PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Bio-Imaging Technologies, Inc. (the Company) of proxies to be voted at the Annual Meeting of Stockholders of the Company to be held on Wednesday, May 28, 2003 (the Meeting), at the Company's executive offices at 826 Newtown-Yardley Road, Newtown, Pennsylvania, at 9:00 A.M., local time, and at any adjournment or adjournments thereof. Holders of record of Common Stock, \$0.00025 par value (Common Stock), as of the close of business on April 18, 2003 will be entitled to notice of and to vote at the Meeting and any adjournment or adjournments thereof. As of that date, there were 8,676,077 shares of Common Stock issued and outstanding and entitled to vote. Each share of Common Stock is entitled to one vote on any matter presented at the Meeting. The aggregate number of votes entitled to be cast at the Meeting is 8,676,077.

If proxies in the accompanying form are properly executed and returned, the shares of Common Stock represented thereby will be voted in the manner specified therein. If not otherwise specified, the shares of Common Stock represented by the proxies will be voted: (i) FOR the election of the eight nominees named below as Directors; (ii) FOR the ratification of the appointment of PricewaterhouseCoopers LLP, as independent auditors for the year ending December 31, 2003; and (iii) in the discretion of the persons named in the enclosed form of proxy, on any other proposals which may properly come before the Meeting or any adjournment or adjournments thereof. Any stockholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by the Secretary of the Company, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the person appointing a proxy does not, however, revoke the appointment.

The presence, in person or by proxy, of holders of shares of Common Stock having a majority of the votes entitled to be cast at the Meeting shall constitute a quorum. The affirmative vote by the holders of a plurality of the shares of Common Stock represented at the Meeting is required for the election of directors, provided a quorum is present in person or by proxy. Provided a quorum is present in person or by proxy, all other actions proposed herein, other than the election of directors, may be taken upon the affirmative vote of stockholders possessing a majority of the voting power represented at the Meeting.

Abstentions are included in the shares present at the Meeting for purposes of determining whether a quorum is present, and are counted as a vote against for purposes of determining whether a proposal is approved. Broker non-votes (when shares are represented at the Meeting by a proxy specifically conferring only limited authority to vote on certain matters and no authority to vote on other matters) are included in the determination of the number of shares represented at the Meeting for purposes of determining whether a quorum is present but are not counted for purposes of determining whether a proposal has been approved and thus have no effect on the outcome.

This Proxy Statement, together with the related proxy card, is being mailed to the stockholders of the Company on or about April 28, 2003. The Annual Report to Stockholders of the Company for the fiscal year ended December 31, 2002 (Fiscal 2002), including financial statements (the Annual Report), is being mailed together with this Proxy Statement to all stockholders of record as of April 18, 2003. In addition, the Company has provided brokers, dealers, banks, voting trustees and their nominees, at the Company's expense, with additional copies of the Annual Report so that such record holders could supply such materials to beneficial owners as of April 18, 2003.

ELECTION OF DIRECTORS

At the Meeting, eight Directors are to be elected (which number shall constitute the entire Board of Directors of the Company) to hold office until the next Annual Meeting of Stockholders and until their successors shall have been elected and qualified.

It is the intention of the persons named in the enclosed form of proxy to vote the stock represented thereby, unless otherwise specified in the proxy, for the election as Directors of the persons whose names and biographies appear below. All of the persons whose names and biographies appear below are at present Directors of the Company. In the event any of the nominees should become unavailable or unable to serve as a director, it is intended that votes will be cast for a substitute nominee designated by the Board of Directors. Under a prior stock purchase agreement, the Company had agreed to take all actions necessary to nominate and cause the election to the Board of Directors of up to three designees of Covance, Inc., a substantial stockholder of the Company. Such obligation terminates at such time as Covance owns less than 200,000 shares of Common Stock. Covance has designated Dr. Bannon as a nominee for Director for the 2003 fiscal year. Covance has reserved all rights under its agreement with the Company for subsequent years.

On October 25, 2001, the Company consummated the acquisition of assets of the Intelligent Imaging business of Quintiles, Inc. (Intelligent Imaging), a North Carolina corporation and wholly-owned subsidiary of Quintiles Transnational Corp. (Quintiles). The Board of Directors has decided to renominate Ms. Stafford as a nominee for Director to serve until the 2004 Annual Meeting of Stockholders. Ms. Stafford, however, will not be serving as a designee of Quintiles during such time period.

The Board of Directors recommends that Stockholders vote FOR each of the nominees for the Board of Directors.

Committees and Meetings of the Board

There were five regular meetings of the Board of Directors during Fiscal 2002. During this period, each member of the Board of Directors attended more than 75% of the aggregate of: (i) the total number of meetings of the Board of Directors (held during the period for which such person has been a Director); and (ii) the total number of meetings held by all committees of the Board of Directors on which each such Director served (during the periods such Director served).

The Board of Directors has two standing committees: the Audit Committee and the Compensation/ISO Committee.

Compensation/ISO Committee. The Compensation/ISO Committee makes recommendations concerning salaries and incentive compensation for management and employees of the Company and administered the Company's 1991 Stock Option Plan, as amended (the 1991 Plan) and currently administers the 2002 Stock Incentive Plan (the 2002 Plan).

In addition, the Compensation Committee/ISO Committee reviews the potential effect of Section 162(m) periodically and uses its judgment to authorize compensation payments that may be subject to the limit when the Compensation Committee believes such payments are appropriate and in the best interests of the Company and its stockholders, after taking into consideration changing business conditions and the performance of our employees. Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid to the company's CEO and the four other most highly compensated executive officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met. The Compensation/ISO Committee held three meetings in Fiscal 2002. The Compensation/ISO Committee is currently comprised of Drs.

Berg and Taylor.

Audit Committee. The primary responsibilities of the Audit Committee, as more fully set forth in the Audit Committee Charter adopted on September 1, 2000, as amended and restated on February 5, 2003 and attached hereto as *Appendix A*, include: (i) evaluating, and recommending to the Board of Directors the engagement of

the Company's independent auditors; (ii) reviewing the results of their audit findings; (iii) reviewing the Company's periodic reports filed with the Securities and Exchange Commission; and (iv) monitoring on a periodic basis the internal controls of the Company. During Fiscal 2002, the Audit Committee had been, and is currently, comprised of David E. Nowicki, D.M.D. and David M. Stack. On February 5, 2003, Paula B. Stafford was appointed to the Audit Committee. The Audit Committee held four (4) meetings in Fiscal 2002.

Each Audit Committee member is an independent member of the Board of Directors as defined in Section 121(A) of the American Stock Exchange Listing Standards, Policies and Requirements. As an independent director of the Board of Directors of the Company, each Audit Committee Member is not an officer or employee of the Company or its subsidiaries or does not have a relationship which, in the opinion of the Company's Board of Directors, would interfere with the exercise of independent judgement in carrying out the responsibilities of a director.

Report of the Audit Committee

The Audit Committee has furnished the following report:

To the Board of Directors of Bio-Imaging Technologies, Inc.:

The Audit Committee of the Company's Board of Directors is currently composed of three members and acts under a written charter adopted on September 1, 2000, and amended and restated on February 5, 2003. The current members of the Audit Committee are independent directors, as defined by its charter and the rules of the American Stock Exchange, and possess the financial sophistication required by such charter and rules. The Audit Committee held four meetings during 2002.

Management is responsible for the Company's financial reporting process including its system of internal controls and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. As appropriate, the Audit Committee reviews and evaluates, and discusses with the Company's management and the independent auditors, the following:

the plan for, and the independent auditors' report on, each audit of the Company's financial statements;

the independent auditor's review of the Company's unaudited interim financial statements;

the Company's financial disclosure documents, including all financial statements and reports filed with the Securities and Exchange Commission or sent to stockholders;

management's selection, application and disclosure of critical accounting policies;

changes in the Company's accounting practices, principles, controls or methodologies;

Edgar Filing: BIO IMAGING TECHNOLOGIES INC - Form DEF 14A

significant developments or changes in accounting rules applicable to the Company; and

the adequacy of the Company's internal controls and accounting and financial personnel.

The Audit Committee reviewed and discussed with the Company's management the Company's audited financial statements for the year ended December 31, 2002, the audited financial statements for the three month transition period ended December 31, 2001 and the unaudited interim financial statements during the year ended December 31, 2002. The Audit Committee also reviewed and discussed the audited financial statements and the matters required by Statement on Auditing Standards No. 61, 89 and 90 (Communication with Audit Committees) with the Company's independent auditors. These standards require the Company's independent auditors to discuss with the Company's Audit Committee, among other things, the following:

methods used to account for significant unusual transactions;

the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and

disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

The Company's independent auditors also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires auditors annually to disclose in writing all relationships that, in the auditor's professional opinion, may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. In addition, the Audit Committee discussed with the independent auditors their independence from the Company. The Audit Committee also considered whether the independent auditors' provision of certain other non-audit related services to the Company is compatible with maintaining such auditors' independence.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements referred to above be included in the Company's Annual Report on Form 10-KSB.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Covance

On October 13, 1994, the Company and Covance Inc. entered into an agreement whereby Covance purchased: (i) 2,355,000 shares of the Company's Common Stock, (ii) a warrant to purchase 250,000 shares of Common Stock with an initial exercise price of \$1.25 per share and (iii) a warrant to purchase 250,000 shares of Common Stock with an initial exercise price of \$1.50 per share (the Warrants), for an aggregate purchase price of \$1,819,500. The Warrants expired on October 13, 1998 without being exercised. Pursuant to the above agreement, the Company has agreed to take all actions necessary to nominate and cause the election to the Board of Directors of up to three designees of Covance, Inc. Covance, Inc. has designated Dr. Bannon to serve on the Company's Board of Directors for the 2003 fiscal year.

Transactions with Quintiles, Inc.

On October 25, 2001 (the Closing Date), the Company consummated the acquisition (the Acquisition) of the assets of Intelligent Imaging. The assets acquired included Intelligent Imaging's customer contracts, equipment, permits, leases and proprietary rights. In consideration for the assets purchased, the Company made payment to Quintiles of an aggregate purchase price consisting of \$1,000,000 in the form of an unsecured, subordinated convertible promissory note, dated as of October 25, 2001, made by the Company payable to Quintiles (the Note) in the principal amount equal to \$1,000,000 with interest per annum equal to the rate in effect on the business day immediately prior to the date on which payments are due under the Note equal to the Three-Month London Interbank Offering Rate as published from time to time in the Wall Street Journal plus 300 basis points, compounded annually based on a 365-day year. The Note, which is payable in quarterly installments with respect to fifty percent (50%) of the aggregate principal amount, together with all accrued and unpaid interest on the entire outstanding principal amount, matures thirty-six (36) months from the Closing Date and is convertible, in whole or in part, by Quintiles any time prior to maturity into Common Stock. The number of shares of Common Stock into which the Note may be converted is calculated by dividing the outstanding principal balance of the Note, plus all accrued and unpaid interest thereon, by the greater of: (i) 75% of the average closing price of the Company's Common Stock over the ten consecutive trading days ending prior to the date of conversion; or (ii) \$0.906 per share. Accordingly, as of April 18, 2003, the Note was convertible into a maximum of 284,570 shares of Common Stock. This was calculated by dividing the unpaid principal balance (\$782,528 at April 18, 2003) plus accrued interest (approximately \$10,000 as of April 18, 2003), totaling \$792,528, by \$2.785 (75% of the average closing price of the Company's Common Stock over the ten consecutive trading days ending prior to April 18, 2003).

On February 18, 2003, the Company paid Quintiles 188,549 shares of Common Stock as additional consideration for the acquisition of Intelligent Imaging because certain financial results were achieved. The Company also assumed certain liabilities of Intelligent Imaging, including all obligations of Intelligent Imaging arising after the Closing Date under certain contracts and unearned income reflected on the closing balance sheet, except for certain retained liabilities.

Pursuant to the above Acquisition, the Company agreed to take all actions necessary to nominate and cause the election to the Board of Directors one individual designated by Quintiles until the 2003 Annual Meeting of Stockholders. Ms. Stafford currently is serving on the Board of Directors as such designee.

The Board of Directors has decided to renominate Ms. Stafford as a nominee for Director to serve until the 2004 Annual Meeting of Stockholders. Ms. Stafford, however, will not be serving as a designee of Quintiles during such time period.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Company, subject to stockholder approval, has nominated PricewaterhouseCoopers LLP as independent auditors of the Company for the fiscal year ending December 31, 2003. Andersen's prior audit report on the Company's financial statements for each of the two most recent fiscal years in the period ended September 30, 2001 contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles. We filed a letter from Andersen, and an amendment thereto, addressed to the Securities and Exchange Commission, stating their agreement with the above statements, on a Current Report on Form 8-K on April 17, 2002, as amended on April 26, 2002.

During our two most recent fiscal years ended September 30, 2001, and through April 15, 2001, the Company did not consult with PricewaterhouseCoopers LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) or (ii) of Regulation S-K.

In addition, the Audit Committee shall:
 - a. confirm the regulator rotation of the lead audit partner and reviewing partner as required by Section 203 of the Sarbanes-Oxley Act;
 - b. confirm that the Chief Executive Officer (CEO), Chief Financial Officer (CFO), Controller and Chief Accounting Officer (or other persons serving in similar capacities) were not employed by the independent auditor, or if employed, did not participate in any capacity in the audit of the Company, in each case, during the one-year period preceding the date of initiation of the audit, as required by Section 206 of the Sarbanes-Oxley Act; and
