NOTES TO FINANCIAL STATEMENTS (UNAUDITED)**

Note 1. BASIS OF PRESENTATION

In the opinion of management, the accompanying unaudited consolidated condensed financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-QSB. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation of the Company's financial position as of March 31, 2003 and the consolidated results of its operations and cash flows for the three months ended March 31, 2003 and 2002. Operating results for the three months ended March 31, 2003 are not necessarily indicative of the results that may be expected for the year ended December 31, 2003.

These condensed financial statements should be read in conjunction with the financial statements and notes thereto contained in the Company's Form 10-KSB for the year ended December 31, 2002.

Item 2. Management's Discussion And Analysis Of Financial Condition And Results Of Operations.

This 10-QSB contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which are intended to be covered by the safe harbors created thereby. Investors are cautioned that certain statements in this 10-QSB are forward looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and involve known and unknown risks, uncertainties and other factors. Such uncertainties and risks include, among others, certain risks associated with government regulation, and general economic and business conditions. Actual events, circumstances, effects and results may be materially different from the results, performance or achievements expressed or implied by the forward-looking statements. Consequently, the forward-looking statements contained herein should not be regarded as representations by the Company or any other person that the projected outcomes can or will be achieved.

The following discussion and analysis should be read in conjunction with the Consolidated Financial Statements and Notes thereto, appearing elsewhere in this Form 10-QSB.

A. Financial Condition.

The Company is solely dependent on advances from related parties to continue in existence as the Company is in a negative financial position, has discontinued its operations as of December 31, 2000 and has substantial past due obligations and commitments. Its audited financial statements disclose a going concern paragraph in its most recent audited financial statements and nothing has changed that circumstance to date. The Company has no employees or facilities.

B. Plan of Operations

The Company has had no operations since December 31, 2000 and is financially dependent on its shareholders, related parties and/or management, who have financed its existence to date. In the near term the Company will pursue an acquisition or merger to achieve profitable operations and adequate cash flows to meet its financial obligations.
