PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MONDAY, JULY 28, 2003

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

This proxy statement (the "Proxy Statement") is furnished in connection with the solicitation of proxies by the Board of Directors of Brightpoint, Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Monday, July 28, 2003, at 4:00 P.M. local time, at the Hyatt Regency O'Hare, 9300 West Bryn Mawr Avenue, Rosemont, Illinois 60018, including any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

Management intends to mail this Proxy Statement and the accompanying form of proxy to stockholders on or about June 26, 2003.

Proxies in the accompanying form, duly executed and returned to the management of the Company and not revoked, will be voted at the Annual Meeting. Any proxy given pursuant to such solicitation may be revoked by the stockholder at any time prior to the voting of the proxy by a subsequently dated proxy, by written notification to the Secretary of the Company, or by personally withdrawing the proxy at the Annual Meeting and voting in person.

The address and telephone number of the principal executive offices of the Company are: 501 Airtech Parkway, Plainfield, Indiana 46168, telephone number: (317) 707-2355.

The following questions and answers provide important information about the Annual Meeting and this Proxy Statement:

Q. What am I voting on?

A. (i) Election of four Class III directors (Catherine M. Daily, Eliza Hermann, Marisa E. Pratt and Jerre L. Stead) , (ii) adoption of the Company's Independent Director Stock Compensation Plan, and (iii) ratifying the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2003.

Q. Who is entitled to vote?

A. Stockholders of record as of the close of business on June 11, 2003, are entitled to vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of the Company's common stock held on the record date.

Q. How do I vote?

A. You may sign and date each paper proxy card you receive and return it in the prepaid envelope. If you return your signed proxy but do not indicate your voting preferences, we will vote on your behalf FOR the election of the Class III directors, the adoption of the Company's Independent Director Stock

Compensation Plan and the ratification of Ernst & Young LLP as the Company's independent auditors as specified in the Proxy Statement.

You may also vote by telephone or via the Internet. See Voting by Telephone or via the Internet below for further details. Please note that there are separate telephone and Internet voting arrangements depending upon whether shares are registered in your name or in the name of a bank or broker.

Q. How may I revoke or change my vote?

A. You have the right to revoke your proxy any time before the meeting by (1) notifying the Company's Secretary, or (2) returning a later-dated proxy. You may also revoke your proxy by voting in person at the Annual Meeting.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

Q. How do I sign the paper proxy card?

A. Sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example, as an attorney, executor, administrator, guardian, trustee, or the officer or agent of a company), you should indicate your name and title or capacity. If the stock is held in custody for a minor (for example, under the Uniform Transfers to Minors Act), the custodian should sign, not the minor. If the stock is held in joint ownership, one owner may sign on behalf of all the owners.

Q. What does it mean if I receive more than one proxy card?

A. It may mean that you are the registered holder of shares in more than one account. Sign and return all proxy cards to ensure that all your shares are voted. You may call American Stock Transfer & Trust Company at 1-800-937-5449 if you have any questions regarding the share information or your address appearing on the paper proxy card.

Q. Who will count the votes?

A. A member of the Company's Corporate Finance staff will tabulate the votes and act as the independent inspector of election.

Q. What constitutes a quorum?

A. A majority of the outstanding shares, present or represented by proxy, of the Company's common stock constitutes a quorum for the Annual Meeting. As of June 11, 2003, 8,025,117 shares of the Company's common stock \$.01 par value per share (the "Common Stock") were issued and outstanding.

Q. How many votes are needed for the election of the directors?

A. The directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning the four nominees receiving the highest number of votes will be elected as directors. Only votes cast for a nominee will be counted, except that a properly executed proxy that does not specify a vote with respect to the nominees will be voted for the four nominees whose names are printed on the proxy card (Catherine M. Daily, Eliza Hermann, Marisa E. Pratt and Jerre L. Stead). Abstentions and broker non-votes (as described below) will have no effect on the election of directors.

-2-

Q. How many votes are needed for the adoption of the Company's Independent Director Stock Compensation Plan?

A. The affirmative vote of the holders of a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy and entitled to vote at the Annual Meeting is required to approve the adoption of Company's Independent Director Stock Compensation Plan. Broker non-votes will not be treated as entitled to vote on this matter and will therefore have no effect on the proposal to approve the Company's Independent Director Stock Compensation Plan.

Q. How many votes are needed for the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2003?

A. The affirmative vote of the holders of a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy and entitled to

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

vote at the Annual Meeting is required for the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2003. Broker non-votes will not be treated as entitled to vote on this matter and will therefore have no effect on the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent auditors.

Q. What is a "broker non-vote"?

A. A "broker non-vote" occurs when a broker submits a proxy that does not indicate a vote for some of the proposals because the broker has not received instructions from the beneficial owners of how to vote on such proposals and does not have discretionary authority to vote in the absence of instructions.

Q. Where will the Annual Meeting be held?

A. The Annual Meeting will be held at the Hyatt Regency O'Hare, 9300 West Bryn Mawr Avenue, Rosemont, Illinois 60018 on Monday, July 28, 2003, at 4:00 p.m. local time.

OUTSTANDING STOCK AND VOTING RIGHTS

Only stockholders of record at the close of business on June 11, 2003 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 8,025,117 shares of Common Stock, the Company's only class of voting securities. Each share entitles the holder to one vote on each matter submitted to a vote at the Annual Meeting.

VOTING PROCEDURES AND PROXY INFORMATION

The Class III directors will be elected by the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting; approval of the Company's Independent Director Stock Compensation Plan and ratification of the appointment of Ernst & Young LLP will require the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting, in each case, provided a quorum exists. A quorum is established if at least a majority of the outstanding shares of Common Stock as of the Record Date are present in person or represented by proxy at the Annual

-3-

Meeting. All other matters at the meeting will be decided by the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter, provided a quorum exists. Votes will be counted and certified by an Inspector of Election who is expected to be a member of the Company's Corporate Finance staff.

In accordance with Delaware law, abstentions and "broker non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. For purposes of determining approval of a matter presented at the meeting, abstentions will be deemed present and entitled to vote and will, therefore, have the same legal effect as a vote "against" a matter presented at the meeting. Broker non-votes will be deemed not entitled to vote on the subject matter as to which the non-vote is

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

indicated. Abstentions and broker non-votes will have no effect on the election of directors. Abstentions will have the same effect as a vote "against" the proposal to approve the Company's Independent Director Stock Compensation Plan and the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors. Broker non-votes will not be treated as entitled to vote on the proposal to approve the Company's Independent Director Stock Compensation Plan or the appointment of Ernst & Young LLP as the Company's independent auditors and will, therefore, have no effect on these proposals.

The enclosed proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked as noted above.

The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy and any additional soliciting material furnished to stockholders, will be borne by the Company. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock, and such persons may be reimbursed for their expenses by the Company.

VOTING BY TELEPHONE OR VIA THE INTERNET

For Shares Registered in the Name of a Brokerage Firm or Bank. A number of brokerage firms and banks are participating in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options. This program is different than the program provided by American Stock Transfer & Trust Company for shares registered in the name of the stockholder. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you may vote those shares telephonically by calling the telephone number referenced on your voting form. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you already have been offered the opportunity to elect to vote via the Internet. Votes submitted via the Internet through the ADP program must be received by 11:59 p.m. (EDT) on July 27, 2003. The giving of such proxy will not affect your right to vote in person should you decide to attend the Annual Meeting.

For Shares Directly Registered in the Name of the Stockholder. Stockholders with shares registered directly with American Stock Transfer & Trust Company may vote telephonically by calling American Stock Transfer & Trust Company at 1-800-PROXIES (1-800-776-9437) or you may vote via the Internet at www.voteproxy.com.

The telephone and Internet voting procedures are designed to authenticate stockholders identities, to allow stockholders to give their voting instructions and to confirm that stockholders'

-4-

instructions have been recorded properly. Stockholders voting via the Internet through either American Stock Transfer & Trust Company or ADP Investor Communication Services should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the stockholder.

In addition, the Board of Directors of the Company has determined that Mr. Roedel qualifies as a "Financial Expert" under the rules of the Securities and Exchange Commission.

REPORT OF AUDIT COMMITTEE

During 2002, the Company's Audit Committee consisted of the following directors: Jerre L. Stead (Chairperson) and Todd H. Stuart. In October of 2002, Richard W. Roedel succeeded Mr. Stead as Chairperson of the Company's Audit Committee. In January 2003, Marisa E. Pratt succeeded Mr. Stead as a member of the Audit Committee. The Committee fulfills its responsibilities through periodic meetings with the Company's independent auditors, internal auditors and members of management.

Throughout the year the Audit Committee monitors matters related to the independence of Ernst & Young LLP, the Company's independent auditors. As part of its monitoring activities, the Committee obtained a letter from Ernst & Young LLP, containing a description of all relationships between the auditors and the Company. After reviewing the letter and discussing it with management, the Committee discussed with the auditors its overall relationship with the Company and any of those relationships described in the letter that could impact Ernst & Young LLP's objectivity and independence. Based on its continued monitoring activities and year-end review, the Committee satisfied itself as to the auditors' independence. Ernst & Young LLP also has confirmed in its letter that, in its professional judgment, it is independent of the Company within the meaning of the Federal securities laws and within the requirements of Independence Standard Board (ISB) Standard No. 1, Independence Discussion with Audit Committees.

The Committee also discussed with management, the Company's internal auditors, its independent auditors, the quality and adequacy of the Company's internal controls and the internal audit function's management, organization, responsibilities, budget and staffing. The Committee reviewed with both the independent and the internal auditors their audit plans, audit scope, and identification of audit risks.

The Committee discussed and reviewed with the independent auditors all matters required by auditing standards generally accepted in the United States of America, including those described in SAS 61, "Communication with Audit Committees". With and without management present, the Committee discussed and reviewed the results of the independent auditors' examination of the financial statements. The Committee also discussed the results of the internal audit examinations.

The Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2002, with management and the independent auditors. Management has the responsibility for the preparation and integrity of the Company's financial statements and the independent auditors have the responsibility for the examination of those statements. Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange Commission. The Committee also reappointed Ernst & Young LLP as the Company's independent auditors subject to stockholder ratification of such appointment.

(2) The potential realizable value columns of the table illustrate values that might be realized upon exercise of the options immediately prior to their expiration, assuming the Company's Common Stock appreciates at the compounded rates specified over the term of the options. These numbers do not take into account provisions of options providing for termination of the option following termination of employment or nontransferability of the options and do not make any provision for taxes associated with exercise. Because actual gains will depend upon, among other things, future performance of the Common Stock, there can be no assurance that the amounts reflected in this table will be achieved.

The Company previously adopted a Non-Employee Director Stock Option Plan (the "Director Option Plan") pursuant to which 133,928 shares of Common Stock are reserved for issuance to non-employee directors. EMPLOYMENT AND SEVERANCE AGREEMENTS

The Company has entered into five-year "evergreen" employment agreements with each of Messrs. Laikin and Howell which are automatically renewable for successive one-year periods and provide for an annual base compensation of \$600,000 and \$400,000 respectively, and such bonuses as the Board of Directors may from time to time determine. If the Company provides the employee with notice that it desires to terminate the agreement or terminate the agreement without cause, there is a final five-year term commencing on the date of such notice. The employment agreements provide for employment on a full-time basis and contain a provision that the employee will not compete or engage in a business competitive with the Company's business during the term of the employment agreement and for a period of two years thereafter. The employment agreements also provide that if the employee's employment is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by the Company other than for disability or Cause, as defined, the employee will be entitled to receive severance pay equal to the highest of (a) \$2,250,000 for Mr. Laikin and \$1,625,000 for Mr. Howell or (b) five times the total compensation (including salary, bonus and the value of all perquisites) received from the Company during the twelve months prior to the date of termination. If after or as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by the Company other than for disability or Cause, the employee will be entitled to receive severance pay equal to ten times the total compensation (including salary, bonus, the value of all perquisites and the value of all stock options granted to the employee) received from the Company during the twelve months prior to the date of termination. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, the Company terminates the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable. For purposes of such agreements, a "change of control" shall be deemed to occur, unless previously consented to in writing by the respective employee, upon (i) individuals who constituted the Company's then current Board of Directors ceasing to constitute a majority of the Board of Directors, (ii) subject to certain specified exceptions, the acquisition of beneficial ownership of 15% or more of the Company's voting securities by any person or entity not

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

affiliated with the respective employee or the Company, (iii) the commencement of a proxy contest against management for the election of a majority of the Company's Board of Directors if the group conducting the proxy contest owns, has or gains the power to vote at least 15% of the Company's voting securities, (iv) the consummation under certain conditions by the Company of a reorganization, merger or consolidation or sale of all or substantially all of the Company's assets to any person or entity not affiliated with the respective employee or the Company, or (v) the Company's complete liquidation or dissolution. In addition, the Company has entered into a three-year "evergreen" employment agreement with Mr. Fivel, which is automatically renewable for successive one-year periods and provides for an annual base compensation of \$325,000. If the Company provides the employee with notice that it desires to terminate the agreement without cause, there is a final three-year term commencing on the date of such notice. The agreement provides otherwise for substantially the same terms as the employment agreements described above, except that if the employee's employment is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by the Company other than for disability or Cause, as defined, the employee will be entitled to receive the highest of (a) \$825,000 or (b) three times the total compensation (including salary, bonus and the value of all perquisites) received from the Company during the twelve months prior to the date of termination. If after or as a result of a change of control, the employee's employment is terminated either by the

-15-

employee for Good Reason or by the Company other than for disability or Cause, the employee will be entitled to receive severance pay equal to six times the compensation (including, salary, bonus, and the value of all perquisites and the value of all stock options granted to the employee) received or earned from the Company during the twelve months prior to the date of termination. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, the Company terminates the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable.

The Company has also entered into a three-year "evergreen" employment agreement with Mr. Terence on April 22, 2002 which is automatically renewable for successive one-year periods and provides for an annual base compensation of \$350,000, a guaranteed bonus of not less than \$86,667 for his first year of service and such additional bonuses as the Board of Directors may from time to time determine. The employment agreement provides for employment on a full-time basis and contains a provision that the employee will not compete or engage in a business competitive with the Company's business during the term of the employment agreement and for a period of two years thereafter. The employment agreement also provides that if the employee's employment is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by the Company other than for disability or Cause, as defined, the employee will be entitled to receive severance pay equal to three times the total compensation (including salary, bonus and the value of all perquisites) received from the Company during the twelve months prior to the date of termination. For purposes of such agreement, a "change of control" shall be deemed to occur, unless previously consented to in writing by the employee, upon (i) individuals who constituted the Company's then current Board of Directors ceasing to constitute a majority of the Board of Directors, (ii) subject to certain specified exceptions, the acquisition of beneficial ownership of 15% or

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

more of the Company's voting securities by any person or entity not affiliated with the respective employee or the Company, (iii) the commencement of a proxy contest against management for the election of a majority of the Company's Board of Directors if the group conducting the proxy contest owns, has or gains the power to vote at least 15% of the Company's voting securities, (iv) the consummation under certain conditions by the Company of a reorganization, merger or consolidation or sale of all or substantially all of the Company's assets to any person or entity not affiliated with the respective employee or the Company, or (v) the Company's complete liquidation or dissolution. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, the Company terminates the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable.

The Company had entered into an employment agreement with Mr. Bounsall similar in all respects to the terms and conditions of its agreement with Mr. Fivel except that (a) the annual base compensation for Mr. Bounsall under the terms of the agreement was \$290,000 and (b) if Mr. Bounsall terminated his employment without Good Reason, as defined, within 12 months after a "change in control" or if prior to and not as a result of a change in control, Mr. Bounsall terminated his employment for Good Reason or his employment was terminated by the Company other than for disability or cause, as defined in the agreement, Mr. Bounsall would be entitled to receive the highest of (i) \$870,000 or (ii) three times the total compensation (including salary, bonus and the value of all perquisites) received from the Company during the twelve months prior to the date of termination. Mr. Bounsall ceased to be Executive Vice President, Chief Financial Officer and Treasurer of the Company effective as of April 22, 2002. In connection with the termination of Mr. Bounsall's employment and his employment

-16-

agreement with the Company, the Company entered into a separation and general release agreement with Mr. Bounsall pursuant to which the Company paid Mr. Bounsall a severance payment in the aggregate amount of \$1 million of which \$500,000 was paid to Mr. Bounsall on the date of execution of the severance agreement and the balance of \$500,000 was placed in escrow during 2002 and released to him in January of 2003. In addition, pursuant to the separation and general release agreement with Mr. Bounsall, the vesting of certain options to purchase the Company's Common Stock was accelerated. All of the options that were accelerated expire on April 22, 2004.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company has a Compensation and Human Resources Committee of the Board of Directors comprised of three Independent Directors (as defined in the Company's Corporate Governance Principles) and currently consisting of Mr. Stead (Chairperson), Mr. Simon and Ms. Hermann. Decisions as to executive compensation are currently made by the Compensation and Human Resources Committee. During 2002, prior to the adoption of the Compensation and Human Resources Committee Charter, executive compensation was determined by the Board of Directors, primarily upon the recommendation of the Compensation Committee (now known as the Compensation and Human Resources Committee). Mr. Wagner, who had been a member of the Compensation Committee until January of 2003 is a partner in a law firm which received fees in exchange for services rendered to the Company during the year ended December 31, 2002. The Board of Directors which includes Messrs. Laikin and Howell has not modified or rejected any recommendations of the Compensation Committee as to the compensation of the Company's executive officers. During the fiscal year ended December 31, 2002,

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

none of the Company's executive officers have served on the Board of Directors or the compensation committee of any other entity, any of whose officers serves on the Company's Board of Directors or Compensation Committee.

REPORT ON EXECUTIVE COMPENSATION

As noted above, compensation of the Company's executive officers is determined by the Board of Directors pursuant to recommendations made by the Compensation and Human Resources Committee which periodically reviews trends in executive compensation policies. The policy for the Company's executive officers is to pay them for achieving selected performance criteria. Compensation for executive officers consists of base salary, bonus and stock option awards all of which are determined after taking into consideration a variety of factors, including the Company's desire to retain key employees and to provide its executive officers with strong incentives to achieve the Company's business objectives.

Base Salary. The base salaries of the Company's executives are fixed pursuant to the terms of their respective employment agreements with the Company subject to any increases as determined by the Board of Directors or the Compensation and Human Resources Committee. The Committee reviews the salary of executive officers for reasonableness based on job responsibilities and a complete review of compensation practices for comparable positions at corporations which compete with the Company in its business or are of comparable size and scope of operations. The Committee's recommendations to the Board of Directors are based on judgments believed to be in the best interests of the Company and in furtherance of the Company's goals. In determining the base salaries of the Company's executives during 2002, the Committee considered the Company's financial and operating results in light of current market and industry conditions. Salaries are reevaluated by the Committee each year to determine whether such salaries are reasonable in light of each executive's expected duties.

Bonuses. Bonuses for the Company's executive officers are determined through the use of specific criteria, including, but not limited to profitability, capital management and other qualitative and quantitative measurements. In determining the amount of bonuses awarded, the Committee

-17-

considers current market factors, the Company's revenues and profitability for the applicable period, the level of achievement of the Company's financial goals and each executive's responsibility and contribution to the accomplishment of the Company's goals. Primarily as a result of the Company's improved financial performance and condition in 2002, the Committee determined to grant bonuses to the Company's executive officers with respect to fiscal 2002 in the amounts set forth in the Summary Compensation Table.

Stock Options. Stock option awards under the Company's stock option plans are intended to attract, retain and motivate personnel by affording them an opportunity to receive additional compensation based upon the performance of the Company's Common Stock. Option grants to executives are also intended to further align the interests of the executives with those of the Company's stockholders. The size and grant of actual awards during 2002 was determined by the Committee. The Committee's determination as to the size of actual awards to individual executives was made after taking into account, among other things, competitive practices and the relative responsibilities and contributions of the individual executives primarily with respect to the Company's improved financial performance during 2002.

STOCK PERFORMANCE GRAPH

The following line graph compares, from December 31, 1997 through December 31, 2002, the cumulative total stockholder return on the Company's Common Stock with the cumulative total return on the stocks comprising the NASDAQ Market Value Index and the Media General Financial Services Electronics Wholesale Industry Group Index ("MG Group Index"). During 1998, Media General Financial Services restructured its industry group classification system replacing its former Electronic Equipment Distributors group with the Electronics Wholesale Industry Group. The Company believes that this restructuring did not materially affect the applicable index. The comparison assumes \$100 was invested on December 31, 1997 in the Company's Common Stock and in each of the foregoing indices and assumes reinvestment of all cash dividends, if any, paid on such securities. The Company has not paid any cash dividends and, therefore, the cumulative total return calculation for the Company is based solely upon stock price appreciation and not upon reinvestment of cash dividends. Historical stock price is not necessarily indicative of future stock price performance.

CERTAIN TRANSACTIONS

The Company utilizes the services of a third party for the purchase of corporate gifts, promotional items and standard personalized stationery. Mrs. Judy Laikin, the mother of Robert J. Laikin, the Company's Chief Executive Officer, was an independent consultant to this third party during 2001 and prior to June 1, 2000 was the owner of the third party. The Company purchased approximately \$91,382 of services and products from this third party during 2002. The Company believes that these purchases were made on terms no less favorable than the Company could have obtained from an unrelated party.

During 2002, an entity in which the father of Robert J. Laikin is a fifty percent (50%) equity owner, provided risk management services to the Company for which it paid the entity \$30,800 in consulting fees. In the first quarter of 2002, the Company terminated its relationship with this provider of risk management services. During the fiscal year ended December 31, 2002 the Company paid to an insurance brokerage firm, for which the father of Robert J. Laikin acts as an independent insurance broker, \$205,000 in service fees and certain insurance premiums, which premiums were forwarded to the Company's respective insurance carriers.

The Company's Certificate of Incorporation and By-laws provide for the Company to indemnify its officers and directors to the extent permitted by law. In connection therewith, the Company has entered into indemnification agreements with its executive officers and directors. In accordance with the terms of these agreements, since January 2002 the Company has paid \$119,885.73 of legal fees and expenses to counsel for Mr. Bounsall, the Company's former Chief Financial Officer, in connection with certain litigation and pending regulatory matters. In addition, the Company paid approximately \$29,000 of legal fees to the Company's counsel for representing Mr. Bounsall prior to his retention of separate counsel. The Company has also paid for the legal fees and expenses for Messrs. Howell and Stead and certain non executive officers in amounts less than \$60,000 each. The Company may be required to reimburse certain of its current and former officers and directors for their personal legal expenses arising from certain litigation and regulatory matters pursuant to the Company's Certificate of Incorporation and By-laws and indemnification agreements.

PROPOSAL I

APPROVAL OF THE COMPANY'S INDEPENDENT DIRECTOR STOCK COMPENSATION PLAN

In furtherance of the Company's Corporate Governance Principles, the Board of Directors has adopted the Company's Independent Director Stock Compensation Plan (the "Director Plan"). The Board believes that compensating Independent Directors through the issuance of Common Stock to them will help the Board attract, retain and compensate highly qualified individuals to serve as Independent Directors on the Board of Directors thereby aligning the interests of the Independent Directors and the Company's stockholders.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

Summary of the Director Plan

The following summary of the Director Plan does not purport to be complete, and is subject to, and qualified in its entirety by reference to, the full text of the Director Plan, set forth as APPENDIX C attached hereto and made a part hereof.

Only members of the Company's Board of Directors who qualify as Independent Directors under the Company's Corporate Governance Principles (the "Principles") are eligible to participate in the Director Plan. The Director Plan generally provides that 30% of the annual compensation to be paid to the Independent Directors for Board service (exclusive of payments for Board Committee service or reimbursement of travel expenses) ("Annual Board Compensation") shall be paid in the form of shares of Common Stock from the Director Plan. However, if on December 15 of any given year the fair market value of the Common Stock owned by an Independent Director is equal to or greater than 200% of the Annual Board Compensation (the "Threshold Amount"), then such Independent Director can choose to be paid in cash rather than in Common Stock. Under the Director Plan the Independent Directors have the right to elect to take all of their Annual Board Compensation in the form of Common Stock. The Common Stock to be awarded in lieu of cash will be issued on the 15th day of June and December in each year (or, if such dates are not a business day then on the earliest preceding business day) ("Award Dates") and the number of shares of Common Stock to be awarded shall be determined by dividing the applicable portion of the Annual Board Compensation to be paid in Common Stock by the average of the closing sales prices of the Common Stock for the five trading days ending on the third business day prior to the applicable Award Date. No shares of Common Stock awarded under the Director Plan may be sold by an Independent Director until the earlier of (i) the date the value of the director's Common Stock equals or exceeds the Threshold Amount (to be determined each December 15 for the ensuing year) or (ii) six months (or such other date as specified in the Principles) after the Independent Director ceases to be a director of the Company. An aggregate of 400,000 shares of Common Stock have currently been reserved for issuance under the Director Plan.

The following is a brief summary of the Federal income tax aspects of Awards made under the Director Plan based upon statutes, regulations and interpretations in effect on the date hereof. This summary is not intended to be exhaustive, and does not describe state or local tax consequences.

Upon receipt of the Award, the participant will recognize as ordinary compensation income the excess (if any) of the fair market value of the shares on the date of such receipt over the amount paid, if any, for the shares. The Company will qualify for a Federal income tax deduction equal in amount to the amount that is included as compensation in the gross income of the participant, subject

-24-

to the requirements that the compensation be reasonable and not limited under Section 162(m) of the Internal Revenue Code of 1986. Upon sale of the shares, the participant will recognize gain or loss equal to the difference (if any) between the amount realized on such sale over the sum of the amount paid, if any, for the stock and the amount of compensation income recognized by the participant on receipt of the Award. The gain, if the participant holds the shares as capital assets, or loss will be long-term or short-term capital gain or loss depending on whether his holding period exceeds one year.

RECOMMENDATION

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

THE BOARD OF DIRECTORS BELIEVES THAT THE INDEPENDENT DIRECTOR STOCK COMPENSATION PLAN IS IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL OF THE DIRECTOR PLAN.

The Audit Committee has formal policies and procedures in place with regard to the approval of all professional services provided to the Company by the Company's independent auditors. With regard to certain "Audit", "Audit-Related", "Tax" and "All Other" services, the Committee has

-26-

pre-approved certain services specified in the policy for which pre-approval generally covers a 12 month period. In addition, the Committee reviews the annual audit services engagement terms and fees in advance. The Committee may delegate the pre-approval authority to any member of the Committee.

With regard to "Tax" services, the Committee has given general pre-approval to certain specified tax services other than those involving large or complex transactions not specified in the Committee's policy which will require specific pre-approval by the Committee.

With regard to "All Other" services, the Committee has granted pre-approval to certain permissible non-audit services that it considers to be routine and recurring services that would not impair the independence of the auditor and that are consistent with the SEC's rules on auditor independence

APPENDIX A CORPORATE GOVERNANCE PRINCIPLES

The Board of Directors ("Board") of Brightpoint, Inc. ("Company" or "Brightpoint") believes that effective corporate governance is built on adherence to a number of "best practices." These practices are consistent with the Board's responsibilities to effectively oversee the Company's strategy, evaluate and compensate Company executives, and plan for management succession. Most importantly, these practices are believed to strengthen the Company and protect shareholders' interests. As such, the Board has developed and follows a program of corporate governance that includes the following elements:

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

- Board Independence
 - The Board shall be comprised of a majority of independent directors. Director independence, at a minimum, is consistent with applicable rules and regulations for Nasdaq-traded issuers. The Board believes that independence is best achieved when independent directors, their family members, or their primary employers receive no consulting, legal, or other fees from Brightpoint other than in their service as Board members.
 - An Independent Director is specifically defined as a director who:
 - Is not an affiliate of the Company, the Company's affiliates, any member of the Company's senior management, or the Company's suppliers or customers;
 - Has not been employed by the Company or its affiliates within the past five years;
 - Has no personal services contract, such as a consulting or advising relationship, with the Company, its affiliates, or the Company's executives;
 - Has no business relationship with the Company or its affiliates (other than in his or her service as a Board member) that requires Brightpoint to make disclosure under Nasdaq or Securities and Exchange Commission rules and regulations;
 - Is not affiliated with a not-for-profit organization that receives substantial contributions from the Company or its affiliates, as specified by Nasdaq rules or regulations;
 - Is not employed by an organization at which an executive of Brightpoint serves as a Board member;
 - Is not a family member of any individuals with the aforementioned relationships;
 - Has not been affiliated with or employed by a present or former auditor of the Company or its affiliates until five years after the end of either the affiliation or auditing relationship.
 - The Board is committed to Board Committee independence. Each Board Committee will be chaired by an Independent Director of the Board. Committee chairs, their family members, or their primary employers shall receive no consulting, legal, or other fees from Brightpoint other than in their service as Board members. In compliance with Sarbanes-Oxley and Nasdaq rules and regulations, the Audit Committee is comprised of three Independent Directors. In addition, the Audit Committee chair shall be deemed a "financial expert",

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

as specified by Nasdaq rules and Section 407(b) of the Sarbanes-Oxley Act of 2002 and any rules implemented by the Securities and Exchange Commission. Committee chairs and members serve one year renewable terms. Any director that is no longer considered an Independent Director will be required to resign from any Committee on which he or she serves.

- The Board presently believes that it is in the best interests of the Company for the positions of Chief Executive Officer and Board Chairperson to be combined, as this structure provides for unified vision and leadership within the Company. This combined leadership structure will be periodically evaluated. Should the Board determine that such separation is appropriate, these positions will be formally separated. The CEO/Chairperson serves a critical role in establishing and maintaining effective communications with the Company's shareholders, customers, suppliers, employees, creditors, communities, governments, and other stakeholders.

-1-

Communications between the Company and stakeholders will be primarily through the CEO/Chairperson of the Board.

- When the Chief Executive Officer and Board Chairperson positions are combined, the Board will maintain a Lead Independent Director. This director will be selected by the Independent Directors of the Board from among the Independent Directors of the Board. The Lead Independent Director serves as an important liaison between the Board and Management. A key role of the Lead Independent Director is to work closely with the Corporate Secretary so that Board members receive meeting agendas and related materials with sufficient time to effectively prepare for discussion at Board and/or Committee meetings. The Lead Independent Director is also responsible for scheduling meetings whereby the Independent Directors meet in executive session. Executive sessions include only Independent Directors, with guests invited at the discretion of the Independent Directors. Management Board members and other Management representatives will not, as a rule, be present in these sessions. The Lead Independent Director sets the executive session meeting agendas and presides over these meetings. The Lead Independent Director also serves a central role as liaison between the Board and external advisors retained by the Board. The Lead Independent Director serves for a one year renewable term. The Lead Independent Director is evaluated by the full Board on an annual basis.
- As a matter of policy, and to ensure Board independence, Independent Directors or directors who are not employed by the Company or its affiliates, their family members, and their primary employers will refrain from conducting any business with the Company outside of directors' service as Board members. This is consistent with the definition of an Independent Director contained herein. Board member independence will be assessed and affirmed annually. Consideration will be given to replacing non-management

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

directors no longer considered independent.

- Board Budget
 - In recognition of the Board's commitment to maintaining independence, the Board maintains an operating budget separate from Company funds. These funds are provided by the Company. This enables the Board to engage in activities such as determining Director compensation and hiring external experts such as the external auditors and compensation consultants without having to request such operating funds from Management. The Board's budget is overseen by the Lead Independent Director and Audit Committee Chairperson.
- Committee Charter
 - The Board will maintain and make publicly available Board Committee Charters for the three standing Board committees. These Charters, the Company's Corporate Governance Guidelines, and the Company's Code of Business Conduct and Ethics, which may be modified as appropriate, are made available to the public via the Company's website (www.brightpoint.com).
- Board Size
 - The Board shall be comprised of between eight to 12 members. Board size will be a function of the current needs of the Company and the ability to effectively staff standing Board committees. Board size will be, in part, a function of a purposeful desire to enhance Board member diversity. Diversity is accomplished through the inclusion of directors with varying background characteristics and knowledge bases. Directors are selected for their ability to provide unique diverse perspectives and skills in their service as Board members. Directors are re-evaluated as to their ability to meet Board member diversity goals and effectively contribute to the Board in the event their primary occupation or employment status changes during their term. Consideration will be given to replacing directors not fulfilling these goals due to their occupational or employment status change.
- Director Compensation
 - The Board believes that it is important to rely on director compensation practices that promote director independence. Directors' compensation is therefore in the form of a Board retainer. No special fees are granted for Board or Committee meeting attendance. The Lead Independent Director, Board Committee chairs, and Audit Committee members receive additional compensation in recognition of their additional service responsibilities. The Board also believes that its Independent Directors should make a meaningful investment in Company stock. Consistent with this guideline, 30 percent of an Independent Director's annual compensation will be, subject to receipt of necessary approvals, in the form of restricted stock grants until the fair market value of the Director's stock holdings in the Company reach a level two

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

times that of the Director's annual Board retainer. Once a Director's stock holdings reach this level, the Director generally may elect to receive the annual retainer in the form of cash or a combination of cash and restricted stock grants. Directors may also choose to have the annual Board retainer paid entirely in restricted shares. Unless the fair market value of the shares of Common Stock held by a Director reaches a level of two times that of the annual Board retainer the Director may not sell any restricted shares issued as part of the Director's annual Board compensation until six months after the Director's retirement/resignation from the Board. Once a Director's stock holdings reach the two times annual retainer level (which holdings shall be measured in December of each year) all restricted shares previously issued to the Director as part of the Director's annual Board retainer and all restricted shares to be issued to the Director in the ensuing year may be sold in the ensuing year without the need to comply with the restrictions set forth above. Any director stock transactions will be posted on the Company's website (www.brightpoint.com).

- Board Meetings and Attendance
 - The Board is committed to open communication among Board members and between the Board and Management. Consistent with this, the Board and Board Committees shall meet on a quarterly basis. Board meeting dates are established on an annual basis and approved by Board vote. Additional Board and/or Committee meetings are scheduled on an "as needed" basis. The Board believes that it is important for directors to participate in scheduled Board and/or Committee meetings. Directors who participate in less than 75 percent of scheduled Board and Committee meetings are subject to being terminated as a Board member or not receiving re-nomination to the Board.
- Director Access to Management
 - Consistent with the need for open communication channels between the Board and Management, non-management directors have direct access to Company Management outside of formal Board and/or Committee meetings.
- Board Education and Evaluation
 - The Board is committed to ensuring that directors receive ongoing educational opportunities that enhance their abilities to effectively serve the Company. To this end, the Board engages in continuing education experiences. New Board members are provided with a comprehensive manual that assists in their orientation to the Board and the Company. The Board is also committed to evaluating the overall effectiveness of the Board and individual directors. Board and Board Committee evaluation occurs annually. Directors are formally evaluated at the conclusion of their Board term and prior to their consideration for re-nomination to the Board.

In carrying out their responsibilities, the policies and procedures of the Committee shall remain flexible, in order to best react to changing conditions and circumstances. The following sections of this charter set forth the principal duties and responsibilities of the Audit Committee, as a guide, with the understanding that the Committee may supplement them as appropriate.

APPENDIX C

BRIGHTPOINT, INC. INDEPENDENT DIRECTOR STOCK COMPENSATION PLAN

1. Purpose.

The Independent Director Stock Compensation Plan (the "Plan") is established to attract, retain and compensate for service highly qualified individuals who qualify as independent directors of Brightpoint, Inc. (the "Company") under the Company's Corporate Governance Principles ("CGP"), as may be amended from time to time ("Independent Directors"), and to strengthen the commonality of interest between Independent Directors and stockholders of the Company through the Independent Directors' ownership in the Company's common stock, \$.01 par value (the "Common Stock").

2. Eligibility.

All members of the Company's Board of Directors who qualify as Independent Directors under the CGP shall participate in the Plan, provided, however, that in no event shall a member of the Company's Board of Directors be eligible to participate in the Plan if he or she is employed by the Company or any of its subsidiaries.

3. Scope and Duration.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

A maximum of 400,000 shares of Common Stock may be issued under the Plan, which shares may be, in whole or in part, authorized but unissued shares or shares reacquired by the Company. As provided in paragraph 9 hereof, the Plan shall become effective on the date that the Plan is approved by the Company's stockholders.

4. Awards of Common Stock; Restrictions on Resale of Common Stock.

(a) Awards of Common Stock made under the Plan ("Awards") shall be consistent with the director compensation provisions set forth in the CGP. Except as otherwise set forth below, as set forth in the CGP, 30% (or such other percentage as may be set forth in an amendment to the CGP subsequent to the effective date of the Plan) of the annual compensation to be paid by the Company to an Independent Director for Board services rendered by the Independent Director ("Board Compensation") shall be paid through the issuance of shares of Common Stock pursuant to the Plan (the "Required Share Condition"). For purposes of the Plan, Board Compensation shall not include amounts paid to an Independent Director for (i) services as a member of a Committee of the Board or (ii) travel and other expenses incurred by or on behalf of an Independent Director for attending Board or Board Committee meetings. Notwithstanding the foregoing, if the Fair Market Value (as defined below) of the shares of Common Stock issued to an Independent Director under the Plan or owned by the Independent Director as of December 15 of any given year (which ownership shall consist of shares owned directly or indirectly (e.g., in a controlled entity or a pension plan) but shall not include shares underlying derivative securities such as options or warrants but which shall take into account Awards made on or about December 15 of that year as provided in subparagraph (c) below even if the certificates for the shares have not yet been issued), is equal to or in excess of 200% of the annual Board Compensation to be received by the Independent Director for the ensuing year (the "Threshold Amount") then in lieu of receiving the shares subject to the Required Share Condition the Independent Director may elect to receive all or a portion of the Board Compensation for the ensuing year that would otherwise be payable in shares of Common Stock in cash or a combination of cash

-1-

and Common Stock to be awarded under the Plan. In addition, any Independent Director may for any ensuing year elect to receive all or a portion of his or her Board Compensation that would otherwise be payable in cash in the form of Common Stock awarded under the Plan. Any such election(s) must be received by the Company by December 31 and once made an election shall govern the form of compensation to be received by the Independent Director for the ensuing year. All elections must be made in 10% increments.

(b) Each Award of Common Stock shall be payable in arrears for Board services rendered by the Independent Director in the six month period immediately preceding the date of the Award (the "Service Period"). The amount of shares of Common Stock subject to an Award and the payment dates of the Award shall be determined as provided below.

(c) On the 15th of June and December in each year (or the immediately preceding business day if June 15 or December 15 is not a business day) (each, an "Award Date") each Independent Director of the Company who served as an Independent Director at any time during the applicable Service Period shall, except as provided in subparagraph (d) below, automatically be awarded that number of shares of Common Stock determined by dividing (x) the amount of Board Compensation that the Independent Director was entitled to receive in Common Stock for services rendered by the Independent Director during the applicable Service Period as determined in subparagraph (b) above, by (y) the

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

average of the Fair Market Value of the Common Stock for the five trading days ending on the third business day immediately preceding the applicable Award Date. Certificates evidencing the shares of Common Stock constituting Awards shall be registered in the respective names of the participants in the Plan and shall be issued to each participant promptly after an Award Date but, in any event, no later than twenty (20) business days after an Award Date. With respect to an Independent Director who only served as such for a portion of a Service Period the Independent Director shall be entitled to receive that percentage of an Award determined by multiplying (i) the number of shares of Common Stock that the Independent Director would have received if he or she had served for the entire Service Period by (ii) a fraction, the numerator of which is the actual number of days during the applicable Service Period in which the Independent Director served and the denominator of which is the total number of days in the applicable Service Period.

(d) Notwithstanding the provisions set forth in subparagraphs 4(b) and (c) above, no Award shall be granted to an Independent Director who (i) is not subject to the Required Share Condition and who has elected to receive his or her Board Compensation in the form of cash in lieu of Common Stock for the Service Period covered by the Award and (ii) provides written notification of the election by the time specified in subparagraph 4(a) addressed to the General Counsel of the Company at the Company's then principal executive offices (currently located at 501 Airtech Parkway, Plainfield, IN 46168), that he or she wishes to receive a cash payment equal to the portion of the director compensation that would otherwise be payable in Common Stock.

(e) Shares of Common stock issued under the Plan may not be sold by an Independent Director until the Fair Market Value of his or her share holdings have reached the Threshold Amount which determination shall be made on December 15 of each year. Once an Independent Director has reached the Threshold Amount in any given year he or she shall thereafter not be subject to any restrictions under the Plan from selling, during the ensuing year, any shares of Common Stock that have been received by the Independent Director under the Plan at any time prior to the end of such ensuing year. If the value of the Independent Director's share holdings do not reach the Threshold Amount then the shares of Common Stock that are issued under the Plan may not be sold until six months (or such other period as specified in the CGP) after the Independent Director ceases to be a director of the Company. If applicable, the certificates representing the shares of Common Stock issued under the Plan shall also contain a legend with

-2-

respect to any restrictions on transfer of the shares set forth in the Plan and stop transfer orders shall be placed with the transfer agent for the Common Stock with respect to such restrictions.

(f) No fractional share of Common Stock shall be issued under the Plan and any fractional share shall be rounded up to the next nearest number of whole shares. All determinations to be made by the Company hereunder shall be made by the Board of Directors.

5. Administration and Amendment of the Plan.

Although to the extent possible, the Plan is intended to be self-executing, the Plan shall be administered, to the extent necessary, by the Board of Directors of the Company. The Plan may be terminated or amended by the Board of Directors as they deem advisable. No amendment to the Plan may be made without stockholder approval which would (i) increase the number of shares of Common Stock available for issuance under the Plan, other than as a result of the application of the anti-dilution adjustments as provided for in paragraph 6

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

of the Plan or (ii) cause the Plan to fail to comply with Rule 16b-3 under the Securities Exchange Act of 1934, or any successor rule.

6. Anti-Dilution Adjustments.

Notwithstanding any other provision of the Plan, the Board of Directors of the Company may, at any time, make or provide for such adjustments to the Plan, to the number and class of shares issuable thereunder or to any outstanding options as it shall deem appropriate to prevent dilution or enlargement of rights, including adjustments in the event of changes in the outstanding Common Stock by reason of stock dividends, split-ups, recapitalizations, mergers, consolidations, combinations or exchanges of shares, separations, reorganizations, liquidations and the like. Any such determination by the Board of Directors shall be conclusive. Any fractional shares resulting from such adjustments shall be eliminated.

7. Compliance with SEC and Other Regulations.

It is the Company's intent that the Plan comply in all respects with Rule 16b-3 of the Securities Exchange Act of 1934 and any regulations promulgated thereunder. If any provision of the Plan is later found not to be in compliance with said rule or any successor rule, the provisions shall be deemed null and void.

Neither the Plan nor the Company shall be obligated to issue any shares of Common Stock pursuant to the Plan at any time unless and until all applicable requirements imposed by any federal and state securities and other laws, rules and regulations, by any regulatory agencies or by any stock exchanges or quotation medium upon which the Common Stock may be listed or traded have been fully met. As a condition precedent to any issuance of shares of Common Stock and delivery of certificates evidencing such shares pursuant to the Plan, the Board may require a participant in the Plan to take any such action and to make any such covenants, agreements and representations as the Board, in its sole discretion deems necessary or advisable to ensure compliance with such requirements. The Company shall in no event be obligated to register the shares of Common Stock deliverable under the Plan pursuant to the Securities Act of 1933, or to qualify or register such shares under any securities laws of any state upon their issuance under the Plan or at any time thereafter, or to take any other action in order to cause the issuance and delivery of such shares under the Plan or any subsequent offer, sale or other transfer of such shares to comply with any such law, regulation or requirement. Participants in the Plan are responsible for complying with all applicable

-3-

federal and state securities and other laws, rules and regulations in connection with any offer, sale or other transfer of the shares of Common Stock issued under the Plan or any interest therein including, without limitation, compliance with the registration requirements of the Securities Act of 1933 (unless an exemption therefrom is available), or with the provisions of Rule 144 promulgated thereunder, if applicable, or any successor provisions.

8. Miscellaneous.

(a) Nothing in the Plan or any action taken pursuant to the Plan shall be construed as creating or constituting evidence of any agreement or understanding, express or implied, that the Company will retain an Independent Director who participates in the Plan as a director or in any other capacity for any period of time or at a particular retainer or other rate of compensation, as conferring upon any participant any legal or other right to continue as a director or in any other capacity, or as limiting, interfering with or otherwise

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

affecting the right of the Company to terminate a participant in his or her capacity as a director or otherwise at any time for any reason, with or without cause, and without regard to the effect that such termination might have upon him or her as a participant under the Plan.

(b) As said term is used in the Plan, the "Fair Market Value" of a share of Common Stock on any day means: (i) if the principal market for the Common Stock is a national securities exchange or the National Association of Securities Dealers, Inc. Automated Quotation System ("NASDAQ"), the closing sales price of the Common Stock on such day as reported by such exchange or market system, or on a consolidated tape reflecting transactions on such exchange or market system, or (ii) if the principal market for the Common Stock is not a national securities exchange or NASDAQ the mean between the highest bid and lowest asked prices for the Common Stock on such day as reported by the National Quotation Bureau, Inc.; provided that if clauses (i) and (ii) of this paragraph are all inapplicable, or if no trades have been made or no quotes are available for such day, the Fair Market Value of the Common Stock shall be determined by the Board of Directors whose determination shall be conclusive as to the Fair Market Value of the Common Stock.

(c) No participant in the Plan shall have the right to assign the right to receive any Award or any other right or interest under the Plan, contingent or otherwise (except that upon the death of a participant in the Plan any Award accrued but not paid may be paid to such persons as determined by the Executor, Executrix or Administrator of the estate of the participant), or to cause or permit any encumbrance, pledge or charge of any nature to be imposed on any such Award (prior to the issuance of stock certificates evidencing such Award) or any such right or interest.

(d) In the event that any provision of the Plan is held invalid, void or unenforceable, the same shall not affect, in any respect whatsoever, the validity of any other provision of the Plan.

(e) To the extent not preempted by Federal law, the Plan shall be governed by the laws of the State of Indiana.

9. Effective Date.

The Plan shall become effective on the date of adoption by the stockholders of the Company and shall terminate ten years from the date of such adoption. No Award shall be made prior to stockholder approval of the Plan or prior to the effective date of a Registration Statement on Form S-8 to be filed by the Company with the Securities and Exchange Commission to register the shares of Common Stock that may be issued under the Plan.
