Item 8.01. Other Events.

SystemOne Technologies Inc. (the Registrant) announced today that it filed a Form 15 with the Securities and Exchange Commission (the SEC) to terminate the registration of the Registrant s common stock, par value \$.001 per share, and suspend its duty to file reports under Section 13 and 15(d) of the Securities Exchange Act of 1934, as amended. After careful consideration it was determined that deregistering was in the overall best interest of the Registrant and its shareholders. Upon the filing of the Form 15, the obligation of the Registrant to file with the SEC certain specified reports and forms, including reports on forms 10-KSB, 10-QSB, 8-K, and the Registrant s proxy statement will be suspended. The deregistration will not become effective until the SEC terminates the registration, which is expected to occur within 90 days of the filing of the Form 15.

As a result of deregistering with the SEC, the Registrant s common stock will no longer be eligible for trading on the Over-the-Counter Bulletin Board. The Registrant s securities may be traded over the counter on the Pink Sheets, but the Registrant can make no assurance that any broker will make a market in the Registrant s common stock. The Pink Sheets is a centralized quotation service that collects and publishes market maker quotes in real time, primarily through its web site, <http://www.pinksheets.com/>. Additionally, the Registrant intends to continue to provide annual financial statements to its shareholders in accordance with Florida law and presently intends to report its quarterly and annual financial results on the Pink Sheets web site under the Registrant s ticker symbol.

A copy of the Registrant s press release announcing the deregistration of its securities is incorporated herein by reference and is filed as exhibit 99.1 to this Current Report on Form 8-K.
