Item 5. Other Events

On July 24, 2002, the Company issued the following press release:

**SECOND BANCORP TO REPURCHASE
ADDITIONAL SHARES**

Warren, Ohio, July 24, 2002 **SECOND BANCORP INCORPORATED (Nasdaq SECD , SECDP)** announced that its Board of Directors has authorized the discretionary buy-back of up to 500,000 additional shares of the Company's common stock. Assuming the full repurchase is completed, the buy-back will represent 5.0% of the Company's currently outstanding common shares. The repurchase is expected to be implemented through open market and private transactions at prevailing market prices. The announced authorization is in addition to the Company's evergreen repurchase program under which the Company buys up to 2% of its outstanding shares on annual cycles beginning each October. The current evergreen repurchase has a remaining authorization of 25,661 shares.

Treasurer David L. Kellerman indicated "Stock repurchase programs like the one we are announcing today are valuable tools in the aggressive management of our capital position. The program supplements and supports the Company's strategic activity and allows us to invest in Second Bancorp common shares at what we consider to be attractive prices. The repurchase when completed will have a small but positive impact on key performance ratios."
