BACKGROUND

Overview

On July 28, 2011, the board of directors (the “Board”) of the Company approved the adoption of the Certificate of Designation of Series A-2 Participating Convertible Preferred Stock of Harbinger Group Inc. (the “Certificate of Designation”), which sets forth the rights and preferences of a newly created class of preferred stock, the Series A-2 Participating Convertible Preferred Stock (the “Preferred Stock”) and, in connection therewith, approved the Certificate of Amendment to amend the Existing Certificate of Designation adopted on May 12, 2011. The terms of the Preferred Stock were established based on the existing authority vested in the Board by our certificate of incorporation.

On August 1, 2011, we entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) with Quantum Partners LP, a Cayman Islands exempted limited partnership (“Quantum”), JHL Capital Group Master Fund L.P., a Cayman Islands exempted limited partnership (the “JHL Purchaser”), and certain funds and/or accounts managed and/or advised by DDJ Capital Management, LLC (collectively, the “DDJ Purchasers” and together with the Quantum and the JHL Purchaser, the “Initial Purchasers”). On August 4, 2011, we entered into the First Amendment to Securities

Purchase Agreement (the “First Amendment to Securities Purchase Agreement”) with the Initial Purchasers and Luxor Capital Partners, LP, a Delaware limited partnership, Luxor Wavefront, LP, a Delaware limited partnership, Luxor Capital Partners Offshore Fund, LP, a Cayman Islands limited partnership, OC 19 Master Fund, L.P. - LCG, a Cayman Islands limited partnership, and GAM Equity Six Inc., a British Virgin Islands company (collectively, the “Luxor Purchasers,” and together with the Initial Purchasers, the “Purchasers”) in order for the Luxor Purchasers to be joined as a purchaser under the Securities Purchase Agreement. Pursuant to the Securities Purchase Agreement, as amended, the Company agreed to sell an aggregate of 120,000 shares of Preferred Stock of the Company to the Purchasers at a purchase price of \$1,000 per share (the “Purchase Price”), resulting in aggregate gross proceeds to the Company of \$120 million (the “Private Placement”).

The rights and privileges of the Preferred Stock and the terms of the Securities Purchase Agreement, which are more fully described below, include the ability of the holders of the Preferred Stock to convert their Preferred Stock into shares of our Common Stock. Holders of the Preferred Stock are also entitled to vote their Preferred Stock on an as converted basis with our Common Stock on matters submitted to a vote of our stockholders. In addition, the Securities Purchase Agreement entitles the Purchasers to participate as a purchaser in future issuances of securities by us under certain circumstances.

On August 5, 2011, the Common Stockholders, holders of a majority of the issued and outstanding shares of our Common Stock as of that date, and the Series A Preferred Stockholders, holders of all of the issued and outstanding shares of our preferred stock as of that date, approved the Certificate of Amendment by Action by Written Consent of the Common Stockholders and by Action by Unanimous Written Consent of the Preferred Stockholders respectively.

Terms of the Preferred Stock and the Securities Purchase Agreement

The following discussion provides only a summary of the terms of the Preferred Stock. For a more complete understanding of the Preferred Stock, we urge you to review the Certificate of Designation previously filed as Exhibit 3.5 to our Quarterly Report on Form 10-Q for the quarter ended July 3, 2011 filed with the Securities and Exchange Commission (the "SEC") on August 12, 2011.

Dividends. The Preferred Stock will accrue a cumulative quarterly cash dividend at an annualized rate of 8%. The Purchase Price of the Preferred Stock will accrete quarterly at an annualized rate of 4% that will be reduced to 2% or 0% if the Company achieves specified rates of growth measured by increases in its net asset value. The Preferred Stock is also entitled to participate in cash and in-kind distributions to holders of shares of Common Stock on an as converted basis.

Optional Conversion. Each share of Preferred Stock may be converted by the holder into Common Stock at any time based on the then applicable conversion price (the "Conversion Price"). The initial Conversion Price is \$7.00 and is subject to adjustment for dividends, certain distributions, stock splits, combinations, reclassifications, reorganizations, recapitalizations and similar events, as well as in connection with issuances of Common Stock (and securities convertible or exercisable for Common Stock) below the Conversion Price (which adjustment shall be made on a weighted average basis).

Automatic Conversion/Mandatory Redemption. On May 13, 2018, holders of the Preferred Stock shall be entitled to cause the Company to redeem the Preferred Stock at the Purchase Price per share plus accrued but unpaid dividends. Each share of Preferred Stock that is not so redeemed will be automatically converted into shares of Common Stock at the Conversion Price then in effect.

Upon a change of control (as defined in the Certificate of Designation) holders of the Preferred Stock shall be entitled to cause the Company to redeem its Preferred Stock at a price per share of Preferred Stock equal to the sum of 101% of the Purchase Price and any accrued and unpaid dividends, including accrued and unpaid cash and accreting dividends for the then current dividend period.

Optional Redemption. At any time on or after May 13, 2014, the Company may redeem the Preferred Stock, in whole but not in part, at a price per share equal to 150% of the Purchase Price plus accrued but unpaid dividends, subject to the holder's right to convert prior to such redemption.

Mandatory Conversion. On or after May 13, 2014, the Company may force conversion of the Preferred Stock into Common Stock if the thirty day volume weighted average price of the Company's Common Stock ("VWAP") and the daily VWAP exceeds 150% of the then applicable Conversion Price of the Company's Series A Preferred Stock for at

least twenty trading days out of the thirty trading day period used to calculate the thirty day VWAP. In the event of a forced conversion, the holders of Preferred Stock will have the ability to elect cash settlement in lieu of conversion if certain market liquidity thresholds for the common stock are not achieved.

Liquidation Preference. In the event of any liquidation or winding up of the Company, the holders of Preferred Stock will be entitled to receive per share the greater of (i) 150% of the Purchase Price, plus any accrued and unpaid dividends and (ii) the value that would be received if the share of Preferred Stock were converted into Common Stock immediately prior to the liquidation or winding up.

Participation Rights. Prior to August 5, 2016, subject to meeting certain ownership thresholds, certain Purchasers will be entitled to participate, on a pro rata basis in accordance with their ownership percentage, determined on an as converted basis, in issuances of equity and equity linked securities by the Company.

Tag-Along Rights Amendment. As an inducement to the Purchasers, Harbinger Capital Partners Master Fund I, Ltd., Harbinger Capital Partners Special Situations Fund, L.P. and Global Opportunities Breakaway Ltd. (together, the “Controlling Stockholders”) and CF Turul LLC (the “Fortress Purchaser”), Wilton Re Holdings Limited (the “Wilton Purchaser”), PECM Strategic Funding L.P., Providence TMT Debt Opportunity Fund II, L.P. (and together with PECM Strategic Funding L.P., each a “PECM Purchaser” and collectively, the “PECM Purchasers”, and together with the Fortress Purchaser and the Wilton Purchaser, the “Existing Purchasers”), on August 5, 2011, amended and restated the tag-along agreement entered into in connection with the sale of Series A Preferred Stock and, among other things, granted the Purchasers tag-along rights with respect to private sales of common stock, subject to certain terms and conditions including minimum ownership thresholds for the Purchasers, on the same terms as the Existing Purchasers. The Company is not party to such agreement.

Voting Rights. The holders of the shares of the Preferred Stock will be entitled to vote on an as-converted basis with the Company’s holders of Common Stock on all matters submitted to a vote of the holders of Common Stock for all purposes.

Consent Rights. Consent of the holders of Preferred Stock is required before any fundamental change can be made to the Preferred Stock, including changes to the terms of the Preferred Stock with respect to liquidation preference, dividend, or redemption rights. Consent of the holders of a majority of Preferred Stock is required before, subject to certain exceptions, any material action may be taken with respect to the Preferred Stock including issuing stock senior or pari passu to the Preferred Stock and incurring debt, or permitting a subsidiary to incur debt or selling assets or permitting a subsidiary to sell assets not otherwise permitted by the indenture relating to the Company’s Senior Secured Notes due 2015 (or any replacement thereof).

Other Covenants. The Certificate of Designation includes additional terms regarding obligations of the Company. Upon a specified breach event (which shall include an event of default under the indenture relating to the Company’s Senior Secured Notes due 2015, the Company’s failure to pay any dividends for a period longer than 90 days, the Company’s failure to maintain a 1:1 ratio of cash and cash equivalents to fixed charges until March 31, 2012, the Company’s failure to perform certain covenants under the Certificate of Designation, and causing the delisting of its Common Stock) the Company shall be prohibited from making certain restricted payments, incurring certain debt, and entering into certain agreements to purchase debt or equity interests in portfolio companies of Harbinger Capital or its affiliates (other than the Company) or to sell equity interests in portfolio companies of the Company to Harbinger Capital or its affiliates.

Registration Rights Amendment and Joinder

We have entered into a Registration Rights Amendment and Joinder with the Purchasers (the “Registration Rights Amendment and Joinder”), extending the registration rights provided in the Registration Rights Agreement, dated May 12, 2011, by and among the Company and the Existing Purchasers, to the Purchasers.

Under the Registration Rights Agreement, the Company is obligated to use commercially reasonable efforts to cause a registration statement with respect to the Common Stock underlying the Preferred Stock to be filed under the Securities Act of 1933, as amended, by October 10, 2011 and declared effective by January 25, 2012. The Company has agreed to keep the registration statement effective until all of the Common Stock covered therein has been sold or may be sold without volume or manner of sale restrictions under Rule 144 of the Securities Act. In connection with the Registration Rights Amendment and Joinder, the Company amended its existing Registration Rights Agreement with Harbinger Capital, dated September 10, 2010.

Certificate of Amendment of Certificate of Designation of Series A Participating Convertible Preferred Stock

In connection with the Securities Purchase Agreement, the Company will amend the Existing Certificate of Designation by the Certificate of Amendment. The Certificate of Amendment amends the Existing Certificate of Designation to permit the issuance of the Preferred Stock and to allow the Preferred Stock and the Series A Preferred Stock to vote together as a single class with respect to consenting to certain corporate actions affecting one or both series of preferred stock. For a more complete understanding of the Certificate of Amendment please refer to Exhibit 3.4 to our Quarterly Report on Form 10-Q for the quarter ended July 3, 2011 filed with the SEC on August 12, 2011. The Certificate of Amendment will be filed with the Delaware Secretary of State, and become effective, 20 calendar days following the mailing of this Schedule 14C Information Statement to you.

Absence of Market for Preferred Stock

There is no established trading market for the Preferred Stock. We do not currently intend to register the Preferred Stock or list the Preferred Stock on a national securities exchange or qualify the Preferred Stock for quotation on a stock exchange such as the NYSE. However, we have agreed to register the Common Stock issuable upon conversion of the Preferred Stock issued to Purchasers in the Private Placement. See the discussion above under the section entitled "Registration Rights Amendment and Joinder."

Use of Proceeds

The Company intends to use the proceeds from the Private Placement for general corporate purposes, which may include acquisitions and other investments.
