On July 23, 2004, Open Solutions Inc. (the Registrant) purchased substantially all of the assets of Omega Systems of North America LLC (Omega) pursuant to the terms of an Asset Purchase Agreement (the Asset Purchase Agreement), dated as of July 23, 2004, among the Registrant, Omega and certain related parties of Omega. The aggregate consideration paid for substantially all of the assets of Omega was approximately \$2.5 million, of which \$450,000 is to be held in escrow for one year to secure indemnification obligations of Omega, subject to a purchase price adjustment based on Omega s net current assets as of July 23, 2004 and the collection of accounts receivable.

The terms of the Asset Purchase Agreement were determined on the basis of arms-length negotiations. Prior to the execution of the Asset Purchase Agreement, the Registrant did not have any material relationship with Omega.
