**PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS  
To be held on February 5, 2003**

**INTRODUCTION**

This Proxy Statement, with the accompanying proxy card, is furnished to shareholders of Consulier Engineering, Inc., a Florida corporation (the Corporation), in connection with the solicitation of proxies by the Board of Directors of the Corporation for use at the 2002 Annual Meeting of Shareholders to be held on February 5, 2003, or at any adjournment or postponement thereof. The meeting will be held at the offices of Simon & Simon, Chartered Attorneys, 3980 RCA Boulevard, Suite 8012, Palm Beach Gardens, Florida 33410. Proxy material is being mailed on or about January 9, 2003, to the Corporation's shareholders. The cost of the solicitation will be borne by the Corporation.

**Matters to be Considered at the Annual Meeting**

1. To elect five (5) directors to serve until the next Annual Meeting of Shareholders or until their successors are elected and qualified.
2. To ratify the reappointment of BDO Seidman, LLP as independent auditors of the Corporation for the year ended December 31, 2002.
3. To transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

**Shareholders Entitled to Vote**

Each holder of record of the Corporation's common stock as of the close of business on November 24, 2002, (the Record Date) will be entitled to vote at the Annual Meeting. Each shareholder will be entitled to one vote on each proposal for each share of common stock of the Corporation held as of such date. At the close of business on the Record Date, there were 4,951,150 shares of the Corporation's common stock issued and outstanding. Notwithstanding the Record Date specified above, the stock transfer books of the Corporation will not be closed and stock may be transferred subsequent to the Record Date, although all votes must be cast in the names of the shareholders of record as of the Record Date.

**Table of Contents**

**Vote Required**

The matters, which may be considered and acted upon by the shareholders at the Annual Meeting, require approval by the affirmative vote of at least a majority of the votes cast by the shareholders present in person or by proxy and constituting a quorum at the Annual Meeting.

A shareholder may abstain or withhold his vote (collectively, abstentions ) with respect to each item submitted for shareholder approval. Abstentions will be counted for purposes of determining the existence of a quorum. Abstentions will be counted as not voting in favor of the relevant item. Since the election of directors and the ratification of the reappointment of auditors is determined by the votes cast, abstentions will not affect such election or approval.

A broker who holds shares in street name has the authority to vote on certain items when he has not received instructions from the beneficial owner. Except for certain items for which brokers are prohibited from exercising their discretion, a broker is entitled to vote on matters put to shareholders without instructions from the beneficial owner. Where brokers do not have or do not exercise such discretion, the inability or failure to vote is referred to as a broker nonvote. Under the circumstances where the broker is not permitted to or does not exercise its discretion, assuming proper disclosure to the Corporation of such inability to vote, broker nonvotes will be counted for purposes of determining the existence of a quorum, but also will be counted as not voting in favor of the particular matter. Since each of the matters submitted for shareholder approval is a matter for which a broker may exercise its discretion or is a matter that will be determined by a majority of the votes cast, broker nonvotes, if any, will not have any effect on the outcome of any matter submitted for shareholder approval.

**Proxies**

If the enclosed form of proxy is executed and returned, it may nevertheless be revoked at any time before it has been exercised, but if it is not revoked, the shares represented thereby will be voted by the persons designated in such proxy. Shares represented by the proxies received will be voted in accordance with the instructions therein. In the absence of instructions, proxies will be voted FOR the election as directors of the nominees for directors named herein and the ratification of the reappointment of BDO Seidman, LLP as independent auditors of the Corporation for the year ended December 31, 2002.

It should be noted that Warren B. Mosler, Chairman of the Board of Directors, President and Chief Executive Officer of the Corporation, has the right to vote sufficient shares to cause each of the proposed actions to be approved without any other shares being voted in favor thereof at the Annual Meeting. Mr. Mosler has indicated his intention to vote all of his shares for approval of the persons nominated as directors, and for reappointment of the Corporation's existing independent auditors. Accordingly, any negative vote, which a shareholder may cast, will not have any effect on the outcome of any of the matters discussed in this proxy.

**Table of Contents****Proxy Solicitation**

This Proxy Statement, the accompanying proxy card, and the Corporation's Annual Report on Form 10-KSB for the year ended December 31, 2001, are being mailed on or about December 31, 2002, to shareholders entitled to vote at the Annual Meeting. The cost of solicitation of proxies will be borne by the Corporation. In addition to the use of the mails, proxy solicitations may be made by telephone and personal contact by officers, directors and employees of the Company. The Company will, upon request, reimburse brokerage houses and persons holding shares in their names or in the names of nominees for their reasonable expenses incurred in sending soliciting material to their principals.
