**Explanatory Note**

The Registrant is filing this Current Report on Form 8-K/A solely to correct a typographical error contained in Item 1.02 of the Current Report on Form 8-K that the Registrant filed with the Securities and Exchange Commission on March 16, 2009 ( Form 8-K ). As amended, for an expected transition has been replaced with for an expedited transition. The remainder of the Form 8-K is unchanged.

**Item 1.02 Termination of a Material Definitive Agreement.**

On March 12, 2009, Sparton Corporation, an Ohio corporation ( Sparton or the Company ), and Honeywell International, Inc. ( Honeywell ) agreed to settle certain outstanding claims and terminate certain Long Term Commercial and Military Contracts dated as of January 2, 2007 between Sparton and Honeywell (collectively, the Contracts ). Sparton and Honeywell have agreed to a final schedule of purchase orders, at existing prices, to be completed by Sparton, subject to adjustments for materials and capacity issues. In addition, Honeywell will pay Sparton \$450,000 per month for the months of March through June 2009, with such payments being contingent on, among other things, Sparton providing support to Honeywell for an expedited transition. In connection with the settlement and termination, Honeywell agreed to pay Sparton \$500,000 as a recovery for certain costs incurred by Sparton in February 2009. Additionally, Honeywell has agreed to purchase certain excess inventory from Sparton and to refrain from imposing penalties against Sparton in connection with the winding down of the relationship. The parties intend to discharge their respective obligations to each other by June 30, 2009 and, in any event, not later than September 1, 2009.
