**Item 8.01. Other Events**

On September 25, 2008, the Board of Directors of DTE Energy identified Steven E. Kurmas to succeed Robert J. Buckler as President and Chief Operating Officer of Detroit Edison, effective with Mr. Buckler's departure from that position on December 8, 2008. Mr. Kurmas, 52, currently serves as Executive Vice President of Fossil Generation. In his new position, Mr. Kurmas will be responsible for power generation, fuel supply, electric distribution, customer service, marketing activities, and assorted support functions. For additional information, please see DTE Energy's press release dated October 2, 2008, attached as Exhibit 99.1.

A graduate of Wayne State University with Bachelor and Master's degrees in Chemical Engineering, Mr. Kurmas joined Michigan Consolidated Gas Company in 1979 and held various engineering and construction leadership posts before being named Vice President, Gas Supply, in 1995. Over the next several years he held senior management positions in Gas Supply, Transmission and Storage and Gas Operations. At the time of the merger of DTE Energy and MCN Energy in 2001, Mr. Kurmas served as President and Chief Executive Officer of MCN Energy's Midstream and Supply and Senior Vice President of MichCon Supply Services. Mr. Kurmas was named Detroit Edison's Senior Vice President, Electric Operations and Customer Service in 2003, and Executive Vice President of Fossil Generation in 2006. Mr. Kurmas will continue in his current role until the effectiveness of his new appointment on December 8, 2008.
