REPORT OF INDEPENDENT AUDITORS

Administrative Committee
Equitable Resources, Inc. Employee Savings Plan

We have audited the accompanying statements of net assets available for benefits of the Equitable Resources, Inc. Employee Savings Plan as of December 29, 2000 and 1999, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 29, 2000 and 1999, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were made for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets held at end of year as of December 29, 2000 and reportable transactions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

EQUITABLE RESOURCES, INC.
EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED
DECEMBER 29, 2000

1. Description of Plan

The following description of the Equitable Resources, Inc. Employee Savings Plan (Plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General

Edgar Filing: EQUITABLE RESOURCES INC /PA/ - Form 11-K

The Plan is a defined contribution profit sharing and savings plan, with a 401(k) salary reduction feature, implemented on September 1, 1985, by Equitable Resources, Inc. and certain subsidiaries (the Company or Companies) (unless the represented employee's collective bargaining agreement specifically provides for participation).

All regular, full-time, non-union employees of the Companies are eligible to participate in the Plan on his or her first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 1999, the Plan was amended to change the plan year's end from December 31 to December 29.

During February 2000, Equitable Resources, Inc. acquired Appalachian Production assets of Stat Oil. As such, employees of Stat Oil became participants in the Plan and transferred in approximately \$1.6 million of assets.

Contributions

Participants can elect to contribute between 1% and 15% of eligible earnings to the Plan, subject to Internal Revenue Code (IRC) limitations. These contributions are referred to as contract contributions.

Prior to January 1, 1999, the Company matched 50% of the first 6% of participants' contract contributions. Effective January 1, 1999, the Company will match a percentage of the first 6% of the participants' contract contributions based on years of service for participants in the NORESCO and Equitable Services divisions as follows:

Years of Service -----	Matching Contribution Percentage -----
Less than one year	50%
More than one year and less than three years	75%
More than three years	100%

All other participants will receive a match of 50% of the first 6% of their contract contributions.

In addition, Equitable Production segment and Equitable Headquarters participants receive a performance contribution which is determined on an annual basis at the discretion of the Company. During 2000 and 1999, the amount of the performance contribution was 6% of eligible compensation.

Edgar Filing: EQUITABLE RESOURCES INC /PA/ - Form 11-K

1. Description of Plan (Continued)

Contributions (Continued)

In addition, effective January 1, 1999, the matching contribution shall be invested in the Employer Stock Fund until the participant is 100% vested. After the participant is 100% vested, the matching contribution will follow the participant's contract investment election(s).

Rollover Contributions

Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements.

Vesting

Participants are 100% vested in the value of contract contributions made, and any rollover contributions.

If employment is terminated for any reason other than retirement, death, or total and permanent disability, a participant is entitled to receive the vested value of any employer contributions.

Effective January 1, 1999, the vesting schedule for participants in the Plan was changed. Matching contributions are now vested in accordance with the following schedule:

Years of Continuous Service -----	Vested Interest -----
One year	33%
Two years	66%
Three years	100%

1. Description of Plan (Continued)

Vesting (Continued)

Prior to January 1, 1999, the vesting schedule was:

Edgar Filing: EQUITABLE RESOURCES INC /PA/ - Form 11-K

Years of Continuous Service -----	Vested Interest -----
Less than five years	0%
Five years or more	100%

Amounts forfeited by participants upon termination are used to reduce the amount of the Company's future employer contributions to the Plan. In 2000 and 1999, forfeitures of approximately \$165,000 and \$161,000, respectively, were used to offset contributions.

Upon retirement, death, total and permanent disability or termination of the Plan, a participant is entitled to receive the full value of any employer contributions, regardless of years of continuous service.

Withdrawals by Participants

Payments to participants can be made as follows: a lump-sum distribution, a direct rollover, if applicable, or, in the case of a distribution on account of retirement or total and permanent disability, equal periodic payments over the lesser of: a) the life expectancy of the participant and beneficiary or b) twenty (20) years.

In September 1999, the Company sold its Midstream Operations to a third party. In connection with this sale, assets of \$7.9 million, which represented the balances of participants affected by this sale, were rolled over to the buyer's benefit plan.

Loans to Participants

A participant may borrow money from the Plan in amounts up to the lesser of \$50,000 or 50% of the vested balance of a participant's account.
