(e) On June 13, 2008, Juniper Networks, Inc., a Delaware corporation (the Company), adopted the Juniper Networks, Inc. Deferred Compensation Plan (the Plan). The Plan is an unfunded deferred compensation plan intended to comply with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended. Pursuant to the Plan, the Company provides certain eligible employees the opportunity to enter into agreements for the deferral of a specified percentage of their cash compensation derived from base salary, commissions and certain incentive/bonus awards. The amount of compensation to be deferred by each participating eligible employee (individually, a Participant and collectively, the Participants) is determined in accordance with the Plan based on elections by each Participant. Each payment obligation for distribution of the deferred compensation (the Obligation) is payable on a date or dates selected by each Participant at the time of enrollment but subject to change in certain specified circumstances. Each Participant's account pursuant to the Plan will be adjusted to reflect the positive or negative investment result of their selected investment options.

Except pursuant to a qualified domestic relations order, a Participant's right or the right of any other person to the Obligations is not assignable by voluntary or involuntary assignment or by operation of law (except the right to designate a beneficiary to receive death benefits provided under the Plan), provided, however, that the Obligations are not secured and are subject to the claims of the Company's creditors. The Obligations are not subject to redemption, in whole or in part, prior to the distribution dates specified by each Participant, other than withdrawals made in the event of a Participant's Unforeseeable Emergency, as defined in the Plan. The Company reserves the right to amend or terminate the Plan at any time; provided, however, that no such action shall reduce a Participant's account under the Plan without the Participant's written consent.

This summary of the terms of the Plan is not intended to be complete and is qualified in its entirety by reference to the Plan, which is filed hereto as Exhibit 10.1.
