------	---

The furnishing of these Exhibits is not intended to constitute a representation that such furnishing is required by Regulation FD or that the information they contain includes material investor information that is not otherwise publicly available. Statements in Exhibits 99.1 and 99.2 that are not strictly historical are forward-looking statements within the meaning of the safe harbor provisions of the federal securities laws. Investors are cautioned that such statements are only predictions, and speak only as of December 1, 2005. The Registrant does not assume any obligation to update such information in the future. The Registrant's actual results in the future may differ materially from those projected in the forward-looking statements due to risks and uncertainties that exist in the Registrant's operations and business environment including, but not limited to: the timing and content of purchase order releases under the PG&E contract and the Registrant's successful performance of the PG&E contract; weakening of economic conditions in served markets; changes in customer demands or customer insolvencies; competition; the availability of select acquisitions on acceptable terms; intellectual property rights; the success and timing of real estate sales; technical difficulties; delivery delays or defaults by customers; termination for convenience of customer contracts; timing and magnitude of future contract awards; performance issues with key suppliers and subcontractors; collective bargaining and labor disputes; material changes in the costs of certain raw materials; changes in laws and regulations including changes in accounting standards and taxation requirements; changes in foreign or U.S. business conditions affecting the distribution of foreign earnings; costs relating to environmental matters; litigation uncertainty; and the Registrant's successful execution of internal operating plans.
