**Section 1 Registrant's Business and Operations**

**Item 1.02 Termination of a Material Definitive Agreement.**

On September 30, 2005, The GEO Group, Inc. ( "GEO" ) was informed that the Governor of the State of Michigan announced her decision to close GEO's 480-bed Michigan Youth Correctional Facility in Baldwin, Michigan (the "Facility" ). As a result of the closure of the Facility, GEO's management contract (the "Contract" ) with the Michigan Department of Corrections to operate the Facility has been terminated. GEO and the State have agreed that the Facility's operations will remain funded through October 14, 2005, when all inmates will have been transferred from the Facility to other prisons in the State of Michigan.

GEO also leases the Facility to the State of Michigan under a separate lease agreement (the "Lease" ). On October 3, 2005, GEO received a written notice from the State that it intends to terminate the Lease within 60 days. GEO believes that this termination is improper under the terms of the Lease and plans to initiate litigation challenging the termination in the near future.

Following the termination of the Contract and the purported termination of the Lease, GEO issued a press release (the "Press Release" ) relating to the closure of the Facility. In the Press Release, GEO revised its earnings guidance downward for the remainder of fiscal year 2005 and for the full fiscal year 2006. The revised guidance in the Press Release assumes the termination of the Lease in 60 days, a matter which GEO intends to dispute. The Press Release is incorporated herein by reference and is attached hereto as Exhibit 99.1.
