Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On December 21, 2011, Delphi Financial Group, Inc. (“Delphi”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) among Delphi, Tokio Marine Holdings, Inc., a Japanese corporation (“Tokio Marine”), and TM Investment (Delaware) Inc., a Delaware corporation and wholly owned subsidiary of Tokio Marine (“Merger Sub”). The Merger Agreement provides that at the effective time of the merger, Merger Sub will be merged with and into Delphi (the “Merger”), with Delphi continuing as the surviving corporation and becoming an indirect wholly owned subsidiary of Tokio Marine. The Merger Agreement was approved by Delphi’s Board of Directors, acting upon the unanimous recommendation of the Special Transaction Committee consisting of five independent directors.

Pursuant to the Merger Agreement, at the effective time of the Merger, (1) each share of Class A Common Stock, other than shares of Class A Common Stock owned by Delphi, Tokio Marine or any of their respective wholly owned subsidiaries and stockholders who have properly exercised and perfected appraisal rights under the Delaware General Corporation Law (the “DGCL”), will be converted into the right to receive \$43.875 in cash, without interest and less any applicable withholding taxes and (2) each share of Class B Common Stock, other than Class B Common Stock owned by Delphi, Tokio Marine or any of their respective wholly owned subsidiaries and stockholders who have properly exercised and perfected appraisal rights under the DGCL, will be converted into the right to receive \$52.875 in cash, without interest and less any applicable withholding taxes. In addition, the Merger Agreement provides that record holders of Class A Common Stock and Class B Common Stock immediately prior to the effective time of the Merger will receive \$1.00 in cash per share pursuant to a one-time special dividend from Delphi to be paid shortly after closing.

Delphi stock options, restricted shares and restricted stock units will generally be cancelled upon completion of the Merger in exchange for the applicable Class A or Class B per share merger consideration or, in the case of stock options, the excess, if any, of the applicable Class A or Class B per share merger consideration over the exercise price of the option. All performance-based vesting criteria in respect of performance-vesting options and performance-vesting restricted shares will be deemed satisfied at closing for purposes of calculating the amounts payable. With respect to time-vesting options and restricted shares and RSUs, such payment will generally be made at the same time as to other stockholders in connection with the closing and, with respect to performance-vesting options and performance-vesting restricted shares, such payments will be made on December 31, 2012 and March 5, 2013, respectively, in each case subject generally to the payee's continued employment. Holders of options, restricted shares and RSUs will also generally be entitled to receive the \$1.00 per share special dividend or an equivalent amount.

Completion of the Merger is subject to various closing conditions, including, but not limited to, (1) adoption of the Merger Agreement and an amendment to Delphi’s certificate of incorporation which would permit Class B stockholders to receive higher consideration than Class A stockholders in the Merger (the “Certificate Amendment”) by the holders of a majority of the voting power of outstanding shares (Class A stockholders and Class B stockholders voting together as a single class), (2) adoption of the Certificate Amendment by the holders of a majority of the outstanding shares of Class A Common Stock voting as a single class, (3) approval of the Merger by a majority of the total number of outstanding shares of Class A Common Stock, excluding shares owned, directly or indirectly, by Mr. Robert Rosenkranz, Chairman and Chief Executive Officer of Delphi, or other Class B stockholders or Tokio Marine or officers or directors of Delphi or any of their respective affiliates (which condition, pursuant to the terms of the Merger Agreement, may not be waived), (4) requisite approval of the Japan Financial Services Agency of an application and notification filing by Tokio Marine and its affiliates, (5) the receipt of all required insurance regulatory approvals and (6) expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

The Merger Agreement provides certain termination rights for both Delphi and Tokio Marine, and further provides that upon termination of the Merger Agreement under certain circumstances, Delphi will be obligated to pay Tokio Marine a termination fee of \$82,000,000.

The Merger Agreement contains a “no shop” provision that, in general, restricts Delphi’s ability to solicit third-party acquisition proposals or provide information or data to or engage in discussions or negotiations with third parties that have made or to Delphi’s knowledge are reasonably likely to make an acquisition proposal. The no shop provision is subject to a “fiduciary out” provision that allows Delphi, under certain circumstances and in compliance with certain obligations, to provide information and data and participate in discussions and negotiations with respect to unsolicited written third-party acquisition proposals that could reasonably be expected to result in a Superior Proposal (as defined in the Merger Agreement) and to terminate the Merger Agreement and accept a Superior Proposal upon payment to Tokio Marine of the termination fee discussed above.

The Merger Agreement contains customary representations and warranties. The assertions embodied in those representations and warranties were made solely for purposes of the Merger Agreement. No person should rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts or the condition of Delphi or Tokio Marine or any of their respective affiliates, because, among other reasons, they may be modified by information provided in the disclosure letters referenced in the Merger Agreement, they may be subject to a contractual standard of materiality different from that generally applicable to Delphi’s filings with the U.S. Securities and Exchange Commission (the “SEC”), or they may have been used for the purpose of allocating risk among the parties to the Merger Agreement rather than establishing matters as facts.

The Merger Agreement also contains customary covenants, including, among other things, covenants regarding: (1) the conduct of the business of Delphi prior to the consummation of the Merger, (2) the calling and holding of a meeting of Delphi’s stockholders for the purpose of obtaining the necessary stockholder approvals and (3) the use of reasonable best efforts to consummate the Merger as soon as reasonably practicable. Under the terms of the Merger Agreement, Delphi is permitted to declare and pay its regular quarterly cash dividends in a manner consistent with past practice and not in excess of \$0.12 per share.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Voting and Support Agreement

On December 21, 2011, and in connection with the execution of the Merger Agreement, all of the holders of Delphi’s Class B Common Stock, consisting of Rosenkranz & Company, L.P., R & Co. Capital Management LLC, Pergamon Enhanced Partners, L.P. and Mr. Rosenkranz, entered into a Voting and Support Agreement with Tokio Marine and Delphi (the “Voting Agreement”). Mr. Rosenkranz entered into the Voting Agreement solely in his capacity as a Delphi stockholder, and not in his capacity as a director or officer of Delphi. Pursuant to the Voting Agreement, each of these stockholders has agreed, among other things, to vote (or cause to be voted) such stockholder’s shares of Class A Common Stock and Class B Common Stock in favor of the adoption of the Merger Agreement and the Certificate Amendment and has agreed not to dispose of such shares, subject to certain exceptions, while the Merger Agreement is in effect, other than as contemplated by the Merger Agreement. Mr. Rosenkranz is party to an agreement with Delphi not to vote or cause to be voted certain shares of Class A Common Stock or Class B Common Stock, as applicable, if and to the extent that such shares would cause him and Rosenkranz & Company, L.P., collectively, to have more than 49.9% of the combined voting power of Delphi’s stockholders. The Voting Agreement shall terminate upon termination of the Merger Agreement, including any termination in connection with the “fiduciary out” provision of the Merger Agreement, or upon any amendment of the Merger Agreement to decrease the Class B per share merger consideration.

The foregoing description of the Voting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Voting Agreement, which is filed as Exhibit 2.2 hereto and is incorporated herein by reference.

Assignment and Assumption Agreements

Pursuant to two separate consulting agreements, Delphi and Reliance Standard Life Insurance Company (“RSL”) each pay to Rosenkranz Asset Managers, LLC (“RAM”), a wholly owned subsidiary of Rosenkranz & Company, L.P., fees associated with the formulation of investment and other strategies. In connection with the Merger, these consulting agreements will be assigned by RAM to Acorn Advisory Capital L.P. pursuant to two assignment and assumption agreements (the “Assignment and Assumption Agreements”). Delphi and RSL entered into the Assignment and Assumption Agreements at the same time as the Merger Agreement. The Assignment and Assumption Agreements will automatically become effective upon the closing of the Merger.

The foregoing description of the Assignment and Assumption Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the Assignment and Assumption Agreements, which are filed as Exhibits 10.1 and 10.2 hereto and are incorporated herein by reference.

Item 8.01 Other Events.

On December 21, 2011, Delphi and Tokio Marine issued a joint press release announcing the execution of the Merger Agreement and related agreements. A copy of that press release is furnished as Exhibit 99.1.
