the previous year's Annual Meeting, with the submitting stockholder's name, address, and stockholdings and pertinent information about the proposed nominee similar to that set forth for nominees named herein. A stockholder wishing to recommend for nomination or nominate a director should contact the Company's Secretary for a copy of the relevant procedure. A stockholder intending to nominate an individual as a director at an Annual Meeting, rather than recommend the individual to the Committee for consideration as a nominee, must comply with the advance notice requirements set forth in the Company's Bylaws, which are described under Deadlines for Receipt of Stockholder Proposals, above.

The Committee identifies director candidates primarily by considering recommendations made by directors, management, and stockholders. The Committee also has the authority to retain third parties to identify and evaluate director candidates and to approve any associated fees or expenses. The Committee did not retain any such third party with respect to the director candidates described in this Proxy Statement. Director candidates are evaluated on the basis of a number of factors, including the candidate's background, skills, judgment, diversity, experience with companies of comparable complexity and size, the interplay of the candidate's experience with the experience of other Board members, the candidate's independence or lack of independence, and the candidate's qualifications for committee membership. The Committee does not assign any particular weighting or priority to any of these factors, and considers each director candidate in the context of the current needs of the Board as a whole. Director candidates recommended by stockholders are evaluated in the same manner as candidates recommended by other persons.

Attendance at Board Meetings and Annual Meeting

All of the directors of the Company attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which they served, except Elliot S. Kaplan, who attended 64% of such meetings. Five directors attended the 2003 Annual Meeting.

Non-employee directors receive an annual cash retainer of \$48,000, payable in monthly installments of \$4,000 each. Mr. Gupta does not receive compensation for his service on the Board.

In April 2003, the Board approved additional compensation for Committee chairs. AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company consists of three directors who are independent, as independence for audit committee members is defined by the rules of the NASD. The Committee operates under a written charter adopted by the Board. In October 2003, the Board adopted a new Audit Committee Charter, which is attached to this Proxy Statement as Appendix A. Management is responsible for the Company's internal control and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In this context, the Committee met and held discussions with management and the independent accountants. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Company's independent accountants also provided to the Committee the written disclosures required by Independence Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the independent accountants that firm's independence.

Based upon the Committee's discussion with management and the independent accountants and the Committee's review of the representations of management and the report of the independent accountants, the Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 filed with the SEC.

Future Stock Option Grants

The Company is in the process of developing a new stock option grant program for members of senior management. The purpose of the new program is to provide management with an incentive to promote the sustained growth of the Company over a period of years, and an opportunity to participate in such growth by acquiring and holding Common Stock of the Company. It is currently expected that participants in the program will receive stock options with an exercise price exceeding the fair market value of the Company's Common Stock on the grant date. To receive the options, participants will also be required to purchase on or around the grant date shares of the Company's Common Stock at fair market value, and to hold those shares for a period of time. The Company currently anticipates that initial grants under the program will be made under the Company's 1997 Stock Option Plan.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors reviews and approves salaries, bonuses and other compensation payable to the Company's executive officers. The Compensation Committee consists of Directors Harold W. Andersen (Chair), Dr. George F. Haddix and Dr. Vasant H. Raval. None of these persons is an employee of the Company.

The Compensation Committee's policy in establishing compensation for executive officers is to reward sustained performance through the payment of base salaries, reward current performance through annual bonuses, and provide long-term incentives through stock options and other opportunities for equity ownership. When establishing the amounts of such compensation, the Compensation Committee considers publicly available information concerning executive compensation levels paid by other companies in the Omaha, Nebraska area and in the industry generally.

The Compensation Committee reviewed and approved compensation packages for all executive officers in fiscal 2003, including base salaries, bonus plans and stock options. For executive officers other than the Chief Executive Officer, base salaries are based on each officer's responsibilities and historical performance. For fiscal 2003, there was a 10% reduction in base salary for the executive officers, consistent with the Company's overall cost reduction efforts. During 2003, two bonus plans were in effect. The first applies to general managers of product sales groups and is based upon each general manager achieving a defined percentage of the Company's internal revenue and profit goals for his or her product sales group. The second bonus plan, which applies to all other executive officers and key employees (other than the Chief Executive Officer), is based on the achievement of specified Company-wide pre-tax profit levels. In addition, discretionary bonuses were awarded to certain executive officers based on the individual's contribution to the achievement of the Company's business goals. Stock options are granted to officers to provide long-term incentives aligned with the interests of the Company's stockholders, at percentage interests in the Company that are comparable to those held by executive officers in other companies in the Omaha, Nebraska area and in the industry generally.

In fiscal 2003, the compensation program for Vinod Gupta, Chief Executive Officer of the Company, consisted of a base salary of \$490,000 and a bonus potential of \$510,000 based on the Company's achievement of a certain level of revenues and a certain level of EBTA (earnings before taxes and amortization). Although the specified criteria under this bonus plan were not fully achieved, the Company awarded Mr. Gupta a discretionary bonus of \$250,000 for fiscal 2003 in recognition of his contribution to the achievement of the Company's business goals. Mr. Gupta does not participate in the Company's other bonus programs.

The information contained in this report shall not be deemed to be soliciting material or to be filed with the SEC nor shall such information be incorporated by reference into any future filing under the Securities Act or the Exchange Act, except to the extent that the Company specifically incorporates it by reference into any such filing.
