RAINWIRE PARTNERS, INC.

NOTES TO FINANCIAL STATEMENTS (unaudited)

Note 1. Basis of Presentation

In the opinion of management, the accompanying unaudited consolidated condensed financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-QSB. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation of the Company's financial position as of June 30, 2002 and the consolidated results of its operations and cash flows for the three and six months ended June 30, 2002 and 2001. Operating results for the six months ended June 30, 2002 are not necessarily indicative of the results that may be expected for the year ended December 31, 2002.

These condensed financial statements should be read in conjunction with the financial statements and notes thereto contained in the Company's Form 10-KSB for the year ended December 31, 2001.

Item 2. Management's Discussion And Analysis Of Financial Condition And Results Of Operations.

Edgar Filing: RAINWIRE PARTNERS INC /DE/ - Form 10QSB

This 10-QSB contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which are intended to be covered by the safe harbors created thereby. Investors are cautioned that certain statements in this 10-QSB are "forward looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 and involve known and unknown risks, uncertainties and other factors. Such uncertainties and risks include, among others, certain risks associated with the closing of the Oasis transaction described herein, government regulation, and general economic and business conditions. Actual events, circumstances, effects and results may be materially different from the results, performance or achievements expressed or implied by the forward-looking statements. Consequently, the forward-looking statements contained herein should not be regarded as representations by the Company or any other person that the projected outcomes can or will be achieved.

The following discussion and analysis should be read in conjunction with the Consolidated Financial Statements and Notes thereto, appearing elsewhere in this Form 10-QSB.

A. Results of Operations.

5

Second quarter of 2002 compared to second quarter of 2001.

There were no earned revenues in either quarter as the Company had discontinued all operations since January 1, 2000. The minor amount of expenses incurred in the current quarter were charged to the accrued estimated losses already provided as of December 31, 2000 for such anticipated amounts. These expense items were paid from advances received from Oasis Group, Inc., the development stage company seeking to acquire the majority of the Company's outstanding common stock as referred to in the Form S-4 filed with the Securities and Exchange Commission and the audited financial statements of the Company as of December 31, 2001. There was no cash activity for the comparable quarter in 2001.

Six months of 2002 compared to the same period a year ago.

There were no earned revenues in either period for the reason stated above. The minor amount of expenses incurred in both periods were charged to the accrued estimated losses already provided as of December, 31, 2000 for such anticipated amounts. All remaining assets of the Company were liquidated during the first quarter of 2001 with proceeds used to reduce outstanding indebtedness recorded as of December 31, 2000.

B. Financial Condition.

The Company is solely dependent on advances from related parties (to date Oasis Group, Inc. has advanced \$127,000) to continue in existence as the Company is in a negative financial position, has discontinued its operations as of December 31, 2000 and has substantial past due obligations and commitments. Its audited financial statements disclose a "going concern" paragraph in its most recent audited financial statements and nothing has changed that circumstance to date.

Edgar Filing: RAINWIRE PARTNERS INC /DE/ - Form 10QSB

The Company has no employees or facilities.

C. Plan of Operations.

For the near term, the Company is in the process of completing its merger with Oasis Group, Inc. It has had no operations since December 31, 2000 and is financially dependent on its shareholders, related parties and /or management, who have financed its existence to date.

Management of the Company believes it will be able to complete the merger and be successful in its efforts to continue the Company's existence. If the company is unsuccessful in completing the share exchange with Oasis Group, Inc., the company anticipates ceasing all activities and liquidating any and all remaining assets. In connection with the share exchange the company has filed a Registration Statement/Information Statement/Proxy Statement on Form S-4 on January 14, 2002, and an Amendment No. 1 to the Form S-4 on July 24, 2002, and is currently responding to comments to the Securities Exchange Commission. We expect responding to comments in the third quarter 2002 and completing the share exchange by the fourth quarter 2002.
