Dear Fellow Shareholders:

It is my pleasure to invite you to a special meeting of shareholders of Zix Corporation to be held on November 21, 2005. The accompanying Notice of Special Meeting of Shareholders and proxy statement describe the items of business that will be discussed and voted upon during the meeting.

I am also pleased to report that we have successfully closed the first part of a private placement of securities of our company. In the private placement, we agreed to issue and sell an aggregate of 10,503,862 shares of our common stock and warrants to purchase up to an additional 3,466,274 shares of our common stock for total proceeds to us of approximately \$26.3 million. Of that amount, we have completed the issuance of 6,302,318 shares of our common stock and warrants to purchase an additional 2,079,767 shares of our common stock, for total net proceeds to us of approximately \$14.67 million. However, under applicable Nasdaq rules, we cannot issue the balance of the shares and warrants without your approval. One of the proposals included in the attached Proxy Statement describes in detail a proposal to enable us to complete this important financing.

COMPLETING THIS FINANCING WILL DILUTE YOUR EXISTING STOCKHOLDING. HOWEVER, IF SHAREHOLDERS DO NOT APPROVE THIS PROPOSAL, WE WILL NOT BE ABLE TO OBTAIN APPROXIMATELY \$9.75 MILLION OF NET PROCEEDS THAT WE BELIEVE ARE ESSENTIAL TO OUR OPERATIONS AND SUCCESS.

In addition to the proposal regarding the private placement, at the special meeting you will also be asked to approve a proposal to elect three members of our Board of Directors.

Each shareholder should take the time to review the attached Proxy Statement and to complete and return the enclosed proxy card. Your vote is important, no matter how many shares you own. Please vote today.

Thank you very much for your prompt attention to these important matters.

The stock transfer books will not be closed.

We would like you to attend the meeting in person, but understand that you may not be able to do so. For your convenience, and to ensure that your shares are represented and voted according to your wishes, we have enclosed a proxy card for you to use. QUESTIONS AND ANSWERS

Although we encourage you to read the enclosed Proxy Statement in its entirety, we include this Question and Answer section to provide some background information and brief answers to several questions you might have about the enclosed proposals. In this Proxy Statement, we refer to Zix Corporation as the Company, Zix, ZixCorp, we, and us.

Q. Why did I receive this Proxy Statement?

A. On or about October 14, 2005, we began mailing this Proxy Statement and accompanying proxy card to everyone who was a holder of our shares of common stock on the record date for the meeting, which is the close of business on October 7, 2005. We prepared this Proxy Statement to let our shareholders know when and where we will hold a special shareholders meeting. This proxy statement:

provides you with information about the proposals that will be discussed and voted on at the meeting; and

provides you with certain updated information about our company.

Q. What proposals are shareholders being asked to consider at the upcoming Special Meeting?

A. Shareholders are being asked to consider two proposals at the Special Meeting. The first proposal, which we refer to as Proposal One throughout this Proxy Statement, relates to the election of three members of our Board of Directors. The Company proposes to increase the number of members of our Board of Directors by adding one new member to our Board of Directors. Additionally, our shareholders are being asked to re-elect two members of our Board of Directors, who were initially elected to our Board of Directors in June 2005 by vote of our directors. The directors to be elected at the Special Meeting will serve until our next annual meeting of shareholders.

The second proposal, which we refer to as Proposal Two throughout this Proxy Statement, would allow us to complete the issuance of shares of our common stock and related warrants to purchase additional shares of our common stock in the private placement we closed on August 9, 2005.

Q. Why are shareholders being asked to elect additional directors?

A. The Company proposes to increase the number of members of our Board of Directors by electing Mr. Robert C. Hausmann to our Board of Directors. Mr. Hausmann has substantial financial and accounting business experience and we believe he would be a valuable addition to our Board of Directors. Since the last annual meeting of our shareholders, held in May 2005, Charles Chip Kahn III and Paul E. Schlosberg were elected to our Board of Directors by vote of our directors, as permitted under Texas law and our Restated Bylaws. A vote of our shareholders is required to elect Mr. Hausmann to our Board of Directors because Texas law permits the election of no more than two persons to a company's Board of Directors between annual meetings of that company's shareholders. In addition, under Texas law, Messrs. Kahn and Schlosberg's terms as directors extend only until the next election of one or more directors by our shareholders. Therefore, our shareholders are being asked to reelect Messrs. Kahn and Schlosberg to our Board of Directors while being asked to initially elect Mr. Hausmann to our Board of Directors. Messrs. Kahn, Schlosberg, and Hausmann will serve until our next annual meeting of shareholders.

Q. What is the private placement?

A.

On August 9, 2005, we agreed to sell and issue to certain purchasers (the Purchasers) under a securities purchase agreement (the Securities Purchase Agreement) an aggregate of 10,503,862 units. Each unit consists of (i) one share of our common stock, par value \$0.01 per share, and (ii) a related warrant to purchase 0.33 of one share of our common stock. Under Nasdaq rules (as further described below), we could not, without the approval of our shareholders, issue more than 6.5 million shares of our common

stock (or 19.99% of our issued and outstanding shares immediately prior to the execution of the Securities Purchase Agreement). Due to these limitations, we issued only an aggregate of 6,302,318 shares of common stock and related warrants to purchase an additional 2,079,767 shares of our common stock to the Purchasers at the closing of the Securities Purchase Agreement in exchange for proceeds of approximately \$15.8 million (\$14.67 million in net proceeds to us after transaction fees of \$1.13 million). In this Proxy Statement, we refer to the shares of common stock we already issued to Purchasers at the closing of the Securities Purchase Agreement as Firm Shares and the related warrants as Firm Warrants, and when describing both the Firm Shares and Firm Warrants, we refer to them as the Firm Securities.

We are now seeking shareholder approval of Proposal Two to issue the balance of the shares and warrants that the Purchasers agreed to purchase from us (*i.e.*, an aggregate of 4,201,544 shares of common stock and related warrants to purchase 1,386,507 additional shares of our common stock). In this Proxy Statement, we refer to the additional shares to be issued to the Purchasers in Proposal Two as the Excess Shares and the additional warrants as the Excess Warrants, and when describing both shares and warrants, we refer to them as the Excess Securities.

Pursuant to an Escrow Agreement, dated as of August 9, 2005, between us and JPMorgan Chase Bank, N.A., approximately \$10.5 million of funds relating to the Excess Securities were placed into escrow pending approval by our shareholders of the issuance of the Excess Securities. While held in escrow, the escrowed funds will accrue interest, payable by us, at a rate of 7.0% per annum.

If Proposal Two is approved by our shareholders, we will issue the Excess Securities to the Purchasers as promptly as practicable following such approval. Upon such issuance, we will receive escrowed funds, totaling approximately \$9.75 million (net of transaction fees and expenses).

If Proposal Two is not approved by our shareholders, we will not be allowed to issue the Excess Securities and the funds held in escrow will be returned to the Purchasers.

Regardless of whether shareholder approval is obtained, we will be obligated to pay interest on the escrowed funds to the Purchasers at a rate of 7.0% per annum until the date the funds are released from escrow.

Q. For which part of the private placement is Zix seeking shareholder approval?

- A. Zix is seeking shareholder approval of Proposal Two for the issuance to the Purchasers of the Excess Securities. Zix is not seeking shareholder approval for the private placement of Firm Shares and Firm Warrants issued to the Purchasers at the closing of the Securities Purchase Agreement.

Q. Why is Zix seeking shareholder approval for the issuance of the Excess Securities?

- A. We are subject to the rules of the Nasdaq Stock Market, Inc. because our common stock is listed on the Nasdaq National Market. These rules require us to obtain shareholder approval for any issuance or sale of common stock, or securities convertible into or exercisable for common stock, that is (i) equal to 20% or more of our outstanding common stock before such issuance or sale and (ii) at a price per share below the greater of book or market value at the time of such issuance or sale. These rules apply to the Excess Shares because:

the purchase price of the units (each consisting of one share of common stock and a warrant to purchase 0.33 of one share of common stock) issued at the closing of the Securities Purchase Agreement, and that we intend to issue following shareholder approval, is \$2.50 per unit (except for units purchased by certain of our officers and directors, which were issued or will be issued at a purchase price of \$2.99 per unit), which is below the \$2.94 per share closing price of our common stock on Nasdaq on August 8, 2005, the last day our common stock traded on Nasdaq before we entered into the Securities Purchase Agreement; and

the shares of common stock that we have issued or intend to issue pursuant to the Securities Purchase Agreement (including the Excess Shares) will comprise, in total, approximately 32.25% of the shares of our common stock outstanding immediately prior to August 9, 2005.

For the above reasons, on the closing date of the Securities Purchase Agreement, we were only able to issue shares of our common stock representing up to 19.99% of our common stock outstanding on the date of the Securities Purchase Agreement and now we are required under Nasdaq National Market rules to obtain shareholder approval prior to issuing the Excess Securities.

In addition, under the Securities Purchase Agreement, we agreed to seek, and use our best efforts to obtain, the approval of our shareholders to issue the Excess Securities to the Purchasers no later than November 22, 2005. This Proxy Statement has been prepared pursuant to our obligations to the Purchasers under the Securities Purchase Agreement.

Q. Why does Zix need to issue the Excess Securities?

- A. As of June 30, 2005, we had unrestricted cash and cash equivalents of \$7.7 million. Prior to the private placement described in this Proxy Statement, we had taken certain actions to reduce our cash requirements, including cost reductions, sale of two product lines and amendments to the terms of our \$20 million principal amount of convertible notes held by two institutional investors. In addition, the Company has chosen to continue to invest in the eHealth (e-prescription) market, which is a developing market, requiring us to make significant cash investments in order to develop the business. Based on this strategic decision to continue investing in the eHealth market, our anticipated cash requirements would have been greater than our balance of unrestricted cash and cash equivalents that were on hand at June 30, 2005.

Consequently, our management and Board of Directors determined that we should seek additional working capital to improve our cash position and fund our continuing investments in the eHealth market. The alternatives to securing additional working capital would have been a change in our business model, substantially scaled back investments in eHealth or significant disposition of business assets. Based on our stock price and the state of the capital markets, our management and Board of Directors, in consultation with our investment banking firm, C.E. Unterberg, Towbin LLC, determined that a private placement of our publicly-traded common stock (commonly referred to as a PIPE financing), targeting private venture capital investors and other institutional investors, had a higher likelihood of success, could be consummated promptly and would provide us better terms than alternate financing transactions.

At the closing of the Securities Purchase Agreement on August 9, 2005, we completed the issuance of the Firm Securities and received net proceeds of approximately \$14.67 million. Assuming the approval of Proposal Two, we would promptly issue the Excess Securities and receive approximately \$9.75 million in additional net proceeds (after fees and expenses). We may also receive an additional \$10.5 million in aggregate gross proceeds if and when all warrants (including the Excess Warrants) are exercised in full (assuming an exercise price of \$3.04 per share and no net exercise).

Q. What if Proposal Two is not approved?

- A. If Proposal Two does not receive shareholder approval, the earlier issuance of the Firm Securities to the Purchasers at the closing of the Securities Purchase Agreement will not be affected, but the issuance and sale of the Excess Securities to the Purchasers will not occur. Specifically, the Excess Securities will not be issued, the funds relating to the Excess Securities that currently are held in escrow will be returned to the Purchasers and we will not receive approximately \$9.75 million in net proceeds from the issuance of the Excess Securities.

Our current liquidity and capital resources are limited. If Proposal Two fails and we do not receive the proceeds from the Excess Securities, meeting our working capital needs under a continuation of the current business model would prove difficult beyond June 30, 2006 and could significantly harm our ability

to achieve our intended business objectives. We could be forced to further augment our cash position through additional cost reduction measures, sales of non-core assets, additional financings or a combination of these actions. Should we have to seek additional funds to replace the funds under a failed Proposal vote, there can be no assurances that these funds could be obtained on terms that are as favorable to us as the terms of the Excess Securities; therefore, our business model might have to be altered. Any of these adverse events could substantially diminish the value of our common stock and thus your investment in our shares.

Q. Will the issuance of the Excess Securities dilute our shareholders ownership interest in Zix?

A. Our shareholders will incur immediate and significant dilution of their percentage of stock ownership in Zix if Proposal Two is approved and the Excess Securities are issued. The table below illustrates the incremental impact that the issuance of the Excess Securities will have upon the number of shares of our common stock outstanding (assuming no additional issuances of shares of our common stock):

	Number of Shares Outstanding Prior to Issuance	Shares	Warrants*
Issuance of Firm Securities on August 9, 2005:	32,573,744 (As of August 8, 2005)	6,302,318 (Firm Shares)	2,079,767 (Firm Warrants)
Issuance of Excess Securities:	38,876,062 (After issuance of Firm Shares)	4,201,544 (Excess Shares)	1,386,507 (Excess Warrants)

* The Firm Warrants and Excess Warrants reflected in this table are not exercisable until February 9, 2006. Shareholders immediately prior to the issuance of the Excess Securities will incur dilution in their percentage ownership of our common stock upon the consummation of the issuance of the Excess Shares, of approximately 9.75%, or 12.01% assuming exercise in full of the both Firm Warrants and the Excess Warrants.

However, as explained above in the answer to the question "What if Proposal Two is not approved?" failure to issue the Excess Securities could significantly harm our business and the value of our common stock, and the value of your investment in our common stock could be substantially diminished.

Q. Why have I received more than one proxy statement?

A. If you received more than one proxy statement, your shares are probably registered differently or are in more than one account. Please vote each proxy card that you receive.

Q. How do I vote if I am not planning to attend the special meeting?

A. In addition to voting in person at the meeting, you may mark your selections on the enclosed proxy card, date and sign the card and return the card in the enclosed postage-paid envelope.

Edgar Filing: ZIX CORP - Form DEF 14A

Please understand that voting by any means other than voting in person at the meeting has the effect of appointing Richard D. Spurr, our Chief Executive Officer, President and Chief Operating Officer, and Bradley C. Almond, our Vice President of Finance and Administration, Chief Financial Officer and Treasurer, as your proxies. They will be required to vote on the proposals described in this Proxy Statement exactly as you have voted. However, if any other matter requiring a shareholder vote is properly raised at the meeting, then Messrs. Spurr and Almond will be authorized to use their discretion to vote on such issues on your behalf.

We encourage you to vote now even if you plan to attend the Special Meeting in person. If your shares are in a brokerage account, you may receive different voting instructions from your broker.

Q. What if I want to change my vote?

- A. You may revoke your vote at any time before the Special Meeting for any reason. To revoke your vote before the meeting, write to our Secretary, Ronald A. Woessner, at 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204-2960. You may also come to the meeting and change your vote in writing.

Q. What vote is necessary to approve each of the proposals?

- A. With respect to Proposal One, votes may be cast in favor of or withheld from each director nominee. The three nominees receiving the highest number of for votes will be elected as directors. This number is called a plurality. Votes that are withheld from any director nominee will be counted in determining whether a quorum has been reached but will not affect the outcome of the vote. Assuming a quorum is present, the affirmative vote of a plurality of the shares of common stock voted and entitled to vote for the election of directors is required for the election of directors. In the election of directors, shareholders are not entitled to cumulate their votes or to vote for a greater number of persons than the number of nominees named in this proxy statement.

With respect to Proposal Two, the affirmative vote of a majority of the shares of our common stock represented, in person or by proxy, and entitled to vote on Proposal Two is required to approve Proposal Two. Pursuant to Nasdaq requirements, shares of common stock issued in the first part of the private placement (*i.e.*, the Firm Shares) are not entitled to vote on Proposal Two.

Q. What if my shares are in a brokerage account and I do not vote?

If your shares are in a brokerage account and you do not vote, your brokerage firm could:

vote your shares, if it is permitted by the Marketplace Rules of The Nasdaq Stock Market (Nasdaq); or

leave your shares unvoted.

Under applicable rules, brokers who hold shares in street name have the authority to vote in favor of the election of the directors if they do not receive contrary voting instructions from beneficial owners. Brokers who hold shares in street name do not have the authority to vote in favor of Proposal Two, relating to the issuance of the Excess Securities, without receiving instructions from the beneficial owner of the shares. Under applicable law, if a broker has not received voting instructions with respect to certain shares and gives a proxy for those shares, but does not vote the shares on a particular matter, those shares will not affect the outcome of the vote with respect to that matter. These are called broker non-votes. In accordance with our bylaws, such broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of votes cast with respect to a proposal. Therefore, broker non-votes will not be included in the tabulation of the voting results and will have no effect with respect to the approval of the proposals being considered at the meeting.

Q. How are abstentions treated?

- A. Any shareholder that is present at the Special Meeting, either in person or by proxy, but who abstains from voting, will still be counted for purposes of determining whether a quorum exists. With respect to Proposal One, a WITHHELD vote, will not be counted as an affirmative or negative vote in the election of directors and will not affect the outcome of the vote. With respect to Proposal Two, an abstention would have the same effect as a vote against Proposal Two. However, if you sign your proxy card but do not specify how you want to vote on either of the proposals, then your shares will be voted FOR each of the proposals.

Q. Where can I find additional information? Who can help answer my questions?

- A. You should carefully review the entire Proxy Statement, which contains important information regarding the proposals, before voting. We filed a current report on Form 8-K with the Securities and Exchange Commission on August 9, 2005, and an amendment to such Form 8-K on August 10, 2005, which contain a summary of the private placement and attach each of the relevant agreements as exhibits. The Securities Purchase Agreement and Form of Warrant are also attached for your convenience as Annexes to this Proxy Statement. We strongly encourage you to carefully review the Form 8-K, as amended, and the exhibits thereto describing the private placement. The section under the heading *Where You Can Find Additional Information*, beginning on page 40 of this Proxy Statement, describes additional sources from which to obtain this Proxy Statement, our public filings under the Securities Exchange Act of 1934, as amended (including the Form 8-K described above), and other information about Zix.

If you would like copies of the Form 8-K, as amended, described above (including the exhibits thereto), additional copies of this Proxy Statement or other documents that we have filed with the SEC that are incorporated by reference into this Proxy Statement, free of charge, or if you have questions about the proposals or the procedures for voting your shares, you should contact: Zix Corporation, Attention: Bradley C. Almond, Vice President and Chief Financial Officer, 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204, Telephone: (214) 370-2000.

ZIX CORPORATION
PROXY STATEMENT FOR THE SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD NOVEMBER 21, 2005
INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed Proxy is solicited on behalf of the Board of Directors (the Board of Directors or the Board) of Zix Corporation, a Texas corporation (Zix), at a Special Meeting of Shareholders to be held on Monday, November 21, 2005, at 10:00 a.m. (registration to begin at 9:30 a.m.), Central Time, and at any adjournment, continuation or postponement of the meeting, referred to throughout this Proxy Statement as the Special Meeting, for the purposes set forth herein and in the accompanying Notice of Special Meeting of Shareholders. The Special Meeting will be held at Cityplace Conference Center, Oak Lawn Room, 2711 North Haskell Avenue, Dallas, Texas 75204.

These proxy solicitation materials were first mailed or given to all shareholders entitled to vote at the meeting on or about October 14, 2005.

Purpose of Special Meeting

As described above, the purpose of the Special Meeting is to obtain approval for the proposals and such other business as may properly come before the meeting, including any adjournment or postponement thereof.

Vote Required

With respect to Proposal One, votes may be cast in favor of or withheld from each director nominee. The three nominees receiving the highest number of FOR votes will be elected as directors. This number is called a plurality. Votes that are withheld from any director nominee will be counted in determining whether a quorum has been reached but will not affect the outcome of the vote. Assuming a quorum is present, the affirmative vote of a plurality of the shares of common stock voted and entitled to vote for the election of directors is required for the election of directors. In the election of directors, shareholders are not entitled to cumulate their votes or to vote for a greater number of persons than the number of nominees named in this proxy statement.

With respect to Proposal Two, the affirmative vote of the holders of a majority of the common stock present in person or represented by proxy and entitled to vote on Proposal Two will be required to approve the issuance of the Excess Securities. Pursuant to Nasdaq requirements, shares of common stock issued in the first part of the private placement (*i.e.*, the Firm Shares) are not entitled to vote on Proposal Two.

Record Date and Shares Outstanding

Only shareholders who owned shares of our common stock at the close of business on October 7, 2005, referred to in this Proxy Statement as the Record Date, are entitled to notice of, and to vote at, the Special Meeting. In addition, pursuant to Nasdaq requirements, shares of common stock issued in the first part of the private placement transaction (*i.e.*, the Firm Shares) are not entitled to vote on Proposal Two. Therefore, each share of common stock outstanding on the Record Date (other than the Firm Shares) is entitled to one vote on Proposal Two. As of October 7, 2005, 34,635,247 shares of Zix s common stock were outstanding and entitled to vote on Proposal Two.

Revocability of Proxies

You may revoke your Proxy at any time before it is exercised. Execution of the Proxy will not in any way affect your right to attend the Special Meeting in person. Revocation may be made prior to the meeting by written revocation or through a duly executed proxy bearing a later date sent to Zix Corporation, Attention: Ronald A. Woessner, Secretary, 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204; or your

Proxy may be revoked personally at the Special Meeting by written notice to the Secretary at the Special Meeting prior to the voting of the Proxy. Any revocation sent to Zix must include the shareholder's name and must be received prior to the meeting to be effective.

How Your Proxy Will Be Voted

In the absence of specific instructions to the contrary, shares represented by properly executed proxies received by Zix, including unmarked proxies, will be voted to approve the proposals. In addition, if any other matters properly come before the meeting, it is the intention of the persons named in the enclosed Proxy to vote the shares they represent as directed by the Board of Directors. We have not received notice of any other matters that may properly be presented at the Special Meeting.

Quorum

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Zix's common stock entitled to vote at the Special Meeting is necessary to constitute a quorum at the Special Meeting. As there were 40,937,565 shares outstanding and entitled to vote at the Special Meeting as of the Record Date, we will need at least 20,468,783 shares present in person or by proxy at the Special Meeting for a quorum to exist.

Dissenters' Rights

Under Texas law, shareholders are not entitled to dissenters' rights with respect to the proposals.

Voting

Tabulation

Votes of shareholders entitled to vote who are present at the Special Meeting in person or by proxy and abstentions are counted as present or represented at the meeting for purposes of determining whether a quorum exists. For Proposal One, the three nominees receiving the highest number of FOR votes will be elected as directors. For Proposal Two, the affirmative vote of a majority of the shares of common stock entitled to vote and present in person or represented by proxy at the Special Meeting is necessary for approval.

Abstentions

Abstentions occur when a shareholder entitled to vote and present in person or represented by proxy affirmatively votes to abstain. Votes in abstention are considered present for purposes of calculating a quorum but do not count as a vote FOR or AGAINST any matter. With respect to Proposal One, a WITHHELD vote will not be counted as a vote FOR or AGAINST the election of directors and will not affect the outcome of the vote. With respect to Proposal Two, while abstentions do not count as a vote FOR or AGAINST this proposal, they will have the same effect as a negative vote on Proposal Two because abstentions will be included in tabulations of the shares of common stock entitled to vote for purposes of determining whether Proposal Two has been approved.

Broker Non-Votes

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have the discretionary voting power with respect to that item and has not received instructions from the beneficial owner. If your shares are held in a brokerage account and you do not vote, your brokerage firm could:

vote your shares, if permitted by the Marketplace Rules of Nasdaq; or

leave your shares unvoted.

Under applicable rules, brokers who hold shares in street name have the authority to vote in favor of the election of the directors if they do not receive contrary voting instructions from beneficial owners. Brokers who

hold shares in street name do not have the authority to vote in favor of Proposal Two, relating to the issuance of the Excess Securities, without receiving instructions from the beneficial owner of the shares. Under applicable law, if a broker has not received voting instructions with respect to certain shares and gives a proxy for those shares, but does not vote the shares on a particular matter, those shares will not affect the outcome of the vote with respect to that matter. In accordance with our Restated Bylaws, such broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of votes cast with respect to a proposal. Therefore, broker non-votes will not be included in the tabulation of the voting results and will have no effect with respect to the approval of the proposals being considered at the meeting.

Solicitation of Proxies

This solicitation is being made by mail on behalf of our Board of Directors. We will bear the expense of the preparation, printing and mailing of the enclosed Proxy, Notice of Special Meeting and this Proxy Statement and any additional material relating to the meeting that may be furnished to our shareholders by our Board subsequent to the furnishing of this Proxy Statement. We have engaged Georgeson Shareholder to assist in the solicitation of proxy materials from shareholders at a fee of approximately \$17,000 plus reimbursement of reasonable out-of-pocket expenses. Proxies may also be solicited without additional compensation by our officers or employees by telephone, facsimile transmission, e-mail or personal interview. We will reimburse banks and brokers who hold shares in their name or custody, or in the name of nominees for others, for their out-of-pocket expenses incurred in forwarding copies of the proxy materials to those persons for whom they hold such shares. To obtain the necessary representation of shareholders at the meeting, supplementary solicitations may be made by mail, telephone, facsimile transmission, e-mail or personal interview by our officers or employees, without additional compensation, or selected securities dealers. We anticipate that the cost of such supplementary solicitations, if any, will not be material.

Shareholders Proposals

If you would like to submit a proposal to be included in next year's annual proxy statement, you must submit your proposal in writing so that we receive it no later than December 16, 2005. We will include your proposal in our next annual proxy statement if it is a proposal that we would be required to include in our proxy statement pursuant to the rules of the SEC. Under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act), proposals of shareholders must conform to certain requirements as to form and may be omitted from the proxy materials in certain circumstances. To avoid unnecessary expenditures of time and money, you are urged to review this rule and, if questions arise, consult legal counsel prior to submitting a proposal to us.

The SEC rules also establish a different deadline for submission of shareholder proposals that are not intended to be included in our next annual proxy statement. If a shareholder intends to submit a proposal at the next annual meeting of shareholders and the proposal is not intended to be included in our proxy statement relating to such meeting, the shareholder must have given proper notice no later than March 1, 2005. If a shareholder gives notice of such a proposal after the deadline, the proxy holders will be allowed to use their discretionary voting authority to vote against the shareholder proposal when and if the proposal is raised at the next annual meeting.

All notices of proposals, whether or not to be included in our proxy materials, should be directed to our Secretary, Ronald A. Woessner, at our principal executive offices at 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204-2960.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders and enclosing

separate proxy cards for each shareholder. This process, which is commonly referred to as householding, potentially eliminates some duplicative mailings to shareholders and reduces our mailing costs.

For this Special Meeting, a number of brokers with account holders who are shareholders of Zix will be householding our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Zix Corporation, Attention: Ronald A. Woessner, Secretary, 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204 or contact Ronald A. Woessner at (214) 370-2000. Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

**PROPOSAL ONE:
ELECTION OF DIRECTORS**

We will vote on the election of three members of our Board of Directors at the Special Meeting. Each director will serve until the next annual meeting of shareholders and until the director's successor is duly elected and qualified, unless earlier removed in accordance with our Restated Bylaws. Officers serve at the discretion of our Board of Directors.

The Company proposes to increase the number of members of our Board of Directors by electing Mr. Robert C. Hausmann to our Board of Directors. Mr. Hausmann has substantial financial and accounting business experience and we believe he would be a valuable addition to our Board of Directors. Since our last annual meeting of shareholders, held in May 2005, Charles Chip Kahn III and Paul E. Schlosberg were elected to our Board of Directors by vote of our directors, as permitted under Texas law and our Restated Bylaws. A vote of our shareholders is required to elect Mr. Hausmann to our Board of Directors because Texas law permits the election of no more than two persons to a company's Board of Directors between annual meetings of that company's shareholders. In addition, under Texas law, Messrs. Kahn and Schlosberg's terms as directors extend only until the next election of one or more directors by our shareholders. Therefore, our shareholders are being asked to reelect Messrs. Kahn and Schlosberg to our Board of Directors while being asked to initially elect Mr. Hausmann to our Board of Directors. Messrs. Kahn, Schlosberg, and Hausmann will serve until our next annual meeting of shareholders.

The nominees for election to our Board are Robert C. Hausmann, Charles A. Chip Kahn and Paul E. Schlosberg.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR EACH OF THE NOMINEES FOR DIRECTOR SET FORTH ABOVE.

**PROPOSAL TWO:
APPROVAL OF ISSUANCE OF EXCESS SECURITIES**

Background and Reasons for the Private Placement Including the Issuance of the Excess Securities

General

On August 9, 2005, we entered into the Securities Purchase Agreement with the Purchasers, pursuant to which we agreed to sell to the Purchasers an aggregate of 10,503,862 units, each consisting of (i) one share of our common stock, par value \$0.01 per share, and (ii) a related warrant to purchase 0.33 of one share of our common stock. The units were sold for a purchase price of \$2.50 per unit, except in the case of units purchased by our officers and directors, which were sold at a purchase price of \$2.99 per unit. Due to Nasdaq limitations (as described below), we issued only the Firm Securities (consisting of an aggregate of 6,302,318 shares of common stock and related warrants to purchase 2,079,767 shares of our common stock) to the Purchasers at the closing of the Securities Purchase Agreement in exchange for total net proceeds of approximately \$14.67 million.

Assuming Proposal Two is approved, we will issue the Excess Securities and receive approximately \$9.75 million in additional proceeds, net of fees and our expenses (for a total of \$24.42 million in aggregate net proceeds from the private placement transaction). Such fees and expenses (totaling approximately \$1.863 million) include (i) investment banking fees, (ii) legal fees, (iii) accounting fees, (iv) SEC filing fees, and (v) other fees and expenses. We may also receive up to an additional \$10.5 million in aggregate proceeds if and when all warrants issued to the Purchasers in the private placement are exercised in full (assuming an exercise price of \$3.04 and no net exercise of warrants, as described below in *Terms of the Private Placement*).

Board of Directors Determination

In reaching their unanimous decision to approve the private placement, including the issuance of the Excess Securities, and in determining that the private placement was in the best interests of us and our shareholders, our Board of Directors carefully considered many factors, the most important of which are set forth below:

As of June 30, 2005, we had unrestricted cash and cash equivalents of \$7.7 million. Prior to the private placement described in this Proxy Statement, we had taken certain actions to reduce our cash requirements, including cost reductions, sale of two product lines and amendments to the terms of our \$20 million principal amount of convertible notes held by two institutional investors. In addition, the Company has chosen to continue to invest in the eHealth (e-prescription) market, which is a developing market requiring us to make significant cash investments in order to develop the business. Based on this strategic decision to continue investing in the eHealth market, our anticipated cash requirements would have been greater than our balance of unrestricted cash and cash equivalents that were on hand at June 30, 2005.

In June 2005, we engaged a financial advisor and investment bank, C.E. Unterberg, Towbin LLC (*CEUT*), to help us identify financing alternatives. Based on our stock price and the state of the capital markets and the advice of *CEUT*, our management and our Board of Directors agreed that a private placement, structured as a PIPE transaction, targeting private venture capital investors and other institutional investors, had a higher likelihood of success, could be consummated promptly and would provide us better terms than alternative financing transactions.

Given the cash requirements of our business, our Board of Directors determined to proceed with the private placement (including the issuance of the Excess Securities) on the terms contained in the Securities Purchase Agreement.

Use of Proceeds

The proceeds received from the issuance of the Excess Securities will be used to fund operations under our current business model, including to fund the Company's continuing investments in the eHealth (e-prescription) market. In particular, the proceeds will be used in a focused effort to maintain and take advantage of what we believe to be our early mover position in the eHealth market as the market develops and continues to grow.

Terms of the Private Placement

General

The closing of the Securities Purchase Agreement occurred on August 9, 2005. At the closing of the Securities Purchase Agreement, we issued an aggregate of 6,302,318 units (each consisting of one share of common stock and a warrant to purchase 0.33 of one share of our common stock) at a price of \$2.50 per unit, except in the case of units purchased by our officers and directors, which were sold for a purchase price of \$2.99 per unit, for aggregate net proceeds of approximately \$14.67 million. We are requesting in Proposal Two that the shareholders approve the issuance by Zix of the Excess Securities, consisting of an additional 4,201,544 units (totaling 4,201,544 shares of our common stock and warrants exercisable for 1,386,507 additional shares of our common stock at an exercise price of \$3.04 per share) for aggregate net proceeds of approximately \$9.75 million. The sale of common stock and warrants in the private placement is intended to be exempt from the registration requirements of the Securities Act of 1933, as amended, and we expect to rely upon the Regulation D safe harbor provisions. We have set forth below the major terms of the private placement.

To ensure that shareholder approval would not be required for the Firm Securities, the number of Firm Shares was capped at 19.99% of our issued and outstanding shares immediately prior to the execution of the Securities Purchase Agreement. In effecting such cap, we required each participating Purchaser to cut back, on a pro rata basis, the number of shares of common stock and warrants to purchase our common stock that were issued at the closing of the Securities Purchase Agreement, such that the aggregate number of shares of common stock issued at the closing of the Securities Purchase Agreement did not exceed the 19.99% threshold. The funds relating to the Excess Securities were placed into escrow pending shareholder approval of the issuance of the Excess Securities.

The Securities Purchase Agreement and a Form of Warrant are provided for your reference as Annexes A and B, respectively, to this Proxy Statement. These documents were also included as exhibits to our Form 8-K filed on August 9, 2005, as subsequently amended on August 10, 2005. On August 9, 2005, we also entered into an Escrow Agreement with JPMorgan Chase Bank, N.A., as escrow agent, pursuant to which the funds in respect of the Excess Securities are to be held in escrow pending shareholder approval. The Escrow Agreement was also included as an exhibit to our Form 8-K filed on August 9, 2005.

THIS SUMMARY OF THE TERMS OF THE PRIVATE PLACEMENT IS INTENDED TO PROVIDE YOU WITH BASIC INFORMATION CONCERNING THE TRANSACTION; HOWEVER, IT IS NOT A SUBSTITUTE FOR REVIEWING THE SECURITIES PURCHASE AGREEMENT AND THE FORM OF WARRANT IN THEIR ENTIRETY, WHICH WE HAVE INCLUDED AS ANNEXES A AND B, RESPECTIVELY, TO THIS PROXY STATEMENT. YOU SHOULD READ THIS SUMMARY IN CONJUNCTION WITH THE ANNEXES.

Terms of the Securities Purchase Agreement Applicable to the Issuance of the Excess Securities

Excess Securities to be Issued to Purchasers. Subject to obtaining the approval of our shareholders, we will issue an additional 4,201,544 shares of common stock and related warrants to purchase 1,386,507 shares of common stock, for an aggregate purchase price of approximately \$10.5 million (\$9.75 million net of transaction expenses). We have agreed to issue the Excess Securities as units, each consisting of one share of common stock and a warrant to purchase 0.33 of one share of common stock, at a purchase price of \$2.50 per unit (except in the case of units issued to our officers and directors, which we have agreed to issue for a

purchase price of \$2.99 per unit). The warrants may be exercised at any time from February 9, 2006 through August 9, 2010 at an exercise price of \$3.04 per share. We currently expect the issuance of such Excess Securities to take place promptly following this Special Meeting.

Special Meeting Obligations. Under the Securities Purchase Agreement, we are required to seek, and use our best efforts to obtain, our shareholders' approval of the issuance of the Excess Securities on or before November 22, 2005 (the 105th day following the closing of the Securities Purchase Agreement). In satisfying such obligations, we are required to call the Special Meeting and were required to prepare and file a preliminary form of this Proxy Statement no later than 30 days after the closing date of the Securities Purchase Agreement. Our Board of Directors has also agreed to recommend approval of the issuance of the Excess Securities by our shareholders. Under the Securities Purchase Agreement, we agreed to mail and distribute this Proxy Statement to our shareholders at least 30 days prior to the date of the Special Meeting, actively solicit proxies to vote for Proposal Two and retain a proxy solicitation firm to assist in the solicitation.

Registration Obligations and Liquidated Damages. No later than 30 business days after the closing of the Securities Purchase Agreement (the Required Filing Date), we were required, at our expense, to file with the Securities and Exchange Commission (the SEC) a registration statement with respect to the resale of the shares of common stock (A) issued pursuant to the private placement (including the Firm Shares and the Excess Shares), and (B) issuable upon exercise of the warrants issued pursuant to the private placement (including the Firm Warrants and the Excess Warrants). We are required to use commercially reasonable efforts to cause such registration statement to be declared effective by the SEC no later than the 120th day following the closing date of the Securities Purchase Agreement (or if we receive notification from the SEC that the registration statement will receive no action or review from the SEC, within five business days after such notification) (the Required Effective Date), and, subject to our right to suspend the resale of stock under the registration statement in certain circumstances, we are required to maintain the effectiveness of this registration statement until the earlier of (1) the second anniversary of the effective date of the registration statement, (2) the date on which all such shares have been sold thereunder or (3) the date on which all such shares become eligible for resale pursuant to Rule 144(k) promulgated under the Securities Act of 1933, as amended (the Securities Act); provided, however, that if any Purchaser is an affiliate of Zix (as defined in Rule 144(a)(1) of the Securities Act) on the second anniversary of the effective date of the registration statement, the applicable time period to maintain the effectiveness of the registration statement will be the third anniversary of the effective date of the registration statement. If the registration statement (a) is not declared effective by the Required Effective Date or (b) once effective, ceases to be effective and available to the Purchasers in the private placement for any continuous period that exceeds 15 days, Zix is required to pay the investors in the private placement a cash payment as liquidated damages and not as a penalty. This cash payment is calculated as 1% per month (pro-rata on a 30 day basis) of the aggregate purchase price paid by the Purchasers in the private placement (or, in the case of a lapse of effectiveness of the registration statement for any continuous period that exceeds 15 days, 1% per month (pro rata on a 30 day basis) of the total purchase price of the purchased securities purchased and still held by the Purchasers).

Terms of the Warrants

Exercise Period. Each of the Excess Warrants to be issued in the private placement will be exercisable from February 9, 2006 through August 9, 2010 and can be exercised in cash or, in certain situations, pursuant to a net exercise provision (as described below).

Methods of Exercise. The warrants may be exercised in cash at all times during the exercise period, whereby the holders of the warrants deliver the certificates representing the warrants to Zix and the then-applicable exercise price for the warrants in exchange for the shares issuable thereunder. In addition, the warrants contain a net exercise provision. If there is no effective registration statement registering the resale of the shares issuable upon exercise of the warrants, the net exercise provision allows the holder to receive shares of common stock equal to the value of the warrant without paying the exercise price in cash, but rather with the shares underlying the warrant.

Exercise Price, Adjustment to Exercise Price and Number of Shares. The exercise price of the Warrants is initially \$3.04 per share. The exercise price of, and the number of shares issuable pursuant to, the warrants are subject to customary anti-dilution adjustments in certain events, including certain mergers, consolidations, sales of substantially all of the assets of Zix, subdivision or combination of shares of Zix, stock dividends and other distributions of Zix.

Registration Rights. The warrants and the shares of our common stock issuable upon exercise of the warrants are not registered under the Securities Act or any state securities laws. Zix has granted registration rights to the Purchasers for the shares of common stock issuable upon the exercise of the warrants. Such registration rights are described in more detail above under the heading *Terms of the Securities Purchase Agreement Applicable to the Issuance of the Excess Securities* *Registration Obligations and Liquidated Damages* above on page 14.

Terms of the Escrow Agreement

Pursuant to the Escrow Agreement entered into as of August 9, 2005, between us and JPMorgan Chase Bank, N.A., as escrow agent, approximately \$10.5 million of funds relating to the Excess Securities to be issued to the Purchasers under the Securities Purchase Agreement were placed into escrow pending approval by our shareholders of the issuance of the Excess Securities to the Purchasers. While held in escrow, the escrowed funds will accrue interest, payable by us, at a rate of 7.0% per annum.

If our shareholders approve the consummation of the issuance of the Excess Securities, we will receive the escrowed funds in exchange for the issuance of the Excess Securities. If our shareholders do not approve such issuance, the funds will be returned to the Purchasers. Under the terms of the Securities Purchase Agreement and the Escrow Agreement, we will be required to pay the required interest amount to the Purchasers whether or not shareholder approval is obtained.

Conditions to Consummating the Issuance of the Excess Securities

Under the terms of the Securities Purchase Agreement that govern the private placement, our obligation to issue the Excess Securities pursuant to the private placement is subject only to the condition that our shareholders approve the issuance of such securities.

Shareholder Approval and Nasdaq National Market Rules

We are subject to the rules of the Nasdaq Stock Market, Inc. because our common stock is listed on the Nasdaq National Market. These rules require us to obtain shareholder approval for any issuance or sale of common stock, or securities convertible into or exercisable for common stock, that is (i) equal to 20% or more of our outstanding common stock before such issuance or sale and (ii) at a price per share below the greater of book or market value at the time of such issuance or sale. These rules apply to the Excess Shares because:

the purchase price of the units (each consisting of one share of common stock and a warrant to purchase 0.33 of one share of our common stock) issued and sold at the closing of the Securities Purchase Agreement, and that we intend to issue and sell following shareholder approval, is \$2.50 per unit (except for units purchased by certain of our officers and directors, which were sold or will be sold at a purchase price of \$2.99 per unit), which is below \$2.94 per share, the closing price of our common stock on Nasdaq on August 8, 2005, the last day our common stock traded on Nasdaq before we entered into the Securities Purchase Agreement; and

the shares of common stock that we have issued or intend to issue and sell pursuant to the Securities Purchase Agreement (including the Excess Shares) will comprise, in total, approximately 32.25% of the shares of our common stock outstanding immediately prior to August 9, 2005.

For the above reasons, we are required under Nasdaq National Market rules to obtain shareholder approval prior to issuing and selling the Excess Securities.

Dilutive Effect

Our shareholders will incur immediate and significant dilution of their percentage of stock ownership in Zix if Proposal Two is approved and the Excess Securities are issued. This means that our current shareholders will own a smaller percentage interest in Zix as a result of the issuance of the Excess Securities.

The table below illustrates the incremental impact that the issuance of the Excess Securities will have upon the number of shares of our common stock outstanding (assuming no additional issuances of shares of our common stock):

	Number of Shares Outstanding Prior to Issuance	Shares	Warrants*
Issuance of Firm Securities on August 9, 2005:	32,573,744 (As of August 8, 2005)	6,302,318 (Firm Shares)	2,079,767 (Firm Warrants)
Issuance of Excess Securities:	38,876,062 (After issuance of Firm Shares)	4,201,544 (Excess Shares)	1,386,507 (Excess Warrants)

* The Firm Warrants and Excess Warrants reflected in this table are not exercisable until February 9, 2006.

Shareholders immediately prior to the issuance of the Excess Securities will incur dilution in their percentage ownership of our common stock upon the consummation of the issuance of the Excess Shares, of approximately 9.75%, or 12.01% assuming exercise in full of the Firm Warrants and the Excess Warrants.

Interests of Certain Persons in the Issuance of the Excess Securities

Some of the Purchasers in the private placement are officers and directors of Zix. Units issued to our officers and directors in the private placement were sold for a purchase price of \$2.99 per unit (each unit consisting of one share of common stock and a warrant to purchase up to 0.33 of one share of our common stock), which is equal to (i) \$2.94 per share, the closing market price of one share of our common stock on August 8, 2005 (the day immediately prior to the closing of the Securities Purchase Agreement) plus (ii) \$0.05 attributable to the warrant to purchase 0.33 of one share of our common stock (or approximately an additional \$0.125 per whole share of our common stock as required under Nasdaq rules). All other Purchasers in the private placement purchased units at a price of \$2.50 per unit. The following table sets forth the beneficial ownership of each such officer and/or director who is participating in the private placement in our common stock immediately prior to the issuance of the Excess Securities, the number of Excess Shares and Excess Warrants that such officer and/or director will own after the issuance of the Excess Securities, and the beneficial ownership of such officer and/or director immediately following the issuance of the Excess Securities:

Section 16(a) Beneficial Ownership Reporting Compliance

Under the securities laws of the U.S., our directors, officers and any beneficial owner of more than 10% of our outstanding common stock (collectively, "insiders") are required to report their initial ownership of our common stock and any subsequent changes in their ownership to the SEC. The SEC's rules require insiders to provide us with copies of all reports that the insiders file with the SEC pursuant to Section 16(a) of the Exchange Act. Specific due dates have been established by the SEC, and we are required to disclose any failure to file by those dates. Based upon our review of filings with the SEC and written representations that no other reports were required to be filed, we believe that our insiders complied with all Section 16(a) filing requirements applicable to them during 2004, with the exception of the following. During 2004, Messrs. Keane and Marston and Dr. Streetman failed to timely file one Form 4 with respect to the automatic grant of director stock options and Mr. Spurr failed to timely file one Form 4 with respect to a grant of stock options. In all cases, the filings were promptly made as soon as the oversight was discovered. In addition, based upon our review of filings with the SEC, we believe that our insiders have complied with all Section 16(a) filing requirements applicable to them through August 31, 2005.

CORPORATE GOVERNANCE

We are in compliance with the current corporate governance requirements imposed by the Sarbanes-Oxley Act of 2002 and the Nasdaq Marketplace Rules. We will continue to modify our policies and procedures to ensure compliance with developing standards in the corporate governance area. Set forth below is information regarding the meetings of our Board during the calendar year 2004, a description of the standing committees of our Board and additional highlights of our corporate governance policies and procedures.

What members of our Board are independent within the meaning of applicable rules and regulations?

Our Board has formally determined that Messrs. Keane, Marston and Sanchez III and Dr. Streetman each qualify as independent in accordance with the published listing requirements of Nasdaq. The Nasdaq independence definition includes a series of objective tests, such as that the director is not an employee of the company and has not engaged in various types of business dealings with the company. In addition, as further required by the Nasdaq rules, our Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. We expect that the Board will formally determine that each of Messrs. Hausmann, Kahn and Schlosberg are also independent directors under the Nasdaq rules.

In addition, as required by Nasdaq rules, the members of the Audit Committee each qualify as independent under special standards established by the SEC for members of audit committees. The Audit Committee also includes at least one independent member who is determined by our Board to meet the qualifications of an audit committee financial expert in accordance with SEC rules, including that the person meets the relevant definition of an independent director. Mr. Keane is the independent director who has been determined to be an audit committee financial expert. Shareholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Keane's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Mr. Keane any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and our Board, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or our Board. Our Board has also determined that each Audit Committee member has sufficient knowledge in reading and understanding the company's financial statements to serve on the Audit Committee.

How do our Board and its committees work?

Our business is managed under the direction of our Board of Directors. Our Board presently consists of eight members. The Board meets during the year to review significant developments and to act on matters requiring Board approval. The Board met on seven occasions during the year ended December 31, 2004 and has met on 13 occasions during 2005 through August 31, 2005. Each of the current directors attended at least 75% of all meetings of our Board called during the time he served as a director in the past fiscal year and during 2005 (through August 31, 2005). Each of the current directors attended at least 75% of all meetings of each committee of our Board on which he served in the past fiscal year and during 2005 (through August 31, 2005).

What is the role of our Board's committees?

Our Board has a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee to devote attention to specific subjects and to assist our Board in discharging its responsibilities.

Audit Committee

Our Audit Committee is currently comprised of Michael E. Keane, James S. Marston and Dr. Ben G. Streetman and is chaired by Mr. Keane. Our Board has determined that all three members of the Audit Committee satisfy the independence and other requirements for audit committee membership required by the

Marketplace Rules of Nasdaq and the SEC. Our Board has also determined that Mr. Keane qualifies as a financial expert. The function of the Audit Committee is described below under the heading **REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS**. The Audit Committee operates under a written charter adopted by our Board that is available on our Website at www.zixcorp.com under the heading Corporate Governance. The Audit Committee met on ten occasions during the year ended December 31, 2004 and has met on six occasions in 2005 through August 31, 2005. The information regarding the audit charter and committee independence shall not be deemed to be incorporated by reference in any filing by us under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, except to the extent that we specifically incorporate this information by reference.

Independent Auditor Fee Information

On April 27, 2004, our Audit Committee requested management to solicit proposals from several independent registered accounting firms for professional services relating to the audit of our financial statements. On June 16, 2004, we engaged Deloitte as our independent registered public accounting firm to audit our financial statements for 2004, subject to Deloitte's satisfactory completion of its client acceptance procedures. On June 16, 2004, we also notified Ernst & Young LLP (E&Y), our independent auditors for the year ended December 31, 2003 and previous years, of our election to dismiss E&Y as our independent auditors. The foregoing was approved by our Audit Committee.

The reports of E&Y on our financial statements for the years ended December 31, 2002 and 2003 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with its audits of our financial statements for the years ended December 31, 2002 and 2003 and through June 16, 2004, (i) there were no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to E&Y's satisfaction, would have caused E&Y to make reference to the subject matter of the disagreements in connection with its reports; and (ii) there were no reportable events as described in Item 304(a)(1)(v) of the SEC's Regulation S-K. E&Y agrees with the foregoing disclosures as evidenced by their letter addressed to the SEC. See our Current Report on Form 8-K, dated June 23, 2004, for a copy of such letter.

During the years ended December 31, 2002 and 2003, and through June 16, 2004, Deloitte has not been engaged as an independent accountant to audit either our financial statements or any of our subsidiaries, nor have we or anyone acting on our behalf consulted with Deloitte regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements; or (ii) any matter that was the subject of a disagreement or reportable event as set forth in Item 304(a)(2)(ii) of Regulation S-K.

Deloitte has, however, conducted the American Institute of Certified Public Accountants (AICPA) and Canadian Institute of Chartered Accountants (CICA) SysTrust™ certification examinations of our ZixSecure Center™ and related ZixMessage Center™ functions. We received our initial SysTrust certification from Deloitte in May 2003, and Deloitte concluded its latest SAS-70 examination in May 2004. The SysTrust certification examination signifies that a company has effective system controls and safeguards that meet pre-defined principles and criteria related to issues such as security, availability, processing integrity and confidentiality. A SAS-70 examination signifies that an organization has had its control objectives examined by an independent accounting and auditing firm.

Following is a summary of E&Y and Deloitte's fees for the years ended December 31, 2003 and 2004, respectively:

Audit Committee Pre-Approval Policy

Our Audit Committee is required to pre-approve the audit and non-audit services to be performed by our independent auditor in order to assure that the provision of such services does not impair the auditor's independence. Annually, our independent auditor will present to our Audit Committee services expected to be performed by the independent auditor over the next 12 months. Our Audit Committee will review and, as it deems appropriate, pre-approve those services. The services and estimated fees are to be presented to our Audit Committee for consideration in the following categories: Audit, Audit-Related, Tax and All Other (each as defined in Schedule 14A of the Exchange Act). For each service listed in those categories, our Audit Committee is to receive detailed documentation indicating the specific services to be provided. The term of any pre-approval is 12 months from the date of pre-approval, unless our Audit Committee specifically provides for a different period. Our Audit Committee will review, on at least a quarterly basis, the services provided to date by the independent auditor and the fees incurred for those services. Our Audit Committee may also revise the list of pre-approved services and related fees from time-to-time, based on subsequent determinations. All of the services provided by the independent auditor were approved by our Audit Committee and such services were performed by full-time, permanent employees of the independent auditor.

Compensation Committee

Our Compensation Committee is currently comprised of Messrs. Keane and Marston and Dr. Streetman and is chaired by Mr. Marston. Our Board has determined that each member of the Compensation Committee qualifies as independent in accordance with the published listing requirements of Nasdaq. The Compensation Committee operates under a written charter that is available on our Website at www.zixcorp.com under the heading Corporate Governance. Under the charter, the Compensation Committee's primary responsibilities are to: (i) establish the Company's overall management compensation philosophy and policy; (ii) make recommendations to our Board with respect to corporate

goals and objectives with respect to compensation for our executive officers, including our Chief Executive Officer; (iii) make recommendations to our Board with respect to our executive officers' annual compensation, including salary, bonus and incentive and equity compensation; and (iv) administer our incentive compensation programs and other equity-based compensation plans. The Compensation Committee met once during the year ended December 31, 2004 and has not met in 2005 through August 31, 2005.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is currently comprised of Messrs. Keane and Marston and Dr. Streetman and is chaired by Dr. Streetman. Our Board has determined that each member of the Nominating and Corporate Governance Committee qualifies as independent in accordance with the published listing requirements of Nasdaq. The Nominating and Corporate Governance Committee operates under a written charter that is available on our Website at www.zixcorp.com under the heading Corporate Governance. Under the charter, the committee's principal responsibilities include: (i) identifying individuals qualified to become members of our Board and recommending candidates for reelection as directors; (ii) developing and recommending to the Board a set of corporate governance principles applicable to our company; and (iii) taking a leadership role in shaping the corporate governance of our company, including the composition of our Board and its committees. The Nominating and Corporate Governance Committee, formed in March 2004, did not meet during the year ended December 31, 2004 as the independent directors of our Board performed the functions of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee has not met in 2005 through August 31, 2005. However, our full Board of Directors, including all members of the Nominating and Corporate Governance Committee, has approved the nominations of Messrs. Hausmann, Kahn and Schlosberg to serve as members of our Board of Directors.

The Nominating and Corporate Governance Committee will consider director nominees recommended by our shareholders. Shareholders desiring to submit nominations for Board members to be included in next year's proxy statement should forward them no later than December 5, 2005 to Ronald A. Woessner, Secretary, at our principal executive offices at 2711 North Haskell Avenue, Suite 2200, LB 36, Dallas, Texas 75204-2960. See **How does our Board select nominees for the Board?** below for further information. The final selection of director nominees is within the sole discretion of our Board.

How does our Board select nominees for the Board?

The Nominating and Corporate Governance Committee has a policy with respect to the consideration of director candidates recommended by shareholders. The policy provides that any shareholder of record who is entitled to vote for the election of directors at a meeting called for that purpose may nominate persons for election to our Board of Directors, subject to the following requirements.

The Nominating and Corporate Governance Committee's process for identifying and evaluating director candidates is as follows:

The Chairman of our Board, the Nominating and Corporate Governance Committee or other Board members identify the need to add new members to the Board with specific criteria or to fill a vacancy on the Board.

The Chair of the Nominating and Corporate Governance Committee initiates a search, working with staff support and seeking input from the members of the Board and senior management, and hiring a search firm, if necessary.

The Nominating and Corporate Governance Committee identifies an initial slate of candidates, including any recommended by shareholders and accepted by the Nominating and Corporate Governance Committee, after taking account of the Director Qualification Criteria.

The Nominating and Corporate Governance Committee determines if any Board members have contacts with identified candidates and if necessary, uses a search firm.

The Chairman of the Board, the Chief Executive Officer and at least one member of the Nominating and Corporate Governance Committee interview prospective candidate(s).

The Nominating and Corporate Governance Committee keeps the Board informed of the selection progress.

The Nominating and Corporate Governance Committee meets to consider and approve final candidate(s).

These procedures do not create a contract between our company, on the one hand, and a company shareholder(s) or a candidate recommended by a shareholder(s), on the other hand. We reserve the right to change these procedures at any time, consistent with the requirements of applicable law, rules and regulations.

The Nominating and Corporate Governance Committee presents selected candidate(s) to the Board and seeks full Board endorsement of such candidate(s). There is no third party that we pay to assist in identifying or evaluating potential director nominees.

(1) A description of the material terms of our equity arrangements that have not been approved by our shareholders follows.

Richard D. Spurr

In February 2004, Mr. Spurr received options to acquire 650,000 shares of our common stock at an exercise price of \$10.80 per share. As of December 31, 2004, all vested options remained unexercised. For additional information regarding these options, see **REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION** below.

John A. Ryan

In November 2001, we entered into a two-year employment agreement with Mr. Ryan that expired in November 2003. At the inception of Mr. Ryan's employment, he received options to acquire 1,000,000 shares of our common stock at an exercise price of \$5.24 per share that became fully vested in November 2003 pursuant to the John Ryan 2001 Stock Option Agreement Plan. As of December 31, 2004, all of these options remained unexercised.

Other Non-Shareholder Approved Executive Stock Option Agreements

In 2001 and 2002, options to purchase 450,000 shares of our common stock were granted to key company executives. The options have exercise prices ranging from \$4.52 to \$5.25 and vest through March 2005. At December 31, 2004, 216,561 shares remained outstanding, of which 99,373 subsequently expired.

Cook Employee Transferred Options

David P. Cook, a former director and former executive officer of our company, received an option in 1998 to acquire 4,254,627 shares of our common stock at an exercise price of \$7.00 per share pursuant to the AMTC [Zix] Corporation Stock Option Agreement. Mr. Cook reallocated 807,127 of his option shares (we refer to them as the Cook Employee Transferred Options) to certain of our current and former employees and a former director. Of the 807,127 Cook Employee Transferred Options, 182,100 shares remained outstanding as of December 31, 2004. These shares are governed by plan arrangements that are substantially the same as (if not identical to) the provisions of our 2004 Stock Option Plan. The exercise prices of the Cook Employee Transferred Options range from \$7.00 to \$9.50, and they are all currently vested. All remaining unallocated stock options granted to Mr. Cook in 1998 were either exercised or expired in 2004.

Other Non-Shareholder Approved Stock Option Agreements

From time-to-time, we may grant stock options to consultants, contractors and other third parties for services provided to our company. At December 31, 2004, options outstanding under non-shareholder approved arrangements to non-employees were 70,000.

Other Option Grants

As of December 31, 2004, 167,171 and 343,200 shares of our common stock were reserved for issuance upon exercise of outstanding stock options granted to employees under our 2001 Employee Stock Option Plan and 2003 New Employee Stock Option Plan, respectively. The terms of these stock option plans and plan arrangements are substantially the same as (if not identical to) the provisions of our 2004 Stock Option Plan. The exercise price of all of these options is the fair market value of our common stock on the date of grant, and the vesting periods range from immediately vested to vesting annually and pro-rata over three years.

Other Stock Grants

As of December 31, 2004, 72,746 shares were available for issuance under our 2003 Stock Compensation Plan to certain employees for the payment of various compensation elements, of which 3,245 were available for grant as of March 14, 2005. The 2003 Stock Compensation Plan allows us to use our common stock to pay salary, bonus and commission compensation payable to our employees and former employees. Since the inception of the 2003 Stock Compensation Plan, 527,254 shares have been issued at an average price of \$6.19. These shares are not included in the table above.

Employment and Severance Agreements with Certain Executive Officers

See **REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION** for a discussion of the employment arrangements relating to Mr. Spurr, our Chief Executive Officer, President and Chief Operating Officer, and Mr. Ryan, our Chairman and former Chief Executive Officer.

We are a party to severance agreements with Messrs. Almond, Robertson, Spurr and Woessner which provide for the payment of six months in the case of Messrs. Almond and Robertson; 12 months in the case of Mr. Spurr; and 18 months in the case of Mr. Woessner; of each of their base salaries in the event each has good reason (as defined) to resign his employment or if his employment is terminated other than for cause (as defined). Mr. Woessner's severance agreement also provides for the payment to him of two times his annual base salary if his employment terminates after a change in control (as defined) of our company, as well as confidentiality and stock option acceleration provisions.

How are our Board members paid?

Standard Arrangements

Under our 2004 Directors' Stock Option Plan, on the day a non-employee director is first appointed or elected to our Board of Directors, such director is granted nonqualified options to purchase 25,000 shares of our common stock, which vest six months from the grant date with an exercise price equal to 100% of our common stock price on the grant date. Also, in January of each year (beginning January 2005), each director who has served on our Board at least six months receives a further grant of options equal to the *greater* of (i) one-half of one percent of the number of our outstanding shares (measured as of the immediately preceding December 31) or (ii) 200,000 shares, divided by the *greater* of (a) five or (b) the number of non-employee directors who have served on our Board of Directors for at least six months as of the grant date.

In January 2004, under the former (now expired) Zix Corporation 1999 Directors' Stock Option Plan (1999 Plan), Messrs. Keane and Marston and Dr. Streetman received, in the aggregate, options to purchase 249,876 shares of our common stock at an exercise price of \$9.86 per share. In May 2004, Mr. Sanchez III received 50,000 option shares at an exercise price of \$8.89 per share under the newly adopted 2004 Directors' Stock Option Plan, concurrent with the adoption of such plan by our shareholders, as he had not been eligible to receive any option shares in January 2004 under the 1999 Plan. The directors' stock options vest quarterly and pro-rata over three years from the grant date. The exercise price for these options is 100% of our common stock price on the grant date. We reimbursed our directors for expenses they incurred attending our Board or committee meetings.

In addition to the options described above, we began paying our non-employee directors cash fees in 2004 as follows:

Cash payment of \$2,000 per meeting per director for attendance in person at Board meetings,

Cash payment of \$1,000 per meeting per director for attendance at telephonic Board meetings,

Annual cash payment of \$5,000 per director for serving as Chair of a Board committee (assuming attendance of at least two-thirds of the meetings), and

Annual cash payment of \$2,000 per director for serving as a member (*i.e.*, not the Chair) of a Board committee (assuming attendance of at least two-thirds of the meetings).

Certain Relationships and Related Transactions

Todd R. Spurr, the son of Richard D. Spurr, our Chief Executive Officer, President and Chief Operating Officer, is employed as an Account Executive in our Sales Department. Todd Spurr's compensation is comprised of a base salary and commissions.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised of three independent directors, Michael E. Keane, James S. Marston and Dr. Ben G. Streetman, who served on the committee during the year ended December 31, 2004. None of Messrs. Keane or Marston or Dr. Streetman is or was an officer or employee of our company or any of our subsidiaries. The committee met on one occasion during the year ended December 31, 2004. We have no executive officers who serve as a member of a board of directors or compensation committee of any

other entity that has one or more executive officers serving as a member of our Board or Compensation Committee.

REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee (the Committee) of the Board of Directors of Zix Corporation (the Company) administers the Company's equity based incentive plans and recommends for the Board of Director's approval the salaries and annual bonuses for executive officers. Comprised entirely of independent, non-employee directors of the Company, the Committee met one time in 2004.

Compensation Philosophy

The Company's executive officers' compensation packages typically consist of salary, bonus and stock options. The Company's compensation philosophy is to set its executive officers' salary and bonus compensation by reference to each executive's position with the Company and to the compensation of executives in similar positions at comparable companies. Bonus compensation is typically based on the Company's performance versus specific performance objectives and can constitute a significant portion of an executive's annual compensation. As a result, an executive's compensation depends in large part on their contribution to the success of the Company. Similarly, stock options are awarded by the Committee as a means of attracting potential executives to accept employment with the Company, and to align the interests of the executive officers with the Company's shareholders.

Former Chief Executive Officer Compensation

At December 31, 2004, the Company's Chief Executive Officer (CEO) was John A. Ryan, a position he held since November 2001. In February 2005, Mr. Ryan resigned as the Company's CEO. Mr. Ryan remains the Company's Chairman. Mr. Ryan's bonus opportunity for 2004 was tied to the attainment of defined corporate objectives. The Company's budget for calendar year 2004 called for a significant increase in orders and revenues, compared to calendar year 2003. Had the budgeted increase in orders and revenues been fully realized, the Company would have paid bonuses to its eligible executives, including Mr. Ryan, at 100% of the targeted bonus amounts. The Company achieved, on average, 44% of the 2004 budgeted increase in orders and revenues. Thus, the Company paid bonuses to its executives at 44% of the targeted amounts, or \$88,800 in the case of Mr. Ryan.

Inasmuch as a substantial portion of Mr. Ryan's compensation while he served as CEO consisted of the stock options granted to him in 2001, and Mr. Ryan's 2004 cash bonus opportunity was tied to the achievement of defined objectives, the Committee believes that his interests were aligned precisely with those of the Company's shareholders. The Company believes that Mr. Ryan's employment arrangement while he served as CEO was appropriate in light of his demonstrated prior success at Entrust in building its customer base and achieving significant revenue growth.

Mr. Ryan's current employment arrangement provides for an annual salary of \$120,000.

Current Chief Executive Officer Compensation

In January 2004, the Company entered into a one-year employment agreement with Mr. Spurr, who is now the Company's CEO, President and Chief Operating Officer. The agreement, which expired February 1, 2005, provided for a \$250,000 annual salary, plus a potential quarterly cash bonus of \$50,000 as described below. Mr. Spurr also received a signing bonus in 2004 of 3,823 shares of common stock (valued at \$50,000). In February 2004, Mr. Spurr received options to acquire 650,000 shares of common stock at an exercise price of \$10.80 per share. Mr. Spurr also received two additional grants of options to acquire 350,000 shares of common stock in November 2004 and March 2005, at exercise prices of \$6.00 and \$3.78, respectively. Of the 1,350,000 options currently granted to Mr. Spurr, 763,255 of these options were vested as of September 30, 2005. The balance of the options granted to Mr. Spurr in February 2004 are scheduled to vest quarterly (on a pro-rata basis) through January 2007. The balance of the options granted to Mr. Spurr in November 2004 and

March 2005 are scheduled to vest quarterly (on a pro-rata basis) through November 2007 and March 2008, respectively.

In November 2004, Mr. Spurr's salary was increased to \$275,000 to compensate Mr. Spurr for the additional responsibilities he had taken on for the Company. In addition, Mr. Spurr received options to acquire 350,000 shares of common stock at an exercise price of \$6.00 per share. The options vest pro-rata on a quarterly basis over three years from the date of grant.

Mr. Spurr's 2004 employment contract provided for a potential quarterly cash bonus of \$50,000. The payments for the first two quarters were guaranteed, and the payments for the second two quarters were subject to the attainment of defined corporate objectives. Only the bonus amounts for the first two quarters were paid.

In March 2005, Mr. Spurr was appointed CEO of the Company. His base salary was increased to \$300,000, and he is eligible to receive an annual bonus of up to \$200,000, subject to the attainment of corporate objectives specified in a 2005 senior management bonus plan approved by the Board. In connection with his appointment as CEO, Mr. Spurr received options to acquire 350,000 shares of common stock at an exercise price of \$3.78 per share, which vest pro-rata and on a quarterly basis over three years from the date of grant.

The exercise price of all of the options granted to Mr. Spurr, as is the case with option grants to all Company employees, was at or above the market price of the Company's common stock on the date of grant. Mr. Spurr's options will automatically vest 100% in the event of a change in control of the Company or the occurrence of other specified events.

The Committee commissioned a survey of compensation data in connection with establishing the compensation package to be offered to Mr. Spurr in connection with his appointment as the Company's CEO. The data showed that the annual base salaries paid to chief executive officers for companies with annual revenues of less than \$30,000,000 ranged from \$200,000 to \$338,000, and eight out of the 24 companies surveyed paid a base salary of \$300,000 to \$338,000, and another 13 out of the 24 companies surveyed paid a base salary of \$200,000 to \$290,000. The Committee believes that Mr. Spurr's base annual salary of \$300,000, which is the same amount paid to Mr. Ryan while he served as CEO, is reasonable in light of the Company's position and the comparable data.

The Committee believes that the annual bonus opportunity of \$200,000, which is the same annual bonus opportunity Mr. Ryan was eligible to receive while he served as CEO, is reasonable, given that the payment of the actual bonus will be based on corporate objectives that will be specified in a 2005 senior management bonus plan to be developed by the Committee and approved by the Board.

The Committee considered the number of additional stock options, if any, to be granted to Mr. Spurr in connection with his appointment as the Company's CEO. Prior to his appointment as CEO, Mr. Spurr held options to acquire 650,000 shares of the Company's common stock, at an exercise price of \$10.80 per share, and options to acquire an additional 350,000 shares of the Company's common stock, at an exercise price of \$6.00 per share. These options, covering 1,000,000 shares, represented approximately 3.1% of the Company's outstanding shares of common stock. The Committee determined to grant an additional 350,000 options, at an exercise price of \$3.78 per share, to Mr. Spurr in connection with his appointment as CEO. Mr. Spurr's options have an aggregate value, using the Black-Scholes options pricing model, of approximately \$1,700,000. The Committee determined that this was reasonable in light of the approximate Black-Scholes value of \$1,500,000 for the 1,000,000 option shares granted to Mr. Ryan at the time he became the Company's CEO. Furthermore, the 350,000 options have an approximate Black-Scholes value of \$585,000—roughly 1.2 times Mr. Spurr's annual base and potential bonus compensation. The Committee believes that this allocation between cash and equity compensation provides a substantial incentive for Mr. Spurr to work to increase shareholder value. Furthermore, the exercise prices of Mr. Spurr's options are \$3.78, \$6.00 and \$10.80. The \$6.00 and \$10.80 option exercise prices are well above the current market price of the Company's common stock. Thus, Mr. Spurr will not realize any economic benefit from these options unless the price of the Company's common stock increases significantly.

Other Executive Officer Compensation

At December 31, 2004, the Company's other executive officers were Bradley C. Almond, Vice President, Finance and Administration, Chief Financial Officer and Treasurer; Russell J. Morgan, Vice President, Client Services; David J. Robertson, Vice President, Engineering; and Ronald A. Woessner, Senior Vice President, General Counsel and Secretary. Mr. Almond received a \$25,000 increase in pay, effective April 2004, when his job responsibilities increased as a result of a promotion to Vice President of Finance and Administration, Chief Financial Officer and Treasurer, and another \$25,000 increase, effective November 2004. Mr. Morgan's base compensation in 2004 was increased by \$15,000 as he assumed responsibilities for the deployment, retention and training for the Company's e-prescribing products and services in addition to the similar responsibilities he has held for the Company's secure e-messaging products and services. Mr. Robertson received no salary increase in 2004. Mr. Woessner received a \$9,000 increase in pay, effective November 2004, which was the first increase in base salary he received since 2001.

The Company paid bonuses for calendar year 2004 to Messrs. Almond, Morgan, Robertson and Woessner in the respective amounts of \$22,200, \$22,200, \$33,300 and \$22,200. The bonuses to Messrs. Almond and Woessner were paid in shares of Company stock and the bonuses to Messrs. Morgan and Robertson were paid in cash. As discussed above, these amounts represent 44% of the potential bonuses payable.

Internal Revenue Code §162(m) Compliance

Compensation in excess of \$1,000,000 per year realized by any of the Company's five most highly compensated executive officers is not deductible by the Company for federal income tax purposes unless the compensation arrangement complies with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended.

Mr. Ryan was granted options to acquire 1,000,000 shares of the Company's common stock, with an exercise price of \$5.24 per share, in November 2001 at the time of the inception of his employment with the Company. Furthermore, as noted above, Mr. Spurr was granted options to acquire 650,000 shares of the Company's common stock, with an exercise price of \$10.80 per share, in February 2004 in connection with the inception of his employment. These options do not comply with the requirements of Section 162(m), which, among other things, would have required the Company to obtain shareholder approval of the option grants. Time was of the essence when the Company was discussing Messrs. Ryan and Spurr's potential employment. Seeking shareholder approval of the option grants would have, in the Board's opinion, imposed an unwarranted and harmful delay in completing the employment arrangements and the commencement of employment duties. These options may, during the year of exercise, result in Mr. Ryan or Mr. Spurr realizing compensation in excess of \$1,000,000, depending on the number of options exercised and the price of the Company's common stock at the time. The Company will not be entitled to deduct the compensation exceeding the \$1,000,000 limit.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is comprised of three non-employee directors. Zix Corporation (the Company) believes that each member of the Audit Committee is an independent director, as defined in the Marketplace Rules of The NASDAQ Stock Market. The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors, pursuant to its charter adopted by the Board of Directors. The Audit Committee held ten meetings in 2004.

Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management for inclusion in the Annual Report on Form 10-K, (1) the audited financial statements of the Company, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements and (2) management's report on internal control over financial reporting.

Deloitte & Touche LLP, the Company's independent auditors, is responsible for performing an independent audit of (1) the Company's consolidated financial statements and (2) management's assessment of the Company's internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for expressing an opinion on (1) the conformity of those audited financial statements with generally accepted accounting principles and (2) the effectiveness of the Company's internal control over financial reporting based on the criteria established in Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee reviewed with the independent auditors their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communications with Audit Committees). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements of the Company and management's report on internal control over financial reporting be included in the Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

SECURITIES PURCHASE AGREEMENT

This Securities Purchase Agreement (this *Agreement*) is made and entered into as of August 9, 2005 (the *Execution Date*), by and among Zix Corporation, a Texas corporation (the *Company*), and each of the purchasers listed on Schedule A attached hereto (collectively, the *Purchasers* and individually, a *Purchaser*).

RECITALS

WHEREAS, the Company desires to sell to the Purchasers, and the Purchasers desire to purchase from the Company, up to an aggregate of 10,503,862 units (each a *Unit*), each Unit consisting of one share of common stock, par value \$.01 per share, of the Company (*Common Stock*) and a five year warrant (a *Warrant*) to purchase one-third of one share of Common Stock, on the terms and conditions set forth in this Agreement; and

WHEREAS, the Company and each Purchaser are executing and delivering this Agreement in reliance upon an exemption from securities registration afforded by Regulation D (*Regulation D*) as promulgated by the Securities and Exchange Commission (the *SEC*) under the Securities Act of 1933, as amended (the *Securities Act*).

NOW, THEREFORE, in consideration of the foregoing, the mutual promises hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. AGREEMENT TO PURCHASE AND SELL STOCK.

(a) Company Authorization. The Company's Board of Directors has authorized the issuance and sale, pursuant to the terms and conditions of this Agreement, of up to 10,503,862 shares of Common Stock (the *Purchased Shares*) and up to 3,466,274 Warrants, substantially in the form attached hereto as Exhibit A. Each Warrant shall be exercisable to purchase the number of shares of Common Stock set forth thereon at a price of \$3.04 per share of Common Stock (the *Purchased Warrants* and together with the Purchased Shares, the *Purchased Securities*). Subject to their terms and conditions, the Purchased Warrants shall be exercisable at any time and from time to time from and after the six-month anniversary of the Closing Date through and including August 9, 2010.

(b) Agreement to Purchase and Sell Securities.

(i) Subject to the terms and conditions of this Agreement, each Purchaser, severally and not jointly, agrees to purchase, and the Company agrees to sell to each Purchaser, at the Closing (as defined below), that number of Units (including the Firm Units and Excess Units, each as defined below) set forth opposite such Purchaser's name on Schedule A attached hereto. The purchase price of each Unit shall be \$2.50 (the *Per Unit Price*), except in the case of each Unit purchased by a director or officer of the Company which shall be \$2.99 (the *Insider Per Unit Price*) and each shall be payable as hereafter set forth.

(ii) Notwithstanding anything to the contrary in this Agreement, on the Closing Date, no more than 6,302,318 Units representing 6,302,318 shares of Common Stock (the *Firm Shares*) and associated Warrants (the *Firm Warrants*), and together with the Firm Shares, the *Firm Units*) shall be issued to the Purchasers prior to the Company obtaining shareholder approval to issue to the Purchasers the shares of Common Stock in excess of the Firm Units in accordance with the requirements of NASDAQ Rule 4350(i) and Section 5(d) hereto (the *Shareholder Approval*). Prior to obtaining the Shareholder Approval, the Units to be purchased by the Purchasers (including the Warrants thereto) representing Purchased Shares in excess of the Firm Units (the *Excess Units*) shall not be issued to the Purchasers and instead the proceeds in respect of such Excess Units (the *Excess Funds*) shall be deposited into

escrow, in accordance with the terms of an escrow agreement, substantially in the form of Exhibit D hereto (the **Escrow Agreement**). The Excess Funds shall accrue interest from and including the day following the Closing Date to and excluding the date of release in accordance with the terms of the Escrow Agreement at a rate of 7.0% per annum (computed on the basis of a 365-day year). If the Company obtains the Shareholder Approval prior to the Shareholder Approval Date (as defined below), the Excess Funds shall be released to the Company in accordance with the Escrow Agreement, and the Excess Units shall be issued to each of the Purchasers in the amounts set forth on Schedule A hereto, along with such Purchaser's pro rata share of accrued interest on the Excess Funds to such date, which shall be payable in cash. If the Company does not obtain the Shareholder Approval prior to the Shareholder Approval Date (as defined below), the Excess Funds shall be returned to each of the Purchasers in accordance with the terms of the Escrow Agreement, along with such Purchaser's pro rata share of accrued interest on the Excess Funds to such date. If the Excess Funds accrue earnings or interest in escrow at a rate less than the rate required by this Section 1(b)(ii), the Company shall promptly pay to the Purchasers any shortfall amount.

(c) Use of Proceeds. The Company intends to use the net proceeds from the sale of the Purchased Securities for working capital and general corporate purposes as determined by the Company from time to time.

(d) Obligations Several, Not Joint. The obligations of each Purchaser under this Agreement are several and not joint with respect to the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser under this Agreement. The decision of each of the Purchasers to purchase the Purchased Securities pursuant to this Agreement has been made by such Purchaser independently of any other Purchaser. Nothing contained herein, and no action taken by any Purchaser pursuant hereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement. Each Purchaser shall be entitled to independently protect and enforce such Purchaser's rights, including, without limitation, the rights arising out of this Agreement, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose.

2. CLOSING. The purchase and sale of the Purchased Securities shall take place at the offices of Baker Botts L.L.P., 2001 Ross Avenue, Dallas, Texas 75201, at 2:00 p.m. Dallas, Texas time, on August 9, 2005, or at such other time and place as the Company and Purchasers representing a majority of the Purchased Securities to be purchased, mutually agree upon (which time and place are referred to in this Agreement as the **Closing**). At the Closing, against delivery of full payment for the Purchased Securities sold hereunder by wire transfer of immediately available funds in accordance with the Company's instructions; the Company shall issue and deliver to each Purchaser (i) one or more stock certificates registered in the name of each Purchaser (or in such nominee name(s) as designated by such Purchaser in the Stock Certificate and Warrant Questionnaire, attached hereto as Appendix I (the **Stock Certificate Questionnaire**), representing the number of Firm Shares set forth opposite the appropriate Purchaser's name on Schedule A hereto, and bearing the legend set forth in Section 4(k)(i) herein and (ii) the number of Firm Warrants set forth opposite the appropriate Purchaser's name on Schedule A hereto, and bearing the legend set forth in Section 4(k)(ii); *provided, however*, that the Company may furnish to each Purchaser a facsimile copy of the warrant representing the Firm Warrant and of the stock certificate(s) representing the Firm Shares purchased by such Purchaser no later than the next Business Day following the Closing Date, with the original warrant and original stock certificate(s) to be delivered to such Purchaser by overnight courier no later than the third (3rd) Business Day following the Closing Date. Closing documents, other than the warrants representing the Firm Warrants and the stock certificates representing the Firm Shares, may be delivered by facsimile on the Closing Date, with original signature pages subsequently sent by overnight courier.

For purposes of this Agreement, **Closing Date** means the date of the Closing, and **Business Day** means any day except Saturday, Sunday and any day which shall be a federal legal holiday or a day on which

banking institutions in the State of New York are authorized or required by law or other governmental action to close.

The Company is not a party to, nor subject to the provisions of, any order, writ, injunction, judgment or decree of any court or government agency or instrumentality that would reasonably be expected to prevent, enjoin, alter, challenge or delay the consummation of the transactions contemplated by this Agreement or would be reasonably likely to have a Material Adverse Effect. (j) Compliance with Law and Charter Documents. The Company is not in violation or default of any provisions of the Articles of Incorporation or the Bylaws. The Company is currently in compliance with all applicable statutes, laws, rules, regulations and orders of the United States of America and all states thereof, foreign countries and other governmental bodies and agencies having jurisdiction over the Company's business or properties, except for any instance of non-compliance that has not had, and would not reasonably be expected to have, a Material Adverse Effect. Each of the SEC Documents, as of the respective dates thereof (or, if amended or superseded by a filing or submission, as the case may be, prior to the Closing Date, then on the date of such filing or submission, as the case may be),

(1) did not contain any untrue statement of a material fact nor omit to state a material fact

necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading and (2) complied in all material respects with the requirements of the Exchange Act and the rules and regulations of the SEC promulgated thereunder applicable to such SEC Document.

The Chief Executive Officer and the Chief Financial Officer of the Company have signed, and the Company has furnished to the SEC, all certifications required by Sections 302 and 906 of the Sarbanes-Oxley Act of 2002. Such certifications contain no qualifications or exceptions to the matters certified therein (other than such qualifications or exceptions that are permitted under the Exchange Act and the rules promulgated thereunder) and have not been modified or withdrawn; and neither the Company nor any of its officers has received notice from any governmental entity questioning or challenging the accuracy, completeness, form or manner of filing or submission of such certifications. Without limiting the foregoing, the Company is in compliance with any applicable requirements of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder, as amended, that are currently in effect.

(3) Financial Statements. The consolidated financial statements of the Company included in the SEC Documents (1) comply as to form in all material respects with the rules and regulations of the SEC with respect thereto as were in effect at the time of filing and (2) present fairly, in all material respects, in accordance with United States generally accepted accounting principles (*GAAP*), consistently applied, the consolidated financial position of the Company as of the dates indicated therein, and the consolidated results of its operations and cash flows for the periods therein specified, subject, in the case of unaudited consolidated financial statements for interim periods, to normal, immaterial year-end audit adjustments.

(m) Absence of Certain Changes Since the Balance Sheet Date. Except as disclosed in the SEC Documents, since the filing of the Company's most recent Form 10-K with the SEC, the business and operations of the Company and the Subsidiaries have been conducted in the ordinary course consistent with past practice, and there has not been:

(i) any declaration, setting aside or payment of any dividend or other distribution of the assets of the Company with respect to any shares of capital stock of the Company or any repurchase, redemption or other acquisition by the Company or any Subsidiary of the Company of any outstanding shares of the Company's capital stock;

(ii) any damage, destruction or loss to the Company's or any Subsidiary's business or assets, whether or not covered by insurance, except for such occurrences, individually and collectively, that have not had, and would not reasonably be expected to have, a Material Adverse Effect;

(iii) any waiver by the Company or any Subsidiary of a valuable right or of a material debt owed to it, except for such waivers, individually and collectively, that have not had, and would not reasonably be expected to have, a Material Adverse Effect;

(iv) any material change or amendment to, or any waiver of any material right under a material contract or arrangement by which the Company, any Subsidiary or any of their assets or properties is bound or subject;

(v) any transaction between the Company or any Subsidiary, on the one hand, and any of its officers or directors, on the other hand, that would be required to be disclosed pursuant to Item 404(a), (b) or (c) of Regulation S-K of the SEC;

(vi) any change by the Company in its accounting principles, methods or practices or in the manner in which it keeps its accounting books and records, except any such change required by a change in GAAP or by the SEC; or

(vii) any other event or condition, either individually or collectively, that has had, or would be reasonably likely to have, a Material Adverse Effect.

(n) *Intellectual Property*. The Company and its Subsidiaries own or possess sufficient rights to use all patents, patent rights, inventions, trade secrets, know-how, trademarks, service marks, trade names, licenses, copyrights or other information (collectively, *Intellectual Property*) which are used to conduct their businesses as currently conducted, except where the failure to own or possess such sufficient rights would not reasonably be expected to result, either individually or in the aggregate, in a Material Adverse Effect. Neither the Company nor any Subsidiary has received any written notice of, and has no actual knowledge of, any infringement of or conflict with asserted rights of others with respect to any Intellectual Property which, either individually or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would reasonably be expected to have a Material Adverse Effect, and to the Company's and each of the Subsidiaries' knowledge, none of the patent rights owned or licensed by the Company or the Subsidiaries are unenforceable or invalid.

(o) *Registration Rights*. Except as provided in Section 5 herein, effective upon the Closing, the Company is not currently subject to any agreement providing any person or entity any rights (including piggyback registration rights) to have any securities of the Company registered with the SEC or registered or qualified with any other governmental authority that have not previously been satisfied.

(p) *Title to Property and Assets*. The properties and assets of the Company and the Subsidiaries are owned by the Company or the Subsidiaries free and clear of all mortgages, deeds of trust, liens, charges, encumbrances and security interests, except for (i) statutory liens for the payment of current taxes that are not yet delinquent and (ii) liens, encumbrances and security interests that arise in the ordinary course of business and do not in any material respect affect the business of the Company and the Subsidiaries as currently conducted. With respect to the property and assets it leases, each of the Company and the Subsidiaries is in compliance with such leases in all material respects.

(q) *Taxes*. The Company and the Subsidiaries have filed or have valid extensions of the time to file all necessary federal, state, and foreign income and franchise tax returns due prior to the date hereof or have requested extensions thereof (except in any case in which the failure to so file would not reasonably be expected to have a Material Adverse Effect) and has paid or accrued all taxes due.

(r) *Internal Accounting Controls*. (k) Legends.

(i) Such Purchaser agrees that, to the extent necessary, the certificates for the Purchased Shares and the Warrant Shares shall bear the following legend:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT) OR ANY APPLICABLE STATE SECURITIES LAWS, AND MAY NOT BE SOLD OR TRANSFERRED UNLESS (I) A REGISTRATION STATEMENT COVERING SUCH SECURITIES IS EFFECTIVE UNDER THE SECURITIES ACT OR (II) THE TRANSACTION IS EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT AND, IF THE COMPANY REQUESTS, AN OPINION SATISFACTORY TO THE COMPANY TO SUCH EFFECT HAS BEEN RENDERED BY COUNSEL.

Certificates evidencing the Purchased Shares and the Warrant Shares shall not contain any legend, (i) while a registration statement (including the Registration Statement) covering the resale of such security is effective under the Securities Act, (ii) following any sale of such Purchased Shares or the Warrant Shares pursuant to Rule 144, (iii) if such Purchased Shares or the Warrant Shares are eligible for sale under Rule 144(k) or (iv) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the Staff of the SEC). The Company shall cause its counsel to issue a legal opinion to the Company's transfer agent promptly after the date on which the Registration Statement is declared effective (the *Effective Date*) if such legal opinion is required by the Company's transfer agent to effect the removal of the legend hereunder. If all or any portion of a Purchased Warrant is exercised at a time when there is an effective registration statement to cover the resale of the Warrant Shares, such Warrant Shares shall be issued free of all legends. The Company agrees that following the Effective Date or at such time as such legend is no longer required under this Section 4(k), it will, no later than five (5) Business Days following the delivery by a Purchaser to the Company or to the Company's transfer agent of a certificate representing Purchased Shares or the Warrant Shares, as the case may be, issued with a restrictive legend, deliver or cause to be delivered to such Purchaser a certificate representing such Purchased Shares or the Warrant Shares, as the case may be, that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to any transfer agent of the Company that enlarge the restrictions on transfer set forth in Section 4(j) or this Section 4(k).

Each Purchaser, severally and not jointly with the other Purchasers, agrees that the removal of the restrictive legend from certificates representing the Purchased Shares or the Warrant Shares as set forth in this Section 4(k) is predicated upon such Purchaser's covenant that such Purchaser only will sell any Purchased Shares or Warrant Shares pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom.

In addition, such Purchaser agrees that the Company may place stop transfer orders with its transfer agent with respect to such certificates in order to implement the restrictions on transfer set forth in this Agreement. The appropriate portion of the legend and the stop transfer orders will be removed promptly upon delivery to the Company of such satisfactory evidence as reasonably may be required by the Company that such legend or stop transfer orders are not required to ensure compliance with the Securities Act.

(ii) Such Purchaser agrees that the Purchased Warrants shall bear the following legend:

THIS WARRANT AND THE SECURITIES ISSUABLE UPON EXERCISE HEREOF HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT) OR ANY APPLICABLE STATE SECURITIES LAWS, AND MAY NOT BE SOLD OR TRANSFERRED UNLESS (I) A REGISTRATION STATEMENT COVERING SUCH SECURITIES IS EFFECTIVE UNDER THE SECURITIES ACT OR (II) THE TRANSACTION IS EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT AND, IF THE COMPANY REQUESTS, AN OPINION SATISFACTORY TO THE COMPANY TO SUCH EFFECT HAS BEEN RENDERED BY COUNSEL.

(o) Confidentiality. Such Purchaser agrees to use any information it receives in the course of and in connection with the transactions contemplated under this Agreement for the sole purpose of evaluating a

possible investment in the Purchased Securities and such Purchaser hereby acknowledges that it is prohibited from reproducing or distributing any such information, this Agreement, or any other offering materials provided by the Company or any of its Affiliates in connection with such Purchaser's consideration of its investment in the Company, in whole or in part, or divulging or discussing any of their contents except to its advisors and representatives for the purpose of evaluating such investment. The foregoing agreements shall not apply to any information that (i) is or becomes publicly available through no fault of such Purchaser, (ii) was already known to such Purchaser prior to its disclosure by the Company or any of its Affiliates to the Purchaser, as evidenced by documentation or other evidence reasonably satisfactory to the Company, (iii) is or becomes available to such Purchaser on a non-confidential basis from a source other than the Company or any of its Affiliates (so long as such Purchaser is not aware such disclosure is in breach of a confidentiality obligation to the Company), (iv) is independently developed by such Purchaser's personnel without access to or use of the confidential information received from the Company or any of its Affiliates, as evidenced by documentation or other evidence reasonably satisfactory to the Company or (v) is legally required to be disclosed by such Purchaser under operation of law or judicial or other governmental order; *provided, however*, that if the Purchaser is requested or ordered to disclose any such information pursuant to any court or other governmental order or any other applicable legal procedure, it shall provide the Company with reasonably prompt notice of any such request or order to enable the Company to seek an appropriate protective order and shall provide the Company with reasonable assistance in obtaining such protective order at the Company's sole expense.

It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Section 5(a) with respect to Registrable Shares held by a Purchaser that such Purchaser shall timely furnish to the Company a completed Registration Statement Questionnaire on or before the Closing Date and such other written information regarding such Purchaser, the Registrable Shares to be sold by such Purchaser and the intended method of disposition of the Registrable Shares as the Company may deem necessary or advisable to effect the registration of the Registrable Shares. The Purchasers shall update such information as and when necessary by written notice to the Company.

(b) Liquidated Damages.

Such liquidated damages shall be payable in cash within ten (10) days of the end of each one (1) month anniversary of the expiration of the Cure Period.

(c) Transfer of Registrable Shares After Registration: Suspension.

(i) The Purchasers agree that they will not offer to sell or make any sale, assignment, pledge, hypothecation or other transfer with respect to the Registrable Shares that would constitute a sale within the meaning of the Securities Act except pursuant to either (1) the Registration Statement in the manner described in the Plan of Distribution therein, (2) Rule 144 of the Securities Act or (3) any other exemption from registration under the Securities Act, and that they will promptly notify the Company of any changes in the information set forth in the Registration Statement after it is prepared regarding the Purchaser or its plan of distribution to the extent required by applicable law.

(ii) In addition to any suspension rights under paragraph (iii) below, upon the happening of any pending corporate development, public filing with the SEC or similar event that, in the good faith judgment of the Board of Directors, renders it advisable to suspend the use of the Prospectus or upon the reasonable request by an underwriter in connection with an underwritten public offering of the Company's securities, the Company may suspend use of the Prospectus on written notice to each Purchaser (which notice will not disclose the content of any material non-public information and will indicate the date of the beginning and end of the intended period of suspension, if known), in which case each Purchaser shall discontinue any disposition of Registrable Shares covered by the Registration Statement or Prospectus until copies of a supplemented or amended Prospectus are distributed to the Purchasers or until the Purchasers are advised in writing by the Company that sales of Registrable Shares under the applicable Prospectus may be resumed and have received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in any such Prospectus. Any such suspension under this paragraph (ii) shall not exceed sixty (60) days in any one hundred-eighty (180) day period or ninety (90) days in any twelve-month period. The suspension and notice thereof described in this Section 5(c)(ii) shall be held by each Purchaser in strictest confidence and shall not be disclosed by such Purchaser.

therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, then the Company shall deliver a certificate in writing to the Purchasers (the ***Suspension Notice***) to the effect of the foregoing (which notice will not disclose the content of any material non-public information and will indicate the date of the beginning and end of the intended period of suspension, if known), and, upon receipt of such Suspension Notice, the Purchasers will discontinue disposition of Registrable Shares covered by to the Registration Statement or Prospectus (a ***Suspension***) until the Purchasers' receipt of copies of a supplemented or amended Prospectus prepared and filed by the Company, or until the Purchasers are advised in writing by the Company that the current Prospectus may be used and have received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in any such prospectus. In the event of any Suspension, the Company will use its commercially reasonable efforts to cause the use of the Prospectus so suspended to be resumed as soon as possible after delivery of a Suspension Notice to the Purchasers. The Suspension and Suspension Notice described in this Section 5(c)(iii) shall be held in strictest confidence by each Purchaser and shall not be disclosed by such Purchaser.

(iv) Provided that a Suspension is not then in effect, the Purchasers may sell Registrable Shares under the Registration Statement, provided that the selling Purchaser arranges for delivery of a current Prospectus to the transferee of such Registrable Shares to the extent such delivery is required by applicable law.

(v) In the event of a sale of Registrable Shares by a Purchaser, such Purchaser must also deliver to the Company's transfer agent, with a copy to the Company, a certificate of subsequent sale reasonably satisfactory to the Company, so that ownership of the Registrable Shares may be properly transferred. The Company will cooperate to facilitate the timely preparation and delivery of certificates (unless otherwise required by applicable law) representing Registrable Shares sold.

(d) ***Shareholder Vote: Filing of Proxy Statement***. The Company shall seek, and use its best efforts to obtain, the Shareholder Approval on or before the 105th day following the Closing Date (the ***Shareholder Approval Date***). (i) ***Indemnification by the Company***. The Company agrees to indemnify and hold harmless each of the Purchasers, their respective officers, directors, agents and employees, and each person, if any, who controls any Purchaser within the meaning of the Securities Act, against any losses, claims, damages, liabilities or expenses, joint or several, to which such Purchasers, such officers, directors, agents or employees, or such controlling persons may become subject, under the Securities Act, the Exchange Act

or any other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Company, which consent shall not be unreasonably withheld), insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof as contemplated below) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, the Prospectus, or any amendment or supplement to the Registration Statement or Prospectus, or arise out of or are based upon the omission or alleged omission to state in any of them a material fact required to be stated therein or necessary to make the statements in any of them, in light of the circumstances under which they were made, not misleading, and will reimburse each Purchaser, each of its respective directors, officers, agents and employees, and each such controlling person for any reasonable out-of-pocket legal and other expenses incurred by such Purchaser, such directors, officers, agents or employees, or such controlling persons in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; *provided, however*, that the Company will not be liable for any such case to the extent that any such loss, claim, damage, liability, expense or action arises out of or is based upon (1) an untrue statement or alleged untrue statement or omission or alleged omission in the Registration Statement, the Prospectus or any amendment to or supplement of the Registration Statement or the Prospectus made in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Purchaser demanding such indemnification expressly for use in the Registration Statement or the Prospectus, (2) the failure of such Purchaser to comply with the covenants and agreements contained in this Agreement respecting resale of the Purchased Securities or the Warrant Shares or (3) any untrue statement or omission of a material fact required to make such statement not misleading in any Prospectus that is corrected in any subsequent Prospectus that was delivered to such Purchaser before the pertinent sale or sales by such Purchaser.

(ii) *Indemnification by each Purchaser.* Each Purchaser agrees, severally and not jointly, to indemnify and hold harmless the Company, each of the Company's directors, officers, agents and employees, and each person, if any, who controls the Company within the meaning of the Securities Act, against any losses, claims, damages, liabilities or expenses to which the Company, the Company's directors, officers, agents or employees, or any controlling persons may become subject, under the Securities Act, the Exchange Act, or any other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of such Purchaser, which consent shall not be unreasonably withheld) insofar as such losses, claims, damages, liabilities or expenses (or actions in respect thereof as contemplated below) arise out of or are based upon any untrue or alleged untrue statement of any material fact contained in the Registration Statement, the Prospectus, or any amendment or supplement thereto, or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Prospectus, or any amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Purchaser expressly for use therein, and such Purchaser will reimburse the Company, each of its directors, officers, agents and employees, and any controlling persons for any reasonable legal and other expenses incurred by the Company, its directors, officers, agents or employees, or any controlling persons in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; *provided, however*, that such Purchaser shall not be liable for any such untrue or alleged untrue statement or omission or alleged omission with respect to which such Purchaser has delivered to the Company in writing a correction of such untrue or alleged untrue statement or omission or alleged omission, before the occurrence of the event from which such loss, claim, damage, liability or expense was incurred. Notwithstanding the provisions of this Section 5(e), such Purchaser shall not be liable for any indemnification obligation under this Agreement in excess of the aggregate amount of net proceeds received by such Purchaser from the sale of the Registrable Shares pursuant to the Registration Statement.

(iii) Indemnification Procedure.

(1) Promptly after receipt by an indemnified party under this Section 5(e) of notice of the threat or commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 5(e), promptly notify the indemnifying party in writing of the claim and provide to the indemnifying party copies of all written documents relating to such threatened or commenced action; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party for contribution or otherwise under the indemnity agreement contained in this Section 5(e) or otherwise, to the extent it is not prejudiced as a result of such failure.

(2) In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in, and, to the extent that it may wish, jointly with all other indemnifying parties similarly notified, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; *provided, however*, that if the defendants in any such action include both the indemnified party and the indemnifying party and counsel to the indemnified party shall have reasonably concluded that there may be a conflict between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of its election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 5(e) for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless:

a) the indemnified party shall have employed such counsel in connection with the assumption of legal defenses in accordance with the proviso to the preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel, reasonably approved by such indemnifying party, representing all of the indemnified parties who are parties to such action); or

b) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action against the indemnified party,

in each of which cases the reasonable out-of-pocket fees and expenses of counsel for the indemnified party shall be at the expense of the indemnifying party.

(iv) Contribution. If the indemnification provided for in this Section 5(e) is required by its terms but is for any reason held to be unavailable to, or is otherwise insufficient to hold harmless, an indemnified party under this Section 5(e) with respect to any losses, claims, damages, liabilities or expenses referred to in this Agreement, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of any losses, claims, damages, liabilities or expenses referred to in this Agreement:

(1) in such proportion as is appropriate to reflect the relative faults of the Company and the Purchasers in connection with the statements or omissions or inaccuracies in the representations and warranties in this Agreement that resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations, or

(2) if the allocation provided by clause (1) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative faults referred to in clause (1) above but also the relative benefits received by the Company and the Purchasers from the sale of the Purchased Securities.

The respective relative benefits received by the Company on the one hand and each Purchaser on the other shall be deemed to be in the same proportion as the amount to which the consideration paid by such Purchaser to the Company pursuant to this Agreement for the Registrable Shares purchased by such Purchaser that were sold pursuant to the Registration Statement bears to the difference (the *Difference*) between the amount such Purchaser paid for the Registrable Shares that were sold pursuant to the Registration Statement and the amount received by such Purchaser from such sale. The relative fault of the Company and each Purchaser shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by such Purchaser and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 5(e)(iii), any reasonable legal or other fees or expenses incurred by such party in connection with investigating or defending any such action or claim. The provisions set forth in Section 5(e)(iii) with respect to the notice of the threat or commencement of any threat or action shall apply if a claim for contribution is to be made under this Section 5(e)(iv); *provided, however*, that no additional notice shall be required with respect to any threat or action for which notice has been given under Section 5(e)(iii) for purposes of indemnification. The Company and each Purchaser agree that it would not be just and equitable if contribution pursuant to this Section 5(e)(iv) were determined solely by pro rata allocation (even if the Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this paragraph. Notwithstanding the provisions of this Section 5(e)(iv), no Purchaser shall be required to contribute any amount in excess of the amount by which the Difference exceeds the amount of any damages that such Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who is not guilty of such fraudulent misrepresentation. The Purchasers' obligations to contribute pursuant to this Section 5(e)(iv) are several and not joint.

(f) Rule 144 Information. For two years after the date of this Agreement, the Company shall file in a timely manner all reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations promulgated thereunder and shall take such further action to the extent required to enable the Purchasers to sell the Purchased Securities pursuant to Rule 144 under the Securities Act (as such rule may be amended from time to time).

(g) Substitution of Escrow Agent. If the Company (i) gives notice of removal to the Escrow Agent (as defined in the Escrow Agreement) or (ii) receives a notice of resignation from the Escrow Agent, the Company will promptly provide notice of such removal or resignation to the Purchasers. If the Escrow Agent is removed or resigns as Escrow Agent under the Escrow Agreement, the Company agrees to appoint a nationally recognized banking or financial institution, having a trust office in Houston, Texas or New York, New York, as the successor escrow agent under the Escrow Agreement.

6. ADVISORY FEE. The Purchasers acknowledge that the Company intends to pay to C.E. Unterberg, Towbin, as financial advisor, a fee in respect of the sale of the Purchased Securities. Each of the parties to this Agreement hereby represents that, on the basis of any actions and agreements by it, there are no other brokers or finders entitled to compensation in connection with the sale of the Purchased Securities to the Purchasers. The Company shall indemnify and hold harmless the Purchasers from and against all fees, commission or other payments owing by the Company to C.E. Unterberg, Towbin or any other Person acting on behalf of the Company hereunder. Each Purchaser shall, severally and not jointly, indemnify and hold harmless the Company from and against all fees, commission or other payments owing by such Purchasers to any Person, other than C.E. Unterberg, Towbin, acting on behalf of the Purchasers hereunder.

(j) Other Actions. The Company shall have executed such certificates, agreements, instruments and other documents, and taken such other actions as shall be customary or reasonably requested by the Purchasers in writing in connection with the transactions contemplated hereby.

8. CONDITIONS TO THE COMPANY'S OBLIGATIONS AT CLOSING. The obligations of the Company to consummate the transactions contemplated herein are subject to the fulfillment or waiver, on or before the Closing, of each of the following conditions:

(a) Representations and Warranties True. Each of the representations and warranties of the Purchasers contained in Section 4 shall be true and correct in all material respects on and as of the date hereof and on and as of the Closing Date with the same effect as though such representations and warranties had been made as of the Closing (except for representations and warranties that speak as of a specific date).

(b) Performance. The Purchasers shall have performed and complied in all material respects with all agreements, obligations and conditions contained in this Agreement that are required to be performed or complied with by them on or before the Closing and shall have obtained all approvals, consents and qualifications necessary to complete the purchase and sale described herein.

(c) Agreements. Each Purchaser shall have executed and delivered to the Company this Agreement and Appendix I and II hereto.

(f) No Statute or Rule Challenging Transaction. (g) Other Actions. The Purchasers shall have executed such certificates, agreements, instruments and other documents, and taken such other actions as shall be customary or reasonably requested by the Company in connection with the transactions contemplated hereby.

9. MISCELLANEOUS.

The Company shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of each Purchaser holding Purchased Shares and Warrant Shares (excluding any Purchased Shares or Warrant Shares sold to the public pursuant to Rule 144 or otherwise). Any Purchaser may assign its rights under this Agreement to any person to whom such Purchaser assigns or transfers any of the Purchased Securities, provided that such transferee agrees in writing to be bound by the terms and provisions of this Agreement, and such transfer is in compliance with the terms and provisions of this Agreement and permitted by federal and state securities laws.

Any amendment effected in accordance with this Section 9(g) will be binding upon the Purchasers, the Company and their respective successors and assigns.

In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each Purchaser and the Company will be entitled to specific performance under this Agreement. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agrees to waive in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

FORM OF WARRANT

THIS WARRANT AND THE SECURITIES ISSUABLE UPON EXERCISE HEREOF HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT) OR WITH ANY APPLICABLE STATE SECURITIES LAWS, AND MAY NOT BE SOLD OR TRANSFERRED UNLESS (I) A REGISTRATION STATEMENT COVERING SUCH SECURITIES IS EFFECTIVE UNDER THE SECURITIES ACT OR (II) THE TRANSACTION IS EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT AND, IF THE COMPANY REQUESTS, AN OPINION SATISFACTORY TO THE COMPANY TO SUCH EFFECT HAS BEEN RENDERED BY COUNSEL.

**ZIX CORPORATION
WARRANT**

Warrant No. 2005-[]

Dated: August 9, 2005

Zix Corporation, a Texas Corporation (the *Company*), hereby certifies that, for value received, [] or its registered assigns (including permitted transferees, the *Holder*), is entitled to purchase from the Company up to a total of [] shares (as adjusted from time to time as provided in Section 9) of Common Stock (as defined below) (each such share, a *Warrant Share* and all such shares, the *Warrant Shares*) at an exercise price equal to \$3.04 per share (as adjusted from time to time as provided in Section 9, the *Exercise Price*), at any time and from time to time from and after the six-month anniversary of the Original Issue Date through and including August 9, 2010 (the *Expiration Date*), and subject to the following terms and conditions. This Warrant is one of a series of similar warrants (the *Warrants*) issued pursuant to that certain Securities Purchase Agreement, dated as of the Original Issue Date, by and among the Company, the Holder and certain other purchasers listed on Schedule A thereto (the *Purchase Agreement*), providing for the issuance and sale of Common Stock and Warrants by the Company to the Holder and such other investors.

1. Definitions. The capitalized terms used herein and not otherwise defined shall have the meanings set forth below:

Affiliate of any specified Person means any other Person directly or indirectly controlling, controlled by or under direct or indirect common control with such specified Person. For purposes of this definition, *control* as used with respect to any person or entity means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of such Person, whether through the ownership of voting securities, by contract or otherwise.

Common Stock means the Common Stock of the Company, par value \$.01 per share, as constituted on the Original Issue Date.

Company Offer means any tender offer (including exchange offer), as amended from time to time, made by the Company or any of its subsidiaries for the purchase (including the acquisition pursuant to an exchange offer) of all or any portion of the outstanding shares of Common Stock, except as permitted pursuant to Rule 10b-18 promulgated under the Securities Exchange Act of 1934, as amended (the *Exchange Act*).

Eligible Market means any of the New York Stock Exchange, the American Stock Exchange or Nasdaq.

Market Price means, as to any security, (i) if the principal trading market for such security is an exchange, the average of the last reported sale prices per share for the last five previous Trading Days in which a sale was reported, as officially reported on any consolidated tape, (ii) if clause (i) is not applicable, the average of the closing bid price per share for the last five previous Trading Days as set

forth by Nasdaq or on the OTC Bulletin Board or (iii) if clauses (i) and (ii) are not applicable, the average of the closing bid price per share for the last five previous Trading Days as set forth in the National Quotation Bureau sheet listing for such security. Notwithstanding the foregoing, if there is no reported sales price or closing bid price, as the case may be, on any of the ten Trading Days preceding the event requiring a determination of Market Price hereunder, then the Market Price shall be determined in good faith by resolution of the Board of Directors of the Company, based on the best information available to it.

Nasdaq means the Nasdaq SmallCap Market or Nasdaq National Market.

Original Issue Date means August 9, 2005.

Other Securities refers to any capital stock (other than Common Stock) and other securities of the Company or any other Person which the Holder of this Warrant at any time shall be entitled to receive, or shall have received, upon the exercise of this Warrant, in lieu of or in addition to Common Stock, or which at any time shall be issuable or shall have been issued in exchange for or in replacement of Common Stock or Other Securities pursuant to Section 9 hereof or otherwise.

Person means any individual or corporation, partnership, trust, incorporated or unincorporated association, joint venture, limited liability company, joint stock company, government (or an agency or subdivision thereof) or other entity of any kind.

Registration Statement shall have the meaning set forth in the Purchase Agreement.

Trading Day means (a) any day on which the Common Stock is listed or quoted and traded on any Eligible Market or (b) if the Common Stock is not then quoted and traded on any Eligible Market, then a day on which trading occurs on Nasdaq (or any successor thereto).

Transfer Agent shall mean Computershare Investor Services, LLC or such other Person as the Company may appoint from time to time.

Warrant Shares shall initially mean shares of Common Stock and, in addition, may include Other Securities and Distributed Property (as defined in Section 9(d)) issued or issuable from time to time upon exercise of this Warrant.

2. Registration of Warrant. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the **Warrant Register**), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

3. Registration of Transfers. The Company shall register the transfer of any portion of this Warrant in the Warrant Register, upon surrender of this Warrant, with the Form of Assignment attached hereto as Appendix A duly completed and signed, to the Company at its address specified herein. Upon any such registration and transfer, a new warrant in substantially the form of a Warrant (any such new warrant, a **New Warrant**), evidencing the portion of this Warrant so transferred shall be issued to the transferee and a New Warrant evidencing the remaining portion of this Warrant not so transferred, if any, shall be issued to the transferring Holder. Each New Warrant evidencing the Warrant so transferred shall bear the appropriate restrictive legend set forth in Section 4(k)(ii) of the Purchase Agreement. The acceptance of the New Warrant by the transferee thereof shall be deemed the acceptance by such transferee of all of the rights and obligations of a holder of a Warrant, and such transferee shall be subject to the terms and conditions of the Purchase Agreement, including, without limitation, the restrictions on transfer set forth in Section 4(j) of the Purchase Agreement.

4. Exercise and Duration of Warrant.

(a) This Warrant shall be exercisable by the registered Holder at any time and from time to time on and after the six-month anniversary of the Original Issue Date through and including the Expiration Date. At 5:00 P.M., Dallas, Texas time on the Expiration Date, the portion of this Warrant not exercised prior thereto

B-2

shall be and become void and of no value, regardless of whether this Warrant shall be returned to the Company.

(b) A Holder may exercise this Warrant by delivering to the Company (i) an exercise notice, in the form attached hereto as Appendix B (the **Exercise Notice**), appropriately completed and duly signed and (ii) payment of the Exercise Price for the number of Warrant Shares as to which this Warrant is being exercised (as set forth in Section 4(c) below), and the date such items are received by the Company is an **Exercise Date**. Execution and delivery of the Exercise Notice shall have the same effect as cancellation of the original Warrant and issuance of a New Warrant evidencing the right to purchase the remaining number of Warrant Shares, if any.

(c) The Holder shall pay the Exercise Price (i) in cash, by certified bank check payable to the order of the Company or by wire transfer of immediately available funds in accordance with the Company's instructions or (ii) if at any time on or after the six-month anniversary of the Original Issue Date, (x) there is no effective Registration Statement registering the resale of the Warrant Shares by the Holder and (y) the Market Price exceeds the Exercise Price, by means of a cashless exercise, by presenting and surrendering to the Company this Warrant, in which event the Company shall issue to the Holder the number of Warrant Shares determined as follows:

$$X = Y [(A-B)/A]$$

where:

X	=	the number of Warrant Shares to be issued to the Holder upon such cashless exercise;
Y	=	the number of Warrant Shares with respect to which this Warrant is being exercised;
A	=	the Market Price on the Exercise Date; and
B	=	the Exercise Price.

(d) If an exercise of this Warrant is to be made in connection with a registered public offering or sale of the Company, such exercise may, at the election of the Holder, be conditioned on the consummation of the public offering or sale of the Company, in which case such exercise shall not be deemed effective until the consummation of such transaction.

5. Delivery of Warrant Shares.

(a) Upon exercise of this Warrant, the Company shall promptly, but in no event later than the third (3rd) Trading Day following such exercise, issue or cause to be issued and deliver or cause to be delivered to the Holder, in such name or names as the Holder may designate, a certificate for the Warrant Shares issuable upon such exercise bearing (only if such legend is required by applicable law) the restrictive legend set forth in Section 4(k)(i) of the Purchase Agreement. The Holder, or any Person so designated by the Holder to receive the Warrant Shares, shall be deemed to have become holder of record of such Warrant Shares as of the Exercise Date.

(b) This Warrant is exercisable, either in its entirety or, from time to time, for a portion of the number of Warrant Shares. Upon surrender of this Warrant following one or more partial exercises, the Company shall issue or cause to be issued, at its expense, a New Warrant evidencing the right to purchase the remaining number of Warrant Shares.

6. Charges, Taxes and Expenses.

(a) Issuance and delivery of certificates for shares of Common Stock upon exercise of this Warrant shall be made without charge to the Holder for any issue or transfer tax, transfer agent fee or other incidental tax or expense in respect of the issuance of such certificates, all of which taxes and expenses shall be paid by the Company; *provided, however*, that the Company shall not be required to pay any tax which may be payable in

respect of any transfer involved in the registration of any certificates for Warrant Shares or Warrant in a name other than that of the Holder. The Holder shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof.

(b) Notwithstanding any other provision of this Warrant, for income tax purposes, the Holder and any assignee or transferee thereof shall agree that the Company and the Transfer Agent shall be permitted to withhold from any amounts payable to the Holder or such assignee or transferee any taxes required by law to be withheld from such amounts. Unless exempt from the obligation to do so, the Holder and each assignee or transferee thereof shall execute and deliver to the Company or the Transfer Agent, as applicable, properly completed Form W-8 or W-9, indicating that the Holder or such assignee or transferee is not subject to back-up withholding for United States federal income tax purposes. If such form is not delivered pursuant to the preceding sentence, the Holder, assignee or transferee, as the case may be, shall have the burden of proving to the Company's reasonable satisfaction that it is exempt from such requirement.

7. Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and in substitution for this Warrant, a New Warrant, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and customary and reasonable indemnity, if requested.

8. Reservation of Warrant Shares. The Company covenants that it will at all times reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are then issuable and deliverable upon the exercise of this entire Warrant, free from all taxes, liens, claims, encumbrances with respect to the issuance of such Warrant Shares and will not be subject to any pre-emptive rights or similar rights (taking into account the adjustments and restrictions of Section 9 hereof). The Company covenants that all Warrant Shares so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be duly and validly authorized, issued, fully paid and nonassessable. The Company will take all such action as may be necessary to assure that such shares of Common Stock may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of any securities exchange or automated quotation system upon which the Common Stock may be listed or quoted, as the case may be.

9. Certain Adjustments. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 9.

(a) Dividends. If the Company, at any time while this Warrant is outstanding, pays a dividend on its Common Stock payable in additional shares of Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, then in each such case the Exercise Price shall be multiplied by a fraction, (A) the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to the opening of business on the day after the record date for the determination of stockholders entitled to receive such dividend or distribution and (B) the denominator of which shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to this Section 9(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution; *provided, however*, that if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, any such adjustment shall become effective as of the time of actual payment of such dividends or distribution.

(b) Stock Splits. If the Company, at any time while this Warrant is outstanding, (i) subdivides outstanding shares of Common Stock into a larger number of shares, or (ii) combines outstanding shares of Common Stock into a smaller number of shares, then in each such case the Exercise Price shall be multiplied by a fraction, (A) the numerator of which shall be the number of shares of Common Stock outstanding immediately before such event and (B) the denominator of which shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment pursuant to this Section 9(b) shall become effective immediately after the effective date of such subdivision or combination.

(c) *Reclassifications*. A reclassification of the Common Stock (other than any such reclassification in connection with a merger or consolidation to which Section 9(e) applies) into shares of any other class of stock shall be deemed:

(i) a distribution by the Company to the holders of its Common Stock of such shares of such other class of stock for the purposes and within the meaning of this Section 9; and

(ii) if the outstanding shares of Common Stock shall be changed into a larger or smaller number of shares of Common Stock as part of such reclassification, such change shall be deemed a subdivision or combination, as the case may be, of the outstanding shares of Common Stock for the purposes and within the meaning of Section 9(b).

(d) *Other Distributions*. If the Company, at any time while this Warrant is outstanding, distributes to holders of Common Stock (i) evidences of its indebtedness, (ii) any security (other than a distribution of Common Stock covered by Section 9(a)), (iii) rights or warrants to subscribe for or purchase any security or (iv) any other asset (in each case, ***Distributed Property***), then in each such case the Exercise Price in effect immediately prior to the record date fixed for determination of stockholders entitled to receive such distribution (and the Exercise Price thereafter applicable) shall be adjusted (effective on and after such record date) to equal the product of such Exercise Price multiplied by a fraction, (A) the numerator of which shall be Market Price on such record date less the then fair market value per share of the Distributed Property distributed in respect of one outstanding share of Common Stock, which, if the Distributed Property is other than cash or marketable securities, shall be as determined in good faith by the Board of Directors of the Company, and (B) the denominator of which shall be the Market Price on such record date.

(e) *Fundamental Transactions*. If, at any time while this Warrant is outstanding, (i) the Company effects any merger or consolidation of the Company with or into another Person, (ii) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions or (iii) there shall occur any merger of another Person into the Company whereby the Common Stock is cancelled, converted or reclassified into or exchanged for other securities, cash or property (in any such case, a ***Fundamental Transaction***), then, as a condition to the consummation of such Fundamental Transaction, the Company shall (or, in the case of any Fundamental Transaction in which the Company is not the surviving entity, the Company shall take all reasonable steps to cause such other Person to) execute and deliver to each Holder of Warrants a written instrument providing that:

(x) so long as any Warrant remains outstanding on such terms and subject to such conditions as shall be as nearly equivalent as may be practicable to the provisions set forth in this Warrant, each Warrant, upon the exercise thereof at any time on or after the consummation of such Fundamental Transaction, shall be exercisable into, in lieu of Common Stock issuable upon such exercise prior to such consummation, the securities or other property (the ***Substituted Property***) that would have been received in connection with such Fundamental Transaction by a holder of the number of shares of Common Stock into which such Warrant was exercisable immediately prior to the consummation of such Fundamental Transaction, assuming such holder of Common Stock:

(A) is not a Person with which the Company consolidated or into which the Company merged or which merged into the Company or to which such sale or transfer was made, as the case may be (a ***Constituent Person***), or an Affiliate of a Constituent Person; and

(B) failed to exercise such Holder's rights of election, if any, as to the kind or amount of securities, cash and other property receivable in connection with such Fundamental Transaction (*provided, however*, that if the kind or amount of securities, cash or other property receivable in connection with such Fundamental Transaction is not the same for each share of Common Stock held immediately prior to such Fundamental Transaction by a Person other than a Constituent Person or an Affiliate thereof and in respect of which such rights of election shall not have been exercised (a ***Non-Electing Share***), then, for the purposes of this Section 9(e), the kind and amount of securities, cash and other property receivable in connection with such Fundamental

Transaction by each Non-Electing Share shall be deemed to be the kind and amount so receivable per share by a plurality of the Non-Electing Shares); and

(y) the rights and obligations of the Company (or, in the event of a transaction in which the Company is not the surviving Person, such other Person) and the Holders in respect of Substituted Property shall be as nearly equivalent as may be practicable to the rights and obligations of the Company and Holders in respect of Common Stock hereunder.

Such written instrument shall provide for adjustments which, for events subsequent to the effective date of such written instrument, shall be as nearly equivalent as may be practicable to the adjustments provided for in Section 9. The above provisions of this Section 9(e) shall similarly apply to successive Fundamental Transactions.

(f) *Adjustment of Number of Warrant Shares.* Simultaneously with any adjustment to the Exercise Price pursuant to paragraphs (a) through (d) of this Section 9, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the increased or decreased number of Warrant Shares shall be the same as the aggregate Exercise Price payable for the Warrant Shares immediately prior to such adjustment.

(g) *Calculations.* All calculations under this Section 9 shall be made to the nearest cent or the nearest 1/100th of a share, as applicable. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the disposition of any such shares shall be considered an issue or sale of Common Stock.

(h) *Adjustments.* Notwithstanding any provision of this Section 9, no adjustment of the Exercise Price shall be required if such adjustment is less than \$0.05; *provided, however*, that any adjustments which by reason of this Section 9(h) are not required to be made shall be carried forward and taken into account for purposes of any subsequent adjustment.

(i) *Notice of Adjustments.* Upon the occurrence of each adjustment pursuant to this Section 9, the Company will promptly deliver to the Holder a certificate executed by the Company's Chief Financial Officer setting forth, in reasonable detail, the event requiring such adjustment and the method by which such adjustment was calculated, the adjusted Exercise Price and the adjusted number or type of Warrant Shares or other securities issuable upon exercise of this Warrant (as applicable). The Company will retain at its office copies of all such certificates and cause the same to be available for inspection at said office during normal business hours by the Holder or any prospective purchaser of the Warrant designated by the Holder.

(j) *Notice of Corporate Events.* If the Company (i) declares a dividend or any other distribution of cash, securities or other property in respect of its Common Stock, including, without limitation, any granting of rights or warrants to subscribe for or purchase any capital stock of the Company or any subsidiary of the Company, (ii) authorizes, approves, enters into any agreement contemplating, or solicits stockholder approval for, any Fundamental Transaction or (iii) authorizes the voluntary dissolution, liquidation or winding up of the affairs of the Company, then the Company shall deliver to the Holder a notice describing the material terms and conditions of such transaction at least 15 calendar days prior to the applicable record or effective date on which a Person would need to hold Common Stock in order to participate in or vote with respect to such transaction and the Company will take all steps reasonably necessary in order to ensure that the Holder is given the practical opportunity to exercise this Warrant prior to such time; *provided, however*, that the failure to deliver such notice or any defect therein shall not affect the validity of the corporate action required to be described in such notice.

10. *Fractional Shares.* The Company shall not be required to issue or cause to be issued fractional Warrant Shares on the exercise of this Warrant. If any fraction of a Warrant Share would, except for the provisions of this Section, be issuable upon exercise of this Warrant, the Company shall make a cash payment to the Holder equal to (a) such fraction multiplied by (b) the Market Price on the Exercise Date of one full Warrant Share.

11. Restricted Securities. The Holder represents and warrants that it (i) understands that the Warrant and the Warrant Shares have not been registered under the Securities Act and (ii) understands the restrictions set forth on the legend printed on the face of this Warrant.

12. No Rights as Shareholder. Except as otherwise specifically provided herein, prior to the exercise of this Warrant, the Holder shall not be entitled, as such, to any rights of a shareholder of the Company, including, without limitation, the right to vote or to consent to any action of the shareholders of the Company, to receive dividends or other distributions, to exercise any preemptive right or to receive any notice of meetings of shareholders of the Company or of any proceedings of the Company.

13. Remedies. The Company stipulates that the remedies at law of the Holder of this Warrant in the event of any default or threatened default by the Company in the performance of or compliance with any of the terms of this Warrant are not and will not be adequate, and that such terms may be specifically enforced by a decree for the specific performance of any agreement contained herein or by an injunction against a violation of any of the terms hereof or otherwise.

14. Notices. Any and all notices or other communications or deliveries hereunder (including without limitation any Exercise Notice) shall be in writing and shall be mailed by certified mail, return receipt requested, or by a nationally recognized courier service or delivered (in person or by facsimile), against receipt to the party to whom such notice or other communication is to be given. The address for such notices or communications shall be as set forth in the Purchase Agreement entered into by the Holder and the Company. Any notice or other communication given by means permitted by this Section 14 shall be deemed given at the time of receipt thereof.

15. Warrant Agent. The Company shall serve as warrant agent under this Warrant. Upon 30 days notice to the Holder, the Company may appoint a new warrant agent. Any Person into which any new warrant agent may be merged, any Person resulting from any consolidation to which any new warrant agent shall be a party or any Person to which any new warrant agent transfers substantially all of its corporate trust or stockholders services business shall be a successor warrant agent under this Warrant without any further act. Any such successor warrant agent shall promptly cause notice of its succession as warrant agent to be mailed (by first class mail, postage prepaid) to the Holder at the Holder's last address as shown on the Warrant Register.

16. Miscellaneous. (a) The Company shall not assign this Warrant or any of its rights or obligations hereunder, except (i) to a successor in interest in the event of a Fundamental Transaction or (ii) upon the prior written consent of the Holder. This Warrant may be assigned by the Holder, provided that such transfer is in compliance with the terms and conditions of this Warrant and Section 4(j) of the Purchase Agreement and permitted by federal and state securities laws. This Warrant shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns. Subject to the preceding sentence, nothing in this Warrant shall be construed to give to any Person other than the Company and the Holder any legal or equitable right, remedy or cause of action under this Warrant. This Warrant may be amended only in writing signed by the Company and the Holder and their successors and assigns.

(b) The Company will not, by amendment of its governing documents or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the Holder against impairment. Without limiting the generality of the foregoing, the Company (i) will not increase the par value of any Warrant Shares above the amount payable therefor upon exercise thereof, (ii) will take all such action as may be reasonably necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares on the exercise of this Warrant, free from all taxes, liens, claims and encumbrances and (iii) will not close its stockholder books or records in any manner which interferes with the timely exercise of this Warrant.

(c) This Warrant shall be governed by and construed and enforced in accordance with the laws of the State of New York without regard to conflicts of laws principles thereof. Each party hereby irrevocably

submits to the exclusive jurisdiction of the state and Federal courts sitting in the City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of the Purchase Agreement), and hereby irrevocably waives, and agrees not to assert any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **THE PARTIES HEREBY WAIVE ALL RIGHTS TO A TRIAL BY JURY.**

(d) Neither party shall be deemed in default of any provision of this Warrant, to the extent that performance of its obligations or attempts to cure a breach hereof are delayed or prevented by any event reasonably beyond the control of such party, including, without limitation, war, hostilities, acts of terrorism, revolution, riot, civil commotion, national emergency, strike, lockout, unavailability of supplies, epidemic, fire, flood, earthquake, force of nature, explosion, embargo, or any other Act of God, or any law, proclamation, regulation, ordinance, or other act or order of any court, government or governmental agency, provided that such party gives the other party written notice thereof promptly upon discovery thereof and uses reasonable efforts to cure or mitigate the delay or failure to perform.

(e) The headings herein are for convenience only, do not constitute a part of this Warrant and shall not be deemed to limit or affect any of the provisions hereof.

(f) In case any one or more of the provisions of this Warrant shall be deemed invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Warrant shall not in any way be affected or impaired thereby and the parties will attempt in good faith to agree upon a valid and enforceable provision which shall be a commercially reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Warrant.
