Item 1.01. Entry into a Material Definitive Agreement.

The Board of Directors (the “Board”) of Casey’s General Stores, Inc. (the “Company”) declared a dividend, payable to shareholders of record on April 26, 2010 (the “Record Date”), of one right (a “Right”) per each share of outstanding Common Stock, no par value per share, of the Company (“Common Stock”), to purchase 1/1,000th of a share of Series A Serial Preferred Stock, no par value per share, of the Company (the “Preferred Stock”), at a price of \$95.00 per share (such amount, as it may be adjusted from time to time as provided in the Rights Agreement (as defined below), the “Purchase Price”). In connection therewith, the Company entered into a Rights Agreement, dated as of April 16, 2010 (as the same may be amended from time to time, the “Rights Agreement”) with Computershare Trust Company, N.A., as Rights Agent (the “Rights Agent”).

The following summary of the Rights Agreement is a general description only and is qualified in its entirety by the full text of the Rights Agreement which is attached as Exhibit 4.1 hereto and incorporated by reference herein.

Effectiveness. The Rights Agreement became effective on April 16, 2010 (the “Effective Date”). Upon and following the Effective Date, Rights will be issued in respect of all outstanding shares of Common Stock on the Record Date, and for all shares of Common Stock issued after the Record Date and, subject to the next sentence, prior to the earliest of the Distribution Date (as defined below), the redemption of the Rights or the Expiration Date (as defined below). Rights may be distributed with respect to shares of Common Stock issued after the Distribution Date only in certain limited circumstances as described in the Rights Agreement (such as the issuance of Common Stock pursuant to stock options, employee compensation or benefit plans and convertible securities).

Term. The Rights will expire on April 15, 2011 (the “Expiration Date”), unless earlier redeemed by the Company as provided below.

Exercisability. Initially, the Rights will not be exercisable. The Rights will become exercisable upon the earlier of the following dates (such date, the “Distribution Date”):

such date the Company learns that a person or group (including any affiliate or associate of such person or group) has acquired, or obtained the right to acquire, beneficial ownership (as defined in the Rights Agreement and including certain derivative positions) of more than 15% of the outstanding Common Stock of the Company (any person or group specified in this bullet point, an “Acquiring Person”); and

such date, if any, as may be designated by the Board following the commencement of, or first public disclosure of an intention to commence, a tender or exchange offer for outstanding Common Stock which could result in a person or group becoming the beneficial owner of more than 15% of the outstanding Common Stock of the Company.

Rights Certificates and Detachability. Prior to the Distribution Date, the Rights will be represented by the certificates for shares of Common Stock, and the Rights will be transferable only with the related Common Stock certificates and will be automatically transferred with any transfer of the related Common Stock. After the Distribution Date, the Rights will “detach” from the Common Stock and will be separately transferable.

Terms of Preferred Stock. The terms of the Preferred Stock issuable upon exercise of the Rights are designed so that each 1/1,000th of a share of Preferred Stock is entitled to participate in dividends and other distributions on an equivalent basis with one whole share of Common Stock of the Company. In addition, the Preferred Stock has certain minimum dividend and liquidation rights. Except as required by law, the terms of the Preferred Stock do not include the right to vote.

Dilution Adjustments. The amount of Preferred Stock issuable upon exercise of the Rights is subject to adjustment by the Board in the event of any change in the Common Stock or Preferred Stock, whether by reason of stock dividends, stock splits, reclassifications, recapitalizations, mergers, consolidations, combinations or exchanges of securities, split-ups, split-offs, spin-offs, liquidations, other similar changes in capitalization, any distribution or issuance of assets, evidences of indebtedness or subscription rights, options or warrants to holders of Common Stock, Preferred Stock or otherwise.

The Flip-In Provision. At such time as any person or group becomes an Acquiring Person, the holder of each Right will thereafter have the right to receive, upon exercise of the Right and the payment of the Purchase Price, that number of 1/1,000ths of a share of Preferred Stock equal to the number of shares of Common Stock which at the time of the applicable triggering transaction would have a market value of twice the Purchase Price. However, any Rights that are or previously were beneficially owned by an Acquiring Person on or after the Distribution Date will become null and void and will not be subject to the “flip-in” provision.

The Flip-Over Provision. In the event the Company is acquired in a merger or other business combination by an Acquiring Person, or 50% or more of the Company’s assets are sold to an Acquiring Person, each Right will entitle its holder to purchase common shares in the surviving entity at 50% of the market price (subject to exceptions if the surviving entity does not have common shares registered under the Securities Exchange Act of 1934, including circumstances in which the surviving entity has common shares that publicly trade outside the United States, as further described in the Rights Agreement). As with the “flip-in” provision, any Rights that are or previously were beneficially owned by an Acquiring Person on or after the Distribution Date will become null and void.

Exchange. After any person or group becomes an Acquiring Person, the Board may elect to exchange each Right (other than Rights owned by an Acquiring Person) for consideration per Right consisting of one-half of the Preferred Stock (or fractions thereof) that would be issuable at such time upon the exercise of one Right pursuant to the terms of the Rights Agreement (or an equivalent value comprised of cash, shares of Common Stock, shares of Preferred Stock, other securities or any combination thereof).

Redemption. The Rights are redeemable by the Board at a redemption price of \$0.001 per Right (the “Redemption Price”) any time prior to the earlier of (i) the Distribution Date and (ii) the Expiration Date. Immediately upon the action of the Board ordering the redemption of the Rights, and without any further action and without any notice, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Amendment. At any time prior to the Distribution Date, the Company may, without the approval of any holder of the Rights, supplement or amend any provision of the Rights Agreement (including the date on which a Distribution Date shall occur, the amount of the Purchase Price, the definition of “Acquiring Person” or the time during which the Rights may be redeemed), except that no supplement or amendment may be made which reduces the Redemption Price of the Rights.

Voting. Until a Right is exercised, the holder thereof, as such, will have no rights as a shareholder of the Company, including, without limitation, the right to vote or to receive dividends.

Item 3.03. Material Modification to Rights of Security Holders.

The information set forth under “Item 1.01. Entry into a Material Definitive Agreement” of this Current Report on Form 8-K is incorporated into this Item 3.03 by reference.
