The proxy is a lengthy document that covers all aspects of the transaction. Most notably, there is some detail about:

The process the Board of Directors went through to determine that the Bain Capital acquisition was in the best interest of our company and our shareholders;

The Merger Agreement, including the impact on stock options, restricted stock grants and the Employee Stock Purchase Program (ESPP); and

A high-level view of how Bain Capital will finance the transaction.

Additionally, in the interest of ensuring your questions about the transaction are answered, you may submit questions via email to Employee Communications/F/HQ/3Com. We will make every effort to respond to you within 5 business days.

Once again, thank you for your continued hard work and efforts to maintain a business as usual approach as we work through the acquisition process. We will continue to update you with pertinent details of transaction developments as they become available.
