This Proxy Solicitation

We have sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the meeting (including any adjournment or postponement of the meeting).

This proxy statement summarizes information about the proposals to be considered at the meeting and other information you may find useful in determining how to vote.

The proxy card is the means by which you actually authorize another person to vote your shares at the meeting in accordance with your instructions.

We will pay the cost of soliciting proxies. Our directors, officers and employees may solicit proxies in person, by telephone or by other means. We will reimburse brokers and other nominee holders of shares for expenses they incur in forwarding proxy materials to the beneficial owners of those shares. We do not plan to retain the services of a proxy solicitation firm to assist us in this solicitation.

We are mailing this proxy statement and the enclosed proxy card to stockholders for the first time on or about May 7, 2007. In this mailing, we are including a copy of our 2006 Annual Report to Stockholders, which includes our Annual Report on Form 10-K for the year ended December 31, 2006 (excluding exhibits), as filed with the Securities and Exchange Commission, or the SEC. The 2006 Annual Report to Stockholders is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation is to be made.

Who May Vote

Holders of record of our common stock at the close of business on April 27, 2007 are entitled to one vote per share of common stock on each proposal properly brought before the annual meeting.

A list of stockholders entitled to vote will be available at the annual meeting. In addition, you may contact our Secretary at our corporate offices, located at 50 Webster Road, Oxford, Massachusetts 01540, to

make arrangements to review a copy of the stockholder list at those offices, between the hours of 9:00 a.m. and 5:30 p.m., local time, during the ten days before the date of the annual meeting.

How to Vote

You are entitled to one vote at the meeting for each share of common stock registered in your name at the close of business on April 27, 2007, the record date for the meeting. You may vote your shares at the meeting in person or by proxy.

To vote in person, you must attend the meeting, and then complete and submit the ballot provided at the meeting.

To vote by proxy, you may:

call the toll-free number listed on the accompanying proxy card;

visit the Internet site address listed on the accompanying proxy card; or

complete, sign and date the accompanying proxy card and return it in the envelope provided.

The person named as proxy on the accompanying proxy card was designated by our Board and is one of our officers. All proxies that are properly received by us prior to the meeting, and not revoked, will be voted in accordance with the instructions given in the proxy. If a choice is not specified in the proxy, the shares represented by the proxy will be voted FOR election of the director nominees listed therein and FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2007. Management is not aware of any other matters that will be presented for consideration at our 2007 annual meeting of stockholders. If any other matter not mentioned in this proxy statement is brought before the meeting, the proxy holder named in the enclosed proxy will have discretionary authority to vote all proxies with respect thereto in accordance with his judgment.

Shares Held by Brokers or Nominees

If a broker or nominee holds shares of our common stock for you in its name as record holder, then this proxy statement may have been forwarded to you with a voting instruction card, which allows you to instruct the broker or nominee how to vote your shares on the proposals described herein. To vote by proxy, you should follow the directions provided with the voting instruction card. If your shares are held by a broker and you do not provide timely voting instructions, the broker may have discretionary authority to vote your shares on matters which are considered routine. For non-routine matters, if you do not provide instructions, the broker will not vote your shares, which results in a broker non-vote. To vote your shares in person, you must obtain a properly executed legal proxy from the record holder of the shares which identifies you as an IPG Photonics Corporation stockholder and authorizes you to act on

behalf of the record holder with respect to a specified number of shares.

Quorum Required to Transact Business

Our bylaws require that a majority of our common stock be represented, in person or by proxy, at the meeting in order to constitute the quorum we need to transact business at the meeting. We will count abstentions and broker non-votes in determining whether a quorum exists.

Multiple Stockholders Sharing the Same Address

If you and other residents at your mailing address own shares of the Company's common stock through a broker or other nominee, you may have elected to receive only one copy of this proxy statement and our 2006 Annual Report to Stockholders. If you and other residents at your mailing address own shares of the Company's common stock in your own names, you may have received only one copy of this proxy statement and our 2006 Annual Report to Stockholders unless you provided our transfer agent with contrary instructions. This practice, known as "householding," is designed to reduce our printing and postage costs. You may promptly obtain an additional copy of this proxy statement, enclosed proxy card and our 2006 Annual Report to Stockholders by sending a written request to IPG Photonics Corporation, Attention: Secretary, 50 Old Webster Road, Oxford, Massachusetts 01540, or by calling our Secretary at (508) 373-1100. Corporate Governance

Corporate Governance Guidelines. Our Board has adopted Corporate Governance Guidelines (the Governance Guidelines) that outline, among other matters, the role and functions of the Board, the responsibilities of various Board committees and the mission of the Board. These Governance Guidelines are available, along with other important corporate governance materials, on our website at www.ipgphotonics.com. We will also provide an electronic or paper copy of these Governance Guidelines, free of charge, upon request made to our Secretary at the address listed on the cover of this proxy statement.

The Governance Guidelines provide, among other things, that:

a majority of our Board of Directors must be independent;

an independent director preside over executive sessions of independent directors;

the Board appoints all members of the Board committees;

the Audit, Compensation, and Nominating and Corporate Governance Committees consist solely of independent directors;

the independent directors meet in executive sessions without the presence of the non-independent directors or members of our management periodically;

directors may not serve on the boards of more than three other public companies; and

evaluations of the Board and committees are to be conducted annually.

The Board regularly reviews changing legal and regulatory requirements, evolving best practices and other developments. The Board may modify the Governance Guidelines and its other corporate governance policies and practices from time to time, as appropriate.

Director Nominations. The Nominating and Corporate Governance Committee of the Board considers candidates for director nominees proposed by directors and stockholders. This Committee may retain recruiting professionals to assist in identifying and evaluating candidates for director nominees. As set forth in our Governance Guidelines, the Board seeks members from diverse professional backgrounds with a reputation for integrity who do not have professional commitments that might unreasonably interfere with the demands and duties of a board member. Candidates for director are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of the Company's stockholders. In conducting this assessment, the Board considers diversity, age, skills and such other factors as

it deems appropriate given the current needs of the Board and the Company to maintain a balance of knowledge, experience and capability. Candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, and must be over 21 years of age and possess the highest personal integrity and ethics. The Committee also considers whether the nominee must be independent for Nasdaq purposes.

All members of the Board may interview the final candidates. The Nominating and Corporate Governance Committee has adopted a policy under which it will consider nominations by stockholders. The same identifying and evaluating procedures apply to all candidates for director nomination, including candidates submitted by stockholders. The Nominating and Corporate Governance Committee evaluates and interviews potential board candidates.

Director Independence. IPG follows director independence rules under Nasdaq listing standards and SEC rules. Also, our Governance Guidelines require that a majority of our Board of Directors satisfy the independence rules of Nasdaq Global Markets and the SEC. Our Board of Directors has determined that Messrs. Blair, Child, Gauthier and Hurley and Dr. Krupke are independent as defined by Nasdaq Rule 4200(a)(15). Our Board has determined that no such member has a relationship that would interfere with the exercise of independent judgment in carrying out his responsibilities as a director.

Executive Sessions. Our independent directors meet privately, without management present, at least four times during the year. These private sessions are generally held in conjunction with the regular quarterly Board meetings. Other private meetings are held as often as deemed necessary by the independent directors.

Presiding Independent Director. In accordance with our Governance Guidelines, an independent director is selected at each meeting of the Board of Directors to preside over executive private meetings of the independent directors. The presiding independent director acts as a liaison between the independent directors and our Chief Executive Officer, provides him with input regarding agenda items for Board and committee meetings, and coordinates with the Chief Executive Officer regarding information to be provided to independent directors in performing their duties. The position of presiding independent director rotates at each meeting based upon years of service on the Board.

Director Meetings. It has been the practice of our Board to hold at least four regular meetings each year. Our Board of Directors met in person or by telephone seven times and acted by unanimous written consent three times in 2006. All of our directors attended at least 75% of the aggregate of the total number of meetings held by the Board of Directors and committees on which they served in 2006, except for Mr. Samartsev who attended 71% of the board meetings.

Policy Regarding Board Attendance. In accordance with our Governance Guidelines, our directors are expected to prepare for, attend and actively participate in meetings of the Board of Directors and meetings of committees on which they serve. Our directors are expected to spend the time needed at each meeting and to meet as frequently as necessary to properly discharge their responsibilities. We encourage members of our Board of Directors to attend annual meetings of stockholders, but we do not have a formal policy requiring them to do so. All of our directors attended our 2006 annual meeting of stockholders.

Stock Ownership Guidelines. The Board adopted stock ownership guidelines in 2007 to more closely align the interests of our directors and named executive officers with those of our stockholders. The guidelines provide that non-employee directors should maintain an investment in our stock that is at least equal to five times their annual cash Board retainer (excluding committee retainers). The Chief Executive Officer should maintain an investment in our stock that is at least equal to five times his annual salary. Named executive officers other than the Chief Executive Officer should maintain an investment that is at least equal to two times their annual salary. In each case, such investment levels should be achieved within no later than five years following the director's or executive's initial election or appointment or December 12, 2007, whichever occurs later.

Shareholder Communications. Stockholders wishing to write to the Board of Directors or a specified director or a committee of the Board should send correspondence to IPG Photonics Corporation, attention Secretary, 50 Old Webster Road, Oxford, Massachusetts 01540. All written communications received in such

manner from stockholders of the Company shall be forwarded to the members or committee of the Board of Directors to whom the communication is directed or, if the communication is not directed to any particular member(s) or committee of the Board of Directors, the communication shall be forwarded to all members of the Board of Directors.

Corporate Responsibility

Code of Business Conduct. We have adopted a code of business conduct and ethics that applies to all of our directors and employees, including our Chief Executive Officer, Chief Financial Officer and other executive officers. Our code of business conduct includes provisions covering conflicts of interest, business gifts and entertainment, outside activities, compliance with laws and regulations, insider trading practices, antitrust laws, payments to government personnel, bribes or kickbacks, corporate record keeping and accounting records. Procedures for Submitting Complaints Regarding Accounting and Auditing Matters. Each committee operates under a written charter adopted by the Board. Copies of the charters of all standing committees are available on our Internet web site at www.ipgphotonics.com. We will also provide electronic or paper copies of the standing committee charters free of charge, upon request made to our Secretary.

Audit Committee. The current members of our Audit Committee are Mr. Hurley, who serves as Chairman, Mr. Child and Mr. Gauthier, each of whom is independent for Audit Committee purposes under the applicable rules of the Nasdaq Global Market and the SEC. The Board of Directors has determined that Mr. Hurley qualifies as an audit committee financial expert, as defined under the Securities Exchange Act of 1934 and the applicable rules of the Nasdaq Global Market. The Audit Committee met in person or by telephone seven times in 2006. The Audit Committee, among other things:

appoints, approves the compensation of, and assesses the independence of our independent registered public accounting firm;

Director Compensation Plan

Our non-employee director compensation plan provides for both cash and equity compensation for our non-employee directors. Directors who are also our employees receive no additional compensation for their service as directors. The principal features of the non-employee director compensation plan as in effect for 2006 are described below. The Board determines director compensation based upon the review and recommendation of the Compensation Committee. The Board approved a compensation plan in 2004 and adopted the compensation plan described below in June 2006 after consideration of an independent director compensation survey and consideration of director compensation at certain publicly held companies in our industry or with which the directors were familiar that are comparable in size to the Company. In both 2004 and 2006, management of the Company gathered director compensation information for comparable companies and developed preliminary recommendations for consideration

by the Compensation Committee and the Board. We plan to review director compensation on an annual basis. In 2007, the Compensation Committee retained an independent compensation and survey firm to conduct a peer review and make recommendations on the Company's director compensation program going forward.

We also reimburse directors for all reasonable out-of-pocket expenses incurred for attending Board and committee meetings. Non-employee directors do not receive any additional payments or perquisites.

Our Certificate of Incorporation limits the personal liability of our directors for breaches by them of their fiduciary duties. Our Certificate of Incorporation requires us to indemnify our directors to the fullest extent permitted by the Delaware General Corporation Law. We have also entered into indemnification agreements with all of our directors and we have purchased directors' and officers' liability insurance.

Cash Compensation

Our non-employee directors have the right to receive the annual retainers from us set forth in the table below. Directors do not receive separate fees for attending meetings of the Board, committees or stockholders.

Equity Compensation

Pursuant to the non-employee director compensation plan that we adopted in 2006, non-employee directors continuing in office after our 2007 annual meeting of stockholders will receive, effective following the meeting, a grant of stock options to purchase 6,667 shares of our common stock vesting in four equal annual installments. Also pursuant to the non-employee director compensation plan, the Board approved the grant of options to purchase 6,667 shares of common stock to each of Messrs. Blair, Child, Dalton and Krupke in June 2006, as describe in Note 2 to the Director Compensation table above. Upon initial election to the Board, each new non-employee director receives a grant of stock options to purchase 20,000 shares of our common stock vesting in four equal annual installments. The Board approved the grant of options to purchase 20,000 shares of common stock to each of Messrs. Gauthier and Hurley upon their election to the Board in April 2006, as described in note 4 to the Director Compensation table above. The exercise price of each of these stock options was not less than the fair market value of our common stock on the date of grant. Our non-employee directors stock option plan is described under Executive Compensation 2000 Incentive Compensation Plan, 2006 Incentive Compensation Plan and Non-Employee Directors Stock Plan.

**PROPOSAL 2: RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Deloitte & Touche LLP currently serves as our independent registered public accounting firm and audited our consolidated financial statements for the year ended December 31, 2006. Our Audit Committee has appointed Deloitte & Touche LLP to serve as our independent registered public accounting firm for 2007, and to conduct audits of our consolidated financial statements, of management's assessment of internal control over financial reporting, and of our internal control over financial reporting, for the year ending December 31, 2007.

Our Audit Committee is responsible for selecting and appointing our independent registered public accounting firm, and this appointment is not required to be ratified by our stockholders. However, our Audit Committee has recommended that the Board of Directors submit this matter to the stockholders as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether to retain Deloitte & Touche LLP, and may retain that firm or another without re-submitting the matter to our stockholders. Even if the

appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of IPG Photonics and our stockholders.

In order to pass, this proposal must receive a majority of the votes cast with respect to this matter. We will count abstentions but not broker non-votes when we tabulate votes cast and, as a result, an abstention with respect to this proposal will have the same effect as a vote against the proposal.

We expect that representatives of Deloitte & Touche LLP will attend the meeting, will have an opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2007.
