PROXY STATEMENT April 19, 2004

General

The form of proxy accompanying this Proxy Statement and the persons named therein as proxies have been approved by, and this solicitation is made on behalf of, the Board of Directors of MGM MIRAGE in connection with the Annual Meeting of Stockholders of MGM MIRAGE to be held at New York-New York Hotel and Casino, 3790 Las Vegas Boulevard South, Las Vegas, Nevada, on May 11, 2004, at 10:00 a.m., Pacific time, and at any postponements or adjournments thereof. MGM MIRAGE, together with its subsidiaries, is referred to herein as the Company, unless the context indicates otherwise.

Matters to be considered and acted upon at the meeting are set forth in the Notice of Annual Meeting accompanying this Proxy Statement and are more fully outlined herein. This Proxy Statement was first mailed to stockholders on or about April 19, 2004.

Voting Rights and Outstanding Shares

Only stockholders of record of the Company's Common Stock, \$.01 par value per share (the Common Stock), as of March 15, 2004 will be entitled to vote at the meeting. The authorized capital stock of the Company presently consists of 300,000,000 shares of Common Stock. At the close of business on March 15, 2004, 142,991,989 shares of Common Stock were outstanding and entitled to vote. Each stockholder is entitled to one vote for each share held of record on that date on all matters that may come before the meeting. There is no cumulative voting in the election of directors.

You may vote in person by attending the meeting, by completing and returning a proxy by mail or by using the Internet or telephone. To vote your proxy by mail, mark your vote on the enclosed proxy card, then follow the instructions on the card. To vote your proxy using the Internet or by telephone, see the instructions on the proxy form and have the proxy form available when you access the Internet website or place your telephone call.

All shares represented by properly executed proxies will, unless such proxies have previously been revoked, be voted at the meeting in accordance with the directions on the proxies. If no direction is indicated, the shares will be voted in favor of the nominees for the Board of Directors listed in this Proxy Statement and in favor of Proposal 2, as described herein. By signing, dating and returning the enclosed proxy card, you will confer discretionary authority on the named proxies to vote on any matter not specified in the notice of meeting. Management knows of no other business to be transacted, but if any other matters do come before the meeting, the persons named as proxies or their substitutes will vote or act with respect to such other matters in accordance with their best judgment.

Quorum and Votes Required

The presence, in person or by proxy, of the holders of at least a majority of the total number of outstanding shares of the Common Stock is necessary to constitute a quorum at the meeting. If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, must vote those shares in accordance with your instructions. In accordance with the rules of the New York Stock Exchange (the Exchange), certain matters submitted to a vote of stockholders are considered by the Exchange to be routine items upon which brokerage firms may vote in their discretion on behalf of their customers if such customers have not furnished voting instructions within a specified period prior to the meeting. For those matters that the Exchange determines to be non-routine, brokerage firms that have not received instructions from their customers would not have discretion to vote. Abstentions and broker non-votes

are counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business.

The affirmative vote of a plurality of the votes cast at the meeting will be required for the election of directors. Each other item to be acted upon at the meeting requires the affirmative vote of the holders of a majority of the shares of Common Stock represented at the meeting in person or by proxy and entitled to vote on the item, assuming that a quorum is present or represented at the meeting. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, and will have no effect. With respect to the other proposal, a properly executed proxy marked **ABSTAIN**, although counted for purposes of determining whether there is a quorum, will not be voted. Accordingly, an abstention will have the same effect as a vote cast against a proposal. Under Delaware law, a broker non-vote will have no effect on the outcome of the matters presented for a stockholder vote.

How to Revoke or Change Your Vote

Any proxy given pursuant to this solicitation is revocable by the communication of such revocation in writing to the Secretary of the Company at any time prior to the exercise thereof, and any person executing a proxy, if in attendance at the meeting, may vote in person instead of by proxy.

Electronic Delivery of Proxy Materials and Annual Report

The Notice of Annual Meeting and Proxy Statement and the Company's 2003 Annual Report are available on our website at www.mgmmirage.com. In the future, instead of receiving copies of the proxy statement and annual report in the mail, stockholders may elect to receive an e-mail with a link to these documents on the Internet. Receiving your proxy materials online saves the Company the cost of producing and mailing documents to your home or business and gives you an automatic link to the proxy voting site.

Stockholders of Record. If your shares are registered in your own name, to enroll in the electronic delivery service go directly to our transfer agent's website at www.melloninvestor.com/ISD anytime and follow the instructions.

Beneficial Stockholders. If your shares are not registered in your name, to enroll in the electronic delivery service check the information provided to you by your bank or broker, or contact your bank or broker for information on electronic delivery service.

Delivery of One Proxy Statement and Annual Report to a Single Household to Reduce Duplicate Mailings

Each year in connection with the Company's Annual Meeting of Stockholders, the Company is required to send to each stockholder of record a proxy statement and annual report, and to arrange for a proxy statement and annual report to be sent to each beneficial stockholder whose shares are held by or in the name of a broker, bank, trust or other nominee. Because many stockholders hold shares of the Company's common stock in multiple accounts, this process results in duplicate mailings of proxy statements and annual reports to stockholders who share the same address. Stockholders may avoid receiving duplicate mailings and save the Company the cost of producing and mailing duplicate documents as follows:

Stockholders of Record. If your shares are registered in your own name and you are interested in consenting to the delivery of a single proxy statement or annual report, to enroll in the electronic delivery service go directly to our transfer agent's website at www.melloninvestor.com/ISD anytime and follow the instructions.

Beneficial Stockholders. If your shares are not registered in your own name, your broker, bank, trust or other nominee that holds your shares may have asked you to consent to the delivery of a single proxy statement or annual report if there are other MGM MIRAGE stockholders who share an address with you. If you currently receive more than one proxy statement or annual report at your household, and would like to receive only one copy of each in the future, you should contact your nominee.

Edgar Filing: MGM MIRAGE - Form DEF 14A

Right to Request Separate Copies. If you consent to the delivery of a single proxy statement and annual report but later decide that you would prefer to receive a separate copy of the proxy statement or annual report, as applicable, for each stockholder sharing your address, then please notify us or your nominee, as applicable, and we or they will promptly deliver such additional proxy statements or annual reports. If you wish to receive a separate copy of the proxy statement or annual report for each stockholder sharing your address in the future, you may contact Mellon Investor Services directly by telephone at 1-800-356-2017 or by visiting our transfer agent's website at www.melloninvestor.com/ISD and following the instructions thereon.

- (4) Based upon a Schedule 13G, dated February 13, 2004, filed by Private Capital Management, L.P., an investment advisor under the Investment Advisors Act of 1940, which is deemed to be the beneficial owner of 11,177,252 shares of Common Stock as a result of acting as investment advisor to its clients.
- (5) Based upon a Schedule 13G, dated February 16, 2004, filed by FMR Corp. and Fidelity Management and Research Company, a subsidiary of FMR Corp. and an investment advisor under the Investment Advisors Act of 1940, which are deemed to be the beneficial owners of 7,532,418 shares of Common Stock as a result of acting as investment advisor to various investment companies.
- (6) Included in these amounts are 710,000 shares, 660,000 shares, 257,670 shares, 912,500 shares, and 375,000 shares underlying options that are exercisable as of March 15, 2004 or that become exercisable within 60 days thereafter held by Messrs. Lanni, Baldwin, Redmond, Murren, and Jacobs, respectively.

Also included in these amounts are 150,000 shares of restricted stock held by Mr. Lanni, 75,000 shares of restricted stock held by each of Messrs. - (8) Less than one percent (1%).

As indicated above, Mr. Kerkorian, through his ownership of Tracinda, beneficially owns over 50% of the currently outstanding shares of Common Stock. Tracinda intends to vote its shares of Common Stock in favor of the nominees for the Board of Directors listed in the Proxy Statement. Since the holders of Common Stock do not have cumulative voting rights and since Tracinda's shares represent more than 50% of the shares to be voted at the meeting, Tracinda will be able to elect the entire Board of Directors. Tracinda also intends to vote its shares in favor of the Proposal and Tracinda's vote will be sufficient to cause adoption of that Proposal.

ELECTION OF DIRECTORS

PROPOSAL NO. 1

Information Concerning the Nominees

One of the purposes of the meeting is to elect 17 directors, each of whom will serve until the next annual meeting of stockholders or until his or her respective successor shall have been elected and qualified or until his or her earlier resignation or removal. Pursuant to the Company's Bylaws, the Board of Directors may determine the number of directors, not to exceed 20. The Board has fixed the number of directors at 18. As a result of the recent death of one of the Company's directors, there will be only 17 directors after the annual meeting, assuming the election of the nominees named below at the meeting. The Board of Directors may determine to reduce the number of directors or it may determine to fill the vacancy, each of which actions is permitted in the Company's Bylaws. If the Board determines to fill the vacancy, it may engage an independent executive search firm to assist in the recruitment of qualified candidates. See Information Regarding Board and Committees Corporate Governance Nomination of Directors.

The following table sets forth, for each nominee for director, their names, principal occupations for at least the past five years, beneficial ownership of Company Common Stock and ages as of March 15, 2004 and certain other matters. In the event any of said nominees should be unavailable to serve as Director, which

contingency is not presently anticipated, it is the intention of the persons named in the proxies to select and cast their votes for the election of such other person or persons as the Board of Directors may designate.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and directors to file reports of ownership of the Common Stock with the Securities and Exchange Commission. Executive officers and directors are required to furnish the Company with copies of all Section 16(a) forms that they file. Based upon a review of these filings and representations from the Company's directors and executive officers that no other reports were required, the Company notes that all reports for the year 2003 were filed on a timely basis.

INFORMATION REGARDING BOARD AND COMMITTEES

Board and Committee Meetings. The Board of Directors held four meetings during 2003. The work of the Company's directors is performed not only at meetings of the Board of Directors and its committees, but also by consideration of the Company's business through the review of documents and in numerous communications among Board members and others. During 2003, all directors attended at least 75% of the aggregate of all meetings of the Board of Directors and committees on which they served (held during the period for which they served). The Board of Directors does not have a standing nominating committee. See Corporate Governance New York Stock Exchange Listing Standards. The candidates for election at this annual meeting were nominated by the Board of Directors. Directors are expected to attend each Annual Meeting of Stockholders. Of the 18 members of the Board of Directors in May 2003, all attended last year's Annual Meeting.

Executive Committee. During intervals between the meetings of the Board of Directors, the Executive Committee exercises all the powers of the Board (except those powers specifically reserved by Delaware law or by the Company's bylaws to the full Board of Directors) in the management and direction of the Company's business and conduct of the Company's affairs in all cases in which specific directions have not

been given by the Board. The current members of the Executive Committee are J. Terrence Lanni (Chair), James D. Aljian, Robert H. Baldwin, Terry N. Christensen, Gary N. Jacobs, Kirk Kerkorian, George Mason, James J. Murren, John T. Redmond, Melvin B. Wolzinger and Alex Yemenidjian. The Executive Committee held fifteen meetings during 2003.

Audit Committee. The functions of the Audit Committee are to review and approve the selection and retention of an accounting firm to conduct an annual audit of the Company's consolidated financial statements and to review with such firm the plan, scope and results of such audit, and the fees for the services performed. The Audit Committee also reviews with the independent and internal auditors the adequacy of internal control systems, receives internal audit reports and reports its findings to the full Board of Directors. The Audit Committee is composed exclusively of directors who are not salaried employees of the Company, each of whom have been determined by the Board of Directors to be independent within the meaning of the listing standards of the Exchange and free from any relationship which would interfere with the exercise of independent judgment as a committee member. The current members of the Audit Committee are Roland Hernandez (Chair), Willie D. Davis and Alexis Herman. The Board of Directors has determined that each of the members of the Audit Committee is financially literate and that Mr. Hernandez qualifies as an audit committee financial expert, as defined in the Exchange's listing standards and the Commission's regulations. In addition, the Board of Directors has determined that the service of Mr. Hernandez on other audit committees, as described earlier in the description of his principal occupation and other directorships under Election of Directors, would not impair his ability to effectively serve on the Company's Audit Committee. The Audit Committee held five meetings during 2003.

Compensation and Stock Option Committee. The primary function of the Compensation and Stock Option Committee (the Compensation Committee) is to ensure that the compensation program for executives of the Company (1) is effective in attracting and retaining key officers, (2) links pay to business strategy and performance and (3) is administered in a fair and equitable fashion in the stockholders' interests. The Compensation Committee recommends executive compensation policy to the Board, determines compensation of senior executives of the Company, determines the performance criteria and bonuses to be granted pursuant to the Company's Annual Performance-Based Incentive Plan and administers and approves granting of Company stock options and other equity-based forms of compensation, including awards of restricted stock. The Compensation Committee's authority and oversight extends to total compensation, including base salaries, bonuses, stock options, and other forms of compensation. The Compensation Committee is comprised exclusively of directors who are not salaried employees of the Company and who are, in the opinion of the Board of Directors, free from any relationship that would interfere with the exercise of independent judgment as a Compensation Committee member. The current members of the Compensation Committee are James D. Aljian (Chair), Ronald M. Popeil and Melvin B. Wolzinger. The Compensation Committee held thirteen meetings during 2003 and acted by written consent one time.

The Diversity Committee. The functions of the Diversity Committee include developing, implementing and monitoring the Company's diversity initiatives. The current members of the Diversity Committee are Alexis Herman (Chair), Melvin B. Wolzinger, Willie D. Davis, Roland Hernandez, and Daniel M. Wade. The Diversity Committee held four meetings during fiscal year 2003.

Compensation Committee Interlocks and Insider Participation. Mr. Aljian is an executive of Tracinda and director of MGM Inc.

Director Compensation. Directors who are compensated as full-time employees of the Company or its subsidiaries receive no additional compensation for service on the Board of Directors or its committees. During 2003, each director who is not a full-time employee of the Company or its subsidiaries was paid \$38,000 per annum, plus \$1,500 for each Board meeting attended (\$750 if such Board meeting was attended telephonically) plus, in the case of members of the Executive Committee, \$1,000 per meeting for each Executive Committee meeting attended (\$500 if such meeting of the Executive Committee was attended telephonically). The Chair of the Audit Committee received a fee of \$2,500 per meeting attended (\$1,250 if such meeting of the Audit Committee was attended telephonically), and each other member of the Audit Committee received \$1,500 for each meeting attended (\$750 if such meeting of the Audit Committee was

attended telephonically). The Chair of the Compensation Committee received \$1,000 per quarter, and each other member of the Compensation Committee received \$750 per quarter. The Chair of the Diversity Committee received a fee of \$2,500 per meeting attended (\$1,250 if such meeting of the Diversity Committee was attended telephonically), and the other members of the Diversity Committee received a fee of \$1,500 per meeting attended (\$750 if such meeting of the Diversity Committee was attended telephonically). Directors are also reimbursed expenses for attendance at Board and Committee meetings.

In November 2002, the Board of Directors of the Company adopted a policy on benefits available to directors. The policy provides for a limited number of complimentary event tickets at the Company's resorts for the personal use of directors and their spouses or significant others, as well as complimentary rooms, food and beverages for directors and their spouses or significant others when staying at a Company resort on Company business. The policy further provides for a limited number of discounted rooms for directors staying at a Company resort on non-Company business and for friends and family of directors.

The Company maintains a stock option grant program pursuant to the Nonqualified Stock Option Plan, which received Compensation Committee approval and subsequent stockholder approval, whereby members of the Company's Board of Directors who are not full-time employees of the Company (other than Mr. Kerkorian, who waived his right to receive stock options from the Company for service on the Company's Board of Directors), receive an initial grant of 10,000 stock options, and subsequent annual grants of 5,000 stock options during their respective terms as directors.

Corporate Governance

New York Stock Exchange Listing Standards. The final corporate governance rules of the Exchange were adopted in 2003. Certain provisions of the new rules are not applicable to controlled companies, defined by such rules to be companies of which more than 50 percent of the voting power is held by an individual, a group or another company. The Company currently is a controlled company under this definition by virtue of the ownership by Mr. Kerkorian and Tracinda of in excess of 50 percent of the voting power of the Common Stock and the ability to elect the entire Board of Directors. Accordingly, the Company has chosen to take advantage of certain of the exemptions provided in the new rules specifically, the requirements that listed companies have (i) a majority of independent directors and (ii) a nominating/governance committee composed entirely of independent directors. Notwithstanding the foregoing, the Company's Board of Directors is currently comprised of a majority of independent directors under the standards set forth in the final corporate governance rules of the Exchange.

Code of Conduct. The Board of Directors has adopted a Code of Conduct and Ethics and Conflict of Interest Policy (the Code of Conduct) that applies to all of the Company's directors and officers and certain of its employees, including the chief executive officer and the chief financial officer (who is also the principal accounting officer). In addition, the Code of Conduct applies to all personnel of the Company and its operating subsidiaries at the Vice President or more senior level, and to all accounting and finance personnel, and those personnel serving in such other categories as the Company designates from time to time. Currently, employees of the Company and its operating subsidiaries in each of the following departments or job functions are also subject to the Code of Conduct: (i) surveillance; (ii) security; (iii) purchasing; (iv) internal audit; (v) marketing and (vi) information systems. For all other personnel that are not expressly subject to the Code of Conduct, the Company has comparable policies and procedures set forth in the employee handbooks of the Company's operating subsidiaries. The Code of Conduct establishes policies and procedures that the Board believes promote the highest standards of integrity, compliance with the law and personal accountability. The Company's Code of Conduct is posted on the Company's website at www.mgmmirage.com and is provided to all new directors, new officers and certain new employees and distributed annually to all directors, officers and certain employees of the Company, each of whom is required to acknowledge in writing his or her receipt and understanding thereof and agreement to adhere to the principles contained therein.

Nomination of Directors. The Board of Directors does not have a standing nominating committee, such function being performed by the Board as a whole. In determining the criteria for membership, the Board considers the appropriate skills and personal characteristics required in light of the then-current makeup of the

Board and in the context of the perceived needs of the Company at the time, including the following experience and personal attributes: financial acumen; general business experience; industry knowledge; diversity; special business experience and expertise; leadership abilities; high ethical standards; independence; interpersonal skills; and overall effectiveness. The Board of Directors may receive recommendations for Board candidates from various sources, including the Company's directors, management and stockholders. In addition, the Board may engage an independent executive search firm to assist in identifying qualified candidates.

The Board will review all recommended candidates in the same manner regardless of the source of the recommendation. Recommendations from public stockholders should be in writing and addressed to: Corporate Secretary, MGM MIRAGE, 3600 Las Vegas Boulevard South, Las Vegas, Nevada 89109, Attention: Stockholder Communications, and must include the proposed candidate's name, address, age and qualifications together with the information required under federal securities laws and regulations. Such communication must be received in a timely manner and also include the recommending stockholder's name address and the number of shares of the Common Stock, and the length of time, beneficially held. See Notice Concerning Stockholder Proposals and Nominations.

Presiding Director. In accordance with the applicable rules of the Exchange, the Board of Directors intends to schedule regular executive sessions of the non-management directors in which directors have an opportunity to meet outside the presence of management. Such sessions will be chaired by the Presiding Director, who will be elected by, and serve at the pleasure of, the Board of Directors. The Presiding Director will be selected by a majority of the non-management directors and will be responsible for convening such sessions and setting the agenda.

Stockholder Communications with the Board. The Board of Directors has established a process for stockholders to communicate with members of the Board, including the non-management directors and the Presiding Director. All such communications shall be in writing and shall be addressed to the Corporate Secretary, MGM MIRAGE, 3600 Las Vegas Boulevard South, Las Vegas, Nevada 89109, Attention: Stockholder Communications. All inquiries are reviewed by the Corporate Secretary, who forwards to the Board a summary of all such correspondence and copies of all communications that he determines requires their attention. Matters relevant to other departments of the Company are directed to such departments with appropriate follow-up to ensure that inquiries are responded to in a timely manner. Matters relating to accounting, auditing and/or internal controls are referred to the Chairman of the Audit Committee and included in the report to the Board, together with a report of any action taken to address the matter. The Board of Directors or the Audit Committee, as the case may be, may direct such further action deemed necessary or appropriate.

Corporate Governance Guidelines. We are in the process of finalizing corporate governance guidelines for the Company (Guidelines) setting forth the general principles governing the conduct of the Company's business and the role, functions, duties and responsibilities of the Board of Directors, including, but not limited to such matters as (i) composition, (ii) membership criteria, (iii) orientation and continuing education, (iv) committees, (v) compensation, (vi) meeting procedures, (vii) annual evaluation, (viii) management succession planning and (ix) communications with the Board. The Board of Directors will adopt the Guidelines on May 11, 2004 and will post the Guidelines on the Company's website at www.mgmmirage.com.

The Company believes that the Guidelines will be in compliance with the new listing standards adopted in 2003 by the Exchange. Upon adoption by the Board, the Guidelines will be posted and maintained on the Company's website at www.mgmmirage.com, and a copy will be made available to any stockholder who requests it from the Company's Secretary.

- (1) The Company implemented the DCP, which is a nonqualified deferred retirement plan effective January 1, 2001 for certain key employees. The plan allows participants to defer, on a pre-tax basis, a portion of their salary and bonus and accumulate tax deferred earnings, plus investment earnings on the deferred balances, as a retirement fund. Participants receive a Company match of up to 4% of salary, net of any Company match received under the Company's 401(k) plan. All employee deferrals vest immediately. The Company matching contributions vest ratably over a three-year period.
- (2) The Company implemented the SERP effective January 1, 2001 for certain key employees. The SERP is a nonqualified plan under which the Company makes quarterly contributions that are intended to provide a retirement benefit that is a fixed percentage of a participant's estimated final five-year average annual salary, up to a maximum of 65%. Company contributions and investment earnings on the contributions are tax-deferred and accumulate as a retirement fund. Employees do not make contributions under this plan. A portion of the Company contributions and investment earnings thereon vests after three years of SERP participation and the remaining portion vests after both five years of SERP participation and 10 years of continuous service. The plan provides for defined contributions and the amount of the benefit is not guaranteed.

COMPENSATION AND STOCK OPTION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

Compensation Policies

The Compensation and Stock Option Committee of the Board of Directors is responsible for establishing, monitoring and implementing the policies governing the compensation of the Company's executives. During 2003, the Committee was comprised of the three Directors whose names appear at the bottom of this report. These policies may be summarized as follows:

1. The Company's compensation programs should be effective in attracting, motivating and retaining key executives;
2. There should be a correlation between the compensation awarded to an executive, the performance of the Company as a whole, and the executive's individual performance; and
3. The Company's compensation programs should provide the executives with a financial interest in the Company similar to the interests of the Company's stockholders.

During 2003, the Company's executives were eligible to be compensated through a combination of salary, performance bonuses and long-term incentive arrangements (where appropriate), and grants of stock options under the Company's Nonqualified Stock Option Plan and Incentive Stock Option Plan. The annual salaries of the executives are reviewed from time to time and adjustments are made where necessary in order for the salaries of the Company's executives to be competitive with the salaries paid by companies included in the Dow Jones Entertainment and Leisure-Casinos Industry Group (the "Casinos Group").

Performance bonuses, where appropriate, are usually determined after the end of the Company's fiscal year based on an assessment of the Company's results and the level of an individual's particular performance for that year. Long-term incentive arrangements, on a case-by-case basis, may be determined as part of an overall compensation package in conjunction with demonstrable enhancements to stockholder value. The Company did not enter into any long-term incentive arrangement with any executives in 2003.

The Company's Annual Performance-Based Incentive Plan for Executive Officers (the "Incentive Plan") provides for performance-based bonuses for executives who are covered employees under Section 162(m) of the Internal Revenue Code. Section 162(m) generally disallows a tax deduction to public companies for compensation over \$1 million paid to any such company's chief executive officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limitation if certain requirements are met. The Compensation and Stock Option Committee based the performance measure in 2003 on achievement by the Company of pretax income excluding extraordinary items and certain non-extraordinary items, including but not limited to gains or losses from disposal of an operation or sale of assets, certain write-downs or write-offs and material accounting changes. The actual bonus awards, if any, under the Incentive Plan are determined by the Compensation and Stock Option Committee, provided that pursuant to the Incentive Plan, no bonus award with respect to 2003 under the Incentive Plan could exceed the lesser of (a) \$2,500,000 and (b) (I) in the case of the Company's Chief Executive Officer, 250% of the eligible executive's average annual base salary and (II) in the case of all other participants, 200% of the participant's average annual base salary. The average annual base salary for any participant is the average of such participant's annual base salary at (a) the beginning of the performance period (generally the first day of the year) and (b) the date that the Committee establishes the performance goals under the Incentive Plan (generally not later than the 90th day of the year). As approved by the Company's stockholders on May 13, 2003, commencing with 2004, no individual bonus award under the Incentive Plan may exceed \$5,000,000.

The minimum performance goals set by the Compensation and Stock Option Committee for 2003 were exceeded, and accordingly, the Company's senior executives qualified for bonuses for 2003 under the Incentive Plan. Based upon the factors and compensation policies discussed above, the Compensation and Stock Option Committee determined, on February 10, 2004, to grant bonuses for 2003 to the Named Executives pursuant to

the Incentive Plan as follows: Mr. Lanni, \$1,989,345; Mr. Baldwin, \$1,490,345; Mr. Redmond, \$1,290,745; Mr. Murren, \$1,190,946; and Mr. Jacobs, \$691,946.

The Compensation and Stock Option Committee believes that a significant component of the compensation paid to the Company's executives over the long term should be derived from stock options or other forms of stock compensation. The Committee strongly believes that stock ownership in the Company is a valuable incentive to executives and that the grant of stock options or other forms of stock compensation to them serves to align their interests with the interests of the stockholders as a whole and encourages them to manage the Company for the long term. The Compensation and Stock Option Committee determines whether to grant stock options or other forms of stock compensation, as well as the amount of the grants, by taking into account, in the following order of importance, the individual's past and prospective value to the Company, the performance of the proposed recipient (based upon evaluations by the executive's superior or the Board of Directors) and the amount of stock compensation previously granted. In February 2003, the Compensation and Stock Option Committee granted the following stock options to the Named Executives: Mr. Lanni, 700,000 options; Mr. Baldwin, 600,000 options; Mr. Redmond, 500,000 options; Mr. Murren, 500,000 options; and Mr. Jacobs, 300,000 options.

Compensation Awarded to the Chief Executive Officer

J. Terrence Lanni served as Chairman of the Board and Chief Executive Officer of the Company from July 1995 through December 1999, at which time he resigned as Chief Executive Officer but remained as Chairman of the Board in a non-executive officer capacity. Effective February 2000, Mr. Lanni resumed his full-time executive officer status with the Company, retaining the title of Chairman of the Board. Effective March 2001, Mr. Lanni reassumed the title of Chief Executive Officer of the Company. As a result of its periodic review of compensation paid by companies in the Casinos Group and in order to realize the benefits of continuity and stability from the Company's successful management team by securing their long-term services, the Compensation and Stock Option Committee approved, effective June 2002, an extension of the term of Mr. Lanni's employment contract from May 2004 to July 3, 2006 and an increase in his annual base salary from \$1,000,000 to \$2,000,000.

As Chief Executive Officer, Mr. Lanni was eligible in 2003 to participate in the same executive compensation plans available to the Company's other senior executives, including the Incentive Plan, the Stock Option Plans and the Restricted Stock Plan. The performance measure for the Incentive Plan in 2003 was based upon achievement by the Company of pretax income, as described above. The Compensation and Stock Option Committee determined, on February 10, 2004, to grant a bonus of \$1,989,345 to Mr. Lanni for 2003 pursuant to the Incentive Plan. In February 2003, the Compensation and Stock Option Committee granted 700,000 options to Mr. Lanni pursuant to the Company's 1997 Nonqualified Stock Option Plan as an additional incentive to him to remain with the Company and after taking into account, in the following order of importance, Mr. Lanni's past and prospective value to the Company, Mr. Lanni's performance (based upon evaluations by the Board of Directors) and the amount of stock compensation previously granted to him.

The Audit Committee's responsibilities are described in a written charter adopted by the Board of Directors, a copy of which, as amended and restated, is attached hereto as Appendix A. The Audit Committee is responsible for providing independent, objective oversight of the Company's financial reporting system. Amongst its various activities, the Audit Committee reviews:

1. The adequacy of the Company's internal controls and financial reporting process and the reliability of the Company's financial statements;
2. The independence and performance of the Company's internal auditors and independent accountants; and
3. The Company's compliance with legal and regulatory requirements.

The Audit Committee meets regularly in open sessions with the Company's management, independent accountants and internal auditors to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. In addition, the Audit Committee meets regularly in closed sessions with the Company's management, independent accountants and internal auditors to review the foregoing matters. The Audit Committee also recommends to the Board of Directors the appointment of the independent accountants, and periodically reviews their performance and independence from management.

The Audit Committee reviewed and discussed the audited financial statements with management and Deloitte & Touche LLP, and management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The discussions with Deloitte & Touche LLP also included the matters required by Statement on Auditing Standards No. 61 (communication with Audit Committees), as well as the written disclosures and delivery of the letter regarding its independence as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Based on the Audit Committee's review of the audited financial statements and the review and discussions described in the foregoing paragraphs, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended December 31, 2003 be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 for filing with the Securities and Exchange Commission.

WILLIE D. DAVIS
ALEXIS HERMAN

The foregoing report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act, except to the extent the Company specifically incorporates such report by reference therein.

FEES PAID TO AUDITORS

The following table sets forth fees paid to our auditors in 2002 and 2003 for audit and non-audit services. During fiscal year 2002, the Company dismissed Arthur Andersen LLP as its independent auditors and engaged Deloitte & Touche LLP as its new independent auditors. The Company paid Arthur Andersen LLP for audit services in 2002 and Deloitte & Touche LLP for audit and other services in 2002 and 2003 in the following amounts:

	<u>2003</u>	<u>2002</u>

All other fees	62,000	35,000
Total	<u>\$ 1,379,000</u>	<u>\$943,000</u>

(1) Of this amount, \$20,000 was paid to Arthur Andersen LLP.

The category of **Audit Fees** includes fees for our annual audit and quarterly reviews, as well as statutory audits required by gaming regulators and assistance with SEC filings.

The category of **Audit-Related Fees** includes employee benefit plan audits, due diligence in connection with acquisitions, internal control reviews and accounting consultation.

The category of **Tax Fees** includes tax consultation and planning fees and tax compliance services.

The category of **All Other Fees** includes human resources consulting fees.

Pre-Approved Policies and Procedures

Under our former Audit Committee charter, pre-approval of services provided by the independent auditor was not required, though the Audit Committee had an existing practice of approving the audit and significant non-audit services. Under SEC rules effective May 6, 2003, all services provided by the independent auditor under engagements entered into after May 6, 2003 are subject to approval by the Audit Committee. A majority of the fees disclosed above relate to services for which the engagement was entered into before May 6, 2003. Subsequent to that date, all services provided by the independent auditor have been pre-approved by the Audit Committee Chairman, under the authority delegated by the Audit Committee.

Our current Audit Committee Charter, attached hereto as Appendix A, contains our policies related to pre-approval of services provided by the independent auditor. The Audit Committee, or one of its members if such authority is delegated by the Audit Committee, must pre-approve all services provided by the independent auditor. If the pre-approval authority is delegated to one or more members, such pre-approval must be presented to the Audit Committee at its next scheduled meeting.

CERTAIN TRANSACTIONS

On June 2, 2002, the Company entered into a new employment agreement with J. Terrence Lanni, Chairman of the Board and Chief Executive Officer of the Company. The new employment agreement extended the term of Mr. Lanni's prior employment agreement from May 2004 to July 3, 2006 and increased Mr. Lanni's minimum annual salary from \$1,000,000 to \$2,000,000. The Company may terminate the agreement for good cause (as defined). In such event, Mr. Lanni shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination and to retain only those shares of restricted stock granted under the Company's Restricted Stock Plan as had been vested as of the date of termination. If the agreement is terminated as a result of death or disability, Mr. Lanni (or his beneficiary) will be entitled to exercise those of his unexercised options as would have been vested as of the first anniversary of the date of termination, and all shares of restricted stock shall immediately vest. Also, pursuant to the agreement, if the Company terminates the agreement for other than good cause (as defined), Mr. Lanni's salary will continue for the term of the agreement, he will continue to receive certain employee benefits, and all unvested stock options and unvested

restricted stock held will continue to vest for the remainder of the term of the agreement. If Mr. Lanni seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), Mr. Lanni's salary will continue for the term of the agreement, he will continue to receive certain employee benefits, and all unvested stock options and unvested restricted stock held will continue to vest for the remainder of the term of the agreement. If Mr. Lanni terminates without cause upon 30 days notice, then termination will result and Mr. Lanni shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination and to retain only those shares of restricted stock granted under the Company's Restricted Stock Plan as had been vested as of the date of termination. If there is a Change in Control (as defined) of the Company, all of Mr. Lanni's unvested stock options and unvested restricted stock become fully vested. If the Change in Control results from an exchange of outstanding Common Stock as a result of which the Common Stock of the Company is no longer publicly held, then the options held by Mr. Lanni shall be exercisable for the consideration (cash, stock or otherwise) which the holders of the Company's Common Stock received in such exchange, and the Company shall offer to purchase Mr. Lanni's restricted stock upon the same terms and conditions as provided to the Company in the tender offer (see Executive Compensation and Other Information-Aggregated Option Exercises in Fiscal 2003 and Fiscal Year-End Option Values and Compensation and Stock Option Committee Report on Executive Compensation).

On June 2, 2002, the Company entered into a new employment agreement with Robert H. Baldwin, President and Chief Executive Officer of Mirage Resorts, the Company's wholly owned subsidiary. The Company may terminate the agreement for good cause (as defined). In such event, Mr. Baldwin shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination and to retain only those shares of restricted stock granted under the Company's Restricted Stock Plan as had been vested as of the date of termination. If the agreement is terminated as a result of death or disability, Mr. Baldwin (or his beneficiary) will be entitled to exercise those of his unexercised options as would have been vested as of the first anniversary of the date of termination, and all shares of restricted stock shall immediately vest. Also, pursuant to the agreement, if the Company terminates the agreement for other than good cause (as defined), Mr. Baldwin's salary will continue for the term of the agreement, he will continue to receive certain employee benefits, and all unvested stock options and unvested restricted stock held will continue to vest for the remainder of the term of the agreement. If Mr. Baldwin seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), Mr. Baldwin's salary will continue for the term of the agreement, he will continue to receive certain employee benefits, and all unvested stock options held will continue to vest for the remainder of the term of the agreement. If Mr. Baldwin terminates without cause upon 30 days notice, then termination will result and Mr. Baldwin shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination and to retain only those shares of restricted stock granted under the Company's Restricted Stock Plan as had been vested as of the date of termination. If there is a Change in Control (as defined) of the Company, all of Mr. Baldwin's unvested stock options and unvested restricted stock become fully vested. If the Change in Control results from an exchange of outstanding Common Stock as a result of which the Common Stock of the Company is no longer publicly held, then the options held by Mr. Baldwin shall be exercisable for the consideration (cash, stock or otherwise) which the holders of the Company's Common Stock received in such exchange, and the Company shall offer to purchase Mr. Baldwin's restricted stock upon the same terms and conditions as provided to the Company in the tender offer (see Executive Compensation and Other Information-Aggregated Option Exercises in Fiscal 2003 and Fiscal Year-End Option Values and Compensation and Stock Option Committee Report on Executive Compensation).

If the agreement is terminated as a result of death or disability, Mr. Redmond (or his beneficiary) will be entitled to exercise those of his unexercised options as would have been vested as of the first anniversary of the date of termination, and all shares of restricted stock shall immediately vest. Also, pursuant to the agreement, if the Company terminates the agreement for other than good cause (as defined), Mr. Redmond's salary will continue for the term of the agreement, he will continue to receive certain employee benefits, and all unvested stock options and unvested restricted stock held will continue to vest for the remaining term of the agreement. If Mr. Redmond seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), Mr. Redmond's salary will continue for the term of the agreement, he will continue to receive certain employee benefits, and all unvested stock options and unvested restricted stock held will continue to vest for the remainder of the term of the agreement. If Mr. Redmond terminates without cause upon 30 days notice, then termination will result and Mr. Redmond shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination and to retain only those shares of restricted stock granted under the Company's Restricted Stock Plan as had been vested as of the date of termination. operations, tax matters and other business transactions, contracts and agreements. In 2003, the Company paid legal fees to Christensen, Miller, Fink, Jacobs, Glaser, Weil, & Shapiro, LLP in the amount of \$1,501,000. In 2003, Gary N. Jacobs received \$235,946 from Christensen, Miller, Fink, Jacobs, Glaser, Weil & Shapiro, LLP, which payment was primarily related to the buyout of his partnership interest in the law firm. Mr. Jacobs had been a senior partner of the firm, and left that position on becoming employed by the Company. He continues with the law firm in an of counsel capacity. The buyout payment was a fixed contractual obligation of the law firm, and was payable without regard to any legal services rendered to the Company.

Mason, a member of the Board of Directors of the Company, is a Senior Managing Director, serves as a financial advisor to MFS Investment Management (MFS), the administrator of certain of the Company's benefit plans, including the Company's 401K Plan, the SERP and the DCP. Effective July 1, 2000, the annual grants were increased to 5,000 stock options during their respective terms as directors.

For the twelve months ended December 31, 2003, the Company and its subsidiaries rented aircraft from Tracinda for various business purposes. The aggregate amount of rental which was paid by the Company to Tracinda in 2003 was approximately \$277,000, which management believes to be at rates generally comparable to those offered to third parties.

Certain affiliates of the Company, including MGM Grand Hotel, LLC, purchase on a wholesale basis from MGM Inc., videocassettes and other merchandise such as baseball caps, clothing, key chains and watches bearing the trademarks and logos of MGM Inc. for resale to consumers in retail shops located within MGM MIRAGE-affiliated hotels. For the year ended December 31, 2003, there were no material purchases of such merchandise by the Company from MGM Inc. Hotel affiliates of MGM MIRAGE occasionally conduct cross-promotional campaigns with MGM, in which MGM MIRAGE's hotel affiliates and MGM Inc.'s motion picture releases are promoted together; however, management believes that the amounts involved are immaterial. MGM MIRAGE and its hotel affiliates and MGM Inc. have an ongoing relationship whereby the MGM MIRAGE hotel affiliates can utilize key art, still photographs of artwork and one-minute film clips from certain of MGM Inc.'s motion picture releases on an as-needed basis. MGM MIRAGE and its hotel affiliates do not pay any monetary compensation for these licenses.

For the twelve months ended December 31, 2003, MGM Inc. paid the Company the aggregate amount of approximately \$305,000 for hotel services, and Tracinda paid the Company the aggregate amount of approximately \$55,000 for hotel services and usage of its aircraft. The rates charged by the Company for hotel services were generally comparable to those offered to third parties, and the rates charged by the Company for

usage of its aircraft were mandated by Federal Aviation Administration regulations. In addition, in 2003 Mr. Kirk Kerkorian, the sole stockholder of Tracinda, and Mr. Alex Yemenidjian, the Chief Executive Officer of MGM Inc., paid the Company the aggregate amount of approximately \$19,000, and \$32,000, respectively for hotel services provided by the Company. In addition, in 2003 Mr. Yemenidjian participated in the Company's executive health plan which reimburses Mr. Yemenidjian for his medical expenses. Mr. Yemenidjian reimbursed the Company for his participation in such executive health plan according to the Company's applicable rate structure. In addition, in 2003 the Company paid Mr. Yemenidjian's secretary the sum of \$6,000. Tracinda also leases office space from MGM MIRAGE's hotel affiliates, and in 2003, Tracinda paid the Company the sum of \$5,000 for rent for such office space.

Pursuant to a License Agreement between predecessors in interest to the Company and MGM Inc. dated February 29, 1980, as amended, the Company has an open-ended exclusive license to use certain trademarks, trade names and logos in and in connection with the Company's resort hotel and/or gaming and other businesses, excluding the filmed entertainment business. The Company has agreed to pay \$1 million per year for that portion of the license that permits the Company to use the letters "MGM" combined with the name "Mirage" and/or "MIRAGE".

Pursuant to a Merchandise License Agreement effective as of December 1, 2000 between MGM Inc. and a subsidiary of the Company, the Company has the right to use certain trademarks and logos of MGM Inc. in connection with the retail sale of merchandise at the Company's properties. The Company is required to pay MGM Inc. royalties based on retail sales of the licensed merchandise. The agreement has a term of five years, subject to the Company's right to extend the term for one additional five-year period and its option to terminate the agreement at any time upon 60 days' notice. In 2003, the Company paid no royalties to MGM Inc. pursuant to this Merchandise License Agreement. The amount of royalties that will become payable in 2004 and future years cannot be determined at this time.

SELECTION OF AUDITORS

PROPOSAL NO. 2

The Audit Committee of the Board of Directors of the Company is scheduled to meet prior to the stockholders' meeting to select, subject to ratification by the stockholders, the independent certified public accountants to audit the consolidated financial statements of the Company during the year ended December 31, 2004. It is anticipated the Audit Committee will select the firm of Deloitte & Touche LLP.

A representative of Deloitte & Touche LLP will be present at the stockholders' meeting with the opportunity to make a statement if he or she desires to do so and to respond to appropriate questions.

On May 15, 2002, the Company dismissed its independent auditors, Arthur Andersen LLP ("Andersen"), and subsequently engaged the services of Deloitte & Touche LLP as its new independent auditors. This action followed the entry of an order effective May 15, 2002 by the New Jersey Casino Control Commission prohibiting New Jersey casino licensees, and their holding and intermediate companies, from conducting business directly or indirectly with Andersen. Our Board of Directors and Audit Committee participated in the decision to dismiss Andersen and engage Deloitte & Touche LLP.

During our two fiscal years ended December 31, 2000 and 2001 and the interim period through May 15, 2002, there were no disagreements between the Company and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter of the disagreement in connection with its reports on our financial statements.

None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred within our two fiscal years ended December 31, 2000 and 2001 or the interim period through May 15, 2002.

The reports of Andersen on our consolidated financial statements as of and for the fiscal years ended December 31, 2000 and 2001 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

In its letter dated May 15, 2002 to the Office of the Chief Accountant of the Securities and Exchange Commission, Andersen stated that it agreed with the statements in the three preceding paragraphs. This letter was filed as Exhibit 16 to our Current Report on Form 8-K, filed with the Securities and Exchange Commission on May 15, 2002.

During our two fiscal years ended December 31, 2000 and 2001 and the interim period through May 15, 2002, we did not consult with Deloitte & Touche LLP regarding any of the matters or events set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Although Andersen's audit of our 2001 financial statements resulted in an unqualified opinion, we subsequently requested that Deloitte & Touche LLP re-audit our consolidated balance sheets as of December 31, 2001, and the related consolidated statements of income, stockholders equity and cash flows for each of the two years in the period ended December 31, 2001 in order to provide investors with additional confidence. Deloitte & Touche LLP completed these audits, and there were no adjustments or restatements to the financial statements referred to above filed as part of our Annual Report on Form 10-K, filed with the Securities and Exchange Commission on March 26, 2002.

The Board of Directors recommends a vote FOR adoption of this proposal.

NOTICE CONCERNING STOCKHOLDER PROPOSALS AND NOMINATIONS
