ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On September 18, 2008, Republic Services, Inc. (the Company) entered into a \$1.75 billion revolving credit facility pursuant to a Credit Agreement with Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, JPMorgan Chase Bank, N.A., as Syndication Agent, Barclays Bank PLC, BNP Paribas, and The Royal Bank of Scotland PLC, as Co-Documentation Agents, and other lenders named in the credit agreement (the New Credit Facility). The initial funding under the New Credit Facility is expected to occur upon the closing of the Company's proposed merger (the Merger) of Allied Waste Industries, Inc. (Allied). Concurrently with, or as of the day after the closing of the Merger, substantially all of the subsidiaries of the Company will guarantee all obligations under the New Credit Facility.

The initial extensions of credit under the New Credit Facility will be used to refinance extensions of credit under Allied's current senior credit facility, to pay fees and expenses in connection therewith, and to pay fees and expenses incurred in connection with the proposed Merger. Thereafter, extensions of credit under the New Credit Facility will be used for working capital, capital expenditures, letters of credit and other general corporate purposes.

The New Credit Facility will mature in September 2013. The New Credit Facility includes a feature that will allow the Company to increase availability under the New Credit Facility, at its option, by an aggregate amount of \$500 million, through increased commitments from existing lenders or the addition of new lenders. At the Company's option, borrowings under the New Credit Facility bear interest at LIBOR-based rates or at prime-based rates. Available amounts subject to outstanding letters of credit, and outstanding principal, accrued and unpaid interest and other amounts payable under the Credit Facility may be accelerated upon an event of default, as such events are described in the Credit Agreement.

The New Credit Facility contains customary affirmative and negative covenants, including, among other things, covenants requiring the Company to maintain certain financial ratios. The Company has the ability under the covenants in the New Credit Facility to pay dividends and to repurchase its common stock provided that it is in compliance with the covenants. This description of the New Credit Facility is qualified in its entirety by reference to the copy of such agreement filed as Exhibit 4.1 to this report, which is incorporated by reference herein.

In addition, on September 18, 2008, the Company entered into Amendment No. 1 to its existing \$1 billion credit facility (the Existing Credit Facility), by and among the Company, Bank of America, N.A., as Administrative Agent, and each of the lenders signatory thereto (Amendment No. 1). Amendment No. 1 does not extend the maturity date of the Existing Credit Facility, which matures in April, 2012, but will, as of the closing of the Merger, conform the terms of the Existing Credit Facility with those of the New Credit Facility. Under the terms of Amendment No. 1, concurrently with, or as of the day after the closing of the Merger, substantially all of the subsidiaries of the Company will guarantee all obligations under the Existing Credit Facility. This description of the Amendment No. 1 is qualified in its entirety by reference to the copy of such agreement filed as Exhibit 4.2 to this report, which is incorporated by reference herein.
