FORWARD LOOKING STATEMENTS

Certain statements contained in this Registration Statement on Form 40-F, and in certain documents incorporated by reference into this form, constitute forward-looking statements. These statements relate to future events or our future performance. All statements other than statements of historical fact may be forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe" and similar expressions. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. The Registrant believes the expectations reflected in those forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking statements included in, or incorporated by reference into, this Registration Statement on Form 40-F should not be unduly relied upon. These statements speak only as of the date of this Registration Statement on Form 40-F or as of the date specified in the documents incorporated by reference into this Registration Statement on Form 40-F, as the case may be.

Edgar Filing: ADVANTAGE ENERGY INCOME FUND - Form 40FR12B

In particular, this Registration Statement on Form 40-F and the documents incorporated by reference contain forward-looking statements pertaining to the following:

- o the performance characteristics of our assets;
- o oil and natural gas production levels;
- o the size of the oil and natural gas reserves;
- o projections of market prices and costs and the related sensitivities of distributions;
- o supply and demand for oil and natural gas;
- o expectations regarding the ability to raise capital and to continually add to reserves through acquisitions and development;
- o treatment under governmental regulatory regimes; and
- o capital expenditures programs.

Statements relating to "reserves" or "resources" contained in the Renewal Annual Information Form of the Registrant are deemed to be forward-looking statements, as they involve the implied assessment, based on certain estimates and assumptions, that the resources and reserves described can be profitably produced in the future. The forward looking statements contained in this Registration Statement on Form 40-F and the documents incorporated by reference herein are expressly qualified by this cautionary statement. The Registrant does not undertake any obligation to publicly update or revise any forward-looking statements and readers should also carefully consider the matters discussed under the heading "Risk Factors" the Registrant's Renewal Annual Information Form, attached hereto as Exhibit 1.

OFF-BALANCE SHEET ARRANGEMENTS

As at the date hereof, the Registrant does not have any off-balance sheet arrangements in place.

TABULAR DISCLOSURE OF CONTRACTUAL OBLIGATIONS

See page 6 of the Registrant's Management's Discussion and Analysis and Results of Operations for the fiscal year ended December 31, 2004, which is filed as Exhibit 99.3 to this Registration Statement on Form 40-F.

UNDERTAKING AND CONSENT TO SERVICE OF PROCESS
