PROPOSALS OF THE BOARD OF DIRECTORS

The Board of Directors asks the shareholders to support the Board's Proposals with respect to the following matters and grant their proxy accordingly.

**PROPOSAL
RESOLUTION NUMBER 3**

Currently, the Articles of Incorporation and By-laws provide that a shareholder of Triple-S Management may only transfer his/her common shares to his/her descendants who are physicians or dentists, if such descendant complies with the twenty-one (21) common shares limit per person.

Resolution Number 3 is presented by the Board of Directors of Triple-S Management to amend Article Eighth of the Articles of Incorporation and Articles 4-2 and 4-3 of the By-laws of Triple-S Management to allow the transfer to any physician or dentist of one or more common shares of a shareholder, during his/her lifetime or upon his/her death, if no kind of payment, service, obligation, or other inducement has been or will be provided or rendered, and if said physician or dentist complies with the twenty-one (21) common shares limit requirement.

Resolution

Be it resolved, as this continuation of the Annual Meeting of Shareholders hereby resolves, today, February 5, 2006, in San Juan, Puerto Rico, to amend Article Eighth of the Articles of Incorporation and Articles 4-2 and 4-3 of the By-laws of Triple-S Management so that they read as follows:

ARTICLES OF INCORPORATION

EIGHTH: TRANSFER OF COMMON SHARES

- A. **A shareholder may, during his/her lifetime or upon his/her death, donate, bequeath, grant, or transfer one or more of his/her common shares to any other physician or dentist, if said shareholder and the physician or dentist that will receive the common shares comply with each and everyone of the following requirements and the same are evidenced to the Corporation's satisfaction:**
1. **Deliver a prior written and duly executed notification to the Corporation regarding the donation, bequest, grant, or transfer;**

2. Deliver evidence to the Corporation that no kind of payment, service, obligation, or other inducement has been or will be provided or rendered;
 3. Deliver evidence to the Corporation of the fulfillment of the twenty-one (21) common shares per person limit requirement; and
 4. Deliver all evidence to the Corporation that is necessary to show the fulfillment of the conditions required to recognize and register the transfer of these common shares on the Corporation's books.
- B. The Corporation will have the right of first refusal over its common shares if one or more of the common shares are sold, donated, bequeathed, granted, or transferred, in any manner, during a shareholder's lifetime or upon his/her death, pursuant to a will or by operation of law: (1) to someone who is not a physician or dentist, or (2) when any kind of payment, service, obligation, or other inducement has been or will be provided or rendered.
- C. When a transfer of common shares is requested and (1) the transfer of common shares is to be made to a person who is not a physician or dentist, (2) any kind of payment, service, obligation, or other inducement has been or will be provided or rendered, or (3) the provisions in this Article regarding the transfer of common shares are not complied with, the Corporation may purchase them at the same price paid to the Corporation when the common shares were originally issued.

~~The Corporation will have the right of first refusal in the event of a sale, donation, or any other sale or cession of the shares of the Corporation. Any Shareholder who wishes to sell, donate, or in any other way sell or cede his/her shares of the Corporation, must first offer his shares to the Corporation in writing. The Corporation may then purchase said shares from the Shareholder for the same price he/she paid for them. However, in the event that said shares were donated or inherited through a will, or in any other way, to a person who is (1) a descendant of the Shareholder and (2) a physician or a dentist, then said person has the right to hold up to a maximum 21 shares.~~

BY-LAWS

CHAPTER 4 ON THE COMMON STOCKS

~~4-2 The Corporation will have the right of first refusal in the event of a sale, donation, or any other sale or cession of the shares of the Corporation. Any Shareholder who wishes to sell, donate, or in any other way sell or cede his/her shares of the Corporation, must first offer his/her shares to the Corporation in writing. The Corporation shall then purchase said shares from the Shareholder for the same price he/she paid for them. However, in the event that the shares were donated or inherited through a will, or in any other way, to a person who is (1) a descendant of the Shareholder and (2) a physician or a dentist, then said person shall have the right to hold up to a maximum 21 shares.~~

~~4-3 SHAREHOLDER LISTING~~

4-2 LIST OF SHAREHOLDERS

The Secretary of the Corporation shall keep, or ensure the keeping of, a complete and exact register, in alphabetical order, of all the shareholders, including their address and the amount of shares **registered under** each shareholder ~~holds, in the offices of the Corporation.~~ Said register shall be readily available and **may be photocopied** during working hours, and shall be available for inspection by any shareholder, particularly, ten (10) days before a shareholders meeting, and when any other shareholder meeting is being held.

The Corporation's register will constitute the only acceptable evidence to determine which shareholders have the right to inspect the Corporation's Shareholders Register, the books of the Corporation, and to determine which shareholders have the right to vote in person or by proxy during any meeting or shareholders meeting.

Position of the Board or Directors

The Board of Directors recommends that you vote **In Favor** of this Resolution.

Reasons for Voting in Favor of the Resolution

At the Annual Meeting of Shareholders held on April 29, 2001, Resolution Number 5 was approved, recommending that the Board of Directors take the necessary steps in order to register the common shares of a shareholder on the books of Triple-S Management under the name of his/her spouse or his/her heirs, if they are physicians and dentists, and the twenty-one (21) common shares per person limit is not exceeded. At various Annual Meetings, the Board of Directors presented a resolution similar to this one. Said resolution was not approved, since two-thirds (2/3) of the issued and outstanding common shares required for its approval have not been present at the meetings.

Article Eighth of the Articles of Incorporation and Article 4-2 of the By-laws of Triple-S Management establish the right of first refusal Triple-S Management has over its common shares, unless these common shares are transferred to a descendant of a shareholder (children, grandchildren, great-grandchildren, etc.) who is a physician or dentist. These provisions do not allow a shareholder to donate, bequeath, grant, or transfer his/her common shares to any other physician or dentist (spouse, siblings, cousins, nieces/nephews, son-in-law/daughter-in-law, etc.) since they are not descendants of the shareholder. In these cases, Triple-S Management has the right of first refusal over its common shares and, therefore, has an obligation to redeem the same as provided in the Articles of Incorporation and the By-laws.

Some of our shareholders have expressed their wish to change these provisions of the Articles of Incorporation and By-laws so that they are able to donate, bequeath, grant, or transfer, during their lifetime or upon their death, when no kind of payment, service, obligation, or other inducement has been or will be provided or rendered, one or more of their common shares to any other physician or dentist. Among these shareholders, Dr. Arturo Flores-Gallardo has petitioned, in more than one occasion, that this amendment be approved.

In order to implement these changes, our shareholders must approve the amendments to the Articles of Incorporation and By-laws of Triple-S Management described in this Resolution. In addition, with these amendments we will avoid that Article Eighth of the Articles of Incorporation, as well as Article 4-2 of the By-laws, have the same language regarding the redemption and transfer of the common shares, which might be confusing.

The Board of Directors goal is that shareholders support and approve this Resolution as soon as possible in order to attend the shareholders requests regarding this issue.

Effectiveness of Resolution Number 3

If this Resolution Number 3 is approved at the Annual Meeting of Shareholders on April 24, 2005, or at any postponement, recess, suspension, or adjournment of said Meeting, this Resolution will be effective upon the filing of the corresponding Certificate of Amendment to the Articles of Incorporation at the State Department of Puerto Rico, as required by the General Corporation s Law of Puerto Rico of 1995, as amended. Article Eighth of the Articles of Incorporation and Articles 4-2 and 4-3 of the By-laws of Triple-S Management will read as provided in this Resolution Number 3.

If our shareholders approve Resolution Number 3 and Resolutions Number 4 and 5 at the Annual Meeting of Shareholders on April 24, 2005 or at any postponement, recess, suspension, or adjournment of said Meeting, Resolution Number 3 will not be effective. This is due to the fact that Resolution Number 3 as well as Resolutions Number 4 and 5 propose to amend Article Eighth of the Articles of Incorporation and Articles 4-2 and 4-3 of the By-laws of Triple-S Management. Since the effectiveness of Resolution Number 5 depends upon the approval and effectiveness of Resolution Number 4, the Board of Directors informs you that Resolution Number 4 shall be effective upon the filing of the corresponding Certificate of Amendment to the Articles of Incorporation at the State Department of Puerto Rico. At this time, the amendments indicated in Resolutions Number 4 and 5 shall be incorporated into the Articles of Incorporation and By-laws of Triple-S Management.

However, if Resolutions 4 and 5 are approved after the approval of Resolution Number 3, the Articles of Incorporation and By-laws will read as provided in Resolutions Number 4 and 5, respectively, and their effectiveness shall be prospective. Said amendments shall be made after the corresponding Certificate of Amendment to the Articles of Incorporation is filed at the State Department so that Resolution Number 4 becomes effective, which also depends on the approval of Resolution Number 5.

Required Vote

This Resolution will be approved if it receives the affirmative vote of two-thirds ($2/3$) or more of the issued and outstanding common shares with the right to vote, pursuant to Article Thirteenth of the Articles of Incorporation of Triple-S Management.

PROPOSAL
RESOLUTION NUMBER 4

Resolution Number 4 is presented by the Board of Directors of Triple-S Management to amend and renumber Articles Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh, Twelfth, and Thirteenth of the **Articles of Incorporation** of Triple-S Management to establish that the authorized capital of Triple-S Management will be divided into two classes of common shares: (1) Voting Common Shares, which are the common shares authorized by Triple-S Management since its origins, in other words, the existing common shares, and (2) Non-Voting Common Shares, which are not available for purchase, since they will only be issued so that one or more of the voting common shares of a shareholder may be exchanged, upon his/her death, for an equal amount of non-voting common shares for the benefit of his/her heirs or surviving spouse when they are not physicians or dentists, subject to, among other requirements to be complied with, the twenty-one (21) common shares per person limit. In addition, this Resolution will include the revisions of some provisions in order to improve or correct the text or language of the Articles of Incorporation.

B. Non-Voting Common Shares:

1. A shareholder who owns non-voting common shares may, during his/her lifetime or upon his/her death, donate, bequeath, grant, or transfer all or part of his/her common shares to any other natural person, if said natural person that will receive the common shares complies with each and everyone of the following requirements and the same are evidenced to the Corporation's satisfaction:

 - b. Deliver evidence to the Corporation that no kind of payment, service, obligation, or other inducement has been or will be provided or rendered;

2. The Corporation will have the right of first refusal over these common shares if one or more of them are sold, donated, bequeathed, granted, or transferred in any manner, during a shareholder's lifetime or upon his/her death, pursuant to a will or by operation of law: (a) to someone who is not a natural person, or (b) when any kind of payment, service, obligation, or other inducement has been or will be provided or rendered.

~~The Corporation will have a right of preferential acquisition in the event of a sale, donation or other sale or assignment of the Corporation shares. Any Shareholder, who wishes to sell, donate or otherwise sell or assign its shares in the Corporation, will first have to make an offer in writing to the Corporation. The Corporation will then proceed to purchase said shares from the Shareholder at the same price paid by him for the shares. However, in the event that said shares have been donated or bequeathed through Will or otherwise to a person who is (1) a descendant of the Shareholder and (2) a doctor or dentist, then said person will have the right to be the holder of said shares up to a maximum of 21 shares.~~

AMENDMENTS

- A. In order to amend these Articles of Incorporation, the Board of Directors must consider and approve the proposed amendments, then the resolution to amend the Articles of Incorporation must be notified and included in the notice of the shareholders meeting, and, lastly, at said meeting, the shareholders must approve the amendments with the affirmative vote of two-thirds (2/3) of the issued and outstanding common shares with the right to vote on such matter, provided that:
1. Article Fifth, which provides that the authorized capital may be amended through the affirmative vote of a majority of the Corporation's issued and outstanding common shares with the right to vote on such matter.
 2. Section C of Article Eighth (that no person may hold five percent (5%) or more of the voting common shares of the Corporation), Section B of Article Ninth (that prohibits cumulative voting), and Section B of Article Thirteenth (that the Board of Directors shall be divided into three staggered groups), may only be amended by the affirmative vote of three-fourths (3/4) of the issued and outstanding common shares with the right to vote on such matter.

~~In order to amend these Articles of Incorporation, an affirmative vote of no less than two thirds (2/3) of the voting shares issued and outstanding, provided, however, that Article FIFTH, which provides the authorized capital, may be amended through an affirmative vote by a majority of the Corporation's voting shares issued and outstanding, and the Articles SIXTH, SEVENTH AND ELEVENTH, Section B, shall only be amended by an affirmative vote of three fourths (3/4) of the voting shares of the Corporation issued and outstanding.~~

- B.** Despite the provisions of Chapter 9 (Sales of Assets; Dissolution) and Chapter 10 (Fusion or Consolidation) of the 1995 General Corporations Law, as amended, the approval of the transactions provided for therein shall be done through the affirmative vote of two-thirds ($\frac{2}{3}$) of the issued and outstanding common shares with the right to vote on such matter. ~~voting of the Corporation.~~

Position of the Board or Directors

The Board of Directors recommends that you vote **In Favor** of this Resolution.

Reasons for Voting in Favor of the Resolution

The approval of this Resolution Number 4, which proposes amendments to our Articles of Incorporation, is conditioned to the approval of Resolution Number 5. Both Resolutions have the purpose to establish that the authorized capital of Triple-S Management will be divided into two classes of common shares: (1) Voting Common Shares, which are the common shares authorized by Triple-S Management since its origins, in other words, the existing common shares, and (2) Non-Voting Common Shares, which are not available for purchase, since they will only be issued so that one or more of the voting common shares of a shareholder may be exchanged, upon his/her death, for an equal amount of non-voting common shares for the benefit of his/her heirs or surviving spouse when they are not physicians or dentists, subject to, among other requirements to be complied with, the twenty-one (21) common shares per person limit. In addition, this Resolution will include the revisions of some provisions in order to improve or correct the text or language of the Articles of Incorporation.

These amendments to our Articles of Incorporation will achieve the approval of a fundamental act of justice for our shareholders by allowing their heirs or surviving spouse to be shareholders who own non-voting common shares of Triple-S Management upon the death of a shareholder when these persons are not physicians or dentists. This is achieved by establishing that the authorized capital of Triple-S Management will be divided into two classes of common shares: Voting Common Shares and Non-Voting Common Shares, issued so that the existing common shares may be exchanged for an equal amount of non-voting common shares. Therefore, these non-voting common shares will not be sold, since they shall only be issued on behalf of the heir or surviving spouse of a shareholder when these are not physicians or dentists.

These new non-voting common shares shall have essentially all of the same rights, prerogatives, and limitations of the existing voting common shares, except for the right to attend, participate, and vote at shareholders meetings. A shareholder who owns non-voting common shares may be nominated to occupy a position as director of the Board as a representative of the community if such person is not a physician or dentist, but in order to qualify and perform the duties as a director, Triple-S Management must issue one voting common share to said director, pursuant to the By-laws and if he/she complies with the twenty-one (21) common shares per person limit.

In addition, these new non-voting common shares may be exchanged for voting common shares, with the right to vote, attend, and participate in the shareholders' meetings if: (1) said shareholder, who owns non-voting common shares, becomes a physician or dentist and requests the exchange of his/her non-voting common shares for voting common shares, or (2) a physician or dentist receives a donation, bequest, grant, or transfer of non-voting common shares. On the other hand, through this Resolution and the amendments proposed thereby, our shareholders, who are physicians or dentists, may also donate, bequeath, grant, or transfer, during his/her lifetime or upon his/her death, one or more of his/her voting common shares to any other physician or dentist if pursuant to such donation, bequest, grant, or transfer when no kind of payment, service, obligation, or other inducement has been or will be provided or rendered, the twenty-one (21) common shares per person limit is complied with, and every one of the requirements established in the Articles of Incorporation are performed.

Principal Effect to the Shareholders of the Amendments

The proposed new class of non-voting common shares will not affect the existing rights of the shareholders who own voting common shares, since the new class of non-voting common shares to be created will have fewer rights than the existing voting common shares presently have.

If the amendments proposed in this Resolution are approved, the composition of our class of shareholders will change, by allowing persons who are not physicians or dentists to become shareholders of Triple-S Management. Therefore, our shareholder base will be composed of: Shareholders who own Voting Common Shares and Shareholders who own Non-Voting Common Shares.

The Board of Directors encourages our shareholders to vote in favor of the proposed amendments to the Articles of Incorporation in this Resolution Number 4. In this way, pursuant to the wish of a vast majority of our shareholders, their heirs and surviving spouse may preserve the participations of the existing shareholders of Triple-S Management even though they are not physicians or dentists, since they may exchange the voting common shares for non-voting common shares and therefore may request that Triple-S Management register the non-voting common shares in the shares registry under the name of such heir or surviving spouse, who then would become shareholders who own non-voting common shares of Triple-S Management.

Effectiveness of Resolution Number 4

The effectiveness of the amendments to the Articles of Incorporation proposed in this Resolution Number 4 depends and is subject to the approval of Resolution Number 5 that appears in this Proxy Statement, which proposes several parallel amendments to the By-laws. Therefore, this Resolution Number 4 will become effective if the shareholders also approve Resolution Number 5.

However, if Resolution Number 5 and Resolution Number 4 are approved at the Annual Meeting of Shareholders on April 24, 2005, or at any postponement, recess, suspension, or adjournment of the Meeting, this Resolution will become effective when the corresponding certificate of amendment to the Articles of Incorporation is filed with the State Department of Puerto Rico, pursuant to the General Corporations Law of Puerto Rico of 1995, as amended. At this time, the Articles of Incorporation and By-laws of Triple-S Management will be amended as provided in Resolutions Number 4 and 5, respectively.

Required Vote

This Resolution will be approved if it receives the affirmative vote of three-fourths ($\frac{3}{4}$) or more of the issued and outstanding common shares with the right to vote, pursuant to Article Thirteenth of the Articles of Incorporation of Triple-S Management.

PROPOSAL

RESOLUTION NUMBER 5

Resolution Number 5 is presented by the Board of Directors of Triple-S Management to amend Chapters 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10 of the **By-laws** of Triple-S Management to establish that the authorized capital of Triple-S Management will be divided into two classes of common shares: (1) Voting Common Shares, which are the common shares authorized by Triple-S Management since its origins, in other words, the existing common shares, and (2) Non-Voting Common Shares, which are not available for purchase, since they will only be issued so that one or more of the voting common shares of a shareholder may be exchanged, upon his/her death, for an equal amount of non-voting common shares for the benefit of his/her heirs or surviving spouse when they are not physicians or dentists, subject to, among other requirements to be complied with, the twenty-one (21) common shares per person limit. In addition, this Resolution will include the revisions of some provisions in order to improve or correct the text or language of the By-laws.

Resolution

Be it resolved, as this continuation of the Annual Meeting of Shareholders hereby resolves, today, February 5, 2006, in San Juan, Puerto Rico, to amend Chapters 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10 of the **By-laws** of Triple-S Management so that they read as follows:

~~The By Laws herein approved will be submitted to the Shareholders, who may adopt, amend or derogate the same.~~

1-3 The Corporation will use a circular seal with the name Triple-S Management Corporation in its circumference.

CHAPTER 2 BOARD OF DIRECTORS

2-1 The Board of Directors will be composed of nineteen (19) ~~members~~ persons.

2-2 Of the nineteen (19) directors who will compose the Board of Directors, ten (10) must be representatives of the community and non-physicians or dentists.

CHAPTER 3 CAPITAL IN SHARES

3-1 The authorized capital of the Corporation will be One Million Dollars (\$1,000,000.00) divided into the following two classes of common shares:

B. Non-Voting Common Shares: This class will consist of twelve thousand five hundred (12,500) common shares with a par value of Forty Dollars (\$40).

~~The Corporation may issue up to twelve thousand five hundred (12,500) common shares with a par value of FORTY DOLLARS (\$40).~~

3-2 The preferences, rights, privileges, and restrictions of the common shares are established in the Articles of Incorporation of the Corporation.

~~The Corporation will use a circular seal measuring 1 7/8 in diameter with the name of Triple S Management Corporation around its circumference.~~

CHAPTER 4 ON THE COMMON SHARES

The ~~Incorporators~~ **shareholders** declare and agree, and so establish in these **Amended** By-laws that for the purpose of creating, defining, limiting, and handling the rights and privileges of the shareholders, **in addition to those rights and privileges provided in the Articles of Incorporation**, the following provisions are established:

4-1 **HOLDING OF COMMON SHARES**

~~SALE OF COMMON SHARES~~

- A. **No person may have more than twenty-one (21) common shares registered under his/her name on the books of the Corporation.**

~~No person may own more than twenty one (21) shares, or five percent (5%) or more, of the Corporation's voting shares issued and outstanding.~~

- B. **No person may hold five percent (5%) or more of the voting common shares registered under his/her name on the books of the Corporation, as provided in the Blue Cross and Blue Shield Association (BCBSA) license.**

- C. **The issuance by the Corporation or transfer, in any manner, by the shareholders of the voting common shares shall be exclusively limited to physicians and dentists. However, it is provided that those entities, such as the College of Dental Surgeons of Puerto Rico, Bella Vista Hospital, and Menonita Hospital, among others, who acquired common shares of Triple-S, Inc., may remain as shareholders owning voting common shares of Triple-S Management Corporation with all of the rights, preferences, privileges, and restrictions provided in the Articles of Incorporation for the voting common shares, except for the right to transfer them in any manner or to exchange them for non-voting common shares.**

~~The sales of shares will be exclusively limited to physicians and dentists. However, organizations such as hospitals, laboratories, and the College of Dental Surgeons of Puerto Rico, who had originally acquired shares of Triple-S, Inc., may continue as stockholders of Triple-S Management Corporation, with all the rights. In addition, the members of the Board of Directors who represent the community will be Shareholders as long as they remain on the Board.~~

- D. **The Corporation will issue, free of charge, one voting common share to the directors of the Board who represent the community, while they continue as members of the Board, with the only purpose of qualifying them for the position of director of the Corporation. Said community representatives shall return the qualifying share that had received when their duties as Directors of the Corporation end.~~

- 4-2 ~~The Corporation will have the right of first refusal in the event of a sale, donation, or any other sale or cession of the shares of the Corporation. The Corporation shall then purchase said shares from the Shareholder for the same price he/she paid for them. However, in the event that the shares were donated or inherited through a will, or in any other way, to a person who is (1) a descendant of the Shareholder and (2) a physician or a dentist, then said person shall have the right to hold up to a maximum 21 shares.~~

Said register shall be readily available and **may be photocopied** during working hours, and shall be available for inspection by any shareholder, particularly, ten (10) days before a shareholders meeting, and when any other shareholder meeting is being held.

The Corporation's register will constitute the only acceptable evidence to determine which shareholders have the right to inspect the Corporation's Shareholders Register, the books of the Corporation, and to determine which shareholders have the right to vote in person or by proxy during any meeting or shareholders meeting.

CHAPTER 5 MEETINGS

5-1 ANNUAL MEETING

The Annual Meeting of Shareholders of Triple-S Management Corporation will be held at the Corporation's main office or at any other place in Puerto Rico as determined by the Board of Directors from time to time, at the place indicated in the Notice of Meeting, at 9:00 am, on the last Sunday in April of each year **or, as an exception, at such other date which is closest to the last Sunday of the month of April as determined by the Board due to any legal requirement applicable to the Corporation.** The purpose of the Meeting will be to fill any vacancies of the Board of Directors, receive and consider reports from officials regarding the business of the Corporation, and resolve any other matters that are properly submitted for consideration. The approval of this Resolution Number 5, which proposes amendments to our By-laws, is conditioned to the approval of Resolution Number 4. Both Resolutions propose to establish that the authorized capital of Triple-S Management will be divided into two classes of common shares: (1) Voting Common Shares, which are the common shares authorized by Triple-S Management since its origins, in other words, the existing common shares, and (2) Non-Voting Common Shares, which are not available for purchase, since they will only be issued so that one or more of the voting common shares of a shareholder may be exchanged, upon his/her death, for an equal amount of non-voting common shares for the benefit of his/her heirs or surviving spouse when they are not physicians or dentists, subject to, among other requirements to be complied with, the twenty-one (21) common shares per person limit. In addition, this Resolution will include the revisions of some provisions in order to improve or correct the text or language of the By-laws.

As indicated in **Reasons for Voting in Favor of the Resolution 4**, the abovementioned is achieved by establishing that the authorized capital of Triple-S Management will be divided into two classes of common shares: Voting Common Shares and Non-Voting Common Shares, that will be issued so that the existing common shares may be exchanged for an equal amount of non-voting common shares. Therefore, these non-voting common shares will not be sold, since they shall only be issued for the benefit of the heir or surviving spouse of a shareholder when these are not physicians or dentists.

These new non-voting common shares shall have essentially all of the same rights, prerogatives, and limitations of the existing voting common shares, except for the right to attend, participate, and vote at shareholders meetings. A shareholder who owns non-voting common shares may be nominated to occupy a position as director of the Board as a representative of the community if such person is not a physician or dentist, but in order to qualify and perform the duties as a director, Triple-S Management must issue one voting common share to said director, pursuant to the By-laws and if he/she complies with the twenty-one (21) common shares per person limit.

In addition, these new non-voting common shares may be exchanged for voting common shares with the right to vote, attend, and participate in the shareholders meetings if: (1) said shareholder, who owns non-voting common shares, becomes a physician or dentist and requests the exchange of his/her non-voting common shares for voting common shares, or (2) a physician or dentist receives a donation, bequest, grant, or transfer of non-voting common shares.

Principal Effect to the Shareholders of the Amendments

The proposed new class of non-voting common shares will not affect the existing rights of the shareholders who own voting common shares, since the new class of non-voting common shares to be created will have fewer rights than the existing voting common shares presently have.

If the amendments proposed in this Resolution are approved, the composition of our class of shareholders will change, by allowing persons who are not physicians or dentists to become shareholders of Triple-S Management. Therefore, our shareholder base will be composed of: Shareholders who own Voting Common Shares and Shareholders who own Non-Voting Common Shares.

The Board of Directors encourages our shareholders to vote in favor of the proposed amendments to the By-laws in this Resolution Number 5. In this way, pursuant to the wish of a vast majority of our shareholders, their heirs and surviving spouse may preserve the participations of the existing shareholders of Triple-S Management even though they are not physicians or dentists, since they may exchange their voting common shares for non-voting common shares and, therefore, may request that Triple-S Management register the non-voting common shares in the share registry under the name of such heir or surviving spouse, who then would become shareholders who own non-voting common shares of Triple-S Management.

Effectiveness of Resolution Number 5

The effectiveness of the amendments to the By-laws proposed in this Resolution Number 5 depend and are subject to the approval of Resolution Number 4 that appears in this Proxy Statement, which proposes several parallel amendments to our Articles of Incorporation. Therefore, this Resolution Number 5 will become effective if the shareholders also approve Resolution Number 4.

However, if Resolution Number 5 and Resolution Number 4 are approved at the Annual Meeting of Shareholders on April 24, 2005, or at any postponement, recess, suspension, or adjournment of the Meeting, Resolution Number 4 will become effective when the corresponding certificate of amendment to the Articles of Incorporation is filed with the State Department of Puerto Rico, pursuant to the General Corporations Law of Puerto Rico of 1995, as amended. At this time, the Resolution Number 5 shall also become effective and as a result the Articles of Incorporation and By-laws of Triple-S Management will be amended as provided in Resolutions Number 4 and 5, respectively.

Required Vote

This Resolution will be approved if it receives the affirmative vote of three-fourths ($3/4$) or more of the issued and outstanding common shares with the right to vote, as provided in Section A of Article 9-1 of the By-laws of Triple-S Management.

- 1. By the affirmative vote of a majority of the issued and outstanding common shares with the right to vote present at a validly constituted meeting of shareholders, except for those cases set forth below.**
 - 2. By the affirmative vote of three-fourths (3/4) of the issued and outstanding common shares with the right to vote, in the case of Section B of Article 4-1 (that no person may hold five percent (5%) or more of the voting common shares of the Corporation), Article 6-2 (that prohibits cumulative voting), and Section B of Article 7-1 (that establishes that the Board of Directors will be divided into three staggered groups).**

C. The amendments to the By-laws approved by the shareholders at a meeting or by referendum will be distributed to the shareholders.

Position of the Proposing Shareholder

The Resolution expresses the reasons why Dr. Leslie H. López Vélez proposes and endorses this Resolution.

Position of the Board or Directors

The Board of Directors recommends that you vote **In Favor** of this Resolution.

Article Thirteenth A of the Articles of Incorporation establishes that the amount of the affirmative votes required to amend it equals the affirmative votes of two-thirds ($2/3$) of the issued and outstanding common shares with the right to vote. However, other provisions of the Articles of Incorporation may be amended with the affirmative vote of three-fourths ($3/4$) of the issued and outstanding common shares with the right to vote.

The By-laws incorporate similar requirements. Article 9-1 of the By-laws also establishes that the amount of the affirmative votes required to amend it equals the affirmative vote of the majority of the issued and outstanding common shares with the right to vote. However, Section B of Article 4-1 may only be amended by the affirmative vote of three-fourths ($3/4$) of the issued and outstanding common shares with the right to vote.

There are three cases in which the affirmative vote requirement of three-fourths ($3/4$) of the issued and outstanding common shares with the right to vote emanate from the conditions established in the Blue Cross and Blue Shield Association (BCBSA) license. These BCBSA license requirements shall remain in the Articles of Incorporation and the By-laws. These corporate documents include provisions regarding: (1) that no person may hold five percent (5%) or more of the voting common shares of Triple-S Management, (2) that cumulative voting is prohibited, and (3) that the Board of Directors will be divided into three staggered groups, and that the affirmative vote of three-fourths ($3/4$) of the issued and outstanding common shares with the right to vote is needed in order to amend these provisions. If this Resolution is approved, the provisions that require three-fourths ($3/4$) of the issued and outstanding common shares with the right to vote in order to amend them will only be those stated in the Articles of Incorporation and the By-laws, which contain these voting requirements pursuant to the BCBSA license. All other provisions of the Articles of Incorporation may be amended if they receive the affirmative vote of two-thirds ($2/3$) of the issued and outstanding common shares with the right to vote, including the provisions which establish the twenty-one (21) common shares limits per person, except for the provisions regarding authorized capital which may be amended by a majority of the issued and outstanding common shares with the right to vote.

In order to provide the shareholders with greater flexibility in the decision making processes, the Board of Directors understands the need to reduce from three-fourths ($3/4$) to two-thirds ($2/3$) of the affirmative vote in order to amend Article Sixth of the Articles of Incorporation and Article 4-1 of the By-laws, except for the requirement that states that no person may hold five percent (5%) or more of the voting common shares of Triple-S Management.

Effectiveness of Resolution Number 6

If this Resolution Number 6 is approved at the Annual Meeting of Shareholders on April 24, 2005, or at any postponement, recess, suspension, or adjournment of said Meeting, this Resolution will be effective upon the filing of the corresponding Certificate of Amendment to the Triple-S Management's Articles of Incorporation at the State Department of Puerto Rico, as required by the General Corporation's Law of Puerto Rico of 1995, as amended. Articles Sixth, Seventh, and Thirteenth of the Articles of Incorporation and Articles 4-1 and 9-1 of the By-laws of Triple-S Management will read as provided in this Resolution Number 6.

If our shareholders approve Resolution Number 6 and Resolutions Number 4 and 5 at the Annual Meeting of Shareholders on April 24, 2005 or at any postponement, recess, suspension, or adjournment of said Meeting, Resolution Number 6 will not be effective. This is due to the fact that Resolution Number 6 as well as Resolutions Number 4 and 5 propose to amend Articles Sixth, Seventh, and Thirteenth of the Articles of Incorporation and Articles 4-1 and 9-1 of the By-laws of Triple-S Management. Since the effectiveness of Resolution Number 5 depends upon the approval and effectiveness of Resolution Number 4, the Board of Directors informs you that Resolution Number 4 shall be effective upon the filing of the corresponding Certificate of Amendment to the Triple-S Management's Articles of Incorporation at the State Department of Puerto Rico. At this time, the amendments indicated in Resolutions Number 4 and 5 shall be incorporated into the Articles of Incorporation and By-laws of Triple-S Management.

However, if Resolutions 4 and 5 are approved after the approval of Resolution Number 6, the Articles of Incorporation and By-laws will read as provided in Resolutions Number 4 and 5, respectively, and their effectiveness shall be prospective. Said amendments shall be made after the corresponding Certificate of Amendment to the Triple-S Management's Articles of Incorporation is filed at the State Department so that Resolution Number 4 becomes effective, which also depends on the approval of Resolution Number 5.

Required Vote

This Resolution will be approved if it receives the affirmative vote of three-fourths ($3/4$) or more of the issued and outstanding common shares with the right to vote, pursuant to Article Thirteenth of the Articles of Incorporation of Triple-S Management.
