**Item 2.05. Costs Associated with Exit or Disposal Activities.**

On July 15, 2008, Coca-Cola Bottling Co. Consolidated (the Company) initiated plans to reorganize the structure in its operating units and support services, which will result in the elimination of approximately 350 positions, or approximately 5% of its workforce. The Company said it is making these changes in order to improve its efficiency and to help offset significant increases in the cost of raw materials and operating expenses. The elimination of the positions includes both currently filled and open positions. Affected employees are being offered severance packages and outplacement services.

As a result of these plans, the Company estimates incurring total charges of \$4.0 million to \$5.0 million, all for one-time termination benefits. The Company anticipates the plan will be completed by September 28, 2008 and that substantially all of the charges will result in cash expenditures in the third quarter of 2008.

The Company issued a news release on July 17, 2008 announcing the reorganization plan, a copy of which is filed as Exhibit 99.1 hereto.

**Item 9.01. Financial Statements and Exhibits.**

These statements and expectations are subject to future events and uncertainties that could cause anticipated events not to occur or actual results to differ materially from anticipated results. These events and uncertainties include an unexpected change in the timing and costs of the plans, perhaps materially, if the assumptions underlying the Company's estimates prove inaccurate. The forward-looking statements in this Form 8-K are also subject to other risks and uncertainties, including those described in the Company's Annual Report on Form 10-K for the year ended December 30, 2007 under Part I, Item 1A Risk Factors.
