ELECTION OF DIRECTORS

In accordance with our current Code of Regulations, the number of directors is currently fixed at seven. The Company has classified its Board of Directors into two classes serving staggered terms. The Company will propose at the annual meeting of shareholders fixing the number of directors at eight, with two classes composed of four members each, both serving a staggered term. Four of our current seven directors, Messrs. John D. Drinko, Wilber C. Nordstrom, Jon R. Ruhlman and Randall M. Ruhlman, are serving a term that expires at this year's annual meeting of shareholders and have been nominated for re-election at the meeting. Three directors, Mrs. Barbara P. Ruhlman and Messrs. Robert G. Ruhlman and Frank B. Carr, are currently serving a term that expires in 2005. One person, John P. O'Brien, has been nominated by the Board for election to the Board for a term that expires in 2005. The election of Mr. O'Brien is conditioned upon the approval by the shareholders at the meeting of the proposal to fix the number of directors at eight. The Board of Directors proposes that the nominees described below, four of whom are currently serving as directors, be re-elected, and one new nominee be elected to the Board of Directors. At the annual meeting of shareholders, the shares represented by proxies, unless otherwise specified, will be voted for the proposal to fix the number of directors at eight and the election of the five nominees hereinafter named.

The director nominees are identified in the following table. If for any reason any of the nominees is not a candidate when the election occurs (which is not expected), the Board of Directors expects that proxies will be voted for the election of a substitute nominee designated by management. The following information is furnished with respect to each person nominated for election as a director.

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" THE PROPOSAL TO FIX THE NUMBER OF DIRECTORS AT EIGHT AND "FOR" THE FOLLOWING NOMINEES.

The Board has determined that Messrs. Drinko, Nordstrom and Carr are independent under the NASDAQ's new corporate governance rules. In the opinion of the Board Mr. Drinko's affiliation with Baker & Hostetler LLP, a law firm that regularly provides legal services to the Company, does not interfere with Mr. Drinko's exercise of independent judgment in carrying out his duties as a director.

Barbara P. Ruhlman and Jon R. Ruhlman are married and are the parents of Randall M. Ruhlman and Robert G. Ruhlman.

Jon R. Ruhlman has been the Chairman of the Company since 1975. He served as Chief Executive Officer from 1975 until July 2000. Robert G. Ruhlman became Chief Executive Officer in July 2000. He had served as President since 1995 (a position he continues to hold). From 1983 to 1996, Mr. Carr was a Managing Director of McDonald & Company Securities, Inc., Cleveland, Ohio, an investment banking and brokerage firm, and a partner in its predecessor firm (McDonald & Company) since 1968.

The Board of Directors has determined that the Company is a "controlled company" pursuant to the NASDAQ corporate governance rules. A controlled company includes a company in which more than 50% of the voting power is held by a group. The Board has determined that the Company is a controlled company because a group, which includes the Ruhlman family and certain members of management, controls more than 50% of the Company's Common Shares. A Schedule 13D has been filed with the Securities and Exchange Commission related to the control group of the Company. As a controlled company the Company is exempt from certain NASDAQ corporate governance rules, including the requirement that a majority of its Board be composed of independent directors and the rule that requires that nominees for election of director be selected (or recommended for selection) by a nominating committee composed of only independent directors or by a majority of the independent directors. Because the Company is a controlled company the Board believes that it is appropriate for the Board not to have a nominating committee. Rather, the entire Board participates in the consideration of director nominees. Mr. O'Brien was recommended as a director nominee by the Company's management. Similarly, as a controlled company and because of the historically small turnover of its members, it is the view of the Board that it is appropriate for the Board not to consider director candidates recommended by shareholders.

Our Board of Directors has appointed an Audit Committee and a Salary Committee. The Board of Directors does not have a finance committee. The Audit Committee is presently comprised of Messrs. Carr (chairman), Drinko and Nordstrom, of whom Messrs. Carr and Nordstrom qualify as independent for audit committee purposes under the NASDAQ rules. If elected Mr. O'Brien will meet the criteria for director and audit committee independence and is expected to be appointed as a new member to the Audit Committee at the annual meeting of the directors, which immediately follows the annual meeting of shareholders. Mr. Drinko will not be reappointed to the Audit Committee. Therefore, the Company expects that its Audit Committee will be composed of three independent directors, as independence is determined under the NASDAQ rules for audit committees. The Audit Committee financial expert is Frank B. Carr. The Salary Committee is presently comprised of Messrs. Carr, Drinko (chairman) and Nordstrom.

The Audit Committee of the Board of Directors engages the independent public accountants for our Company, reviews with the independent public

Edgar Filing: PREFORMED LINE PRODUCTS CO - Form DEF 14A

accountants the plans and results of audit engagements, preapproves all professional services provided by the independent public accountants including audit and non-audit related services, reviews the independence of the independent public accountants, approves the range of audit and nonaudit fees, reviews the independent public accountants' management letters and our responses, reviews with management their conclusions about the effectiveness of the Company's disclosure controls and procedures, and reviews major accounting or reporting changes. Only the Audit Committee is authorized to approve professional services provided by the independent public accountants for audit and non-audit related services.

The Salary Committee reviews employment, development, reassignment and compensation matters involving corporate officers and other executive level employees, including issues related to salary, bonus and incentive arrangements. The Salary Committee also administers our equity award (stock option) plan.

In 2003, our Board of Directors held five meetings. In 2003, the Audit Committee held two formal and two informal (telephonic) meetings and the Salary Committee held one meeting. In 2003, each member of the Board

5

of Directors attended at least 75% of the meetings of the Board of Directors and of the committees on which he or she serves.

Directors' Compensation. Each director who is not an employee of the Company receives \$3,300 per quarter for being a director, \$1,540 for attending each meeting of the Board of Directors and each meeting of any committee. Directors who are also employees of ours are not paid any director's fee. We reimburse out-of-pocket expenses incurred by all directors in connection with attending Board of Directors and committee meetings.

SALARY (COMPENSATION) COMMITTEE REPORT

The Company's executive compensation program is administered by the Salary Committee, which has responsibility for reviewing all aspects of the compensation program for the executive officers of the Company. The Committee is comprised of the three directors listed at the end of this report, none of whom is an employee of the Company.

The Committee's primary objective with respect to executive compensation is to establish programs, which attract and retain key officers and managers and align their compensation with the Company's overall business strategies, values, and performance. To this end, the Committee has established and the Board of Directors has endorsed an executive compensation philosophy to compensate executive officers based on their responsibilities and the Company's overall annual and longer-term performance.

The primary components of the Company's executive compensation program are (a) base salaries, and (b) annual cash incentive opportunities, and (c) stock options. These components are discussed below.

Base Salaries. Base salaries for each of the Company's executive officers are reviewed every 18 to 24 months by the Committee using as a guide one or more widely accepted salary evaluation systems, taking into account the size of the Company, expectations for the annual bonus plan described below and Company performance, and competitive, inflationary, and internal equity considerations. The Committee considers relevant trends in executive compensation practices, the Company's compensation practices for employees in general, the Company's financial performance and business condition, and recommendations of executive management on compensation of executive officers. The salary of Robert G.

Edgar Filing: PREFORMED LINE PRODUCTS CO - Form DEF 14A

Ruhlman, Chief Executive Officer, was set by the Committee to be within a range that is competitive with the fixed salaries of chief executive officers of similar size companies with comparable profitability. The Chief Executive Officer's annual salary is \$350,000, maintaining Mr. Ruhlman's salary to what the Committee believes is nearly the mid-level range of salaries at comparable companies.

Annual Cash Incentives. All officers, including Robert R. Ruhlman, of the Company are eligible to receive annual cash bonus awards based on a set percentage of their base salary with a maximum bonus attainable equal to 50% of base salary. The percentage of base salary is determined on a sliding scale, based on the return on shareholders' equity. The bonus awards for all officers for the years 2001, 2002 and 2003 were 20%, 20% and 25%, respectively, of base salary.

Stock Options. The Committee has awarded options to purchase 188,000 shares of the Company's Common Stock. While the Committee has had the opportunity to grant stock options for only four years, it believes that option grants are a valuable motivating tool and provide a long-term incentive to management. Share option grants reinforce long-term goals by providing the proper nexus between the interests of management and the interests of the Company's shareholders. All options were awarded to retain qualified personnel in positions of significant responsibility with the Company. No options were granted to employees who had been with the Company for less than two years and all options contained provisions for periodic vesting. Each named executive officer was granted an option to purchase 10,000 common shares in 2000, but none in 2001 and 2002. One new executive officer was granted options to purchase 10,000 common shares during 2003. All option grants had exercise prices at least equal to the fair market value of the Company's Common Shares on the date of the grant.

AUDIT COMMITTEE REPORT

On February 18, 2004 the Board of Directors approved and adopted a new written charter for the Audit Committee and a copy of this charter is attached to this proxy statement as Appendix A. In accordance with its written charter, the Audit Committee assists the Board of Directors in fulfilling its responsibility relating to corporate accounting, reporting practices of the Company, and the quality and integrity of the financial reports and other financial information provided by the Company to any governmental body or the public. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles. Our Audit Committee is comprised of three directors, who are not officers or employees of the Company. As addressed above two members, Messrs. Carr and Nordstrom, are "independent" under the current NASDAQ rules. The Board of Directors has nominated John P. O'Brien for election as a director at the annual meeting of the shareholders. Mr. O'Brien will also meet the criteria for director and audit committee independence and is expected to be appointed a new member to the Audit Committee. He also qualifies as an audit committee financial expert.

In discharging its oversight responsibility as to the audit process, the Audit Committee reviewed and discussed the audited financial statements of the Company for the year ended December 31, 2003, with the Company's management. The

Edgar Filing: PREFORMED LINE PRODUCTS CO - Form DEF 14A

Audit Committee discussed the matters required to be discussed by SAS 61, as modified or supplemented, with the independent accountants. The Audit Committee also obtained a formal written statement from the independent accountants that described all relationships between the independent accountants and the Company that might bear on the accountant's independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committee," as amended or supplemented. The Audit Committee discussed with the independent accountants any relationships that might affect their objectivity and independence and satisfied itself as to the accountants' independence. The Audit Committee also considered whether the provision of non-audit services by PricewaterhouseCoopers LLP ("PwC") is compatible with maintaining PwC's independence. Management has the responsibility for the preparation of the Company's financial statements, and the independent accountants have the responsibility for the examination of those statements.

Based on the above-referenced review and discussions with management and the independent accountants, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

COMPENSATION (SALARY) COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

There are no Salary Committee interlocks. John D. Drinko, a member of the Salary Committee, is senior partner of Baker & Hostetler LLP, which firm acts as

Edgar Filing: PREFORMED LINE PRODUCTS CO - Form DEF 14A

general outside legal counsel for the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Audit Committee has approved all related party transactions.

The Company is a sponsor of Ruhlman Motorsports. Ruhlman Motorsports is owned by Randall M. Ruhlman, a director of the Company, and by his wife. The Company paid sponsorship fees of \$658,000, annually, to Ruhlman Motorsports during 2001, 2002 and 2003. In addition, in 2001, 2002, and 2003 the Company's Canadian subsidiary, Preformed Line Products (Canada) Ltd., paid \$0, \$159,000, and \$99,000, respectively, to Ruhlman Motorsports in sponsorship fees. This sponsorship provides the Company with a unique venue to entertain the Company's customers and to advertise on the racecar, which participates on the Trans-Am racing circuit. The Company believes that its sponsorship contract with Ruhlman Motorsports is as favorable to the Company as a similar contract with a similar independent third-party racing team would be. The Company and Preformed Line Products (Canada) Ltd. intend to continue to sponsor Ruhlman Motorsports in 2004. The Company further believes that the sponsorship has great marketing value because it entertains actual users of the Company's products, such as linemen and their supervisors, and thus provides a grassroots sales approach.

Mr. John D. Drinko, one of the Company's directors, is a senior partner of Baker & Hostetler LLP, which acts as our general outside counsel. The Company expects that Baker & Hostetler will continue to provide legal services in that capacity in 2004.

The Company paid fees of \$158,254, \$172,105, and \$205,447 to Liggett-Stashower, Inc. during 2001, 2002 and 2003, respectively. The brother of Jon R. Ruhlman, the Chairman and a director of the Company, is an officer of Liggett-Stashower. Liggett-Stashower is a Cleveland, Ohio-based advertising and public relations firm which assists the Company with its advertising and the publication of its annual report. The Company believes that the fees paid to Liggett-Stashower were substantially similar to the fees that would have been required to be paid to an unaffiliated third-party public relations firm for similar service. COMMUNICATION WITH THE BOARD OF DIRECTORS

The Board of Directors of the Company believes that it is important for shareholders to have a process to send communications to the Board. Accordingly, shareholders who wish to communicate with the Board of Directors or a particular director may do so by sending a letter to:

J. Richard Hamilton	-or -	Frank B. Carr
Secretary		Chairman, Audit Committee
Baker & Hostetler LLP		2005 Chestnut Hills
1900 East Ninth Street		Cleveland Heights, Ohio 44106
3200 National City Center		
Cleveland, Ohio 44114		

The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication" or "Stockholder-Director Communication." All such letters must identify the author as a stockholder and

Edgar Filing: PREFORMED LINE PRODUCTS CO - Form DEF 14A

clearly state whether the intended recipients are all members of the Board of Directors or certain specified individual directors. The Secretary and Mr. Carr, as applicable, will make copies of all such letters and circulate them to the appropriate director or directors. The Directors are not spokespeople for the Company and shareholders should not expect a response or reply to any communication.

MISCELLANEOUS

The Company expects its directors to attend the Company's annual meeting of shareholders. All of the directors attended last year's annual meeting of shareholders.

If the enclosed proxy card is executed and returned to us, the persons named in it will vote the shares represented by that proxy at the meeting. The form of proxy permits specification of a vote for the proposal to fix the number of directors at eight and for the election of directors as set forth under "Election of Directors" above, the withholding of authority to vote in the election of directors, or the withholding of authority to vote for one or more specified nominees. When a choice has been specified in the proxy, the shares represented will be voted in accordance with that specification. If no specification is made, those shares will be voted at the meeting for the proposal to fix the number of directors at eight and to elect directors as set forth under "Election of Directors" above. Under Ohio law and our Amended and Restated Articles of Incorporation, broker non-votes and abstaining votes will not be counted in favor of or against the proposal to fix the number of directors at eight or any nominee but will be counted as "present" for purposes of determining whether a quorum has been achieved at the meeting. Director nominees who receive the greatest number of affirmative votes will be elected directors. All other matters to be considered at the meeting, including the proposal to fix the number of directors at eight, require for approval the favorable vote of a majority of the shares voted at the meeting in person or by proxy. If any other matter properly comes before the meeting, the persons named in the proxy will vote thereon in accordance with their judgment. We do not know of any other matter that will be presented for action at the meeting and we have not received any timely notice that any of our shareholders intend to present a proposal at the meeting.

By order of the Board of Directors,

J. Richard Hamilton,
Secretary
