### ITEM 1. DESCRIPTION OF REGISTRANT'S SECURITIES TO BE REGISTERED.

On October 23, 1996, the Board of Directors of Visioneer, Inc., predecessor in interest to ScanSoft, Inc. (the "Company"), declared a dividend of one preferred share purchase right (a "Right") for each outstanding share of Common Stock (the "Common Shares"), of the Company. The record date for the dividend is November 11, 1996 (the "Record Date"), and the dividend is payable to stockholders of record as of the close of business on that date and with respect to each Common Share that becomes outstanding between the Record Date and the earlier of the Distribution Date (as defined below) and the expiration of the Rights. Each Right entitles the registered holder to purchase from the Company one one-thousandth of a share of Series A Participating Preferred Stock of the Company (the "Series A Preferred Shares"), subject to adjustment, at a price of \$27.50 per one-thousandth of a Series A Preferred Share, subject to adjustment (the "Exercise Price"). The description and terms of the Rights are set forth in an Amended and Restated Preferred Shares Rights Agreement (the "Rights Agreement") dated as of October 23, 1996 and amended and restated as of March 15, 2004, by and between the Company and U.S. Stock Transfer Corporation, as Rights Agent (the "Rights Agent").

The following summary of the principal terms of the Rights Agreement is a general description only and is subject to the detailed terms and conditions of the Rights Agreement. A copy of the Rights Agreement, including the original Certificate of Designations, the Company's Amended and Restated Certificate of Incorporation, the form of Rights Certificate and the Summary of Rights is attached as Exhibit 4 to this Registration Statement and is incorporated herein by reference.

#### RIGHTS EVIDENCED BY COMMON SHARE CERTIFICATES

The Rights will not be exercisable until the Distribution Date (defined below). Until the Distribution Date, certificates for the Rights ("Rights Certificates") will not be sent to stockholders, and the Rights will attach to and trade only together with the Common Shares. Accordingly, Common Share certificates outstanding on the Record Date will evidence the Rights related thereto, and Common Share certificates issued after the Record Date will contain a notation incorporating the Rights Agreement by reference. Until the Distribution Date (or earlier redemption or expiration of the Rights), the surrender or transfer of any certificates for Common Shares also will constitute the transfer of the Rights associated with the Common Shares represented by such certificate.

#### DISTRIBUTION DATE

The Rights will separate from the Common Shares, Rights Certificates will be issued and the Rights will become exercisable upon the earlier of (a) the tenth business day (or such later date as may be determined by the Company's Board of Directors) following public announcement that a person or group of affiliated or associated persons ("Acquiring Person") has acquired beneficial ownership of 20% or more of the Common Shares then outstanding, or (b) the tenth business day (or such later date as may be determined by the Company's Board of Directors) after a person or group announces a tender or exchange offer, the consummation of which would result in ownership by such person or group of 20% or more of the Company's then outstanding Common Shares. The earlier of such dates is referred to as the "Distribution Date."

ISSUANCE OF RIGHTS CERTIFICATES; EXPIRATION OF RIGHTS

As soon as practicable following the Distribution Date, a Rights Certificate will be mailed to holders of record of the Common Shares as of the close of business on the Distribution Date and the Rights Certificates alone will evidence the Rights from and after the Distribution Date. All Common Shares issued after the Distribution Date will be issued with Rights. The Rights will expire on the earliest of (i) October 23, 2006 (the "Final Expiration Date"), or (ii) redemption or exchange of the Rights as described below.

INITIAL EXERCISE OF THE RIGHTS

Following the Distribution Date, and until one of the further events described below, holders of the Rights will be entitled to receive, upon exercise and the payment of the Exercise Price, one one-thousandth of a Series A Preferred Share. In the event that the Company does not have sufficient Series A Preferred Shares available for all Rights to be exercised, or the Board decides that such action is necessary and not contrary to the interests of Rights holders, the Company may instead substitute cash, assets or other securities for the Series A Preferred Shares for which the Rights would have been exercisable under this provision or as described below.

RIGHT TO BUY COMPANY COMMON SHARES

Unless the Rights are earlier redeemed or exchanged, in the event that an Acquiring Person obtains 20% or more of the Company's then outstanding Common Shares, then each holder of a Right which has not theretofore been exercised (other than Rights beneficially owned by the Acquiring Person, which will thereafter be void) will thereafter have the right to receive, upon exercise, Common Shares having a value equal to two times the Exercise Price.

RIGHT TO BUY ACQUIRING COMPANY STOCK

Similarly, unless the Rights are earlier redeemed or exchanged, in the event that, after an Acquiring Person obtains 20% or more of the Company's then outstanding Common Shares, (i) the Company merges into another entity, (ii) an acquiring entity merges into the Company, or (iii) the Company sells 50% or more of the Company's consolidated assets or earning power, proper provision must be made so that each holder of a Right which has not theretofore been exercised (other than Rights beneficially owned by the Acquiring Person, which will thereafter be void) will thereafter have the right to receive, upon exercise, shares of common stock of the acquiring company having a value equal to two times the Exercise Price.

EXCHANGE PROVISION

At any time after an Acquiring Person obtains 20% or more of the Company's then outstanding Common Shares and prior to the acquisition by such Acquiring Person of 50% or more of the Company's outstanding Common Shares, the Board of Directors of the Company may exchange the Rights (other than Rights owned by the Acquiring Person), in whole or in part, at an exchange ratio of one Common Share per Right.

### REDEMPTION

At any time on or prior to the close of business on the earlier of (i) the fifth day following public announcement that an Acquiring Person has acquired beneficial ownership of

-3-

20% or more of the Common Shares then outstanding (or such later date as may be determined by action of the Company's Board of Directors and publicly announced by the Company), or (ii) the Final Expiration Date, the Company may redeem the Rights in whole, but not in part, at a price of \$0.001 per Right.

### ADJUSTMENTS TO PREVENT DILUTION

The Exercise Price payable, the number of Rights, and the number of Series A Preferred Shares or Common Shares or other securities or property issuable upon exercise of the Rights are subject to adjustment from time to time in connection with the dilutive issuances by the Company as set forth in the Rights Agreement. With certain exceptions, no adjustment in the Exercise Price will be required until cumulative adjustments require an adjustment of at least 1% in such Exercise Price.

### CASH PAID INSTEAD OF ISSUING FRACTIONAL SHARES

No fractional Common Shares will be issued upon exercise of a Right and, in lieu thereof, an adjustment in cash will be made based on the market price of the Common Shares on the last trading date prior to the date of exercise.

### NO STOCKHOLDERS' RIGHTS PRIOR TO EXERCISE

Until a Right is exercised, the holder thereof, as such, will have no rights as a stockholder of the Company (other than any rights resulting from such holder's ownership of Common Shares), including, without limitation, the right to vote or to receive dividends.

### AMENDMENT OF RIGHTS AGREEMENT

The terms of the Rights and the Rights Agreement may be amended in any respect without the consent of the Rights holders on or prior to the Distribution Date; thereafter, the terms of the Rights and the Rights Agreement may be amended without the consent of the Rights holders in order to cure any ambiguities or to make changes which do not adversely affect the interests of Rights holders (other than the Acquiring Person).

### RIGHTS AND PREFERENCES OF THE SERIES A PREFERRED SHARES

Each one one-thousandth of a Series A Preferred Share has rights and preferences substantially equivalent to those of one Common Share.

### NO VOTING RIGHTS

Rights will not have any voting rights.

## Edgar Filing: SCANSOFT INC - Form 8-A12G/A

### CERTAIN ANTI-TAKEOVER EFFECTS

The Rights approved by the Board are designed to protect and maximize the value of the outstanding equity interests in the Company in the event of an unsolicited attempt by an acquirer to take over the Company in a manner or on terms not approved by the Board of Directors. Takeover attempts frequently include coercive tactics to deprive a corporation's board of directors and its stockholders of any real opportunity to determine the destiny of the corporation.

-4-

The Rights have been declared by the Board in order to deter such tactics, including a gradual accumulation of shares in the open market of 20% or greater position to be followed by a merger or a partial or two-tier tender offer that does not treat all stockholders equally. These tactics unfairly pressure stockholders, squeeze them out of their investment without giving them any real choice and deprive them of the full value of their shares.

The Rights are not intended to prevent a takeover of the Company and will not do so. Subject to the restrictions described above, the Rights may be redeemed by the Company at \$0.001 per Right at any time prior to the Distribution Date. Accordingly, the Rights should not interfere with any merger or business combination approved by the Board of Directors.

However, the Rights may have the effect of rendering more difficult or discouraging an acquisition of the Company deemed undesirable by the Board of Directors. The Rights may cause substantial dilution to a person or group that attempts to acquire the Company on terms or in a manner not approved by the Company's Board of Directors, except pursuant to an offer conditioned upon the negation, purchase or redemption of the Rights.

Issuance of the Rights does not in any way weaken the financial strength of the Company or interfere with its business plans. The issuance of the Rights themselves has no immediate dilutive effect, will not affect reported earnings per share, should not be taxable to the Company or to its stockholders, and will not change the way in which the Company's shares are presently traded. The Company's Board of Directors believes that the Rights represent a sound and reasonable means of addressing the complex issues of corporate policy created by the current takeover environment.
